By that time it was out of Jack's hands. His parents were wide awake now, clinging to their hero son and listening. During the next two minutes they heard a stark drama—downstairs the dining room window opened and closed. In the distance, growing ever nearer, was the hum of a motor which they knew would be the police car.

Jack reached for the telephone himself.

They heard it stop outside. Then came a shout, "Stop thief!" A brief scuffle, and they knew the burglar was captured.

Next morning Jack was awakened by his father.

"Son," he began, eyes twinkling, "I forgot to ask last night how you happened to hear that burglar."

Jack blushed.

"I was downstairs, Dad, waiting for Santa Claus. Wanted to see if he really does come on Christmas eve."

His father laughed heartily.

"But Jack!" he protested. "Don't you know that Santa Claus never comes when little boys and girls are watching? I'll bet he's been here by this time, though. Let's go see!"

Downstairs Jack's surprise was divided between two equally fascinating subjects. Around the Christmas tree were more presents than he'd ever seen before, including a brand new bicycle!

But off to one side was a jolly looking, blue-uniformed policeman.

"Sonny," the copper began, "That burglar you captured last night was 'Lightning Pete,' a most notorious house breaker."

Jack's jaw dropped.

"Best of all," the policeman continued, "there's a $500 reward for his capture, and it all belongs to you. Here's the check."

Jack could barely say "Thank you!" so amazed was he.

"I guess," he finally mumbled, "that Santa Claus is wearing a blue uniform this year."

STATES-DOMINION LEAGUE PLAY WILL OPEN HERE SUNDAY

Crookston Pirates to Furnish Opposition in Local Arena

The States-Dominion hockey league schedule was disrupted this week when Grafton and Thief River Falls found that it was impossible for the Canadian players they had signed to their teams to report in time for the opening games. The department of justice refused to issue waivers on these players, without an investigation, and as a result these players are without their passport visas.

Manager Sewell Gross received a telegram Wednesday from Harold Hagen, secretary to Rep. R. T. Buckler, stating that waivers had been issued and that the players would be able to obtain their visas. The Pirates defeated the Fargo Comets, 5 to 4, at Fargo Tuesday night.

A re-shuffling of the schedule's opening games was necessary, and league officials switched Crookston, which was to have played Grafton, to Fargo for the game Tuesday night; and tonight Fargo plays at Crookston. Accordingly the local season will not open before Sunday afternoon, Dec. 22nd, when the Crookston Pirates are scheduled to play here.

Aliens Must Register Not Later Than Dec. 26

Next Thursday, December 26, is the last day on which aliens in this locality may register at the local postoffice without making themselves liable to penalties under federal laws. Postmaster Andrew Anderson stated that up to the first of the week his office had registered and fingerprinted nearly 300 aliens.

Prowlers Meet Detroit Lakes Here Friday Night

The Lincoln high school basketball team will be given another test in an interdistrict game Friday evening in the high school gymnasium when the Detroit Lakes quintet will furnish the opposition. The Prowlers showed marked improvement in their victorious encounter with the Grand Forks Central team last Friday and are expected to give a good account of themselves Friday evening. As a curtain-raiser at 7:15 the Prowler reserves will meet the Newfolden quintet.

BEMIDJI HOCKEY TEAM IS DEFEATED BY LOCAL JUNIORS

All Goals Scored in First Period of Contest in Arena Saturday

The Thief River Falls junior hockey team, the Hornets, opened their season last Saturday night when they defeated the Bemidji Lumberjacks, 3 to 1, in a fast and well-played hockey game at the local arena.

All the goals were scored in the first period, with Lloyd Johnson counting the first tally 45 seconds after the opening face-off, when he lifted a long shot into the net. Bemidji knotted the count on a goal by Bennington; but Del Hovie immediately sent the Hornets into the lead when his angle shot glanced off a Bemidji boy's skate into the net. The last goal was scored on a fine combination play between 'Mouse' Efteland and Lloyd Johnson, with 'Mouse' getting the assist and Lloyd the goal.

The summary:

Thief River Falls (3)		Bemidji (1)
[illegible]	goal	Bardwell
Carlson	defense	Tibbetts
Bredeson	defense	Shallow
Wang	wing	Saylor
Efteland	wing	Lindahl

ED FLASCH PLAYS BRILLIANT GAME TO WHIP G. FORKS

T. R. Falls Player Piles up 21 Points; Locals Win by 28-22 Score

With their veteran forward, Eddie Flasch, playing at his brilliant best and scoring 21 points, the Prowlers upset the Grand Forks Central high school team, 28 to 22, in a basketball game played at Grand Forks last Friday night.

It was a crowd-pleasing type of game, with both teams playing pell-mell basketball. The Prowlers held a lead during most of the game, with Flasch scoring the games first points on a field goal; but it was only in the final minutes of play that they were able to pull away from the Central quint.

Flasch, in addition to his six field goals, converted nine of his ten tries from the free throw line, Eddie's fast-breaking drives for the basket and his pivot shot drawing numerous fouls from the rangy Grand Forks boys. The remaining seven points of the Prowler 28 point total were scored by Lenny Lorentson, a field goal, Babe Peterson, two free throws, and Tommy Carlisle, a field goal and a free throw.

The Prowlers played a fine game defensively, with their zone defense preventing Grand Forks from getting very many 'set-up' shots. And on pass interceptions the Prowlers would shift into a faster-breaking attack than they have revealed all season.

The next game on the Prowler schedule will be played at the local gymnasium tomorrow night, Friday, with Detroit Lakes furnishing the opposition.

Vivian Havel Wins $25 in U. S. Bowling Event

Unexpected Christmas money in the form of a bowling prize came this week to Miss Vivian Havel of Thief River Falls, who was declared a cash prize winner in the $50,000 Red Crown Open Play Bowling Carnival. Miss Havel won third prize in the Rookies class for the seventh weekly contest of the coast-to-coast tenpin classic. She will receive a check of $25 from the Brunswick-Balke-Collender Co., sponsor of the carnival. The carnival distributed twenty-four cash prizes to the first four finishers in each of the six ability classifications of the tenpin classic.

Pepsi-Cola's Record-Breaker

The Pepsi-Cola's certainly gave the other teams in the City Bowling League something to chew on over the Christmas holidays when they bowled a 1021 single game last week. That was a record-breaker. And what makes the total more remarkable is the fact that the boys had twelve 'open' frames during the game—8 blows and 4 splits—but they redeemed those 'open' frames with strikes, getting 31 of them.

Merle Carlson, the pilot, had 5 strikes, made two doubles, for a 182 total; Don Noel had 4 strikes, one double, and a 181 total; Happy Erickson had 9 strikes, with a string of five and a string of four, for a huge 252 total; Dugan Dunrud, the stylist of the outfit, had 8 strikes, a double and a string of six, and a 231 total; and anchor man Bob Strunk had 5 strikes, with four in a row, for a 175 total.

Well, that's the first 1000 pin total that's been registered in the City League this season; but it won't be the last. Several of the teams have had games in the high 900's, and it's only reasonable to expect that the teams will improve their bowling during January and February.

The Hockey Situation

I don't know if all the trouble that manager Sewell Gross is having in assembling his hockey team can be dignified by the term situation'. Sewell has other words for it. But Thief River is not alone in its hockey troubles, for Grafton, too, is having difficulty in bringing their Canadian hockey players across the line. The players all have their passports, but they have not been able to secure their passport visas. The visa is an official okay by the U. S. counsul, and it certifies that the passport is valid and in order, and that the immigration officers are to permit the holder to cross the border. The Canadian government has given these players permission to leave the country, but it's the U. S. department of justice that has refused to issue waivers on these players without an investigation of each individual. And without such a waiver the U. S. consul cannot issue the visas. What with fifth columnists, sabotage rumors, spy scares, and the rest, you can't blame the justice department for being cautious.

Goalie Jimmy Bronson is the only hockey player from above the line that's here; and Jimmy didn't have any trouble at the border because hes an American citizen. Jimmy arrived in town last Saturday.

That dispute between Grafton and Thief River Falls over Frank Gustafson and Jack McVicar has been settled. We are to have Gustafson, and Grafton is to keep McVicar. The problem now is to get these fellows out of Canada.

The Hornets

While the senior hockey team is having trouble getting under way, the Hornets, the junior hockey team, is picking up where it left off last season. It was undefeated then, and after its first game last Saturday its still undefeated. That was a pretty good brand of hockey they played in beating Bemidji, 3 to 1. The improvement in the Hornets' second line—Don Wang, Lloyd Johnson, and Mouse Efteland—was particularly noticeable. Andy Anderson, who's in the Navy is missing from last year's first line of Del Hovie, Bud Froseth, and Anderson, and that appeared to handicap Del and Bud somewhat in their play Saturday.

Propose New State Park in Mille Lacs Lake Area

Plans are now underway for the creation of a state park in the Mille Lac Lake area, according to Harold Lathrop, director of the division of state parks. Three sites are under consideration, one of which is near Borden Lake at Garrison. A park of 5,000 acres or more is contemplated. Mille Lacs is the gateway to tourist traffic to Northern Minnesota. The average daily movement of traffic recorded by the state highway department just north of Onamia during July of last year was 3,553 vehicles every 24 hours.

OFFICERS CHOSEN TO HANDLE JUNIOR HOCKEY ON SUNDAY

Plans Call for Two Thief River Falls Teams to Get into Action

At a meeting of representatives of Northwest junior hockey league teams held in this city Sunday, I. S. Miller of Crookston was reelected president and Rev. Victor Cardin of Dorothy vice president, while Dr. A. R. Hulbert was named secretary-treasurer. Each club will later name one director.

Teams entered in play last year and which are expected to be contenders again this season include East Grand Forks, Thief River Falls, Hallock, Warroad, Bemidji, and three teams from Crookston representing Central high school, Cathedral high school and Northwest School of Agriculture. Thief River Falls was awarded the championship tournament, the dates being set tentatively at February 14 and 15.

This city, according to present plans, will be represented by two teams, one composed exclusively of high school students and the other of players under the age of 25. Bill Gray, former member of the Roseau hockey team, has been serving as coach for the local teams, both of which are sponsored by the Thief River Falls 40 & 8 unit.

2 Local Bowling Teams Defeat Warren Men in Matches in City Sunday

Local teams were victorious in two total-pin matches rolled on the Mint alleys here last Sunday afternoon, the Thief River Falls Times team defeating the Warren Sheaf, 2590 to 2397; and the local Land O'Lakes taking the measure of the Warren Land O'Lakes, 2373 to 2278. Cal Colvin, with a 567 total, and Bill Dahlquist, with a 539, were the high pin men in the Times 193 pin win over the Sheaf; with Wilf Johnson's 489 and Cy Mattson's 487 leading the Sheaf bowlers. Earl Effinger's 536 led the local Land O' Lakes in their win over the Warren Land O'Lakes, Walt Neevard with a 498 total paced the Warren team.

PROWLERS BOW TO TEACHERS COLLEGE RESERVES IN TILT

Take Short End of 28 to 19 Score in Contest at Bemidji

Playing a preliminary to the North Dakota A. C. vs. Bemidji State Teachers College game the Prowlers dropped a 28 to 19 decision to the B. S. T. C. reserves last night at Bemidji. The reserves used their height advantage to fine effect, controlling the ball off the backboards; but it was their hot-shooting guard, Dalony, who gave the reserves the win, scoring 11 points, and getting ten of their points in the second half.

Cloth Shine Removed

It is possible to take the shine from the back of trousers and skirts by sponging the shiny worn place with water containing a little ammonia, and then pressing with plenty of steam. When the garment is dry the surface should be roughed up with a piece of emery paper.

FARMERS UNION GROUP ENDS ITS ST. PAUL MEETING

Organization Planning for Additional Elevator Facilities

Two thousand stockholder-delegates to the annual Farmers Union convention in St. Paul, returned home last week-end determined to put renewed vigor into the farmers' fight for a brighter place in the legislated national economy.

Representing more than 100,000 farmers of the Dakotas, Montana, Minnesota and Wisconsin, the delegates approved resolutions:

Authorizing a $25,000 budget for the work of the Northwest Legislative Committee for 1941, funds to be raised by contributions from local cooperative associations, Farmers Union organization's rural business men, and individuals so far as possible. The Northwest Legislative Committee, headed by Mr. M. W. Thatcher, has taken a leading part in securing favorable agricultural legislation.

Declaring a sympathy of purpose with organized labor, pledging support to labor in achieving sound legislation, and voicing appreciation for labor's help in enacting farm legislation.

Commending legislative efforts to keep the United States out of war, declaring that true national security can be obtained only through solution of the domestic problems of agricultural maladjustment, unemployment and general insecurity.

Directors of the Grain Terminal association were authorized to proceed with purchase, construction or lease of additional elevator facilities at Duluth-Superior and at Shelby, Mont., with combined capacity of 4,000,000 bushels and costing upward of $1,000,000.

Annual reports of the three principal units of the big cooperative: Farmers Union Grain Terminal association, Farmers Union Central Exchange, Inc., and Farmers Union Livestock Commission company, revealed substantial growth during the past year.

November Shows Gain in Campaign Against Deaths of Pedestrians

After several months of increasing pedestrian fatalities resulting from motor vehicle accidents, the trend appears to have been reversed, according to statistics of the highway department's safety division.

In the eleven months of this year for which figures are now complete, a total of 520 motorists and pedestrians have lost their lives in traffic mishaps and of this total, 167 victims were pedestrians. Last year at this same time, 150 pedestrians had lost their lives in Minnesota traffic accidents and on this basis 17 more walkers have died this year than at the same time last year. However, figures compiled at the end of ten months this year revealed that at the time there had been an increase of 27 pedestrian deaths this year. The eleven-month figures indicate that a "saving of ten pedestrian lives was affected during November of this year.

A further study of the statistics of this year's pedestrian deaths shows that 104 of the 167 victims were 45 years old or older, bringing out again the fact that the elderly people are the most frequent traffic death victims in the pedestrian class.

A rusted steel shoe recently found in Texas is believed to have been a part of a coat of mail worn by a Spanish explorer in the Sixteenth century.

"Good Will Toward Men"

One anniversary and one alone belongs to all the world. Each nation has holidays which celebrate its heroes and important events in its history.

But these are of human origin and are transcended by one event that is celebrated by all nations. Only once a year the whole earth echoes with tidings of joy sung by all peoples.

Ever since the Virgin Mother laid her baby in its manger bed in Bethlehem, Christmas has been God's gift to every home, the equal possession of all mankind.

The day comes this year to a confused world which will receive the greeting of a Merry Christmas with eager hearts. It is at this season that we renew the hope for "peace on earth, good will toward men."

Christmas brings within the reach of men and women everywhere the blessings which no change of time or circumstances can take away. It lifts the eyes of men from worldly trials to the vision of a Living Christ, newborn at this time; it lifts man's mind to the knowledge of God's love. It brings us to that neighborly love which the small town and rural community best typifies today.

This newspaper, which has served this community with neighborly tidings, extends to you all the sincere wishes for a very Merry Christmas.

Funeral Last Week for Late A. Kaiser, Widely Known Bagley Banker

Friends and relatives crowded the Congregational church at Bagley Tuesday afternoon of last week to pay their respects to the late Albert Kaiser, 76, pioneer Northern Minnesota banker and early-day newspaperman, who died at his home in Bagley Saturday, Dec. 7. Rev. R. C. Mulder, pastor of the Congregational church, officiated at the services and interment was in the Bagley cemetery.

Altho his health had been failing for several years, he had been active in the management of the First National Bank of Bagley, of which he was president, until three weeks ago when he sufferec a heart attack.

Born in Winona, Minn., in 1964, he came to Crookston in 1883. Moving to Fosston, he established on March 13, 1884, the Thirteen Towns, weekly newspaper which still is published. He hauled the press by wagon from Crookston.

The same year he became associated with the late Louis Lohn and founded a private bank in Fosston. It later became the First National. In 1904, Mr. Kaiser went to Bagley and since has served as president of the First National bank.

Few Losses in State from Forest Fires This Year

Less merchantable timber was lost by fire this year than for the past ten years, according to the 1940 forest fire season report, issued by the department of conservation. Only 145 acres of merchantable timber was burned. In 1939, 933 acres of timber was destroyed by fire and in 1938, 4,775 acres.

Seven fires covered a thousand acres before they were controlled, and all were in open grass bog areas. Fires totalled 996 and damage is estimated at $102,432.

Showing the extent to which sudden death strikes, nearly 66,000 persons died last year within 12 months after having been accepted as fully insurable for life insurance, according to the Institute of Life Insurance.

Lord Lothian, British Ambassador to United States, Dies Thursday

Lord Lothian, the British ambassador to the United States, died last Thursday in Washington. The cause of death was a uremic infection.

Lothian, 58, had been indisposed several days. He cancelled an appearance before the American Farm Bureau Federation in Baltimore and the speech he had prepared for delivery before the federation was read for him.

Lothian, returning recently from an official visit to London, raised publicly the question of financial aid to Great Britain by declaring his country needed "planes, munitions, ships and finances."

The problems of the war and especially those of getting material American assistance imposed a heavy strain on the ambassador and this was believed to have contributed to his death.

SUMMER PASTIME IN WINTER SCENERY

Red Wing—Residents of East Red Wing were startled on a recent morning to hear the unmistakable whirr of a lawnmower echoing across the snowdrifts and coming from the general direction of the Izaak Walton League park. Curious investigators there found "Farmer" Eckholm on the business end of the mower, his head hardly visible above heaps of snow. "Skating rink," he explained briefly. Following a loud guffaw, Eckholm calmly continued, "Grass too high; gotta cut it off so it don't stick through the ice." And he was right!

WOULD ABOLISH STATE HIGHWAY ARBITRATION ACT

Citizens Group States Law Allows Opportunity for Abuse

Declaring the state highway arbitration act offers too many opportunities for abuse and too little protection for the public, the Citizens' Tax Relief association in St. Paul this past week asked that the act, which was passed in 1921, be wiped off the statute books.

The request followed announcement last week of an award of $256,000 made to a St. Paul contractor by an arbitration board on a Duluth paving job and the disclosure that three other arbitration proceedings are pending in which contractors seek $283,000 above contract prices.

Though on the books since 1921, the arbitration act was almost wholly unused until 1938 when a number of contractors started arbitration proceedings to obtain allowances for work which they claimed due in excess of contract prices. It was in one of these cases that an arbitration board last week made an award of $256,000 to Thornton Brothers, St. Paul, in addition to the $359,000 contract price for 4 3-4 miles of paving in Duluth. The work was finished in 1938 and arbitators appointed that year.

John F. Scott, president of the Tax Relief Association, in writing to Commissioner of Highways M. J. Hoffmann and Attorney General J. A. A. Burnquist, said the association did not wish to pass on the merits of the pending claims, but felt that the method provided to handle them is defective.

"It is easy to see what might happen if we had a highway administration that tried improperly to favor certain contractors," Mr. Scott pointed out. "The department might select an arbitrator favorable to the contractor, and then all three arbitrators would lean that way. The board might bring in an award that was excessive and, with the department and its legal staff making no protest, have the award adopted. This is obviously insufficient protection to the public.

"Even under efficient and conscientious administration, the arbitration proceedings are often futile. A long hearing has been held in the pending case, and the matter must be fought out again in district court. It would seem much better to set up a court of claims to handle these matters from their inception or give the district court in Ramsey county authority through a special act to hear them."

Cleaning Unwashable Wallpaper

There are several methods of removing grease spots from wallpaper that is not washable or waterproof; but success cannot always be guaranteed. One method involves the use of benzine or carbon tetrachloride or a spot cleaner sold by most stores.

The solvent should be applied to the spot quickly, and a blotter held over it immediately afterward. The principle is that the solvent and grease mix, become mobile, and are then drawn into the blotter.

STEINER

This is the last month of this year 1940 and with Christmas just around the corner. Christmas is the big homecoming time of the year, when, all students return to their homes for the holidays, when preparations are made for visitors, the coming and goings of families. This time of the year folks are closer to one another, more so than any other time. The impulse to help somebody else seems stronger at Christmas when help is given to needy families, baskets for the older people, toys for children, community trees, the good work done by missionary and Ladies Aid societies.

There will be a Christmas tree and program given by the teacher (Alma Kiseth) and the pupils on Friday evening, Dec. 20, in the Loftness school.

Mrs. Torkel Ose will entertain the Ladies' Aid of the Saterdal church in the church basement on Wednesday, Dec. 18. This will be the annual meeting of this year. The Saterdal Luther League had their annual meeting Sunday. Those elected in office were Torkel Ose, president; Mrs. Manvil Moe, vice president; Arvid Olson, treasurer; Enga Ose, secretary.

Christmas Program

A Christmas tree and program will be given in the Silver Creek church on Sunday evening, the 22. Also the Saterdal church will have their program and tree on Sunday afternoon. On Friday the 27th. The Steiner school gave their Christmas tree program on Thursday the 19th. Also the county line school had their program Wednesday, the 18th.

The playlet "George in a Jam" which was given Saturday at the community hall, was very interesting and a large crowd attended. Much credit is due the leader, Mrs. Olaf Simonson and the cast who presented this play. Mrs. Simonson entertained the cast at a turkey dinner at her home Sunday evening.

Mr. and Mrs. Emil Rux entertained Saturday evening at a 12 o'clock oyster stew at their home in honor of Mrs. Rux's father and mother, Mr. and Mrs. E. Whitson of Rocksbury, the occasion being Mrs. Whitson's birthday.

Kenneth Mussy who is attending the University at Minneapolis is expected to arrive at his home Tuesday for the holidays.

Ann Hillyer visited Thursday afternoon at the county line school and she also was an over night guest at the Alfred Solem home on Thursday.

Mr. and Mrs. Gil Sannes, also Mrs. J. Sannes were dinner guests Sunday at the William Grundhouse home in Rocksbury.

Steve Warring left Sunday for Minneapolis where he will visit for some time with his daughter, Pearl, and son-in-law, Mr. and Mrs. J. A. Baumann.

Mr. and Mrs. Henry Williams took a truck load of cattle to Fargo Monday. Mrs. Williams visited with her sister, Jennie. They returned here Tuesday.

Co. Superintendent of Schools Thora Skomedal, spent the week end here and also attended the play at the hall.

Otto Saugen and Irven Russel were callers in Holt Friday.

Ingvard Pederson is wearing a big smile these days, because a little daughter came to bless their home Dec. 10.

Mrs. Bertha Saugen spent four days last week with her daughter, Mrs. C. Sorenson, while Mr. Sorenson attended the Farmers Union convention in St. Paul.

Mrs. A. Kisch and Mrs. R. Rupprecht were afternoon guests at the Nick Baker home in town of Agder on Tuesday. They also called at the Harry Sampson and the Lloyd Haagenson homes.

Ida Grandstrand spent the week end in Thief River Falls with her friend, Phillis Prestby.

Miss Bergos, teacher in the Klungness school, spent the week end in Crookston with her folks.

Malvin Bothun of Holt and Albert Sevre of Wylie were visitors at the Ose Bros. home Sunday.

Mr. and Mrs. Helmer Udstrand and two daughters of Thief River Falls were dinner guests Sunday at the Emil Rux home.

Company Monday evening at the Rupprecht home were Mrs. Mary Kisch, Mrs. Ed. Rupprecht and son Morris, all of Thief River Falls.

Mrs. Rupprecht received word that her daughter, Ardith, is now back at Glendive, Mont., after spending three months at Tacoma, Spokane, Missoula, and Manhatten. She plans to spend the winter in Miles City, where she will be employed.

Through this column we wish you all a very merry Christmas, especially to those who are in other states and who are readers of the Times.

REINER

The Reiner aid met at the Walter Sorter home Friday. Officers elected for the coming year are: president, Mrs. Walter Sorter; vice president, Mrs. George A. Vraa; secretary, Mrs. Jim Wells; treasurer, Mrs. J. O. Hoyum.

Mrs. Jim Wells and Mrs. Clinton Wells met with the pupils of the Sunday school class at the church on Sunday to practice for the program to be given at the church on Sunday the 22.

Mrs. Clara Berg entertained the Ladies Aid at her home Thursday.

Jessie Anderson of Star, George E. Vraa and Morris Miller of Reiner, comitteemen, spent a few days attending to the 1941 farm listings at Thief River Falls.

Miss E. Tuura teacher in Dist. 48 is preparing a Christmas program to be given at the school house on Friday afternoon.

NORTH

County Line school is giving their Christmas play Wednesday, Dec. 18.

Mr. and Mrs. Delmont Hemingson of Rosewood are employed at the Sande dairy.

Mrs. Roy Rude visited with Mrs. LeVoy Rhude at the St. Lukes Hospital, Saturday and Monday. Mrs. Rhude had a baby girl Friday.

Mr. and Mrs. Merold Olson of Beresford, S. D., were supper guests at the Roy Rude home Friday. Mr. Olson is Mrs. Rude's brother. They went to Ohio but will be back to visit.

Jerold Rude and Wilbert Jablinski assisted Kerwin Kiasela in moving to Fargo Sunday.

The Good Cheer club had their Christmas party Tuesday at the Emil Griebstein home. Christmas carols were sung. Roll Call was answered with Christmas quotations. They gave ten dollars to the crippled childrens home. Gifts were exchanged and a lovely lunch was served by Mrs. H. Grow, Mrs. Knut Jorde and Mrs. A. Jorde.

CITY COUNCIL PROCEEDINGS

Pursuant to due call and notice therefor, the City Council of the City of Thief River Falls met in special session in the Council Chambers in the Auditorium and Municipal building on December 5, 1940. The meeting was called for the purpose of considering the prepayment of $13,000 Refunding Bonds, dated July 1, 1939, maturing in full in 1949, and held by the State of Minnesota. All members were present excepting Alderman Baker. The state board of investment by letter dated December 4th had approved such prepayment provided that the Clerk could furnish a certificate to the effect that funds used in such prepayment had been derived from direct taxation or from the earnings of a municipal plant.

Alderman Sande introduced a resolution authorizing prepayment of such bonds and interest as of January 1, 1941, principal $13,000.00; interest $260.00, less funds on hand in State Loan Account on County records, $746.48, authorizing transfer from Current Expense Fund to Sinking Fund of $12,513.52 and authorizing the issuance of warrant in said amount to the Treasurer of Pennington County and moved adoption of the resolution. The motion was seconded by Alderman Iverson and the resolution was on roll call passed and adopted.

On motion made and carried the meeting was declared adjourned.

EMIL GRIEBSTEIN,
President of the Council

Attest: P. G. Pederson,
City Clerk.

RESOLUTION

At a special meeting of the City Council held December 5th, 1940, Alderman Sande, seconded by Alderman Iverson, introduced the following resolution and moved its adoption:

BE IT RESOLVED, By the City Council of the City of Thief River Falls, Minnesota, that

WHEREAS, the City did on June 24th, 1939 issue its Refunding Bonds in the sum of Thirteen Thousand ($13,000.00) Dollars dated on that day and drawing interest at the rate of 2% per annum, and

WHEREAS, there is unpaid on said bonds the sum of Thirteen Thousand Two Hundred Sixty ($13,260.00) Dollars, principal and interest to December 31st, 1940, and

WHEREAS, the said bonds are now held by the State Board of Investment and such board having agreed to accept payment on said bonds before maturity, and

WHEREAS, the County Treasurer of Pennington County now has on hand the sum of Seven Hundred Forty-six and 48/100 ($746.48) Dollars, the proceeds of [illegible] levied on account of said bonds,

NOW, THEREFORE, BE IT RESOLVED, that there be and hereby is transferred from the Current Fund to the Sinking Fund the sum of Twelve Thousand Five Hundred Thirteen and 52/100 ($12,513.52) Dollars and the Mayor and the City Clerk are hereby authorized to issue and deliver to the County Treasurer of Pennington County the City's Warrant in the sum of Twelve Thousand Five Hundred Thirteen and 52/100 ($12,513.52) Dollars drawn on the Sinking Fund and in payment of said bonds.

ROLL CALL

Aldermen voting Yea: Griebstein, Salveson, Iverson, Kinghorn, Sande.
Aldermen voting Nay: None.
Resolution declared passed.

Presented to Mayor Dec. 5, 1940.
Approved Dec. 10, 1940.

W. W. PRICHARD,
Mayor

Attest: P. G. Pederson,
City Clerk

RESOLUTION

At a regular meeting of the City Council held December 10, 1940, Alderman Kinghorn, seconded by Alderman Baker, introduced the following resolution and moved its adoption:

BE IT RESOLVED, By the City Council of the City of Thief River Falls, Minnesota, that

WHEREAS, D. W. Hickey & Company, St. Paul, Minnesota, contractors in the furnishing of Auxiliary Equipment and wiring in connection with Light Plant Improvements, have filed their Estimate No. 1, in the amount of $1,598.00, which estimate has been approved by the Engineers in charge,

BE IT RESOLVED, That the Mayor and Clerk be and they are hereby authorized to issue and deliver the warrant of the City to said D. W. Hickey & Company in the amount of Fifteen Hundred Ninety Eight and No/100 ($1,598.00) Dollars, based on the estimate, less a balance of 15%.

WHEREAS, the Engineers in charge of such improvement have filed their claim for services in the amount of $1,551.50 under the terms of the existing contract, which claim has been duly approved,

BE IT RESOLVED, That the Mayor and Clerk be and they are hereby authorized and directed to issue and deliver the warrant of the City in the amount of Fifteen Hundred Fifty-one and 50/100 ($1,551.50) dollars to Ralph D. Thomas & Associates in payment of such claim.

Pursuant to adjournment the City Council of the City of Thief River Falls, Minnesota, met in session in the Council Chambers in the Auditorium and Municipal Building on Friday, December 13, 1940. The meeting was called to order at eight o'clock P. M. with all members present excepting Alderman Salveson.

Motion was made by Alderman Kinghorn, seconded by Iverson and carried that proposals for the furnishing of sewer mains, water mains and fittings, advertised for consideration this date be opened and read. Proposals for sewer mains and fittings were presented by Skarstad Daniels Lumber Company, Central Lumber Company, Robertson Lumber Company and Home Lumber Company. Proposals for the furnishing of watermains and fittings were presented by James B. Clow & Sons, American Cast Iron Pipe Company, Waterous Company, U. S. Pipe and Foundry Company and Crane Company. Tabulation of bids indicated that Skarstad Daniels Lumber Company was low bidder on sewer pipe and fittings and American Cast Iron Pipe Company was low bidder on water main and fittings. Alderman Sande introduced a resolution awarding contract for sewer pipe and fittings to Skarstad Daniels Lumber Company and water main and fittings to American Cast Iron Pipe Company and moved adoption of the resolution. The motion was seconded by Alderman Kinghorn and on roll call the resolution was duly passed and adopted.

Application of Edward Ostlin for compromise settlement of the accumulated taxes against his property Lot 1, Block 8 of Highland Addition was again given consideration. Motion was made by Alderman Kinghorn that the Council recommend to County Board of Pennington County that taxes for the years 1912-1938 be compromised in the amount of $210. The motion was seconded by Alderman Baker and adopted.

The City Attorney was instructed to draft a proposed ordinance repealing Ordinance No. 108, as amended by Ordinance Nos. 171 and 187 and licensing and regulating the sale of refreshments within the city.

Alderman Baker introduced a resolution providing for the payment to Anton Anderson the sum of $125.00 for Lots 30 and 31, Block 3, Knox Addition and moved adoption of the resolution. The motion was seconded by Alderman Iverson and the resolution was on roll call duly passed and carried.

Alderman Baker introduced a resolution providing for the transfer from Current Expense Fund to Permanent Improvement Fund the sum of $[illegible] to be used for the retirement and payment of certain warrants issued in this and [illegible] bear interest at the rate of 6% and moved adoption of the resolution. The motion was seconded by Alderman Kinghorn and the resolution was on roll call duly passed and adopted.

WYANDOTTE

E. N. Evenson and Jas. Evenson were at Bemidji on Wednesday to attend the funeral of their brother, G. N. Evenson, who died at a hospital there Saturday, Dec. 7. Bert Evenson was born in Vernon Co., Wisc., on June 10, 1871. He came to Wyandotte township with his father. He was married in 1898 to Miss Emma Quammen. He is survived by three sons and five daughters. In 1905 he moved to Bemidji where he was employed with the Crookston Lumber Co., for thirty years.

Others from here who attended the funeral were Mrs. E. N. Evenson and Lester, Mrs. J. Evenson, Mrs. Clem Cote and Mr. and Mrs. J. O. Fengen of Thief River Falls.

Rev. M. L. Dahle, conducted regular services at the Clearwater Lutheran on Sunday and at that time tendered his resignation to the board of trustees. On account of ill health, his physician and family advise a complete rest for several months. His resignation becomes effective when a successor is secured.

Mrs. Christine Peterson, teacher and pupils of Poplar Glen school are preparing a very excellent Christmas program which will be given on Thursday evening, Dec. 19. All interested friends of the community are given a hearty welcome.

Pennie Haugen who is employed in different localities in the state of Michigan came here last week to visit his parents, Mr. and Mrs. David and especially his father who has been seriously ill. Mr. Haugen's condition is very much improved at this time. Their daughter, Mrs. Carrie Monson returned Friday evening to her home in Minneapolis after spending six weeks helping care for her father.

Mr. and Mrs. Edwin Evenson and their five year old son Karl of Portland, Ore., arrived here Friday for an extended visit at the home of Edwin's parents, Mr. and Mrs. E. N. Evenson. This is the Evensons first visit here since the summer of 1932, and they anticipate a happy reunion with relatives and their many friends here.

Mrs. J. C. Jorgenson returned on Saturday from a week's trip to Minneapolis. She was accompanied home by her four year old son Fredrick, who has been a patient at University hospital for six weeks.

Mrs. Isaac Wilson spent Wednesday visiting her daughter Mrs. Leo Berg. She accompanied Mr. and Mrs. E. N. Evenson, who continued on to Bemidji.

Wallace Evenson returned on Saturday from a three weeks visit with relatives in Duluth.

Mr. Magnell and son Walter of Kratka spent Sunday afternoon at the home of his daughter, Mrs. Adolph Blackstad.

Rev. and Mrs. M. L. Dahle of St. Hilaire were social callers at the O. E. Wilson home Friday afternoon.

GRYGLA

Grygla P. T. A. Meets

The regular monthly meeting of the Grygla P. T. A. was held at the local schoolhouse last Wednesday evening. During the business meeting it was decided that an invitation should be extended to Miss Eggenstien to be present at the next meeting, on Wednesday evening, January 15, and speak on Health. A discussion on Boy and Girl Scout organizing was then led by Clarence Doran and Mrs. Elmer Hyland; it was decided that local troops should be organized and Mmes Clifford Lunde, Robert Thorson and Elmer Hyland volunteered to get prospective members for the Girl Scouts, while getting members for the Boy Scouts was left to all the men present.

The program opened with "Jingle Bells" sung by the audience with the P. T. A. Chorus, directed by Arthur Lundmark, Clara Lillevold at the piano. Then followed a panel discussion on the topic, "What Kind of Christmas Shall We Give Our Children", conducted by Mr. and Mrs. Clifford Lunde, Mr. and Mrs. Clarence Doran, Carl Holbrook and Mrs. George Armstrong after which the chorus sang "Oh Little Town of Bethlehem". The concluding number on the program was "God Bless America" by the audience.

The entertainment consisted of several contests, the first being "Film Faces", which was won by John Stewart; the candle and plate relay race was won by Carl Holbrook's side against Mike Teigland's side. The winners each received a candle. The last feature of the entertainment was a radio broadcast, the winners receiving a box of candy. Everyone present then marched around the Christmas grab box and helped themselves to a gift. The program and the entertainment had been planned and arranged by Mrs. Clarence Doran, Mrs. Herbert Moore, and Clifford Lunde. Lunch was served by Mmes. Harry McLean, Gust Austad, and Ernest Selle. The program for the January meeting will be arranged by Robert Thorson, Mrs. Arthur Lundmark, and Mrs. Mike Teigland.

BOY RISKS LIFE TO SAVE SISTER

Blue Earth—A story of heroism and bravery comes out of the Armistice Day storm with Glenn Thompson risking his life several times for his sister, Edna, marooned at the school during the storm. Diabetic, Edna was not able to get her regular insulin shots at 4 o'clock so her brother, fearing for her safety, fought his way through the storm to the doctor's office, only to find that the doctor was out. Later he tried again and this time learned that the doctor was marooned in the country and that there was no insulin on hand. Glenn, with two other boys, then made his way to a farm house where he knew he could get insulin and brought it back to his sister who was taken care of. However, realizing that his parents would be frantic with worry and with no telephone on the farm, Glenn set out again on foot and hiked nearly four miles to reassure his parents with the blizzard raging so badly that many could not even walk a few blocks.

Dear friends:
We want to tell you a true Christmas story:
A man and his wife, both old, were about to lose their little home. A mortgage was long past due. Then one morning they were notified that the mortgage had been paid!
Who paid it? They don't know. We don't know. But we do know that whoever it was has caught the real Christmas spirit.
Our kindest wishes are extended to you at this happy holiday time.
Respectfully,
Carl B. Larson

Home-Built Target Pistol

Sportsmen who want to build a target pistol in the home workshop can follow blueprints worked out by a Wisconsin man, using hand tools for all except the turning of the barrel, which requires a lathe or grinder. This shop hobbyist has shot down toy balloons a quarter of a mile distant with his home-made pistol, according to Popular Mechanics Magazine. It is a .22-caliber weapon, with 12½ inch barrel. A pistol that might cost $100 and more in a gunshop may be built at home for about $15. The complete kit of parts is available in roughed-out form or ready for assembly.

University Suspends Work for Yule Recess

"Homecoming" will be reversed this week when thousands of students from the University of Minnesota will trek back home by train, bus and car to spend their two-weeks Christmas vacation with mother and father, meanwhile renewing acquaintance with their home-town cronies and vacationing friends from other colleges. The examination period, time of trial in all senses for the college undergraduate, ends this week and commencement exercises for the close of the university's fall quarter will be held Thursday, December 19. The speaker is to be Dr. William H. Cowley, president of Hamilton College, Clinton, N. Y.

Offer Social Security Account Holders Chance to Check up on Status

Opportunity for social security account holders to check up on their old-age and survivors insurance accounts is offered by the Social Security Board in an announcement issued today. Frank H. Daly, manager of the field office at Bemidji, says the board is ready to furnish to any wage earner in employment covered by the Social Security Act a statement of the wages credited to his particular account.

There are 50 million such accounts, according to Director John J. Corson of the Board's bureau of old-age and survivors' insurance, which handles this enormous bookkeeping job.

Social security accounts are the social security board's record of each worker's wages as reported to the government by his employer. The monthly benefits payable to insured wage earners, to their wives or widows, and their children, or to their dependent parents, depend upon the amount of the worker's wages. Therefore, the board points out, the worker should check up and find out for himself the status of his wage record.

Such an opportunity is provided not more than once a year by the board and for the account holder's convenience, a postcard to use in asking for the statement of his wages is provided by field offices of the board. All the worker needs to do is fill out this card and mail it, or write a letter making the same request. In either case, he gives his name and address, his social security account number and the date of his birth, to identify his account. He will receive the reply in a sealed envelope.

The statement of wage credits will show the total of the worker's wages reported to the government by his employer or employers. It will show also the total of all his wages as reported and processed since his social security account was started.

It costs you money every time you don't read these want ads.

Bulletin Gives Hints on Escaping Epidemic of Flu Sweeping Nation

With a flu epidemic threatening a sweep across the United States, prompt personal defense precautions should be taken by every individual, suggests a warning from the medical department of Northwestern National Life Insurance company.

Deaths reported in the current epidemic seem to be resulting from complications, usually pneumonia, rather than from the flu itself, which has proved to be a fairly mild variety so far. Pneumonia, the warning points out, is a disease which strikes where resistance is low; the same is true of most other complications.

Therefore a quick drive to build up one's resistance is the first strategy. Even if you do not escape the flu altogether, you will lighten the attack, and reduce the danger of complications.

Going to bed at seven oclock for the next few evenings gives one of the quickest possible lifts to the vitality of the average person, because Americans as a race are chronically behind on sleep.

Drink at least six to eight glasses of liquids daily, to keep waste and impurities from accumulating. Get moderate exercise in the fresh air daily, unless actually ill. Use extra care just now to avoid wet feet and chilling. Avoid excesses of all kinds during the critical few weeks ahead, which will tell the story as to how severe the flu epidemic is going to be.

Holiday crowds provide the perfect medium for the spread of flu. Avoid crowds as far as possible; particularly avoid getting the breath of others.

Christmas Mail

- Uncle Sam has a big job this Christmas—he even delivers Santa's mail!

Last year's Holiday mail was the biggest ever handled by the United States postoffice, and this year's will probably be bigger. Cards, childish letters to Santa Claus, carelessly wrapped and addressed packages and the always-present human element of waiting until the last minute complicate the job. First mail to be handled each year is that for foreign countries, shown above being placed aboard a transatlantic liner. Such packages must be mailed early.

Towns bearing Christmasy names like Santa Claus, Bethlehem, Nazareth and Christmas (they're real towns, too) always have a landoffice business in remailing cards and packages forwarded from all parts of the country. Above, at Bethlehem, Conn., Postmaster Earl S. Johnson stamps the special postmark used last year. It is the shape of a Christmas tree with the words, "Greetings from the Little Town of Bethlehem." He handles about 80,000 pieces of mail each season.

Pity the poor postman at a time like this! Small town postoffices usually add more clerks at the holiday season. In big cities additional mailmen like these are pressed into service. Uncle Sam does a good job of it —just so your cards and gifts will be delivered by Christmas morning!

Plan Songs, Games To Combat Dullness After Heavy Dinner

For that "stuffy" feeling after a heavy Christmas dinner there's nothing better than a few games to clear the atmosphere. Or, for that matter, any of the following.

Jot down a few parlor games and get together in advance whatever paraphernalia you need for them.

Give charades. For this plan what kind [illegible] proverbs [illegible] and collect some gadgets or "properties" or sketchy costume material—and do it the day before if not sooner.

Let the children give a little play or a little entertainment of singing carols and reciting.

Give a Christmas pageant or dramatize a Christmas carol. This can be done easily in an informal way.

Have a candlelight procession with singing.

Give a little party or invite a few outside grownups and children in for simple refreshments.

Vacuum Cleaner Puncture

Metallic objects picked up by a vacuum cleaner may puncture the bag and decrease its length of life.

Beaver Census Being Taken in North Areas by Conservation Dept.

The privacy of Minnesota beaver was imposed upon a bit by the department of conservation this week. A census count of the valuable furbearers—first in Minnesota history—continued as wardens, under supervision of the state mammalogist, visited beaver lodges throughout the state to determine populations.

Meanwhile officials prepared for a more detailed count by 10 CCC camps in the territory. This census, which will cover selected areas of typical beaver country, will guage food supplies and carrying capacities of the land in addition to populations.

The department said the beaver census data is in line with a policy of determining populations of every animal species before decisions are made on an open season harvest.

Christmas Programs

Christmas programs are scheduled to be held in this community as follows: Zion German Lutheran church on Christmas Eve, Zion Norwegian Lutheran Church, Friday evening, December 27, and the school programs in Mavie, District 76 and Germantown on Friday evening, December 20th.

Charivari Party

A charivari party was given Thursday evening honoring the newlyweds, Mr. and Mrs. Billy Wayne at the Wayne home. Cards and dancing was the diversion of the evening and lunch was served by Mrs. Laura Hanson and Mrs. C. Svensgaard. About fifty guests were present.

Mr. and Mrs. Ludvig Rosette and daughter Edna spent Thursday at the home of the former's parents, Mr. and Mrs. Lars Rosette of St. Hilaire.

Farewell Party

John Clausen was honored at a farewell party at the Harry Ristau home Saturday evening. The evening was spent in playing cards and lunch was served by the assembled guests. John is leaving this week for St. Cloud to make his home indefinitely with his brother-in-law and sister, Mr. and Mrs. Herman Wagner.

Mr. and Mrs. Melvin Sabo and Sharon of Holt visited at the Svensgaard and Sabo homes here Sunday.

A progressive whist party was given at the Mavie school Friday evening for the benefit of the Christmas program. Whist was played at nine tables and Charles Svensgaard won highest honors.

John Clausen was a business caller in Thief River Falls Friday.

Mrs. Tom Whalen of Oklee was a caller at the E. O. Sabo home on Monday.

Mr. and Mrs. Frank Kainz and family were shoppers in Thief River Falls Saturday and also visited with the former's father, Frank Sr.

Mr. and Mrs. J. Payne of Goodridge were visitors at the home of their grand-daughter, Mrs. Charles Svensgaard Sunday.

Guests at the Melvin Hamre home on Thursday evening were Mr. and Mrs. Walter Evenson and family, Miss Thea Erickson and Mrs. F. Grosing, all of Thief River Falls.

Mr. and Mrs. Oble Sabo of Goodridge were callers in Mavie Saturday enroute to Thief River Falls.

The Silverton Christmas program will be held Wednesday evening, Dec. 25, at 8:00 p. m.

R. and Mrs. N. F. Seebach entertained the Zion Young Peoples Society at their home Friday evening.

Edward and Lewis Svensgaard and Thilred and Melvin Newton left last week for Littlefork to be employed.

ROSEWOOD

The employees of the R. E. A. are busy staking on the lines for the local R. E. A. It depends on the weather, if the lines can be erected this winter or not, but every effort is being put forward to complete this line this winter.

While visiting at the home of Mrs. John Sagmoen Friday afternoon, the writer had the privilege to taste "Wild Plum Pie." This pie tastes very much like cherry pie. Most farm women have a lot of wild plum sauce and this is one way of making it into something good. The writer is passing the recipe on to whoever reads this. Pit the plums from 1 quart sauce, put juice and plums into sauce pan, bring it to a boil and thicken it with corn starch. Add sugar if necessary. Line pie plate with crust, pour plum mixture in and cover with another crust. Bake in moderate oven about ½ hour. Another way this can be made is to bake your pie shell first, have plum mixture ready and pour into baked shell. Serve with whipped cream.

The Rindal church will have their Christmas program Friday evening, Dec. 27 at 8 P. M.

Mr. and Mrs. Albert Lappegaard transacted business at Thief River Falls Monday. They also visited with relatives.

Mrs. Selmer Haugen and Miss Ellen Lindberg motored to Thief River Falls Saturday where they spent the afternoon visiting at the home of Mr. and Mrs. Alec Helquist.

Mrs. Art Gobell, Marlys and Lou Gobell and Mrs. John Sagmoen visited with relatives in Thief River Falls Saturday. Marlys and Lou were among the large group of youngsters who went to the auditorium to see Santa Claus.

Clarence and Victor Halquist motored to Grand Forks Saturday where they visited until Sunday evening.

Bill and Harvey Marquis, with two men of Newfolden have rented a cabin at Stephen and are staying there while working at Stephen. They spend their "time off" with their families here.

Miss Myrtle Stromberg spent a few days in Thief River Falls last week. While there she visited at the homes of Mr. and Mrs. Edw. Solheim and Mr. and Mrs. Stanley Eanum.

Mr. and Mrs. Alfred Rafteseth, Mrs. Minnie Mellem and Mrs. Langaas motored to Thief River Falls Tuesday where they spent the day shopping.

Your meat market is a Christmas shopping store, too—for instance, plenty of pure pork sausage and bacon for holiday breakfasts, or lunch. Whole hams—to have in the refrigerator for "late-night" prowlers and snackers. Tongue, salami, frankfurters and liver sausage—for "drop-in-visitors." A great old-fashioned roast—beef, pork, lamb or veal for "storm-eaters," started for home-cooking, and for the mid-holiday Sunday dinner.

ESTIMATES MADE BY CONSERVATION DEPT. ON 1939 KILL

Statistics Show Sportsmen Bagged Nearly 3,000,000 Ducks in Season

Statistics showing Minnesota sportsmen bagged a total of 4,287,000 birds and animals in 1939 —the greatest hunting season of record to date—are contained in the department of conservations' monthly bulletin, The Conservation Volunteer, for January. Reports for the 1940 season are not yet tabulated.

Based on small game bag reports by approximately 30 percent of those purchasing 1939 small game licenses, the statistics indicate that the pheasant take that year was 1,000,000 birds, while approximately 2,721,000 ducks were taken.

More mallard and bluebills were taken in 1939 than other species combined, the Department said. The figures: Mallards, 1,118,066; bluebills, 619,106; Total, 2,721,000.

The bulletin emphasized that the figures were only estimates, and pleaded for an amended bag report law which would make the submission of reports mandatory.

Law Violations Mean Drivers License Loss for 590 in November

Five hundred and ninety Minnesota motorists lost their drivers licenses during the month of November either by outright revocation or by suspension, according to a report made to Commissioner M. J. Hoffmann by the state highway department's safety division.

The month's outright revocations totaled 196, bringing the total for eleven months of this year to 2,138. Driving while intoxicated cost 102 motorists their licenses and 63 inebriates also were deprived of their permits during November. In the previous month, 512 licenses were suspended and 172 revoked for a total of 694. The revoked for a total of 694, the greatest decrease in November was for drunken driving, with 50 fewer revocations being enforced.

Of 394 driver's licenses suspended, 188 were for speeding, 63 for intoxication, and 72 for reckless driving, eleven motorists were denied the right to drive because of their refusal to take driving tests or examinations in compliance with the law.

Thirteen of the drivers' licenses revoked and 187 of those suspended were those of drivers under twenty-one years of age. A total of 1,959 revocations and suspensions have been meted out this year against drivers twenty-five years old or younger.

With only a month remaining in the year, a total of 2,139 drivers have lost their licenses through revocations and another 3,442 licenses have been suspended for varying periods of time, bringing to a total of 5,581 the licenses either revoked or suspended during the eleven months.

Of this total 1,986 have been denied the right to drive because they were convicted of driving a motor vehicle while under the influence of liquor.

Minnesota Legionnaire Honored Christmas Eve

A Minnesota American Legionnaire whose hobby will bring joy to thousands of needy kiddies this Christmas has been invited to tell his story to millions of radio listeners on Christmas Eve over a nation-wide Columbia network program. The broadcast, "We, the people", sponsored by Sanka Coffee, will be heard over station WCCO at 8 p. m. The man is Frank J. Hickling, past commander of the Minneapolis Downtown Post, Fifth District, American Legion, and comptroller of the Insulite company. His post has undertaken sponsorship of the toy-making project for underprivileged boys and girls begun by Hickling as a hobby several years ago. As a result of his project, hundreds of doll beds for girls and miniature locomotives for boys, made by legion members in their post workshop since last Christmas, will be distributed by fellow legionnaires.

PHONE OPERATOR HELD PRISONER

Red Wing — Telephone calls went unheeded in the telephone exchange office one morning recently with the only operator on duty trapped within a few feet of the switchboard. Attempting to close the window, Miss Myrtle Carlson was suddenly trapped when the window crashed down on her hand. Unable to free herself, her cries finally brought Oscar Johnson, janitor in the building, who, using a small crowbar, worked for nearly 15 minutes before the operator's hand, with three fingers badly bruised, was liberated.

ST. HILAIRE

Funeral Services for H. Burstad

Final rites for Herman Burstad who passed away Monday morning at a Thief River Falls hospital, were conducted Saturday at the Clara Swedish Lutheran church with Rev. H. A. Larson officiating. Interment was made at the Clara church cemetery. Mr. Burstad passed away after a two days illness which developed into pneumonia. He was raised in this community where he has been farming for a number of years.

Survivors are his wife and four brothers, Henry and Edward of this community, Peter and Olaf of San Francisco, Calif., and by two sisters, Mrs. Bottelson of Devils Lake, N. D., and Mrs. E. B. Conklin who lives west of this village.

Peter Burstad of California arrived here Saturday, traveling the greater share of the way by plane.

Operetta to be presented

"Susanna's Christmas Auction" is the title of the Christmas operetta to be presented by the pupils of the first six grades in the school gymnasium Thursday evening, December 19th at 8 o'clock. The story is of a little girl who disobeys her father and mother and because of her disobedience they arrange an auction sale of all her toys. As Susanna's favorite doll is about to be sold, the little girl begs pardon of her parents and is sorry for her disobedience. Everyone is happy that Susanna has had a change of heart, and they all sing a joyous finale.

Christmas Program

A Christmas program prepared by Miss Price will be given Friday afternoon in the new gymnasium. The following numbers will be given:

Beneath the Holly—Band, director, Mr. Wollan.

Joy to the World, Glee Club.

"Silent Night", Wanda Jacobson and Elaine Borgie.

"It Came Upon a Midnight Clear", by the Glee club directed by Miss Price.

Reading, "Christmas Carol", Dorothy Larson.

Jolly Old St. Nicholas, Up on the House Top, Deck the Halls, by Glee Club.

Accompaniments will be played by Elaine Pearson. After the program candy will be passed and gifts will be exchanged.

The seventh and eighth grade honor students for the past six weeks are as follows: Seventh grade: Louette Pearson, Marilyn Dahlstrom, Robert Erickson, Bernice Carlson and Betty Sandberg.

Eighth grade: Birdell Bandorf, Jaine Blakey, Gale Hagglund and Sidney Roy.

A very interesting feature of the high school paper last week was an interview of the Oslo coach, Mr. Carl Grimsrud. He accompanied his team here last week when they played the local basketball boys. Mr. Grimsrud spent the first nine years of his life in this village with his parents, Rev. and Mrs. C. M. Grimsrud. From here they moved to Hoople, N. D., and then to Hitterdal. Mr. Grimsrud received his B. A. degree at Concordia college where he was a member of the Alpha Epsilon Sigma Fraternity. He is now principal of the high school at Oslo.

The local basketball fans motored to Red Lake Falls Friday evening to witness games played by the first and second teams of this village with the two teams of Red Lake. The final scores were 24 to 20 and 10 to 13 in favor of Red Lake Falls. The Pep squad dressed in satin blouses and green skirts accompanied the boys. The three cheer leaders are Alice Mae Carpenter, Elaine Pearson and Vivian Olson. The other squad members are: Pearl Nelson, Carol Bremseth, Beverly Schalz, Lorraine Swanson, LaVida Yonke, Vivian Burstad, Merne Schantzen, Mae Lundberg, Alda Kraft and Elaine Borgie.

The first and second grades having perfect attendance during the past six weeks are as follows: James Blakey, Ruby Conklin, June Van de Streek, Patricia Drees, Robert Wik and Joan Winter.

Marion Palmquist, Carol Bremseth, and Joan Winter are the second grade honor students for the past six weeks.

Mr. and Mrs. Edward Van de Streek and family, D. Robinson, Mrs. Julia Prestby and Mr. and Mrs. Hans Prestby and family visited at the Ray McWilliams home Wednesday evening, the occasion being Mrs. McWilliams and Dorothy Van de Streeks birthdays.

Mrs. Collins Honored

A group of friends gathered at the Z. Piccard home Tuesday evening in honor of Mrs. Robert Collins who left for Washington the following day. Pre-Holiday Reduction in Traffic Toll Asked by State Highway Chief

Last year, in the fifteen days of holiday cheer and goodwill immediately preceding Christmas Day, 42 persons met death in Minnesota traffic.

Prompted by this grim reminder, M. J. Hoffman, state highway commissioner, this week appealed to all citizens of the state to join in efforts to reduce the traffic toll during the current holiday season.

He appeals for extraordinary caution particularly on the part of hurrying pedestrian shoppers, motorists who drive their cars amidst shopping crowds, and the drivers at the wheels of the thousands of delivery trucks engaged in delivering holiday purchases to homes where they are intended to bring happiness.

"We all realize that speed of delivery is important, and that countless extra drivers are required at this season of year to deliver gift purchases to the purchasers, and then to convey them to the friends and relatives for whom they are intended," the highway chief said.

"But there would be little of joy for either the sender or the recipient if the haste to deliver a gift to one home brought death or sorrow to the homes of someone else."

Hotel Convention Business

Conventions send nearly 10,000,000 persons to hotels in the United States each year, and most hotel rooms have about 30 miscellaneous articles for guest use and comfort.

CITY BUILDING JOBS FOR 1940 TOTAL $200,000

Total of 102 Permits Were Issued During Year by City Council

NO LARGE PROJECTS INCLUDED IN TOTAL

35 New Residences are Among Projects Carried Out During Year

While the total investment in building projects in Thief River Falls in 1940 did not approach the record-breaking aggregate of last year, when the figures were swelled by the construction of a $350,000 junior-senior high school, the past year nevertheless showed the respectable total of more than $200,000 spent on local building projects, it is indicated in a survey of building permits on file in the office of City Clerk P. G. Pederson.

The 102 permits approved by the council during the year showed a highly conservative stated value of $167,180. Included in the total are permits for business buildings calling for the expenditure of $44,050; two church projects totaling $18,000; 27 houses costing from $1,000 to $6,000, in addition to eight small cottages; and a large number of minor permits aggregating $12,630.

Major business projects included those of A. C. Jahr, meat market building; Cerny & Son, addition to Mint; Simon Holmberg, meat market; Land O'Lakes Creameries, seed plant; Robert Peterson, elevator; Farmers Cooperative Grain & Seed association, elevator; W. K. Hoefer, apartment house remodeling; Thief River Falls Seed House; Socony-Vacuum Oil company; Peterson-Biddick company; and Fred Forsberg, warehouse.

The Community church obtained a permit for $11,000 improvements to its church home, while the First Lutheran church is spending $7,000 on a remodeling program.

Among local residents who have built new homes this year are Henry Van Pelt, Ingvald Hanson, Richard Mabey, Milton Larson, Dr. Edward Bratrud (two), Central Lumber company (four), Gust Johnson, A. A. Schmeltzer, T. J. Welsh, B. J. Frolland, William LaFave, Norby & Hanson (three), Harry R. Ness, Albert W. Johnson, Oscar Granum, Emil Jechert, T. A. Carlson, Selmer O. Kivle, Nels G. Olson, Carl Carlson and Bernard Barsen.

In addition to the projects covered by building permits, the city council sponsored the largest construction undertaking of the year, comprising a large addition to the municipal power plant building which will cost approximately $20,000. Including the installation of the huge new Diesel engine in the plant, the expenditure on the improvement will aggregate in the neighborhood of $150,000.

LINCOLN ALUMNI REUNION SET FOR FRIDAY EVENING

Annual Get-Together of Graduates Held in Sons of Norway Hall

Officers of the Lincoln high school alumni association today issued a final reminder to graduates and former students of the school to attend the annual reunion in the Sons of Norway hall Friday evening, December 27. Also invited are members of the Lincoln school senior class as well as faculty members. Cards and dancing, with confetti and favors, will feature the evenings' entertainment, in addition to which a short program will be presented. In a brief business session officers will be elected to succeed the present staff, which includes Fred Wengeler, president; Lester Ihle, vice president; Bert Mosleth, secretary; and Garfield Benson, treasurer.

Truck Crashes into East Side Sewer Lift Monday

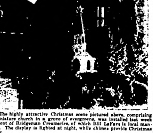
Bridgeman Creameries Has Fine Yule Display



The highly attractive Christmas scene pictured above, comprising a miniature church in a grove of evergreens, was installed last week in front of Bridgeman Creameries, of which Bill LaFave is local manager. The display is lighted at night, while chimes provide Christmas music.

FINAL RITES HELD IN CITY FOR LATE JUDGE BRATTLAND

Large Gathering Present at Auditorium Funeral Thursday

A large gathering of sorrowing relatives and friends assembled in the Auditorium last Thursday afternoon to pay final tribute to the late Judge M. A. Brattland, who died December 13. Rites also were held in Ada, his former home, Friday, with interment in that city.

Rev. E. A. Cooke, former local pastor, who presided at the rites here, offered a prayer and Scripture readings, and gave an outline of Judge Brattland's career.

Rev. Oscar M. Holt of Olivia, an old friend, praised Judge Brattland as a man of strong convictions, intellectual and moral courage, and as a supporter of the cause of the underprivileged.

Judge J. E. Montague of Crookston also paid a brief tribute to his colleague on the bench, acclaiming him as a lover of humanity. BJ. Bjornaraa read an original Norwegian poem in tribute to the departed.

Musical offerings included two selections by the Brage chorus, "Beautiful Savior" and "Den Store Hvide Flok," and a vocal solo by Mrs. William Gilbertson. The Auditorium stage was adorned by a profusion of floral offerings.

Civic and Commerce Assn. Endorses Theodore Quale for Judgeship Vacancy

At the weekly meeting of the Civic and Commerce association last Thursday noon, the group adopted a resolution endorsing Attorney Theodore Quale for the post of district judge to fill the vacancy created by the death of Judge M. A. Brattland. It was also voted to dispense with todays scheduled meeting of the association, owing to the Christmas holidays, and to hold the next meeting Thursday evening, January 2. The program committee, headed by William LaFave, was instructed to arrange a program for the session.

The committee in charge of arrangements for the event includes Lawrence Bjorkman, Carl Carlson and Harry L. Schuster.

OVER 100 ATTEND LEGION, AUXILIARY CHRISTMAS PARTY

District Commander Elmer Eid Gives Principal Address

More than 100 members of the American Legion and auxiliary attended an enjoyable Christmas party last Thursday evening in the Pine Cone of the Palm Garden cafe.

H. O. Chommie, who presided as toastmaster, called on District Commander Elmer Eid of East Grand Forks for the principal address. Others who spoke briefly were Art Buhn of Mentor, Dr. Harry Hedin of East Grand Forks, Dallas Kast of Crookston, Mrs. J. M. Bishop, Post Commander Alex Cloutier and Adjutant A. R. Hulbert, and Unit President Mrs. M. R. Leverson.

Other entertainment features included vocal duets by Mrs. Arthur Berg and Mrs. Emmett Wright, accompanied by Mrs. Warren Hanson; vocal solos by H. M. Hitterdal, accompanied by Mrs. Hitterdal; and tap dancing by a group of Girl Scouts under the direction of Mrs. Gordon Ballangrud.

In the afternoon children of members of the two groups were guests at a party, complete with a Santa Claus and Christmas tree, topped off by the serving of lunch and the exchange of gifts. The affair was arranged by a committee headed by Mrs. O. G. Lynde.

43 County Registrants Put in Class 1A After Passing Physical Exams

Of a total of 70 Pennington county young men who have registered under the selective service act, 43 have passed their physical examinations successfully and have been placed in Class 1A, from which group the first calls for men will be filled, it was announced this week at the office of the county draft board. Some of the remaining number also have met physical requirements, but have appealed for deferred classifications for various reasons.

Lincoln School Yule Concert Given Friday

A large audience assembled in the Lincoln high school auditorium last Friday afternoon for the annual Christmas concert presented by junior and senior high school musicians. Participating were the Lincoln high school band directed by Glendon E. Ahre, and the seventh grade, eighth grade and high school choruses, singing under the direction of Miss Ruth E. Nelson.

2 HOCKEY TILTS SCHEDULED FOR THIS WEEK-END

Thieves Meet Grafton Here This Evening and Fargo New Years Day

CROOKSTON BOWS TO LOCAL SEXTET SUNDAY

Thieves Win High-Scoring Contest from Pirates by 9-7 Score

Two exciting hockey games are on tap for the local fans this week when the Grafton Millionaires and the Fargo-Moorhead Comets play here. Tonight Gordon Teal will bring his fast-skating Grafton club here, and according to all reports, the Millionaires will be the team to beat for the league championship. And on New Years Day the Fargo-Moorhead Comets will make their first appearance on the local ice.

The locals handed Crookston its first States-Dominion hockey league defeat last Sunday when they handed the Pirates a 9 to 7 trouncing in a high-scoring game played on the local ice. The free-scoring game, which was a crowd-pleaser, was enlivened in the second period by a few moments of fisticuffing between the Thieves' Eddie McMillan and the Pirates' Mac McGrath. McGrath came into Eddie with a high stick, and the two squared off at each other and exchanged some punches before referee Walt DePaul was able to get the affair under control.

The Thieves jumped into a lead in the opening minutes of play when Bill Gray, taking an assist from Beverly, pumped a shot into the nets. From that goal on, the locals controlled the play, with the Pirates stubbornly attempting to match goal for goal with the Thieves, but the game's end found them two goals shy. George Beverly, with his weaving solos through the Pirate defense and his fine stick-handling, led the Thief River scoring with 3 goals and 1 assist. Bill Gray followed with 2 goals and an assist; Frank Gustafson counted a marker; Eddie McMillan tallied one goal; Joe Poplel con-

FARM BUREAU ANNUAL MEET SET FOR JAN. 3

Session to be Conducted in Civic and Commerce Assn. Rooms

R. J. McKERCHER TO PRESIDE AT MEETING

Officers to be Elected and Variety of Business Transacted

Plans are underway to hold the Pennington County annual farm bureau meeting on Friday, January 3, 1941, R. J. McKercher, president of the county organization, announced today. Arrangements are being made to hold the annual meeting at the Civic and Commerce rooms at the Thief River Falls city auditorium at 1:30 p. m.

The election of directors and officers for the coming year will take place as well as the transaction of other business of the organization. A resolutions committee will present recommendations and it is expected that a number of definite recommendations will be made. Reports on the progress of the farm bureau for the last year will also be presented.

Arrangements are also complete to have Carl Ash, county agent in Polk county conduct a discussion on the outlook for farm prices in 1941. Some special entertainment will also be provided. The larger part of the meeting, however, will be devoted to various problems concerning the local farm bureau program. Definite organizations to get underway a group hospitalization plan for farm bureau members will be taken up.

The membership drive has been prolonged considerably in Pennington county this fall on account of weather conditions, but it is hoped that a favorable membership report for 1941 can also be made at the annual meeting.

400 APPLICATIONS RECEIVED TO DATE FOR MATTRESSES

Manufacturing Program Expected to Start Late This Winter

The county mattress committee reports that applications from over 220 rural families have been received, for a total of over 400 mattresses, during the past week. From present indications the mattress making program will get underway before the winter is over.

The plan will be followed of setting up local mattress making centers at various points throughout the county. A local supervisor will be in charge of each mattress making center. The supervisor will receive special training beforehand in making mattresses. The supervisor will assist the various individuals who come to the mattress making center in constructing their mattresses.

The county agricultural conservation committee will certify the applications and place the order for the necessary amount of material that will be several weeks, however, before the material will become available.

Police Recover Part of G. N. Freight Car Loot

A small part of the $400 loot obtained by burglars who entered a Great Northern freight car in this city recently was turned over to police this week, after having been discovered near the sanatorium by Dennis Althoff. The items recovered included two cases of smoking tobacco and a case of soap. Police are still engaged in an intensive investigation of the burglary.

Events of Past Year in International Field

While this nation is still at peace, the past year has been a depressing one for American citizens who have been observing the slaughter of both soldiers and civilians in the war prevailing in Europe as well as other parts of the world.

Fearing that the war may approach the shores of this country, the federal administration last fall inaugurated the selective service act to enroll upwards of 15,000,000 young men and to equip them for the defense of America. At the same time billions of dollars in defense orders have been placed to supply the armed forces of this country and Great Britain with the munitions of war.

Following are some of the other outstanding international events of 1940 as tabulated by one of the leading news services:

The Battle of Britain; bombings of London and other British cities by the Nazi air force, counter-bombings by RAF; Nazi submarine and aerial attacks to cut Britain's Atlantic "life-line"; Churchill replacement of Chamberlain.

The dramatic rout of the Italian armies in Greece and Albania accompanied by British air and sea victories over Italy, and shakeup in the Italian military command.

The 1940 presidential campaign, marked by Wendell L. Willkie's unique nomination by the GOP and President Roosevelt's re-election to an unprecedented third term by a large electoral majority, but relatively narrow popular vote.

Germany's conquest of Denmark and Norway, and rapid-fire invasion of The Netherlands, Belgium and France, accompanied by the successful evacuation of the British expeditionary force from Dunkirk. The fall of Paris and the surrender of France, followed by the British navy's "knockout" attack on the French navy.

Japan joins the Rome-Berlin axis, subscribing to its war aims.

Mother Nature Helps to Decorate for Holidays

As the result of a heavy fog late Saturday night, Mother Nature contributed her bit to holiday decorations Sunday by coating trees and shrubs with a thick layer of white frost, which stood out in dazzling contrast against a brilliant blue sky. There being no wind, the display continued thruout the day.

FARM SECURITY CLIENTS URGED TO PLAN AHEAD

Advised by Charlie Ommodt to Anticipate Coming Year's Credit Needs

Like doing one's Christmas shopping early, there is good reason why farm families expecting to call upon the Farm Security Administration for operating credit should do so at this time of the year. This was explained by Charley Ommodt, Farm Security Administration supervisor in Marshall and Pennington counties. He advises farmers to "think ahead" about their credit needs, instead of waiting until they get down to their last bushel of feed.

Mr. Ommodt pointed out that a farmer applying now for credit which he will not need for several months may have it held for him and made available on a specified date. Thus, the loan does not begin to bear interest until it is actually used.

"The advantage of applying in the winter is that this is the in-between season when farmers can size up their past year's business and play for the new year", Mr. Ommodt stated. "The FSA supervisor, too, has more time to help the farm family develop a farm and home management plan which is fundamental to our program, and often of more benefit than the loan itself. Some times the working out of these plans requires considerable time and every spring we are forced to turn away applicants who apply too late to permit such plans to be drawn up. Many other farmers, while approaching us in time to receive the loans, find themselves caught in the spring rush in our office just when they are most pressed for time."

Farm Security Administration loans are made to farm operators, whether owners or tenants, who are unable to obtain credit on reasonable terms from other sources. The loans can be made for feed, seed, fertilizer, livestock, equipment and similar operating goods for periods from one to five years, with interest at five per cent.

Christmas Baskets Are Distributed to Needy

Holiday cheer was brought to many needy families of the community by means of Christmas baskets of food and toys supplied by the Salvation Army, the American Legion and auxiliary, the Elks lodge and other local agencies. The toys provided by the Salvation Army had been assembled and repaired by a group of Boy Scouts in the handicraft room in the arena.

THREE HURT IN AUTO MISHAPS IN FOG SUNDAY

Lenning Aubol Gravely Hurt in Accident in St. Hilaire

FIVE CARS IN WRECK NORTH OF STEINER

Emil Hageman and Miss Viola Larson Are Hit; Sustain Broken Legs

As the result of a dense fog early Sunday morning, three persons sustained broken legs and other injuries in automobile collisions, one of them on the main street of St. Hilaire, and the other, involving five cars, occurring on Highway 32 north of Steiner.

Most seriously injured was Lenning Aubol, 26, son of Mr. and Mrs. Ed Aubol of the St. Hilaire community. He had just backed out from the curb on the west side of the street and had got out of his car to wipe off his windshield, when a car coming from the south, driven by William Sheedy, jr., collided with the Aubol automobile, carrying Mr. Aubol for some distance and finally coming to a stop against the wall of a building.

One of Mr. Aubol's legs was broken in two places, in addition to which he suffered a brain concussion as well as chest injuries. He was reported to be in a favorable condition in a local hospital early today. Sheedy and the other occupants of his car were reported to have escaped injury. Sheedy appeared Tuesday in municipal court to face a charge of driving in the wrong traffic lane. He was sentenced by acting municipal Judge Richard Mabey to pay a fine of $100, of which $75 was suspended pending good behavior. In addition his drivers license was suspended for sixty days.

At about the same hour five cars piled up in the fog in a collision north of Steiner, broken legs being sustained by Emil Hageman of this city and Miss Viola Larson of Viking, employed here. The two, who had been riding in separate cars figuring in the collision, are receiving treatment at a local hospital.

Atland Dreese of Middle River was the driver of the first car to hit the Hageman car, others figuring in the pileup being U. L. Brodin of Fargo and Harry Amiot of this city. The name of the fifth driver was not learned by local authorities.

After running off the highway and wrecking his new car on Highway 32 five miles south of the city Monday night, Max Jensen was taken into custody on a charge of driving an automobile after his drivers license had been revoked. Brought before Judge Lincoln Arnold in municipal court Tuesday, Jensen paid a fine of $100 and costs.

CHRISTMAS MAIL VOLUME SETS NEW HIGH RECORD HERE

Postmaster Anderson States Last Year's High Mark Was Exceeded

While mail at the local postoffice during the ten days preceding Christmas set a new high mark for volume, with a total of 111,600 pieces being handled compared to 103,000 in 1939, all deliveries were completed before Christmas Day, with the exception of some improperly addressed greeting cards, Postmaster Andrew Anderson stated today. Insured parcels handled during the ten-day period totaled 1539, a small increase over the 1506 received a year ago. Postage sales at the parcels post window amounted to $914 from December 15 to 24 this year, compared to $806 last year.

The peak of the greeting card mailing period fell on December 21, when a total of 24,602 pieces passed thru the postoffice, while the biggest day for outgoing parcels post was December 20.

Agnes Anderson-Marvin Thyren Exchange Vows Wednesday Evening

At the home of her mother, Mrs. Annie Anderson of St. Hilaire, on Wednesday, December 18, Miss Agnes Bernice Anderson became the bride of Marvin Eldoge Thyren of Hazel, son of Mr. and Mrs. Paul Thyren of Hazel. Rev. H. A. Larson of St. Hilaire performed the single-ring candlelight ceremony at 8 o'clock p. m.

Miss Anderson chose as her bridesmaid her sister, Pearl, of Thief River Falls, while Donald Thyren, brother of the groom, also of this city, acted as best man. Janet Lindquist, a niece of the bride, was the flower girl; and the ushers were Harvey Anderson and Clifford Thyren, brothers of the bride and groom respectively.

The bride was given in marriage by her brother, Clarence, of Thief River Falls. Before the vows were exchanged, Miss Merriam Anderson, a cousin of the bride, sang "Oh Perfect Love" followed by Evelyn and Ivanette Thyren, sisters of the groom, singing "Take the Saviour With You" accompanied on the organ by Miss Merriam Anderson. Rodney Brolin of this city then sang "Oh Promise Me" accompanied by Miss M. Anderson.

The nuptial vows were exchanged beneath an arch of spruce boughs and holly with a large white bell in the center and scattered tiny red bells on either side. On each side of the improvised altar was a decorated Christmas tree. Back of the altar was a large picture of Hoffman's "Jesus in the Temple". After the ceremony Miss Ethel Wick sang "Crown With Thy Benediction", followed by the playing of Mendelssohn's recessional march.

The bride wore a pale blue silk crepe afternoon dress with black accessories, and carried a bouquet of white carnations and pink roses. She also wore a tiara of white carnations.

Her bridesmaid was dressed in a soft rose silk street-length gown with black accessories, and wore a shoulder corsage of carnations.

The bride's and groom's mothers were dressed in black and wine silk crepe respectively, and both wore identical shoulder corsages of pink chrysanthemums.

Following the ceremony, a buffet supper was given by the bride's mother at her home. The room was decorated in a Christmas theme, while the table carried out the same motif with holly sprigs and lighted tapers. The centerpiece was a two-tiered wedding cake decorated in pink and white and topped with a miniature bride and groom. About 50 guests were present.

The bride is a graduate of the St. Hilaire high school, and has been employed at the St. Lukes Hospital in this city. The groom is engaged in farming near Hazel, where the couple will make their home.

Mr. and Mrs. Thyren left on a wedding trip to Minneapolis, St. Paul, and Duluth, and will be at home after January 1. For her travel costume the bride chose a beige wool dress with brown stripes and harmonizing accessories.

Frances Will, Erling Grinley Speak Vows In This City Tuesday

On Tuesday, December 24, Miss Frances Joyce Will of Thief River Falls, daughter of Mr. and Mrs. Fred P. Will, also of this city, became the bride of Erling Orlon Grinley of Moorhead, son of Mr. and Mrs. B. B. Grinley of Portland, N. D. The marriage took place at 2 o'clock p. m. at the home of the bride with Rev. S. S. Olafson officiating.

Mendelssohn's wedding march was played by Mrs. Olafson, and the bride was given away by her father. Miss Helen Thompson of Park, N. D. was bridesmaid, while Howard Publing of Glenwood, N. D. acted as best man.

The ceremony took place in the living room before a large window curtained with ferns and banked with huge bouquets of assorted cut flowers on either side.

The bride was lovely in a white princess style slipper-satin gown with lace insertions, and a full-length train. Her veil was attached to a tiara of orange blossoms and she carried a shower bouquet of red roses.

Her bridesmaid wore a blue net floor-length gown with lace insertions and carried a bouquet of Talisman roses.

Both the bride's and groom's mothers were attired in black silk afternoon dresses and wore identical shoulder corsages.

At 5 o'clock a wedding dinner was given in the Terrace Room of the Rex Cafe by the bride's parents for the members of the immediate family. The Christmas motif was carried out in the decorations. Preceding the dinner a wedding reception was given at the bride's home for the members of the bridal party. The table was centered with a three-tiered wedding cake decorated in pink and white and topped with a miniature bride and groom.

The bride was graduated from Lincoln High School with the class of 1937, after which she attended the Duluth State Teacher's College for two years, and South Dakota State College the succeeding year of 1939. She has recently been employed as a clerk in the county agent's office in Bottineau, N. D.

Mr. Grinley is a graduate of the University of North Dakota where he was a member of the Sigma Nu fraternity. He is now employed as agency field man for the Gamble-Skogmo store in Moorhead.

The couple left on Tuesday evening for Grand Forks, N. D., and will spend Christmas Day at the groom's home in Portland, N. D. Mrs. Grinley chose a pink wool travel costume for the occasion. Mr. and Mrs. Grinley will be at home at 124-4th Street North, Moorhead, after January 1.

Out-of-town guests here for the wedding were the Misses Helen Thompson, Park River, N. D., Lena Grinley, Montevideo, Helen Grinley, Minot, N. D., and Ann Grinley of Ashland, Wisc.

Arhart-Palmatier Marriage Announced

Mr. and Mrs. H. H. Arhart of this city announce the marriage of their daughter, Avis, to Richard W. Palmatier of Minneapolis, son of Mrs. Gertrude Palmatier, of Grand Rapids, Mich., which took place on November 23 at Buffalo, Minn.

Attendants were Miss Bernice Helseth, a former resident of Thief River Falls and now of Minneapolis, and Robert Ogen of Hopkins.

Mrs. Palmatier was graduated from the Home Economics College of the University of Minnesota in 1934 and is now employed in the new Minnesota Coffman Memorial Union. Her husband is a graduate of the Y. M. C. A. College of Springfield, Mass., and is now director of the boy's and men's department in the Pillsbury Settlement House in Minneapolis. The couple are at home at 626 Erie Street S. E., Minneapolis.

Mr. and Mrs. Beringer Give Dinner Party

Mr. and Mrs. Fred Beringer entertained at a 7 o'clock dinner at their home on Saturday evening. Christmas decorations prevailed throughout the house. Progressive whist was played during the course of the evening for which prizes were awarded. Present were four of Mrs. Beringer's sisters, who gathered together for the first time since their childhood. They were Mrs. Archie Marcotte of Red Lake Falls, Mrs. Joe Boutain of Dorothy, Mrs. Joe Rance of Red Lake Falls, and Mrs. Mary Davis of Grand Rapids. Also present was their father, Joe Benoit of Red Lake Falls, Mrs. William Rrudder of Superior, daughter of Mrs. Marcotte, and Mr. and Mrs. George Kidder of Minneapolis.

Legends Tell Story Of Christmas Tree

Christmas trees are as old as Christmas itself, if the story which has come down to us from the first Yuletide is true.

The legend relates that after the Three Wise Men and the shepherds who had heard the angels sing "Peace on earth and good will to men" had worshiped Mary's babe, trees began coming to Bethlehem to worship the Holy Child; trees from all parts of the world.

First came the native palms from around Bethlehem, then came the maples, oaks, birches and hemlocks. At last there crept in a tiny fir tree from the frozen North. It was so small and modest that none paid any attention to it until suddenly a star dropped from the skies and twinkled on a bough of the little tree, then another and another, until the fir tree was spangled with celestial lights.

Decoration Idea is Old.

Many more stories are told about the Christmas tree. The idea of decorating trees for festivals is very old, going back to the Egyptian pharaohs, whose people dressed their homes with palm leaves in midwinter.

Another story is about Winfred, an English crusader who happened upon a group of Teutons worshiping a mighty oak in honor of Thor, their thunder god. Winfred stopped them from sacrificing a young boy to appease Thor's "anger," then with his great sword felled the oak with one stroke. In its place there suddenly appeared a young fir with a star twinkling on its top branch.

"Here," said the Christian knight, "is the living tree. This shall be the sign of your new worship. Carry this fir tree into your home and worship it there."

Origin of Tree.

Some historians say the Christmas tree originated in Alsace in 1604 when the people brought fir trees to their homes and decorated them with paper roses, apples and wafers.

America's first Christmas tree was set up in Wooster, Ohio, in 1842, by August Imgard, a German immigrant. The first lighted tree in a church was at a Cleveland Lutheran church in 1842.

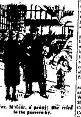
Santa Comes to Pierre

By Jules Bevan

OLD MARIE didn't quite understand about Santa Claus, but her little Pierre did. Pierre went to school with the other boys while Old Marie sewed dresses in the sweat shop. It had been that way ever since Jacques died, two years after they left sunny France and cam to New York.

"Mama!" little Pierre would ask her at night, "Please, Mamma, will Santa Claus bring me the violin from Rubens' pawn shop this Christmas?"

Then he would stare expectantly while Marie tried to find an answer. She usually promised him Santa would, for little Pierre wanted the violin so badly. But as Christmas grew nearer the groceries and coal



Pleez, M'sieur, a penny! she cried to the passers-by.

and shoes used up all her savings—there was nothing left for Pierre's violin.

Marie was usually stolid, but she felt sad when she left the sweat shop Christmas eve. Little Pierre would be home waiting for Santa Claus and the violin. Pierre had seen it in the window at Sam Rubens' pawn shop only yesterday, a big five-dollar price tag tied around its neck. How sad he would be if this Santa Claus fellow forgot him!

Marie was swept along in the Christmas Eve traffic, downhearted. But despair gave way to triumph, for a plan suddenly came to her amid this confusion. She would beg for alms like her gran'pere had done back in Paris! These Americans—they seemed happy enough to help her on Christmas eve!

"Pleez, m'sieur, a penny!" she cried to the passers by on Broadway. "A penny for my leetle Pierre's violin!"

Marie had collected seventy-eight cents before the big Irish policeman saw her.

"Hare now, old gurrul!" he protested. "Don't yez know ye can't panhandle here? Come along now to th' station!"

A few minutes later old Marie was pouring out her story to the gruff desk sergeant. She was confused.

"Thees panhandling," she complained. "You say I cannot do it. But I only try to get money for the violin, so your Santa Claus weel come to my leetle Pierre. See?"—she held out her money—"I only need four dollars and twenty-two cents more!"

"Well, now, that's different," the sergeant replied. "Come boys"—he addressed the policemen gathered around his desk—"let's kick in the five dollars to buy a violin for Marie's little Pierre! Sure now, and where's your Christmas spirit?"

A few minutes later a grateful old Marie was hurrying down the snow-covered side street to Sam Rubens' pawn shop. But alas! Sam was just handing the violin to a well-dressed old gentleman as Marie stormed in.

"Pleez, m'sieur!" she cried. "You mus' not buy it. The violin, she is for my petit Pierre. See? I have five dollars!"

The white-crested purchaser was dumbfounded.

"But madame," he answered. "I have just bought it for my grandson's Christmas."

"N'importe!" Marie protested, adamant now. "You mus' sell it to me. The policeman, they have given me the money, see? My leetle Pierre, he will be so disappointed!"

The old man looked at Sam.

"Have you another violin?"

"For seven dollar I got a better one." Sam's eyes lighted up. It looked like another sale.

"All right, madame," the gentleman spoke to Marie. "Here's your violin. Give me the five dollars."

"Merci, m'sieur!" Old Marie cried. "My Pierre, he will be so happy!" With that she dashed out into the night, happy at last.

Pierre was asleep when she arrived home, but he found the violin on the table next morning. It glistened like new inside the weather-beaten case.

"Mamma!" he cried with glee. "Mamma! The violin! But how—where—who gave it to me?"

Old Marie's eyes filled with tears.

"Santa Claus brought it, Pierre. Of course—Santa Claus. Then there was the policeman and the kind gran'pere . . ."

But Pierre didn't hear the last. He only knew Santa Claus hadn't forgotten!

4-H CLUB PROJECTS WILL BE FEATURED AT WINTER SHOWS

To be Given Special Prominence in Exhibits Feb. 3 to 7

The 4-H Club exhibitors, contests and educational meetings will be given special prominence at the forthcoming Red River Valley Winter Shows at Crookston February 3-7 according to President T. M. McCall. President McCall states "Liberal prizes have been offered 4-H club members for exhibits in all livestock, crops and poultry exhibits. District Club Leader H. A. Pflughoeft, general superintendent of the 4-H club department, is placing special emphasis on the building up of the dairy calf class in the show. The Red River Valley Dairymen's Association has offered assistance to communities to help finance transportation of the dairy calves to the Winter Shows. With the usual large list of entries in the other livestock crops and poultry classes, the 4-H club show this year gives promise of surpassing all previous shows.

"The remodelling of stalls and pens for 4-H club stock in the basement of the livestock pavilion will make added room to house the increased number of animals in the 4-H Club classes and provide room for the Brown Swiss breed of dairy cattle which will be shown in the open classes for the first time at the 1941 shows."

Mr. Pflughoeft will have as superintendents of the livestock and crops departments, W. O. Woodman, field manager for the Metropolitan Life Insurance Co., Crookston, and Lester Lerud, County Agent of Pennington County, Thief River Falls.

God Rest You—

God rest you, merry gentlemen,
Let nothing you dismay,
For Jesus Christ, our Saviour,
Was born upon this day,
To save us all from Satan's power
When we were gone astray.
O tidings of comfort and joy,
For Jesus Christ, our Saviour
Was born on Christmas Day!

Homemakers to Study Modern Subjects at Farm and Home Week

Sharing in Minnesota's million dollar tourist trade will be among topics up for discussion on the homemakers' program during the 1941 Farm and Home Week at University Farm January 20-24. A replica of a satisfactorily furnished room for tourists will be one of the many exhibits, and Elizabeth Spriestersbach, St. Louis county home demonstration agent, will talk over comforts that attract these paying guests.

From the Household Research Center, Milwaukee, Mrs. Sylvia Shiras will bring a textile exhibit, while other displays will feature simple textile tests for home use, homemade children's furniture, and a demonstration of the use of sewing machine attachments.

Family welfare underlies informational classes, demonstrations, and exhibits on the women's special program. Family fun, caring for the small child in the home, feeding school children, choosing foods for vitamins—these are among subjects which homemakers will be concerned with and which will be discussed by members of the University home economics staff.

EMERGENCY UNIT OF LEGISLATURE APPROVES GRANTS

Gives Allotment of $1,000 to St. Hilaire School District

Eight distressed Minnesota counties will receive grants for direct relief ranging from $1,000 to $8,000 and totaling $26,000 as a result of action taken late last week by the legislative emergency committee.

Stearns county's bid for $5,000 was denied by the committee which considered requests totaling $99,000 from the nine counties. The group, headed by Governor Harold Stassen, met in a day-long session.

One county — Aitkin — turned back a grant of $2,650 allotted at a previous meeting on condition that it match the funds. The county notified the committee it would not take advantage of the grant because of improved WPA and relief conditions and a large amount of surplus commodities being received by the county.

Among the direct relief appropriations granted and the amounts requested for the six-months period beginning Jan. 1, were:

County	Awarded.	Requested
Beltrami	$5,000	$13,000
Cass	$1,500	$3,000
Mahnomen	$1,250	$3,500

Various requests for sponsorship funds for WPA projects for villages, school districts and state departments were considered with some rejected entirely and others approved, ranging from $1,000 to $1,500.

Among those approved were: Brooks school district No. 126, Red Lake county, school building, $1,500; Kelliher independent school district No. 88, Beltrami county, school, $1,000, and St. Hilaire independent school district No. 102, Pennington county, school, $1,000.

Sponsors' funds projects turned down included: Village of Bena, Cass county, school addition; village of Hendrum, Norman county, sewage disposal plant; village of Newfolden, Marshall county, school addition, and Quiring township, Beltrami county, road improvements.

2-DAY AUCTION OF LIVESTOCK IS SET FOR WINTER SHOWS

Offers Chance for Farmers to Acquire Purebred Herd Sires

The largest sale of purebred livestock in many years will be sponsored by the Red River Valley Livestock Association this winter as a result of action taken at a recent meeting of the sales committee. The committee approved a two-day auction sale to be held February 6-7 in connection with the Red River Valley Winter Shows at Crookston.

It is the first time in the history of the event that a two-day sale has been planned. The extension was made in order to take care of the large number of animals which have already been listed, and also to give breeders a better chance to look over the stock.

Already 127 head of purebred cattle, hogs, and sheep have been consigned to the sale. In going over and approving applications, the committee made selections based on type, quality, and condition of animals to be sold. Steps have also been taken to protect buyers in the matter of registration papers and transfers. The advance sales list will soon be available at the office of the county agent.

County Agent Lester A. Lerud pointed out today that the auction in connection with the Red River Valley Shows will provide an excellent opportunity for farmers in this county to pick up purebred sires that they will need. Those wishing to strengthen their herds with bred females from some of the leading purebred herds in this part of the state will also have an opportunity to do so.

Emil Rupprecht, Pioneer Resident, Passes Away

On Friday, December 20, Max Emil Rupprecht, resident of this community since 1896, passed away at his home at 622 Duluth Avenue North, at the age of 64 years, 7 months and 28 days. Funeral services were conducted on Monday afternoon, December 23, at 2:00 from the Larson Funeral Home, Rev. E. L. Tungseth officiated and interment was made in the Greenwood Cemetery.

Mr. Rupprecht was born on April 22, 1876 in Hustisford, Dodge County, Wisconsin. At the age of five he moved with his parents to Sibley County Minnesota, and in 1896 to Thief River Falls where he has since made his home. He was a farmer but retired several years ago.

His parents and five brothers preceded him in death. He is survived by three brothers and one sister, William, Edmund, Robert and Mrs. Arthur Simonson all of this city.

Funeral Rites Friday for Nels P. Johnson, 74

Last rites will be conducted Friday, December 27, at the Lutheran Church in Oklee for Nels P. Johnson, who passed away Sunday, December 22 at a local hospital on his 74th birthday anniversary. Rev. Lerohl of Oklee will conduct the services and interment will be made in the Oklee cemetery.

Mr. Johnson was born on December 22, 1866 in Denmark and came to America with his parents in 1869 to settle in Renville, Minn., where he was later married to Miss Carrie Olis. In 1901 they moved to Northome, and from there to Oklee in 1907 where they lived on a farm in Equality township until Mrs. Johnson passed away on March 10, 1937. That year he moved to Oklee where he has since made his home.

Preceding him in death were his parents, one sister, one son, and his wife.

Surviving relatives are five sons Peter, Lloyd, Harry and Melvin of Oklee, and Goodwin of Bemidji; three daughters, Mrs. Lou Horstman and Mrs. William Lynch both of Oklee, and Mrs. Hans Bergh of Plummer; one brother, Dennis Johnson; and three sisters, Mrs. Frank Englebing of Northome, Mrs. Herman Larson of Backus, and Mrs. Gust Engelking of Valley City, N. LINCOLN SCHOOL GRADUATE GIVEN WASHINGTON TRIP

Vernon Wedul Makes a Fine Record at Moorhead College

Vernon Wedul, senior at Moorhead state teachers college, and a graduate of Lincoln high school, will leave for Washington D. C. Friday to attend the national tournament of Tau Kappa Alpha, debate fraternity. The national meet is held in conjunction with the meeting of the National Association of the Teachers of Speech.

Wedul will be an active competitor in the tournament with four other student representatives, Hazel Bright, Aitkin; Elaine Mee, Fargo, N. D., and William Chase Jordan of Luverne, N. D. All four will be accompanied by Herald Lillywhite, debate coach.

In college, Wedul has made noted accomplishments, being recently elected to Kappa Delta Pi, a national scholarship fraternity subsidiary to Phi Beta Kappa; to be one of few people in the United States selected for publication in "Who's Who in American Colleges and Universities" and was also recently elected by the faculty and student body as the most representative senior in his class. He will leave for Northwestern University in June to continue work in the field of speech for a master's degree.

Economists See Better Hog Prices Next Year

Producers of market hogs can look forward to improvement in the price situation during the coming year, although they will for a time be handicapped by an unfavorable corn-hog price ratio, according to a survey of outlook information recently completed by Ernest Baughman, assistant extension marketing specialist at University Farm. Hog production dropped off 10 per cent in 1940 from the 1939 peak year. With an unusually large percentage of this year's crop marketed early and no immediate increase of farrowing in sight, economists believe that the 1940-41 production is likely to remain fairly constant. Export demands for pork and lard are likely to continue weak, but the prospects for increased domestic consumption are good.

Raw Aluminum

Output of raw aluminum in the United States during 1939 was the greatest on record — 327,090,000 pounds, valued at $64,600,000. In 1938, 286,863,000 pounds were produced, their value was $56,633,000.

Rep. G. Hagen, Crookston, Deserts F. L. Party and Joins up with Democrats

Representative George Hagen's bolt from the Farmer-Labor party into the Democratic organization will not be followed by any substantial number of Farmer-Laborites, in the opinion of party leaders at headquarters of the Farmer-Labor association in St. Paul.

Reaction to the Crookston legislator's fusion move Saturday was beginning to come into headquarters Monday by mail and telephone from various sections of the state.

All the messages reported during the morning condemned Hagen's actions. On the other hand, Democratic leaders were sending hearty congratulations to Hagen and the group of Polk county Farmer-Labor leaders who joined in his "walk" from the Farmer-Labor party.

HAPPY NEW YEAR

We wish you, one and all, a happy New Year. Another thing we wish is that all the good wishes that are wished at this time of the year would come true. We know they won't of course, but we won't worry about it. Wishes are not worth much but they certainly don't cost much either. In this matter of good wishes we can afford to be liberal.

Except for wishing you happiness, there isn't much we can do about making you happy. It's pretty much your own problem, one of those things you will have to figure out for yourself. Much has been written on the subject and some of what has been written has considerable merit.

Frederic Paulban, a French writer, turned out some good ideas on how to live, and think, to be happy. If you are interested in the subject, here are a few of the things he said:

> Don't try to revenge yourself for the pleasure of revenge. It is a low way of wasting time. I do not mean to say that you should forgive. This is not the point at all. Forget those who have done you wrong if there is no advantage in remembering them or if they have become inoffensive. But love them if they become lovable.
>
> Don't love people a great deal more than they love you. Those with delicacy will be embarrassed and the others will exploit you. Love people a little more if you like. That flatters them. And try not to expect anyone to love you very much.
>
> Don't count on anyone's devotion. Those who love you most are not devoted to you but to a phantom that stands for you in their eyes. And if you don't resemble the phantom, as you probably won't, you will be both unhappy and ungrateful, and the devoted person will continue to cherish his phantom in his own way and will congratulate himself on his goodness. If, for your part, you believe you have to devote yourself to somebody, do not be too proud of it. Do not be too serious or too hasty and try not to do it simply to acquire a good conscience by embarrassing your neighbor.
>
> Do not disdain the little pleasures of life. Know how to appreciate a good morsel, a glass of old wine, a game of bowls or tennis, the softness of a spring morning. All this is good and these humble pleasures are less tangled, less painful. I do not need to warn you against absorbing yourself in them. Life will see to that, I hope.
>
> If others have pleasures that you lack, rejoice. What matters is not that you are happy but that there is happiness somewhere. Rejoice if you love a woman and she loves another who loves her in return. What matters is that there should be love and not that you should be loved. Rejoice, too, if somebody else performs a fine piece of work that you wanted to do. The essential thing is that it should be done. Thus you can console yourself when you are tempted to feel afflicted. I have seen many cases when this treatment did good, but you will often think, perhaps quite rightly, that the man who possesses something good is not always the man who can profit most by it, and that love does not always go to the man who most deserves it, and that the man who could do the finest piece of work does not always work under the best conditions. And it is sad that this should be true.
>
> The obligations of gratitude, like all approved obligations, are a low form of mortality. Real gratitude does not consist in loving a person who does us a service and in doing him a service in return. Gratitude consists in profiting by the service that has been done so that we can act as well as possible toward the whole of humankind and not only toward the individual to whom we are grateful.
>
> Our humblest, poorest joys are the only ones that we can taste fully. Others surpass us. They drive us out of ourselves and assault us too much. We should learn how to experience them, but the conditions of this world make them too imperfect. They become tarnished or else miscarry. It is only in dreams and art that they can protect their fragility, and we must create illusions about them in order to love them as much as we wish. Our purest joys are perhaps a breath of fresh air on a mountain top or a glass of cool water in summer after a long walk. All that one can hope for in real life is a lovely autumn day, a well-cooked omelet, a pair of shoes that don't hurt our feet. These things happen sometimes, but not often enough to make us blase.
>
> Love, friendship, and affection in every form will make you suffer. You will not be loved as you would like to be loved. That is natural. But I also fear that you cannot yourself love as you would like to love. And that is a less violent kind of suffering but perhaps a more profound one. You will love, of course, with the aid of illusions, but you will be more or less conscious of those illusions, and of the singular role that the individual plays in the midst of all the lies that assail him from every side and that he too passes on to others, whether he wants to or not. Understand this and don't think too much about it.
>
> As you advance in life you will see your dreams vanish, your desires fade, and your illusions fail. Do not regret them too much. Most of them were hardly worth the trouble. Satisfaction would have deceived you. If you have been able to achieve without too much trouble at least one of the aims that give meaning to your live, don't envy anybody.

THE LOST AMENDMENT
(St. Paul Dispatch)

A state constitutional amendment to which there was no active opposition failed to pass by about 15,000 votes because almost 30 per cent of the persons who went to the polls November 5, failed to express any preference. Out of more than 1,300,000 votes cast, the amendment received 633,815 and 378,172 persons did not vote on the question. A campaign for its passage had been undertaken with limited funds by the League of Minnesota Municipalities. General interest was lacking because the amendment applied only to about 60 smaller cities where its intent was to reduce publication provisions for local charter amendments. To some, the difficulties that have been experienced with this amendment might argue that the constitution should be changed to provide that a majority of the votes on an amendment, rather than a majority of the total number of votes cast at the election, should be sufficient for amendment. This is inadvisable for it would make amendment too easy and might permit a comparatively small, well organized group to vote in constitutional amendments which had not been thoroughly considered by all of the citizens. It is regrettable that the amendment failed at the recent election but with the showing made this time, it seems probable that it will be approved at a subsequent election when more voters fully understand its purpose.

"It is a strange fact that the dictators have invented a kind of war in which the individual counts heavily. At that game the democracies, which have never developed the regimented mass-mind, can beat them." —The New York Times.

PUBLIC OPINION

To the Editor:

In the exchange of ideas pertaining to pensions that has been carried on during the past few weeks in the Times, you have asked, how the money was to be collected. That question was answered clearly. You also wanted to know whose pocket it came from and that question has also been answered clearly but I will refresh the memory that it may have slipped from. It comes out of the same pocket that the money the merchant gives you comes from when he comes back to you week after week with his plea for more business, for that is just what his advertisement is. He gets the business he pays for and enough more to induce him to continue his profitable contact with you. That is the mysterious thing about the Townsend Plan. Exactly like the advertising plan, it brings back to its patron more than he donates to it. This principle is true of every form of legitimate business.

In addition to your questions you have given your ideas on buying power and stated that "it is impossible for the government to increase the sum total of the Nation's buying power by taking from one group and giving to another group, the only thing the government can do is to shift buying power from one group to another group but that in itself, does not increase the wealth or buying power of the Nation." Let us give this a little thought. Within the past two years a news item from New York, told the story of a woman having been found dead in an attic room where she had lived for a great many years, the evidence was that she perished for lack of food and heat. While her room was being cleaned up by the authorities they found several packages of money in amounts as large as ten thousand dollars and in all there was something over eighty thousand dollars and apparently she had possession of it during all of the time she lived in the room. Within the last few months another story comes from New York of a beggar being found dead who had fifteen thousand in a safety deposit box. They each had a lot of buying power but with it starved to death. Do you know that if we had right here, in this splendid little city all of the money there is in the United States and did not use it, put it to work, we would all starve to death unless we adopted some other plan of buying and selling than we have today. I have before me a statement of Dow-Jones, New York statisticians who said "In October 1929 one dollar in a New York bank was being spent fast enough to do the work of $132.70 in a year, in fact was turning over 132 times. Had the miser woman's money been put to work it would have done $10,560,000 worth of business in 1929 at the above rate. Don't you think there would have been a little more business done in the vicinity of that woman's attic room if the eighty thousand dollars had been in the hands of one thousand people who would have to spend it within thirty days.

While the general thought concerning her was that she was demented, the result of her plan of life so far as the business of the country is concerned is no different in its results than the holding of money in the vaults of banks or safety deposit boxes and billions of dollars are resting rather than working in vaults and boxes. The amount of money one man or one group has does not mean anything as buying power unless it is used and the oftener it is used the greater the volume of business. The Townsend Plan is the only plan that has ever recognized this fact and the constant activity of the money given the pensioners is the heart and life of the plan.

"In closing this article, which will be the last article from me on the subject, let me pass this excerpt from a clipping I took from a Canadian paper some time ago. I offer it as evidence that there are some men who are favorable to the transaction tax plan, not by reason of their improvidence but rather by reason of having made a study of the subject. Sir John Aird, president of the Canadian Bank of Commerce recently stated, "We propose a transaction tax, which is not to be confused with a sales tax. It is a scientific method of taxation by which all citizens in every walk of life, will bear their equal share. The barons of Wall Street can not escape a transaction tax. I advocate again a nation wide turnover to meet the needs of a balanced budget."

Yours respectfully,
T. J. WELSH.

Patrol Arrests 53 in Two-Month Period for Failure to Dim Lights

Because they failed to dim their headlights when meeting oncoming cars, 53 Minnesota motorists were arrested during October and November by the state highway patrol, according to Chief Elden Rowe. In addition, 25 written and 110 oral warnings were issued to offenders in instances where arrests were deemed not necessary.

"This phase of the enforcement campaign," said Mr. Rowe, "should not be thought of as a spasmodic 'drive' against this particular type of offender, but should be considered as a constant, every-day effort on the patrol's part to reduce the hazards of night driving. Standing orders have been issued to patrol members to handle this problem as they do the countless other problems which they must solve in their regular line of duty—issuing written or oral warnings in instances of minor violations and making arrests whenever the disregard of the dimming regulation is of a more serious nature."

Chief Rowe said that strict adherence to the law requiring the dimming or depressing of lights when meeting oncoming motorists at night is especially necessary during this time of year, when most motorists are still unaccustomed to the increased difficulties which winter brings in its wake. Meeting a car with glaring headlights adds to the motorist's confusion by temporarily blinding him and often results in accident.

For increased visibility when driving at night when snow is falling or blowing, Chief Rowe suggests that motorists use the "lower" or "depressed" beam. This beam concentrates the light on a smaller, more confined road area.

NOW WHERE DID THAT CAR GO?

Engineers say the dew is the big reason for auto paints fading. And it's the over-due that makes the whole car fade.

Here's a little item I picked up under "Church News From Africa": Ugogo, Central Africa, Oct. 10—Resolutions were read today in the Central Cannibal Church protesting against the atrocities of the Christian war, now being waged in Europe. "We condemn all wanton destruction of life, except for purposes of food," said the chief of the tribe. —Mr. T.

Man's Silly Cycle is getting shorter and shorter. The other week in London a girl who was born during an air raid in the last World War, was married during one in this.

If there's anything in evolution we may soon expect to see babies born with steel helmets on their heads.

GEEZ! A KING SURE HAS PROBLEMS

Mister: Can you tell me how that verse ends that starts out "A woman who came from Australia?" We're having some "Anzacs" in for tea in a day or so and we thought it would be nice to recite to them.

I think your column is swell. —KING GEORGE.

• • •

Thanks, King. We think you run a nice kingdom yourself. The verse follows. A man from the Navy happened to be passing by and supplied the last lines:

THE DRESS THAT FAILED

A woman who came from Australia,
To a party went dressed as a dahlia,
But the petals revealed
What they should have concealed,
So her dress—as a dress—was a failure.

"Taken at face value," sighed the Old Grouch, "many of our politicians would be worth twice as much."

Window Opener

Edwin O. Blodgett of Kenmore, N. Y., didn't like to get out of bed to shut the window so he developed an automatic opener and closer. A concealed button at the head of his bed performs the task, and a small electric motor from an old vacuum cleaner is the modus operandi.

What we have in us of the image of God is the love of truth and justice.—Demosthenes.

ROSEWOOD

Mr. and Mrs. Albert Lappegard and Mr. and Mrs. Henry Rye motored to Drayton, N. Dak. Thursday, where Mrs. Lappegard sought medical aid.

Mr. and Mrs. Stanley Ranum of Thief River Falls were supper guests at the home of Mr. and Mrs. Lloyd Anderson Sunday.

Mrs. Charley Sagmoen, daughter, Vandella and Miss Violet Furan of Thief River Falls spent Sunday afternoon at the Art Gobell home.

Miss Elin Lindberg, teacher at the Rosebank school left for her home at Radium Saturday morning, where she will spend her Christmas vacation.

Eddie Solheim and son James and Clifford Lunke of Thief River Falls were out here hunting rabbits Sunday. They also visited at the John Sagmoen home.

Dinner guests at the home of Mr. and Mrs. Bernard Ranum Sunday were Mr. and Mrs. Stanley Ranum and son Gregory James and Mr. and Mrs. Harry Ranum of Thief River Falls.

Mrs. Emil Mellem visited with Mrs. Alfred Rafteseth Sunday afternoon.

Ted Holten, who went to Northfield recently, is employed as a farm hand. He was formerly employed at the Andy Morkassel farm near Warren.

The Christmas program of the Mission church will be held Monday evening, Dec. 30, at 8 P. M. and the Riodal church program will be given Dec. 27 at 8 P. M.

Miss Marie Nelson, daughter of Mrs. Thomas Mattson met with an unfortunate accident Friday morning while in the barn. Somehow she had gone up between the horses, and as she had a paper bag in her hand, the horses became frightened and pushed her down and also pawed her some. She had a large blue mark on her forehead and also on her arm and chest, with a gash in the back of her head, which the doctor at Thief River Falls where she was taken immediately, had to put a stitch in. Because of her accident she was unable to take part in the program at the Rosebank school Friday evening.

Glen Sagmoen spent Wednesday evening of last week with his parents, Mr. and Mrs. John Sagmoen.

Mr. and Mrs. Albert Lappegard purchased the John E. Hellquist farm just north of the village here last week. They will not move there until next fall.

The 4-H Club celebrated their Christmas program last Monday evening at the Rosewood Hall and also held their business meeting that evening. New officers elected are as follows: Ervin Mellem, president; Audrey Nelson, vice president; and Mrs. Art Gobell, adult leader. The evening was spent by playing games. Christmas refreshments were enjoyed by all.

Mrs. John Sagmoen accompanied her daughter Mrs. Eddie Solheim of Thief River Falls to Grand Forks, N. Dak., Thursday where they spent the day shopping.

Miss Sylvia Mellem, who has been employed at the Edwin Bjorness home near Newfolden the past three weeks returned to her home Sunday.

Miss Jacqueline Marquis spent Friday evening as an overnight guest of Miss Marlys Gobell.

Mrs. Helmer Ostrom, Miss Vandella Sagmoen, Mr. and Mrs. Eddie Solheim and son Jimmy, all of Thief River Falls attended the Christmas program at the Rosebank school Friday evening.

Minnesota Farmers Get 9 Million PCA Credit

Minnesota farmers obtained more short term credit from their local production credit associations during the first 11 months of 1940 than during the same period of 1939, according to a brief summary for the year from the Production Credit Corporation of St. Paul. Loans made to members for the period amounted to $9,767,000 compared with $8,356,000 last year. Outstanding on November 30 this year were loans of $6,382,000 that had been used for the purchase of livestock, farm supplies, for the making of repairs and improvements and for paying farm debts.

Rendezvous
by L X

HOMESICKNESS, perhaps, had brought him back. Old Peter Johansen buttoned his threadbare overcoat, blew warm breath on his rough hands and jumped to the ground. There was no railroad detective to grab him for riding that freight train, because this was the day before Christmas. All but the homeless, like himself, seemed busy preparing for the Day of Days.

Forty years, Peter reflected, since he last set foot in Clark City. It had been a year after the big earthquake; a year after all hell broke loose, killing his parents and sister as they sat at dinner in the little house on Vine street.

Peter remembered: How he had come home late that evening; how the earth began quivering like a beast possessed; how he had searched like a madman through the ruins of that shock-wracked, fire-swept bungalow. Then, as Clark City began rebuilding, he had drifted off in a daze to roam up and down the earth—a ne'er-do-well, a hobo!

Peter stood alone for a long time watching the star appear.

But always he remembered Linda, dear little sister Linda. In 40 years her memory always came back stronger than ever on Christmas Eve, for it was then that they used to climb Lookout Hill hand-in-hand at dusk, watching the evening star rise in the heavens.

That, perhaps, was why he was back this Christmas Eve.

"Almost dusk now," he reflected, trudging along Clark City's busy thoroughfare. Christmas crowds jostled him, for he was a hapless wanderer with no place to go.

No place to go? Not Peter! Soon he found his way to the old residential district where Lookout Hill rose like a sentinel.

"The same old hill," he told himself. "Little Linda! If you were only here now to see your big brother! No—thank God you're not here, for your big brother is ashamed of himself!"

At the crest Peter stood alone for a long time, watching the star appear as it had since that first night over Bethlehem. He didn't notice the old lady until she spoke.

"Beautiful, that star, isn't it?"

Peter fumbled with his grease-stained cap.

"Yes'm, it is. Especially from Lookout Hill."

"Many years ago," she continued, almost in a trance, "my little brother and I used to watch that star rise in the heavens each Christmas Eve, until—" (she wiped a tear away)—"we were separated somehow during the big earthquake. He was killed, they found out later.

"Each Christmas Eve ever since I've come back here, just to remember him. I hope he's happy up there in Heaven."

Peter was staring at her, fairly ready to shriek, for it was Linda! No doubt about it, now!

He recognized the tilt of her nose, unchanged by the years; the familiar ring of a voice that somehow had failed to grow old. But he held himself back, for Peter was ashamed of himself.

She didn't notice him shuffle off after awhile, for Linda was still watching the star.

In the freight yards he found an empty boxcar and bedded down under some straw in a corner. After a while he felt the car move, and somehow he was glad.

"Yes, it was Linda," he sobbed to himself, "but I just couldn't tell her. Thank God she's alive and happy. And Thank God she remembers me on Christmas eve as I was, not as I am."

After awhile he fell asleep.

Cakes Printed in Germany

A famous Christmas cake in Germany is Aachen Printen, from which the English word "print" is derived. In the days before book printing the idea of imprint belonged to the baking business to express the making of patterns in cakes. Many of these cakes have figures representing the old gods Wotan and Thor.

No pleasure is comparable to the standing upon the vantage-ground of truth.—Francis Bacon.

RIVER VALLEY

Mr. and Mrs. Halvor Myrom motored to Esplee Sunday where they spent the day visiting with Mr. and Mrs. Pete Hendrickson.

Mrs. Walter Lundeen and Shirley left for Grand Forks Sunday to spend Christmas at the home of her parents, Mr. and Mrs. Ole Mattson.

The Christmas programs which were held in Dist. 52 Wednesday evening and in Dist. 34 Friday evening were both well attended.

Misses Cora Rodahl and Signe Myrom who attend beauty school at Minneapolis, arrived home Thursday to spend the holidays.

Mr. and Mrs. Gunny Gunderson and family were business callers at Oklee Saturday.

Arthur and Roy Gordon who attends school at Hibbing and Grand Rapids are spending Christmas with their parents at River Valley.

Mr. and Mrs. Emil Lundeen, Merle, and Erling motored to Goodridge Sunday evening where they attended the Christmas program held in the Lutheran Free church.

Rachall Diehl, teacher in Dist. 34, left for her home at Goodridge Friday evening to spend Christmas with her parents.

The children of the Oak Park church met at the church Sunday afternoon to practice for the Christmas program, which is to be given Saturday evening, Dec. 28th, at the church, at eight o'clock. Everybody welcome to attend.

SO. ST. PAUL LIVESTOCK

(By U. S. Department of Agricultural Economics and Minnesota Department of Agriculture)

South St. Paul, Minn., Dec. 23, 1940: Sharp and uneven advances featured the hog trading today, according to the Federal-State Market News Service. Barrows and gilts 160-350 lbs. were 25-35c higher at $6.25-6.55, weights from 200-300 lbs. at the outside sparingly for the day's top. Most 140-160 lb. weights cleared at $6.00-6.25, or 25-50c higher, while lighterweights cleared at $5.75-6.10 for a 50-75c advance. Good sows of all weights went at $5.75 or 15c over last week's close. Feeder pigs gained 50-75c in sympathy with killer pigs to sell from $5.75-6.00 for weights from 90-120 lbs. The $6.55 high constitutes a new high since the last week in September.

Once a trading basis was established, the clearance of the week's initial crop of slaughter sheep and lambs was briskly consummated. Lamb prices jumped 25-40c, quality of some unloads considerably improved, and yearlings although scarce shared partially in upward price levels. Other killing classes sold on a steady basis. Good to choice lambs cashed from $9.25-9.50, largely on packer account, and medium to good grades brought $8.50-9.10. Choice slaughter ewes in deck lots made $4.50, common to choice packages from $2.50-4.25.

The meager showing of slaughter steers and yearlings cleared readily today at strong prices. She stock ranged strong to 25c higher than last week's close, cows showing most of the advance. Bulls and vealers were fully steady. Stockers and feeders were in light supply and quotable steady. Medium grade slaughter steers and yearlings made up the bulk for that class and sold at $8.00-9.50. There were odd head good at $10.50 and a load of good 1312 lb. steers brought $11.75 to establish the day's top. There were a few good heifers at $10.00, while bulk common and medium grades turned at $6.00-8.00. Common and medium beef cows sold at $5.50-6.25. Good cows touched $7.00. PROWLERS BEATEN BY DETROIT LAKES IN SECOND PERIOD

Visiting Team Is Victorious Here Friday Evening by 32-25 Score

Led by their veteran center, left-handed Dale Cook, who scored 15 points, and their play-making forward Dick Forseth, Detroit Lakes defeated an erratic-shooting Prowler team, 32 to 25, in a basketball game played here last Friday night.

A cautious and well-played first period saw Detroit Lakes pull into an 8 to 6 lead, Althoff, Lorentson, and Babe Peterson scoring field goals for the locals; and Forseth and Cook scoring field baskets for the Lakers, with Munson and Bellfy counting on free throws. The game was won and lost in the second period. Detroit Lakes blanked the locals without a point, not even allowing the Prowlers a free throw attempt; while they were marking up 12 points, to give the Lakers a 20 to 6 lead at the half.

The Prowlers began to rally in the third period, chipping points off the Detroit Lakes lead. Eddie Flasch, who had been held scoreless during the first half, broke loose for three baskets, Denny Althoff got his second basket, Orrin Pederson tipped in a rebound, and Lenny Lorentson dipped a free throw into the net, for the Prowlers' 11 points. Detroit Lakes scoring in the third period was by Cook, two field goals and a free throw, Munson a field goal, and Bellfy a free throw, Detroit Lakes holding a 28 to 17 lead at the periods end.

Flasch continued his basket-getting drive in the fourth period, sifting through the Lakers for three more field goals, to bring his total to six baskets and 12 points. Johnny Parbst connected for a field goal, but Detroit Lakes held their lead on field goals by Cook and Munson.

Except for ragged basket shooting Coach Lindenmeyer's Prowlers played good basket-ball. Time and again the locals would work the ball into basket-shooting range, take their shots, and have the ball bounce off the rim. Lenny Lorentson, especially during the first period, and Johnny Parbst had a number of basket shots; but the ball refused to drop into the net. Lenny's left-hand push shots dropped like hail on the basket, but only one dropped into the hoop.

In an exciting preliminary game, Newfolden, by a 29 to 25 score, defeated the Prowler 'B' team. Bob Powell, Bob Abbott, and Don Berg played fine games for the 'B' team; while Walt Anderson was Newfolden's most effective player, his four field goals and five free throws accounting for 13 points.

WARROAD QUINT WINS BY 1 POINT OVER LOCAL FIVE

High School Alumni Defeat Senior Cowboys by 36-34 Score

In a basketball double-header played in the Auditorium last Saturday night the Warroad 66's, by a 35 to 34 score, defeated the local Independents for the second time this season; while in a preliminary game a team of high school alumni defeated the Cowboys, 36 to 34. Warroad's one point victory was largely the result of some uncanny one-handed basket shooting by Charles and Donald Dumais, who accounted for 20 of Warroad's points. Earl Nicholson's 10 points was high for the locals.

Salvation Army Voices Thanks for Cooperation in Giving Yule Baskets

The Salvation Army wishes to thank the public who contributed so generously in the Christmas kettle and the merchants who donated various kinds of groceries which made it possible to again bring cheer into the homes of 73 needy families, officers of the local branch announced today. Lieut. Flowers Saturday delivered a trailer load of thirty baskets to those out of town. All day Monday and Tuesday the local Corps was a beehive of activity with baskets being called for and others being delivered. Captain Anderson gratefully acknowledges the voluntary help given by the Home League ladies who packed the baskets. The recreation department of the W.P.A. under the direction of Lucille Thomas, Harvey Egenes, and Bernard Langevin repaired many toys some of which were included in the baskets and others were delivered on Christmas Eve by Capt. Anderson and Santa Claus to a number of children who received them with wild cries of delight.

THIEVES HOCKEY SIX WIN 1ST TWO GAMES ON SEASON SCHEDULE

Third period: Scoring—McGrath (LeDoux), 9:26; Beverly, 13:17; Allen (LeDoux), 15:28. Penalties—LeDoux, Equist.

Referee—Walt DePaul, Hallock.

Playing before a small holiday crowd at Crookston yesterday afternoon, and on slush ice, the locals handed the Pirates their second straight defeat, winning by a 7 to 4 score.

The Thieves were handicapped throughout the first period, having only seven players—Beverly and McMillan being delayed when the car in which they were riding skidded into the ditch—but the locals were able to score the first tally, on a goal by Paul Kornek, and held the Pirates to a 1-all deadlock at the end of the period.

With Beverly and McMillan in the lineup, the Thieves applied the pressure, marking up four goals in the second period, to take a 5 to 3 lead. The final period saw Frank Gustafson and Eddie McMillan register counters for the locals, while Chet LeDoux tallied for the pirates.

Prowlers Get Quite a Boost

The decision of Russell Garnes, captain and guard of this season's Twin Valley high school basketball team, to enroll in the local high school after the holidays, should give quite a boost to the Prowlers basketball prospects. Russ' parents have become proprietors of a restaurant here and have already established their residence in town.

Russ is just the type of basketball player that Coach Lindenmeyer had asked Santa Claus to give him, being six feet and two inches in height and weighing about 190 pounds. The fault of the Prowlers which appeared most apparent in the games they have played this year, was their inability to control the ball off the backboards. In fact, during the entire first half of the Detroit Lakes game, the Prowlers did not regain the ball off the offensive backboard more than once or twice. And this fault has been due to the lack of bulk and height in the Prowler players. Garnes should be particularly valuable in controlling the rebounds. Yes, Eddie Flasch, with his speed and nimbleness, and Russ, with his height and weight, should make an effective pair of basketball players.

The Prowlers will be in practice on Monday for their trip into the Iron Range, where they will play Eveleth and Grand Rapids. Garnes will not be eligible for the trip, because he is technically considered a student at Twin Valley until he has completed one day's attendance here; but he will be taking a trip into the Iron Range with the Twin Valley basketball team, who are to play International Falls and Chisholm.

Its a Fine Hockey Team

Credit by the ladie-fulls should be dished out to manager Sewell Gross, Bill LaFave, Alec Campbell, Al Stenberg, Joe LaBoe, Art Senstad, and all the rest, for the fine hockey team that they sent out on the ice last Sunday. As one fan so aptly put it, "Those guys play a zing, zang, zowie style of hockey". And that just about describes the fast-skating play of the local club; but that's the kind of hockey stuff that the spectators like.

With the addition of another defense-man, and perhaps a wing, the Thieves should be set for the season. In the nets they have Jimmy Bronson, the league's best goalie, and no argument. On defense its George Beverly and Frank Gustafson. Gustafson is a new man here, but he was in the league last year and he appears to be a fine hockey player. And as for Bev, well, he's the old reliable, the best player in the league by a player and a half. And we have the 'pony' line of Joe Popiel, Joe Novak and Paul Kornek. The three Marx boys, the three musketeers, etc. They play a lot of "zing, zang, zowie" hockey. The other line has the old favorite, Eddie McMillan, at center ice, Bill Gray at one wing, and Bud Froseth on the other wing.

Eddie is a Herbie Lewis type of player, small and stockily-built, a fine stick handler, with a dangerous shot, and has such speed that he can out-skate the defense. Bill Gray, at one of the wings, is a Roseau boy, and he played a whale of [illegible] being ag- [illegible] Froseth, with Lefty Bredeson on defense, is a local boy. Bud and Lefty played with the Hornets last year, and are still eligible for junior hockey play. Their only fault was lack of experience, and that can be remedied by giving them an opportunity to play in league hockey. But is a better stick-handler and skater than he showed last Sunday. He handicapped himself by his jitteriness. But he'll be okay.

Crookston will be a dangerous club when they secure a couple of defense-men, and I hear that they already have these defense-men signed to the team. That will release Chet LeDoux for center-ice duty, and that's where he belongs, and give the Pirates two fine-scoring lines. The line of Clayton Taylor, Bob Allen, and McGrath will compare favorably with any line in the league; and LeDoux is nearly a line by himself.

A Hope

This will be a day too tardy to wish everyone a Merry Christmas; but I can hope that everyone had a Merry Christmas.

RECREATION HIGHLIGHTS

By Ferd B. Elstad

The recreation program is sponsored by the city council in cooperation with Works Projects Administration recreation leaders.

Arena Toy Shop

The craft shop turned into a toy shop during the past few days. Local Boy Scouts visited families of Thief River Falls and asked for broken and unused toys. The response was very good. These toys were brought to the craft shop for repair. Boy Scouts, program participants and craft leaders tackled the job of reconstucting the toys. Now, after days of painting, sawing, bending and rebending, the toys are like new. They were distributed by the Salvation Army to local needy families.

Holiday Greetings

Recreation leaders and officials wish all the parents and children of this city a Merry Christmas and a Happy New Year. During the holiday season, when the children have so much free time on their hands, leaders encourage parents to send their children to the various parts of the recreation program. Leaders are working longer hours this week and next to accommodate an anticipated rush of participants. Persons may acquaint themselves with the holiday schedule by contracting recreation leaders.

Program in Full Swing

The entire recreation program continues throughout the holidays, with the exception of Christmas day and New Years day. However, the arena will be open for skating and the toboggan slide will be open on those days. On all other days there will be puppetry, handicraft, games, woodcraft, and boxing and wrestling in the arena. There will be basketball in the auditorium weekday evenings. The toboggan slide will be open at all times.

In 1941

Business and professional men will resume their recreation activity in the high school gym the first Tuesday in January. Puppet shows will again be staged, starting the first Thursday in January. During the initial month of 1941, it is hoped the Independent basketball league will be organized and ready to swing into action.

Mercury Above Thawing Point on Christmas Day

Climaxing a week of extremely mild weather, the mercury mounted on Christmas Day Wednesday to 35 degrees above zero, after barely touching the freezing point in the morning. A light slushy snowfall arrived early in the day, but was not enough to interfere with holiday travel. During most of the past week temperatures ranged close to the thawing point.

Junior Hockey Team Will Play McIntosh Saturday

The Thief River Falls junior hockey team sponsored by the local 40 & 8 voiture will play its next game in the local arena Saturday evening at 7:30, with McIntosh furnishing the opposition. The locals were victorious in their first game of the season, defeating the Bemidji juniors.

THREE MEN DIE IN PLANE WRECK AT GRAND FORKS

Two Planes Collide as They Approach Landing at Airport

The civil aeronautics authority was investigating Saturday in an effort to fix responsibility for the collision between two airplanes in Grand Forks Friday in which two students of the University of North Dakota and a flying instructor were killed.

Witnesses said the planes were circling preparatory to landing when they locked in the air about 600 feet above the earth. The ships crashed several hundred feet apart at the municipal airport.

The victims were Instructor Lawrence Douglass, 28, Glenburn, N. D.; and B. Theodore Olafson, 22, Gardar, N. D. and Glenn R. Enge, 20, Bismarck, N. D.

Douglass who came last Monday from Fargo, N. D., as a temporary relief instructor, had been flying for nearly 10 years after having been granted his license at Madison, Wis. Besides his parents, Mr. and Mrs. G. W. Douglass, he is survived by a brother, Raymond of Fargo, also a pilot.

Olafson, a chemical engineering senior, was married just before the fall term started at the university. Enge was a fourth year pre-medic student. Both were taking flying in the university course under the CAA program and each had had 20 hours.

Douglass and Enge, flying in one plane, were tossed out of the ship by the impact. Indications were that Enge had attempted to open his parachute. Olafson apparently died in the cabin of his plane.

International Head of Rotary Tells of Relief Work in Foreign Lands

Armando de Arruda Pereira of Sao Paulo, Brazil, president of Rotary International, announced today in Chicago the donation of $2,000 to the Chinese Red Cross and the allotment of 2,500 British pounds for relief work by the Rotarians in Britain and Ireland.

These two new contributions complete the distribution of $50,000 appropriated by Rotary International at its convention in Havana, Cuba, for the "alleviation of human suffering among peoples throughout the world arising from existing world conflicts." Earlier donations made from this total amount were $25,000 to the International Red Cross, $5,000 to the American Red Cross, $5,000 to the Canadian Red Cross and 1,000 pounds to the British Red Cross.

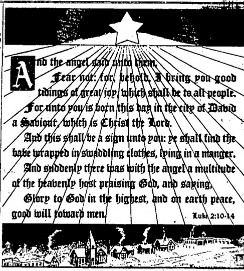
In addition to this $50,000 already distributed, Rotarians thruout the world are contributing to a special Rotary relief fund to be used particularly for the alleviation of suffering among Rotarians and their families in war-torn countries.

Clearwater Co. Board Member Killed by Bull

William Johnson of Clearbrook, 60, Clearwater county commissioner, was gored to death by a bull at his home Tuesday of last week.

Mr. Johnson was attacked in the barnyard as he drove a team of horses. The horses ran away, attracting the attention of the victim's wife, who vainly tried to drive the bull off with a pitchfork.

Johnson was so badly injured that he could not get to his feet nor crawl to safety and told his wife to telephone for help. Fifteen men responded to the call and corraled the bull, but Mr. Johnson was dead.



And the angel said unto them,
Fear not: for, behold, I bring you good
tidings of great joy, which shall be to all people.
For unto you is born this day in the city of David
a Saviour, which is Christ the Lord.
And this shall be a sign unto you: ye shall find the
babe wrapped in swaddling clothes, lying in a manger.
And suddenly there was with the angel a multitude
of the heavenly host praising God, and saying,
Glory to God in the highest, and on earth peace,
good will toward men.
Luke 2:10-14

Ulvan Named Chairman of Pennington County FDR Birthday Ball Unit

J. H. Ulvan is chairman for the 1941 Pennington county committee for the celebration of the President's birthday, it was announced today by Arthur D. Reynolds, state chairman.

Mr. Ulvan will head the county organization which will raise funds for the battle against infantile paralysis. This campaign will culminate with the observance of the President's birthday on Jan. 30 when communities throughout the state will stage fund-raising entertainments, Mr. Reynolds said.

One half of the funds raised in each county will be used for the benefit of local polio victims. The other half will go to the National Foundation for Infantile Paralysis to be used for research into the causes and cure for the disease.

No Holidays for Death; Last Year 17 Died from Xmas Eve to New Year's

Traffic carelessness, amidst holiday happiness, last year claimed 17 lives in Minnesota between Christmas eve and New Year's eve, the safety division of the state highway department recalled today, reiterating its warning that "Death takes no Holidays." Of the total killed in traffic mishaps between Dec. 24 and the end of the year—just eight days — 11 were pedestrians, all but one of them 60 years of age or older.

Desert Animals

The desert scorpion, centipede, tarantula and sulpugid are not so dangerous as most people suppose. According to a researcher at the University of California, they are only slightly poisonous; a scorpion's sting, for example, is no more harmful than a bee's.

STATE DRAFT UNIT GETS REPORT ON 75 DELINQUENTS

Registrants Must Keep Local Boards Informed of Addresses

Local draft boards in Minnesota have now reported about seventy-five cases of delinquency under the selective service act to Victor E. Anderson, United States district attorney, according to Major John H. Derrick, judge advocate of the selective service headquarters for Minnesota. Federal grand juries will be asked to indict in all cases during their next session s.

About ninety per cent of these charges result from failure to keep local boards informed of changes of address," stated Major Derrick, "and it leaves the local boards with no choice but to report the facts to the district attorney. Under the law, every registrant must keep his local board informed at all times of his whereabouts. It is the responsibility of the registrant to see to it that he receives all mail and other information sent to him by his board, and if he moves from his registered address leaving no change of address with his board, he becomes delinquent when he fails to comply with directions from his local board within the prescribed time limit."

A few men now delinquent have not given correct information regarding their names and addresses, according to Major Derrick, making it impossible for local boards to locate them. However, when they are eventually apprehended, they will be dealt with according to law, wherein a court, upon conviction, can impose a sentence carrying up to five years in prison, a fine of $10,000, or both.

Rabbit Hunting Season Is Open Until March 1

Rabbit hunting is affording hundreds of Minnesota sportsmen rigorous winter outdoor sport on the basis of reports reaching the department of conservation.

The season on cottontail and snowshoe rabbits extends from September 16 to March 1 every year. There are no restrictions on the take.

Experiments by conservation department scientists indicate the snowshoe is on the upward spring of a ten-year cycle that should find this animal at peak populations around 1943 and 1944. The last recorded "low point" was 1938. Cottontails are reported abundant throughout most of the state.

Suspend Posting of Game Refuges Until Spring

The department of conservation this week suspended the posting of 114 statutory Minnesota game refuges until spring. A survey showed that about 40 per cent of the posting job, whereby Minnesota game refuges will be adequately marked with "no hunting" signs for the first time, was completed with the arrival of inclement weather. The project is sponsored under the Pittman-Robertson federal aid plan at a cost to Minnesota of $5,905. The federal grant is $18,002.

Highway Patrol Aids 5,000 Motorists in November; Arrests 865

Almost 5,000 motorists using Minnesota trunk highways were given assistance in various forms by the state highway patrol during November, according to a report submitted to Commissioner M. J. Hoffmann by Chief Elden Rowe. Much of this aid, of course, was occasioned by the Armistice day storm with 535 cars being helped out of ditches and garages being called in 95 instances. Minor adjustments or repairs were made for 1,981 motorists and road information was given 2,069.

Illegal equipment tags were issued to 1,698 motorists. Four hundred and thirty-three cars having only one headlight and 684 cars having no tail lights were stopped by patrolmen during the month.

Verbal and written warnings were issued 2,381 motorists for improper equipment or unsafe driving practices which endangered the lives of the drivers and others.

A total of 865 violators were arrested by the patrol during the month and here again illegal equipment, particularly dangerous because of winter's slippery highways and long hours of darkness, bore the brunt of the enforcement program with 158 violators being arrested. Other major causes for arrests during the month were: careless driving 126, excessive speed for road and weather conditions 128, going through stop signs 122, and driving while drunk 79.

Patrolmen stopped and checked 11,265 vehicles during the month with lights being tested on 2,374, brakes on 132, other equipment on 231. Driver's licenses of 7,395 motorists were checked.

U. S. Land Bank Makes More Loans This Year

Farmers seeking to refinance their mortgage loans have turned again to the Federal Land Bank of St. Paul during 1940 in increasing numbers, it is shown in a summary for the year, compared to 1939. The gain in loan volume in Minnesota is 28 per cent above last year's figures. For the first 11 months of 1940, 819 Minnesota farmers obtained through the land bank $2,425,000, compared to 383 last year whose loans amounted to $1,888,000. Part of this volume comprised federal land bank loans and part commissioner loans.

Sour Milk

Thunderstorms do not sour milk. In the days before effective refrigeration, people frequently found their milk sour after a thunderstorm and so blamed the thunder. But in doing so, they failed to take notice of these facts: (1) thunderstorms are most likely to occur during warm periods of weather, usually following an extremely hot, sultry spell; (2) heat is an aid to bacteria in their multiplication; and (3) it is the action of bacteria multiplying in milk which produces the souring.

$7,000,000 STATE TRUNK PROJECTS CONTRACTED IN '40

Includes 300 Miles of New Surfaces, 319 Miles of Grading

The Minnesota department of highways has placed under contract during the year 1940 more than $7,000,000 in state trunk highway commissioner, announced today.

The work is provided for in 241 separate contracts, six of which are tentatively let on the basis of low bids just received this month.

The sizeable trunk highway improvement program includes $1,406,323 for 40 new bridge structures, including the Minnesota matched share only of the cost of interstate bridges.

The various improvements, by type of work and their combined contract cost, include:

319 miles of grading	$ 2,651,017
481 miles of base stabilization	844,377
53¾ miles of pavement	1,357,767
247 miles of bituminous surfacing	542,677
58 miles of new shoulders	81,058
Total grade and surface improvements	$ 5,476,896
122 concrete box culverts	109,673
Bridges:	
23 stream crossing bridges	1,172,812
8 railroad grade crossing overheads	101,061
3 railroad under-passes	109,843
1 highway-highway separation	54,612
Total contracts during year	$ 7,174,897

The cost figures listed are the sum of actual contract prices bid. They will be paid entirely out of state trunk highway funds in the case of purely state projects, but in all cases of federal aid projects the amounts listed include the proportion which will be paid out of federal aid or grade crossing money.

Most of these improvements had been completed, with the exception of those let too late in the season for completion, and those let since the close of the construction season in order to expedite work at the earliest possible time next spring.

Cat's Eyes Reflect

In the back of the eye of a cat, as well as some other animals, there is a mirroring surface, called a tapetum. Even in a very feeble light the mirror-like membrane will cause the cat's eye to "shine in the dark." However, points out the Better Vision institute, there must be some light for the cat's eye to reflect, for the animal's eye merely reflects and does not generate light. That is easily demonstrated by locking at a cat in a photographer's dark room. In such a place devoid of light the eye of a cat does not shine.

Cross-word Puzzles

Puzzles similar to the cross-word puzzles were known to the ancients. What is believed by some authorities to be the oldest cross-word puzzle was made by a Cretan about 2,000 years ago, a copy of which now lies in the archeological museum at Johns Hopkins university, Baltimore. This puzzle is called the Phaestus disk, and was found on the island of Crete by an expedition many years ago.

Indians Originate Lacrosse

Modern lacrosse originated from the stickball game of the North Carolina Cherokees, who still play the ancient form.

FIRST

THE FIRST CHRISTMAS TREE was reportedly first used for home decorating purposes in the 16th century, in Europe. The story goes that a Pastor, seeing pine trees covered with snow one Christmas Eve, saw in them a symbol of purity. Rushing out, he cut one down, took it into his home and put lighted candles on it, representative of the firmament.

This is one of the many legends concerning the first Christmas tree, and no one legend can be claimed to be authentically genuine.

But here's a statement that's no legend, but is a FACT—and 100% genuine—it's our sincere wish that you and your family will enjoy a WARM, COMFORTABLE, TRULY MERRY CHRISTMAS!

YULE BUSINESS IN NATION THIS YEAR BEST IN 10 YEARS

Increased Factory Employment Adds to Buying Power in U. S.

Big Christmas shopping crowds rolled up substantial trade gains in a wartime spending splurge at busy industrial centers, a nation-wide survey showed Saturday.

Many merchants reported the best Christmas trade since 1929 as workers from defense-stimulated industries poured their extra pay into retail channels. Some said the buying broke all records.

Increased factory employment and overtime wages in the drive to speed defense output augmented the buying power of millions. Government figures indicated national income this year had climbed at least $4,000,000,000 above the 1939 total.

Secretary of Commerce Jesse H. Jones said the 1940 holiday retail business probably would "shadow all previous records." He credited the defense program with stimulating the industrial upswing in recent months and noted 2,200,000 workers had been added to payrolls in non-farm jobs since February.

Latest reports indicated the rising trend of employment was still on as defense planners sought to quicken the productive pace of war plants. Huge unfilled orders for both U. S. and British account were held an assurance of high factory activity for months ahead, even without further boost in armament spending.

BRAY

Mr. and Mrs. Glenn Lindquist and daughters returned home Tuesday after visiting friends and relatives at the Twin Cities and St. Peter for the past two weeks.

The following were guests at the home of Mr. and Mrs. Eber Conklin Tuesday evening: Mr. and Mrs. M. O. Bottolson of Garske, N. Dak., Pete Burstad of San Francisco, Mrs. Herman Burstad, Mr. and Mrs. Henry Burstad and daughters and Ed. Burstad all of Hazel.

Mr. and Mrs. J. A. Erickson and Phil Lundberg all of Thief River Falls spent Saturday afternoon at the Emil Larson home.

Mrs. C. A. Lindquist, Clifford and Edith, Mrs. Glenn Lindquist and daughters spent Sunday with Mr. and Mrs. Merl Johnson of Kennedy.

Mr. and Mrs. M. O. Bottolson of Garske, N. Dak. left Monday for their home after spending the past week visiting relatives and also attending the funeral of the late Herman Burstad.

A very fine program was presented by the pupils of Dist. 62, Friday afternoon. The pupils of Dist. 180 presented their program Friday evening.

Erwin Johnson, Elnor Schalin, and Wilbert Swanson all students of the Northwest School of Agriculture returned home Friday to spend Christmas with their parents.

Farms Mortgaged

Norman J. Wall of the bureau of agricultural economics, says that 36.5 per cent of all farms in the United States are now mortgaged. In 1930 life insurance companies held 22 per cent of the total farm debt of $9,000,000,000. At the end of 1939 they held only 12½ per cent of the decreased debt of seven billions.

GRYGLA

Dagne Tollefson Weds

The Grygla parsonage was the scene of a beautiful wedding when Miss Dagne Tollefson, daughter of Mr. and Mrs. Olo Tollefson became the bride of Orville Strand of Portland, N. Dak. The rites were solemnized by Rev. S. T. Anderson at 9:30 on Sunday morning under an archway decorated to harmonize with the Christmas decorations which adorned the parsonage. The wedding march from Lohengrin was played by Mrs. Anderson at the piano. The bride was attired in a beautiful afternoon frock of soldier blue wool crepe with black accessories. She also wore a gold locket, her only ornament. The bridesmaid, Glady Tollefson, a sister of the bride, wore a dress of Rose wool crepe with black accessories. Daniel Tollefson, the bride's brother, served as best man.

Following the ceremony the members of the wedding party, other close relatives, and Rev. and Mrs. Anderson and Rachel were entertained at a wedding dinner at the home of the bride.

Eagle as National Emblem

The original suggestion for the eagle as the emblem of the United States seal was made by William Barton, a private citizen of Philadelphia. He was called into consultation by the committee of the Continental congress which had been appointed for the purpose of drawing up a seal. Barton's first design was submitted in the summer of 1782. It was not adopted, but the original suggestion of the eagle must be credited to him. The secretary of the Continental congress, Charles Thomson, was then called into consultation and the seal, as adopted on June 20, 1782, was largely his design.

NEW YEARS CELEBRATION

LUCILE PARKER was standing at the door of her apartment looking out at a gorgeous New Year's setting—the heavily packed snow, the crisp seasonal atmosphere and the moon shining down upon it all!

"What a night!" thought she. What fun it would be to join in the New Year's celebration for once. This she had not done for some time, as her husband had always attended the annual stag party and had never thought she minded.

Now when he kissed her good-by and happily rushed off, she somehow felt a stifling vacancy in her heart, and longed to go with him.

The stag party, ablaze with lights, was in full swing, the very air permeated with the rip-roaring, hilarious spirit of New Year's! Streamers and decorations hung from walls and ceiling, also banners bearing all sorts of quotations such as "No Ladies;" "Night of Nights;" and so on.

In Rushed a Band of Masqueraders Waving Banners.

At the very height of the celebration with the music raging in thunderous tones, the door opened, and in rushed a band of masqueraders waving banners, blowing horns and scattering confetti.

The orchestra started playing—"My Wife's Gone to the Country, Hurrah!"

That was too much! The masqueraders pulled the masks from their faces and the startled stags beheld their own wives.

Before they knew it each one had a partner and was dancing merrily, regardless of entangled streamers and confetti, regardless of the unexpected interruption, regardless of everything, only conscious of the New Year's Spirit.

New Year's Day Saw History Made

New Year's day may not seem very momentous to us, but in the past it has seen history made. It saw the unfurling of the first American flag by George Washington, and the emancipation of negro slaves.

Following is a list of important events that took place on New Year's day:

January 1

38	B. C. The era of the Caesars began.
1340	A. D. Edward III, king of England, defeated the French before Calais with great slaughter.
1735	Paul Revere born.
1757	Calcutta, India, captured by the British.
1776	First Union flag of 13 stripes unfurled by George Washington.
1792	Kentucky entered the Union.
1801	Union of Ireland with Britain.
1814	American dragoons attacked the British who had seized Buffalo, N. Y.
1815	Gen. Jackson repelled British when they attacked New Orleans.
1823	Great Britain acknowledged independence of South American republics.
1863	Emancipation of Negro slaves went into effect by proclamation of President Abraham Lincoln.
1907	Pure food law put into effect.
1913	Parcel post system inaugurated.
1919	New Year's day declared a legal holiday throughout the country except in Massachusetts and Washington, D. C.

Old New Year Customs Survive in Scotland

In Scotland, New Year's day is said to transcend Christmas as the most important festival of the year. Many old customs still are preserved and widely followed. "First footing" is a midnight custom of New Year's eve. The person who first, after the stroke of the new year, sets foot inside the house of a friend, remains the guest throughout the day and is a privileged friend throughout the year.

Weight of Gold

One thousand dollars in gold coin weighs almost 3.7 pounds. One thousand dollars in standard silver dollars weighs 58.9 pounds.

Ham 'n' Eggs for Christmas

FRESH snow crunched under Dick Wright's shoes as he stomped into the waiting room.

Old Peter was still there, still minding his telegraph key as he had when Dick was a boy. But now it was Christmas; now Dick was home from the city, a successful young architect.

As he walked up to old Peter's grilled ticket window, Dick recalled the last time he stood in this station. Two and a half years ago, it was, the day after Jean had left for New York in search of a career.

"Just can't stand Marysville," she had told him. "You'll understand, Dick, won't you?"

He had forgotten as best he could. Nothing in Marysville for him then, either. There had been a quick decision, a closing of half-open doors, a tearful good-by to his parents and then—off to the city. It was odd how a blow like that could give a fellow determination. Today, just 30 months later, he was coming back home with a career already carved out.

Old Pete looked up from his sheaf of train orders.

"Well, Richard!" he cried. "Glad to see you, boy, and a Merry Christmas! Your folks know you're comin'?"

"Merry Christmas to you, Pete!" Dick answered. It was nice, at that, to see a familiar face. "Mind if I use your 'phone? I caught an early train and Dad wasn't expecting me until tonight."

A few minutes later the old family car was carrying him home. His Dad looked older, and a mite worried. Something was on his mind.

"Heard from Jean, son?" he asked.

"Heard from Jean, son?" he finally asked.

"No, Pop," he answered truthfully. The house loomed up ahead now. "Why do you ask?"

"Oh, just wonderin', son, that's all. Forget it. There's Mother wavin' at us up yonder!"

But Dick couldn't forget it. Marysville and Jean were like ham and eggs. He thought about her when he stopped at the drugstore that night—they used to drink sodas there.

Maybe Dick was looking for more of those memories next morning when he started out alone on skis for Murray's hill. They used to play there in the winter, he and Jean.

"Forget it, you imbecile!" he snapped at himself. "That's a closed chapter in your life!"

It was a couple of hours later that he saw her. Skiing down Murray's hill for the last time, he rounded Horseshoe bend to find Jean directly in his path! There was a shriek, a thud, and then four feet sticking out of a snowdrift.

"Jean!" he cried, unstrapping his skis and running to help her. "Are you hurt?"

It was rather unromantic, perhaps, pulling her out feet first. But she laughed at him and fell down again, pulling him after her.

"You're going to get your face washed for that, Mr. Wright," she cried.

He came up sputtering to find her suddenly serious.

"Dick dear," she said, "I was wrong. Mother wrote that you'd be home for Christmas and—well, I had to come too. It's you and Marysville that I want, not New York. This morning when I saw you going past our house, I somehow knew that I should go with you. Not just today, Dick, but always!"

It was like ham and eggs, Dick thought, only the next day was Christmas—and Christmas meant turkey!

Beginning of the New Year

Various dates were used in different countries for the beginning of a year, but America followed the English custom of using the date of most early Christian countries—about the beginning of the ecclesiastical year. The Gregorian calendar, establishing January 1 as the beginning of the year, was adopted by England and her colonies in 1752.

Oldest U. S. Fort

Fort Marion, the oldest fort extant in the United States, was started in 1672 by the Spanish to protect St. Augustine, the first permanent white settlement in this country. It guarded the north inlet of the Matanzas river. A symmetrically shaped, four-sided structure, it is constructed in the fashion developed by Vauban, the great French military engineer. Surrounded by a moat 40 feet wide, its only entrance is across a drawbridge. The great walls are from 9 to 12 feet thick.

Lump in Throat

When a person eats something it passes into the throat after being chewed. But instead of just dropping down into the stomach, there is a nine or ten-inch series of rings in the throat that takes the food, passing and squeezing it from one set of muscle rings to the other. These muscle rings are capable of working both up and down. Thus, if something is eaten which causes sickening, the muscles work the other way to force the matter from the stomach. Grief or a scare sometimes causes a sort of hollow feeling in the stomach and the muscles of the throat work upward, pressing against the windpipe. This causes one to feel as if there were a lump in his throat.

Tease Appetites With Coffee "Strips"

JUST three times as good are these snack specialties: coffee strips with coffee in the batter, coffee frosting on top and fragrant hot coffee to drink with them! You can have your own snack bar for afternoon coffee with this simple basic recipe, just varying the topping to suit yourself! Coffee is one flavor which bears repeating, as this recipe for these easy-to-do's will prove to you.

Coffee Strips

½ cup shortening
1 cup sugar
2 eggs, well beaten
1½ cups sifted cake flour
1 teaspoons baking powder
½ teaspoon soda
½ teaspoon salt
¼ cup cocoa
½ cup double-strength, freshly made coffee
1 teaspoon vanilla

Cream shortening thoroughly, add sugar gradually and cream until light and fluffy. Add well beaten eggs. Sift together dry ingredients and add alternately with coffee to creamed mixture mixing well after each addition. Add vanilla. Turn into oiled pan (15 x 9½ inches) and bake in a moderate oven (375° F.) 20 minutes. Cool and frost in pan with Coffee Frosting. Cut in strips (1 x 3 inches). Makes 45 strips. Serve with freshly made hot coffee.

Coffee Frosting

1½ cups sugar
1 tablespoon white corn syrup
½ cup double-strength coffee
⅛ teaspoon salt
2 egg whites
1 teaspoon vanilla
2 tablespoons shaved bitter chocolate
24 half pecans

Combine sugar, corn syrup and coffee in saucepan. Cook slowly stirring constantly until sugar is dissolved. Continue cooking until the syrup forms a hard ball in cold water (254° F.). Add salt to egg whites and beat until stiff. Add syrup slowly beating constantly until frosting is stiff enough to spread on cake. Sprinkle ⅓ of the top of the frosted cake with shaved bitter chocolate, leave ⅓ plain and on the remaining ⅓ pecan halves placed at intervals.

Frank Johnson and daughters Sandra and Margie of St. Hilaire, were visitors Tuesday at the Woolson home.

Chris Norbeck left last week for the twin cities where he will visit his daughters and Mrs. Norbeck, who has spent the past weeks there.

Mr. Bourque of the R. E. A. from Red Lake Falls worked in this vicinity and was a dinner guest at the Woolson home. Everyone has signed up north of the Silverton church as far as the Odin Hanson farm.

Aid for 'Sick' Soil

"Doctors to sick soils" is the role played today by agronomists at state agricultural colleges and experiment stations. "They can test a sample of soil sent in by a farmer in a few minutes and learn what its fertilizer needs may be," says a statement by the Middle West Soil Improvement committee. Not only in soil testing, but in the entire field of fertilizer use, these agronomists, as well as county agents, are cooperating to give farmers up-to-the-minute information on the most suitable types of plant food to use.

MIDDLE RIVER — HOLT,
MINNESOTA

Dear friends:

From one of our professional magazines, we clip the following:

"We always associate happiness with the approach of a new year because everybody says 'Happy New Year.' The repetition of the wish—millions of times—actually brings happiness."

And so we want to join the happy refrain with a very sincere wish—

A Happy New Year to you!

Respectfully,

Carl B. Larson

Christmas Program

The Sunday School of the First Lutheran church, on Sunday evening, presented at their church the Christmas service "Even Unto Bethlehem." As the title suggests, the scenes portrayed characters who have been travelers on the road to Bethlehem through the centuries. The service opened with a song by the choir, "Come Hither, Ye Faithful." Rev. E. L. Tungseth gave the Christmas prayer. The narrator, Mrs. J. A. Christiansen, then read from Micah 5:2-5; Betty Wiseth sang, "O Little Town of Bethlehem." The poem, "How far is it to Bethlehem?" was recited by Eileen Johnson, Eileen Sund and Doris Johnson; the narrator read from Isaiah 11:1; Acts 13:22-23. The shepherd lad David (Lucille Jones) recited the twenty-third Psalm. The narrator next read John 1:23, 29, which introduced John the Baptist (Leslie Peterson) and several Biblical women (Marian Peterson and Virginia Hutchinson). This was followed by a song by a group of girls, Betty Wiseth, Joyce Geving and Virginia Hutchinson. The reading of the Christmas Gospel according to St. Luke 2:1-14 was softly accompanied by the organ playing "Silent Night". At the close of the reading, Adeline and Angeline Erickson sang the words of the first stanza. The angels (Marian Erickson, Arlene Markuson and Audrey Jonas) bring the glad tidings to the shepherds (Lloyd Wiseth and Richard Urdahl). The entire Sunday school at this time sang "Angels, from the Realms of Glory." The Christmas Gospel according to St. Matthew 2:1-12 preceded the visit of the three kings (Leslie Peterson, Marvin and Stanley Erickson) who entered singing "We Three Kings of Orient Are." Marjorie Swanson took the part of "Mary" and Esther Johnson that of "Joseph." Arthur Jones gave a recitation "The Way to Bethlehem." A group of children (the first graders) representing "Crusaders" approached the manger. The choir sang, "Beautiful Savior." Those who took the part of Crusaders were Charles and Beverly Urdahl, Marilyn Christiansen, Edith Peterson, Shirley Hutchinson, Wanda Jones, Tommy Olson, Bobby Noer, and Helen Johnson. Four men dressed to represent "rich man" (Virginia Hutchinson), poor man (Marlys Geving), Beggar (Ethel Murray), and Thief (Joyce Geving) recited verses from the poem "At Bethlehem." Betty Wiseth sang "The First Nowell". A recitation by Edith Sund and Kenneth Wiseth was followed by a song "Little Children Praise the Lord" by a group of children (Dicky Noer, Ione Markuson, Kenneth Wiseth, Edith Sund, Adeline and Angeline Erickson). Aleta South sang "O Come, Little Children." The narrator read from Luke 2:25-26. Marvin Erickson as Simeon pronounced the Christmas blessing.

Following the service the gifts on the Christmas tree were distributed.

Mrs. C. L. Noer was a business caller in Thief River Falls Tuesday.

Carol Jeanne Ristau visited at the home of her grand-parents, Rev. and Mrs. E. O. Sabo at Mavie on Monday. Mrs. Ristau shopped in Thief River Falls that same day.

The Christmas play "Bethlehem" presented at the school auditorium by the Girls' Glee club, on Thursday evening was well attended. The prelude of piano-organ music was furnished by Dorothy Urdahl and Miss Thompson. The play cast did very well. Aleta South's solo was especially good. The glee club and their able director, Miss Lierboe, gave to the public a very impressive service.

Miss Beth McLeod returned to her home after being employed in the Cities for several weeks.

Mr. and Mrs. G. A. Ristau, Theodore Rustad and O. L. Sabo were among those who spent Saturday in Thief River Falls.

Mrs. Tom Helland has been on the sick list.

Ethel Moquin and daughter, Donna Marie arrived Saturday morning to spend the Christmas holidays with relatives and friends. They report a lot more snow in the vicinity of Alexandria and Holmes City, the roads being plowed out every day.

Wes Padden and son Dale were business callers in town Saturday.

Junior Erickson, son of Mr. and Mrs. J. A. Erickson, arrived home Saturday from Comstock, Minn., where he has been visiting his aunt, Mrs. Melvin Nelson.

Mr. and Mrs. Floyd Olson and Ethel Moquin called in Thief River Falls Saturday evening.

Rudolph Byorgan arrived Friday evening to spend vacation at the home of his parents, Rev. and Mrs. O. O. Byorgan. Rudolph has for several weeks been employed at Holt, where he teaches in the high school.

Mrs. Ed. Geving and daughter Kathleen and Mrs. R. N. Olson and son Keith spent Wednesday afternoon at the F. B. Olson home.

Jay Payne and J. A. Christiansen attended the Pennington County taxpayers association meeting at Thief River Falls on Wednesday afternoon.

Mr. and Mrs. Frank Baseman and family, Mr. and Mrs. Horning of Huron, S. D., and Mrs. Ernest Anderson of Warren, Minn. visited at the Art Bodell home Saturday evening. Mrs. Baseman and Mrs. Anderson are sisters of Mr. Bodell.

Alvina Lien of Erie, who stays at the home of her sister, Mrs. Art Bodell, left Friday to spend her vacation at the home of her parents, Mr. and Mrs. Ole Lien.

Mrs. Torger Hudeland and Hans Olson were supper guests at the Art Bodell's

The "Thread and Needle" sewing club met at the Carl Olson home for their Christmas party on Saturday afternoon. A short program was given after which gifts were exchanged.

The large Consumers Oil Company truck delivered its second load of gas to the Co-operative Oil station here Thursday. O. L. Sabo is one of the drivers of this large truck. The gas is hauled from Rock Rapids, Iowa, to Thief River Falls and on their return trip there they deliver to Goodridge, Greenbush, Warren and other points.

Mrs. Anna South and daughter, Jeanette visited at the Harold South home on Thursday.

The Misses Phyllis Prestebak and Pearl Limesand arrived Sunday to spend the Christmas vacation at the homes of their parents. Phyllis and Pearl are enrolled at the Bemidji State Teachers college.

40th Anniversary Celebration

The J. N. Swanson family held a reunion at the Ernest Swanson home Sunday in honor of the fortieth wedding anniversary of Mr. and Mrs. Swanson. At four-thirty supper was served, the center piece of the table being a two tiered wedding cake, decorated with a miniature bride and groom. Mr. and Mrs. Swanson were presented with corsages of roses and were each given a gift containing a ruby, which is symbolic of the fortieth anniversary. All the children were present with the exception of Robert, who is in Minneapolis.

Mrs. Guy McEnelly spent a few days last week in Thief River Falls visiting her mother, Mrs. Edwin Hanson, and Mrs. Minnie Kirby.

Mr. and Mrs. Harold South, Mrs. J. A. Christiansen, Mr. and Mrs. Ernest Swanson and Ethel Moquin were business callers in Thief River Falls Monday.

There will be no Sunday school at the First Lutheran church until further notice.

Mrs. Wes Padden of River Valley attended the Christmas program at the school Friday afternoon. Dale Padden was in the program.

EASY REFRESHMENTS

It's interesting finding out how recipes come by their names. I had always thought that creamed chicken with mushrooms, hard cooked eggs and chopped pimiento was called Chicken a la King because it was such a regal combination . . . really fit for a king.

Instead, however, we find it was named by a chef for the proprietor of his hotel. This chef wanted to arrange a concoction that would tempt the appetites of the proprietor and his wife. He developed a new chicken dish which to his delight was so pleasing to this discriminating man and woman that they asked for second helpings.

Next day the chef decided to put the dish on his regular menu . . . and asked permission to call it Chicken a la King . . . after the proprietor. Neither Mr. King nor the chef had any idea what a universally popular dish this new combination was going to become. All this happened early in the century. Cook books published as late as 1918 make no mention of Chicken a la King.

Here is the basic recipe:

CHICKEN A LA KING

Melt in saucepan	4 tbsp. butter
Blend in	8 tbsp. flour ½ tsp. salt ⅛ tsp. pepper
Remove from heat and blend in	1 cup hot chicken broth ¾ cup milk ½ cup cream
Return to heat and cook slowly stirring constantly. Cook until thickened about 10 minutes over direct heat or 20 minutes in double boiler. Blend in	1 cup diced cooked chicken ½ cup mushrooms that have first been sautéd in 1 tbsp. butter ¼ cup cut-up pimiento (2 large pimientos)
Continue cooking until heated through (about 5 minutes). Just before serving, add	1 hard cooked egg, diced 2 tbsp. cooking sherry (if desired)

The original Chicken a la King was served on crisp triangles of toast. But we find it served on hot rich buttered biscuits . . . or in patty or pastry shells. The beauty and convenience of it is . . . that we can make it ahead of time . . . and reheat it at the last minute when we add the diced hard cooked egg.

TO SERVE WITH CHICKEN A LA KING FOR AFTERNOON OR EVENING OR FOR A PLATE LUNCHEON

Chicken A La King on Fluffy Hot Biscuits or in Pastry Shells
Pickled Peach (Pickled Peach Salad for Luncheon)
Orange Ice or Peppermint Mousse
Chocolate Cake or Assortment of Little Cakes and Macaroons
Coffee

Pickled Peach Salad: Pickled Peach halves filled with chopped cucumber, celery and nuts with a bit of mayonnaise dressing. Serve in cups of curled lettuce.

SHRIMP A LA KING

Shrimp can be substituted for the chicken in this recipe with very satisfactory results. It makes an interesting and pleasant change. Turkey, of course, can also be used in place of the chicken.

Season's Greetings

HAPPY
NEW
YEAR

ANOTHER year is drawing to a close. When an old year fades and the light of a new one begins to show above the horizon, it is but natural for us to wonder what the future has in store for us. It is natural, in looking forward to the future, to hope for more of those things that have given us the greatest satisfaction in the past.

In anybody's list of things to be desired, friendship is placed near the top. It is the friendships of life that make life worth while.

To you, therefore, whose friendship and good will has contributed toward the year's success, we extend our sincere good wishes and our thanks.

May this Holiday Season be the most joyful you have ever experienced, and the New Year your happiest and most prosperous. . . . .

FDR STRESSES UTMOST AID TO GREAT BRITAIN

U. S. Must be Arsenal for Democracy, He Tells Citizens

BROADCASTS SUNDAY OVER ALL NETWORKS

Says Objective is to Keep War Away from People of America

President Roosevelt in a speech over the radio from Washington Sunday evening told the nation if Great Britain is defeated the United States "would be living at the point of a gun" and then declared this country "must be the great arsenal of democracy."

The chief executive, broadcasting over all major networks from the White House, expressed belief "the axis powers are not going to win this war" and declared his assertion was based "on latest and best information."

He said the United States has "no right or reason to encourage talk of peace, until the day shall come when there is a clear intention on the part of aggressor nations to abandon all thought of dominating or conquering the world."

The President then said he wished to "make the direct statement to the American people that there is far less chance of the United States getting into war, if we do all we can now to support the nations defending themselves against attack by the axis than if we acquiesce in their defeat, submit tamely to an axis victory and wait our turn to be the object of an attack in another war later on.

"Our national policy is not directed toward war. Its sole purpose is to keep war away from our country and our people."

This country, Mr. Roosevelt asserted, should aid "democracy's fight against world conquest" more greatly by rearming and by "sending every ounce and every ton of munitions and supplies that we can possibly spare to help the defenders who are in the front lines.

"It is no more unneutral for us to do that than it is for Sweden, Russia and other nations near Germany to send steel and ore and oil and other war materials into Germany every day."

All present efforts to speed up defense construction "are not enough," Mr. Roosevelt declared, and "we must have more ships, more guns, more planes—more of everything.

"This can only be accomplished if we discard the notion of 'business as usual.' This job cannot be done merely by superimposing on the existing productive facilities the added requirements for defense."

He appealed to plant owners, managers, workers and government employes "to put every ounce of our effort into producing these munitions swiftly and without stint....

"We must be the great arsenal for democracy. For us this is an emergency as serious as the war itself....

"We have furnished the British great material support and we will furnish far more in the future.

"There will be no 'bottlenecks' in our determination to aid Britain. No dictator, no combination of dictators, will weaken that determination by threats of how they will construe that determination."

Tom Waale Car Breaks Thru River Ice Sunday

A car driven by Tom Waale, accompanied by Mrs. Waale and their children, while proceeding up the Red Lake river on the ice Sunday, broke thru and landed in two feet of water. Several other cars had safely passed over the same spot, five miles east of the city, earlier in the day. The automobile was extricated with the help of two wreckers.

133 Marriage Licenses Issued Here Last Year

The number of marriage licenses issued from the office [illegible] court Adolf Eklund [illegible] as 133, just one more than [illegible] total of 132 for the preceding year. September led all other months for weddings by a large margin, a total of 23 licenses having been issued during that month, the next highest being June, with twelve.

FIRE LOSSES FOR PAST YEAR TOTAL ABOVE $150,000

Math Barzen Company Seed Plant Fire Biggest of Year

Fire losses in 1940 in Thief River Falls exceeded $150,000, one of the largest totals in recent years, due to the disastrous Math Barzen seed plant fire last February, which entailed a loss reported at $148,149.17, it was announced today by H. L. Schuster, secretary of the local fire department.

By a coincidence the Barzen fire was the 13th alarm responded to last year, a total of 78 fire calls having been listed for the year, most of them being chimney fires.

Some loss was reported in 16 cases, the principal ones being Everett Culver, $1,068; Arthur Rambeck, $290; and Benson's Beauty Shop, not estimated.

THIEVES' NEXT HOME CONTEST TUESDAY, JAN. 7

Local Hockey Sextet Defeats Grafton Last Thursday and Sunday

JOE NOVAK SUSTAINS A FRACTURED WRIST

Brilliant Work of Jim Bronson, Goalie, Features Thursday Play

With victories over Grafton last Thursday evening in the local arena and again Sunday afternoon on the Grafton ice, the Thieves hockey sextet will continue play in the States-Dominion league with a game tonight at Fargo, while next Sunday afternoon they will play Crookston there, followed by a return engagement with Crookston in the arena here next Tuesday evening, January 7.

Sunday's 6-5 victory over Grafton was a costly one for the locals, for Joe Novak, the right wing on the pony line, sustained a fractured wrist early in the contest, and probably will be out of play for the remainder of the season.

The game here last Thursday night was featured by the brilliant work of Jimmie Bronson, veteran goal tender, in the local nets, while the offensive honors went to Frank Gustafson and Joe Novak, each

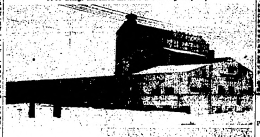
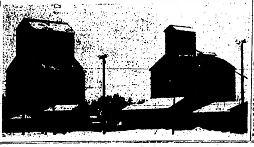
The personnel of the county board will remain unchanged this year, the three commissioners from the rural districts having all been reelected last November.

1940 Brings Increased Elevator and Storage Capacity



Included in the 1940 building program were three substantial industrial improvements that greatly increased the city's facilities for handling the large volume of seed and grain that is concentrated here. Above is the new seed cleaning and storage plant built by Land O'Lakes on the Soo tracks, fronting on Atlantic Avenue. At right is the recently completed seed plant built by the Peterson Biddick Company also on Atlantic Avenue. Below are pictured the elevators operated by the Farmers Cooperative Grain & Seed Association, located on the Great Northern tracks east of the Hartz warehouse. The elevator on the left was built this year.



REQUEST FULL ATTENDANCE AT FARM MEETING

Annual Session of Pennington Farm Bureau Set for Friday

PRES. R. J. McKERCHER WILL BE IN CHARGE

Carl Ash, Polk County Agent Will Discuss Outlook for Farming

Officers of the Pennington County Farm Bureau are especially urging its members to make a special attempt to attend the annual meeting on Friday afternoon January 3, in the Civic and Commerce room at the city Auditorium. R. J. McKercher, president of the county Farm Bureau, has announced that a very interesting program has been planned and that an attractive lunch is in store for everyone who attends the meeting.

It was further stated by Mr. McKercher that he feels that every member of the organization should have a more active part in determining the local farm bureau program. The farm bureau has within its power considerable influence in promoting policies and programs for the best interests of farm people. What shall be the future course of the farm bureau in the country will largely be determined at the meeting on Friday.

A number of resolutions will be recommended by a committee who has spent some time in compiling them. A group hospitalization plan for Farm Bureau members will be taken up. Right in line with the Farm Bureau program will be a discussion of "Outlook for Agriculture in 1941" by Carl Ash, county agent of Polk County. Mr. Ash has had many years experience as a county agent and is in a good position to present his views. Good entertainment on the program is also assured.

330 ALIENS WERE REGISTERED HERE TO DECEMBER 26

Postoffice Will Continue Registration Until Further Notice

A total of 330 residents of this locality who have not taken out naturalization papers were listed and fingerprinted at the Thief River Falls postoffice up to December 26 under the provisions of the alien registration law enacted by Congress in 1940, Postmaster Andrew Anderson announced today.

Nearly all who have registered here have been elderly persons, some of them residents of this section for as long as a half-century.

It was stated at the postoffice that while the official time limit for receiving registrations expired last Thursday, belated applicants will be registered, and will be required to supply a statement giving the reasons why they did not register within the allotted period.

Larson Company Is Named Northwestern Minnesota Distributors for Philco

Announcement that effective the first of the year the Larson company of this city became exclusive Philco distributors for Northwestern Minnesota was made today by Milton Larson of the local firm. Items to be distributed include Philco radios and refrigerators, for which the company has been a key dealer for the past ten years. Mr. Larson stated that later in January a solid carload of the new 1941 model Philco [illegible] refrigerators will be received here.

Lions Given Report on Christmas Movie Party

A report submitted at the luncheon meeting of the Lions club Monday noon in the Palm Garden cafe revealed that in connection with the children's movie party given in the Avalon theatre December 21 under the sponsorship of the club, a total of 260 articles were contributed by those who attended to be included in the Christmas baskets distributed by the Salvation Army. At the meeting a key was presented to Dr. E. S. Amesbury in recognition of his work as chairman of the membership committee.

Postal Receipts Hit New High Mark in 1940

Receipts at the Thief River Falls postoffice for the calendar year 1940 aggregated $43,214.29, an increase of more than $1,700 over the total of $41,486.24 for the preceding twelve months, it was announced today by Postmaster Andrew Anderson.

Indications are that the volume will shortly pass the $44,444.44 mark, which status will advance the local postoffice from second to first class, entailing some changes in its operation.

Receipts by three-months periods for 1940 and 1939 were as follows:

March	$ 9,740.56	$ 9,270.65
June	10,189.48	9,786.35
September	9,786.84	9,816.79
December	13,547.31	12,112.45

WPA PROJECTS IN COUNTY FOR 1940 GAVE MANY JOBS

J. B. Kovarik, Manager for District, Lists Pennington Projects

Work in Pennington county in 1940 under WPA auspices is summarized in a statement released this week by J. B. Kovarik, district manager at Detroit Lakes.

Included in projects carried out in Thief River Falls are repairs at Oakland Park sanatorium, park improvements, construction of skating rinks, several extensions of sewer and water mains, and construction of a large amount of sidewalks, curbs and gutters. A major project in St. Hilaire was the construction of an addition to the high school.

Local activities also included the sponsorship of a recreation program for the promotion of a year-round program of physical activities, handicraft, puppetry and organized games under the supervision of Ferl Elstad, recreation leader.

More than $44,000,000 has been put into circulation in Minnesota through the WPA program during the past year, S. L. Stolte, WPA administrator, announced today in reviewing the work of that federal agency. Federal funds totaled $31,469,990. Contributions toward project undertakings by local public sponsors amounted to $13,167,091.

Projects of the division of operations and the professional and service division gave work to an average of 59,921 needy men and women in all counties of the state during 1940. Employment ranged from a high of 49,161 February 24, to a low of 32,006 June 29. The high point for the year was below that of 64,325 registered in 1939. The 1940 low, however, came close to the record of 28,800 set during the preceding twelve months.

CURRENT OUTPUT BY POWER PLANT 4,172,200 KWH

Local Plant Passes 4,000,000 Mark for First Time in History

The output of the Thief River Falls municipal power plant in 1940 passed the 4,000,000 kilowatt mark for the first time in its history, producing a total of 4,172,200 kilowatts, Supt. Ole Legvold announced today.

The figure compares with 3,857,580 KWH in 1939, representing a gain for the year of nearly ten per cent. The old Busch plant, which in 1930 produced only 230 kilowatts, was not used last year.

Figures for the other units follow:

	1940	1939
Hydro plant	1,594,700	1,344,300
McIntosh	1,416,000	1,602,800
New Busch	1,161,500	910,500
	4,172,200	3,857,580

2 BEMIDJI BOYS, 14, INVOLVED IN FIVE CAR THEFTS

Hearing to be Conducted in Juvenile Court Here Saturday

A hearing is scheduled in juvenile court here Saturday morning to consider the case of two Bemidji boys, each fourteen years old, who are reported by local authorities to have admitted stealing automobiles during the past week, two of them in Thief River Falls.

They started their crime wave by taking a car at Bemidji and proceeding to the home of a relative east of Grygla. They then took a car in Grygla, and when that became disabled a few miles distant, they stole a second car there, taking it into Thief River Falls, and abandoning it near the Catholic cemetery.

In this city they took the A. E. Mattson car from its parking place on Duluth av. N. Saturday night, the automobile being recovered Monday morning 15 miles east of Grygla thru efficient work on the part of local officers. The pair also took a car from the Thief River Motors used car lot, abandoning it in a ditch at the north end of the city.

FARMER-LABOR MEETING HERE AGAINST FUSION

Pennington Co. Convention Repudiates Action of George Hagen

NAME DELEGATES TO STATE CONVENTION

District Convention to be Held at Mahnomen Next Tuesday, Jan. 7

The Pennington county unit of the Minnesota Farmer-Labor association at its annual convention held in the district court room in the court house Saturday afternoon elected delegates and alternates to the district and state conventions, and adopted a series of resolutions. Only a small number of delegates attended the convention, which was held on short notice.

Among the resolutions adopted was one opposing fusion with the Democratic party in Minnesota, the Pennington county group thus refusing to follow the leadership of Representative George Hagen of Crookston, long prominent in party circles, who announced last week that he and a group of associates in Polk county would affiliate with the Democratic party. Action on the resolution was taken without a dissenting vote.

Another resolution adopted requested Representatives J. O. Melby and W. E. Day of this district to vote against Mr. Hagen's candidacy for speaker of the house in the forthcoming session of the legislature, and instead to support S. A. Stockwell, veteran Minneapolis liberal, for the office.

Also adopted were resolutions of condolence to the family of the late Judge M. A. Brattland. Serving on the resolutions committee were Gordon M. Olson, J. H. Ulvan and Otto Rehm.

Mrs. Laura E. Naplin acted as chairman of the convention, with J. W. Erlandson as secretary. Named delegates to the district convention at Mahnomen Tuesday, January 7, and to the state convention in St. Paul [illegible] were H. O. Berve, J. H. Ulvan, Gordon M. Olson and [illegible] Wold and Einar Jensen of Goodridge.

Alternates elected include Mrs. Naplin, Alvin Sanders of Goodridge, O. F. Halldin, Mr. Erlandson and A. W. Oski.

Dorothy Traver Weds Leonard Lewison of Owatonna Friday

Miss Dorothy Traver, daughter of Mr. and Mrs. E. D. Traver, became the bride of Lieutenant Leonard Lewison of Owatonna at a simple but charming wedding at the bride's home at 11 o'clock Friday morning, December 27.

The single-ring service was solemnized by Rev. S. S. Olafson in a Christmas setting of evergreen and poinsettias in the presence of the bride's immediate family.

For the occasion the bride chose a travel costume in brown and white with a modish quilted bolero and brown accessories. She carried a huge bouquet of Talisman roses.

The bride's mother wore a rose silk street-length dress and a corsage of sweetpeas.

At the noon luncheon for the bridal party, which followed the ceremony, the piece de resistance was a pink and white three-tiered wedding cake.

The bridal couple left on the afternoon of the same day for the Twin Cities and Owatonna. They will reside in Owatonna until February, when Lieutenant Lewison, an officer in the National Guard in charge of the armory in Owatonna, will report for army maneuvers in Alexandria, La. The young couple plan to make their home in the south for about a year.

Mrs. Lewison attended Bemidji State Teacher's College and was graduated from the Northwest Institute of Medical Technology in Minneapolis. For the past year she has been employed as a technician in the Surgical and Medical Clinic of Albert Lea.

Ray Elden had as his guests from Monday until Thursday, his brother, Bud, of Alexandria, and Curtis Jacobson of Canton.

Mrs. Enga Lindberg returned Tuesday from Fargo, N. D., after spending a week at the home of her son and daughter-in-law, Mr. and Mrs. Lester Lindberg.

Alice Bredeson-Rev. Joseph Aarhus United In Marriage Monday

The marriage of Alice Elody Bredeson, daughter of Rev. and Mrs. August Bredeson of Thief River Falls, to Rev. H. Joseph Aarhus of Faribault, son of Mr. and Mrs. J. T. Aarhus of Watford City, N. D., took place on Monday, December 30 at 11 o'clock a. m. in the Zion Lutheran Church. Rev. Daniel Erickson, pastor of the Ebenezer Lutheran Church of Minneapolis and vice-president of the Church of the Lutheran Brethren of America, performed the ceremony. The church was beautifully decorated with baskets of pompoms and pink roses. Miss Judith Lockrem of this city played Christmas carols before the ceremony.

The bride entered on the arm of her father to the strains of Lohengrin's wedding march. Her gown was fashioned along princess lines of white satin, with a three-quarter-length veil, and she carried a bouquet of pink roses.

Miss Florence Bredeson, sister of the bride, was maid of honor. She wore a gown of yellow triple sheer and carried a bouquet of yellow and white pompoms. Bridesmaids were Miss Alma Aarhus, sister of the groom, who wore a pink triple sheer formal and Miss Viola Bredeson, sister of the bride, who was attired in a similar gown of aqua triple sheer. Both carried bouquets of yellow and white pompoms.

Little Arlene Tungseth, daughter of Rev. and Mrs. E. L. Tungseth, was flower girl, and wore an ankle-length white net dress trimmed with tiny blue bows.

The bride's and groom's mothers wore soldier blue and teal blue respectively, and both wore corsages of mixed sweet peas.

The groom was attended by his brother, Rev. Henry Aarhus, who acted as best man, Arthur Bredeson, brother of the bride, and Theodore Aarhus, brother of the groom from Watford City, N. D.

Miss Florence Bredeson sang "O, Perfect Love" by Joseph Barnby, and Rev. Henry Aarhus, pastor of the Wesley Methodist Church of Aumsville, Ore., sang "Living for Jesus" by Harold Lowden.

A reception was given in the church parlors following the ceremony. The decorations were carried out in a pink and aqua color scheme, with pink and aqua crepe paper streamers, pink candles, and vases of pompoms and roses. The program consisted of a number of talks, solos, and duets. Alfred Bredeson, brother of the bride, was toastmaster. The waitresses were the Misses Mildred, Alice, Gladys, Judith, and Bernice Wold, cousins of the bride, the Misses Esther and Martha Hammer, nieces of the bride, and Ardith Rriersen, all of Thief River Falls.

Out-of-town guests were: Mr. and Mrs. Albert Simonson and Mr. and Mrs. Morris Simonson of Faribault, Mrs. Robert Kruegen and son Robert Jr., of Minneapolis, Mrs. Benhart Wold and sons George and Palmer of Minneapolis, Mr. and Mrs. J. T. Aarhus of Watford City, N. D., Mrs. Inga Sanden of Grand Forks, N. D., Pastor Clarence Finsaas of Superior, Wisc., Mrs. Sam Sandland and son Kenneth, Mrs. G. Sandland, Mrs. Hans Aakre, Mr. and Mrs. T. Trontvet, T. Steenerson, Mr. and Mrs. Hans Olson, Mr. and Mrs. Langeness and family, and Carl Cleven, all of Grygla.

The bridal couple left Tuesday to be present at the annual mission meeting at the Lutheran Bible School in Fergus Falls. They will be at home at 4-3rd Ave. N. W. Faribault after January 5, where Rev. Aarhus is pastor of the Bethel Lutheran Church.

Mrs. Aarhus taught for several years in the public schools of this city, and for the past three years she has been teaching in Faribault.

Erdmann-Sefkow Nuptial Vows Spoken Christmas Night in Red Lake Falls

A pretty candle-light wedding ceremony took place Christmas night at 7 o'clock at the First American Lutheran church in Red Lake Falls when Rev. G. J. Heitmann pronounced the words that united in marriage Fred C. Erdmann, son of Mr. and Mrs. Fred S. Erdman of River township, and Miss Fern Lefkow, daughter of William Sefkow of St. Cloud.

The bride wore a gown of white slipper satin fashioned on long lines with a train. She wore the groom's mother's veil which had also been worn by his two sisters at their weddings. Her bouquet was of white pompons and American Beauty roses, tied with a white ribbon and streamers.

The bride's matron of honor was her sister, Mrs. Marion Cater of Thief River Falls who wore a wine taffeta formal. The bride's other attendant was the groom's sister, Mrs. Carl Lehrer of Wylie, who wore a floor-length dress of soldier blue crepe. Both attendants carried bouquets similar to the bride's. The groom's attendants were Marion Cater and Carl Lehrer.

Mrs. Fred Miller of Greenbush, sister of the groom, played the wedding march and sang "Silent Night" and "I Love You Truly." Lighted Christmas trees were on either side of the altar and there was a pine-banked archway at the chancel.

Following the ceremony a wedding reception was given in the church parlors with some 90 guests in attendance. A social program followed the supper with Rev. M. R. Heitmann acting as toastmaster, Rev. Albert Matthies, former pastor, also took part.

Out-of-town guests were the bride's brother-in-laws and sisters, Mr. and Mrs. Otto Poetznick of St. Cloud, Rev. and Mrs. Albert Matthies of Lockhart, Mr. and Mrs. Fred Miller of Greenbush, Mr. and Mrs. Arnold Korrup, Earl Sefkow and Miss Myrtle Snetting of Thief River Falls, Mr. and Mrs. Wendell Corbet of St. Hilaire, and Mr. and Mrs. E. H. Loff of Oslo.

Mr. and Mrs. Erdman will make their home on the Erdman farm in River township.

Dorothy Traver Feted At Pre-Nuptial Shower

Miss Dorothy Traver, who became the bride of Leonard Lewison of Owatonna on Friday, was feted at a pre-nuptial shower at the A. J. Rau home last Thursday evening. Hostesses were the Misses Dorothy Rau and Norma Yatesund. Prizes were awarded for various games which provided the diversion, and a lovely lunch was served by the hostesses. Decorations were in a holiday motif. As a climax of the party, the bride-to-be opened her shower gifts. The guests included the Misses Dorothy Traver, honored guest, Stella Stadum, Eileen Rhodegaard, Ethel Rambeck, Margaret Stadum, Edna Lee, Hilver Johnson of Washington, D. We are sorry to hear about the serious illness of L. O. Williams, father of Henry Williams, who is very sick at his home in Thief River Falls. Mr. Williams farmed here many years ago and will be remembered by many of this community.

Many Gatherings Greet Arrival of the New Year

The momentous year of 1941 was ushered in locally with watch night services in several churches and parties in numerous homes, in addition to which large numbers attended the annual firemen's ball in the Auditorium as well as the New Years Eve party staged by the Elks lodge. The mild weather which began two weeks ago continued thru New Years Day, which brought a substantial fall of snow, followed today by colder weather.

Creamery Men's Short Course to Open Jan. 8

Creamery operators from all parts of Minnesota will take time off to go to school at University Farm this winter and learn the latest developments in buttermaking and other processes for utilizing dairy products. They will attend the annual eight-weeks short course which has been given at the University of Minnesota since 1892.

The only thing we didn't like about President Roosevelt's speech was its timing. We would have liked it better if it had been delivered a year sooner. And that isn't any reflection on the President himself. He no doubt would have liked to deliver that speech a year ago but public opinion wasn't ready for it at that time. In a democracy, government cannot move much faster than public opinion.

This is the year we make the last payment on the pavement bonds, $16,000 due the first of August. The original issue was for $225,000 at a 6% interest rate. While the pavement is now in need of a face lifting operation, it is still in good condition and will give service for many years to come. If the town celebrated when the paving was installed it certainly should celebrate when the last payment is made.

Production at the power plant stepped up another 8% in 1940, increasing more than 300,000 kilowatts to a total of 4,172,200 kilowatts. More than a third of this volume was produced by the hydro plant, water power having been used every day of the year. It is interesting to note that the volume produced by water power in 1940, 1,594,700 kilowatts, was greater than the entire output of the plant in 1920.

Minnesota's state board of education has made a miserable mess of its effort to remove John Rockwell from his office as commissioner of education. Not that commissioner Rockwell is deserving of sympathy for certainly he has been just as lacking in dignity in his defense as the board members have been in their charges. We do not know what rights he has in the matter but it would please us mightily if the Governor would wrap the board members and the commissioner into one bundle and tie a can to all of them.

Senator Wheeler of Montana thinks we should make peace in the world, and it would be a fine thing to do if we could. We are afraid, however, that the senator is not very realistic in his approach to the problem. There is no question but that this country could bring about an immediate peace. We could tell China and Greece and Britain to quit resisting, and they probably would quit resisting if we threatened to withdraw all aid if they continued fighting. That would assure a complete victory for the dictators. That isn't the kind of a peace we want however. Why make any attempt to come to terms with a Hitler who, by his own admission, considers all treaties as mere scraps of paper. To make any concession to him now would only serve to give him time to prepare for more conquests later on.

Thirty-five new dwellings and a total new construction volume of $200,000 for the city in 1940 puts the past year well up with other recent years in building records. How much longer can we continue to build new homes before we reach the point where we have too many homes to house our population. That is a question nobody knows the answer to. If the territory served by the city continues to make progress then the city will continue to grow. There is no reason to believe we are nearing the end of a period of natural development.

Many people who in the past have wished they earned so much money they would have to pay an income tax will get their wish this coming year. In order to make more people happy in this way the government has obligingly lowered the exemptions and under the new schedule all single individuals with a gross income of $800 and married individuals with gross incomes of $2,000 will have to file returns. The old schedules, on the basis of net income, provided for exemptions of $1,000 and $2,500 respectively. The new schedules are just a first step in the direction of the inevitable pay-off.

WILL GREECE AGAIN TURN THE TIDE?

(Grant County, Wisconsin, Herald)

The Greeks tripped up the growth of world empire once; can they do it twice?

An army of six million men and a navy of unnumbered ships approached Greece, in the summer of 480 B. C., expecting an easy victory. Their leader was a dictator by the name of Xerxes, whose forces has been swollen to invincibility by armies and navies impressed into his service from the conquered nations of Europe, Asia and Africa. A bridge of boats more than a mile long had been thrown across the Hellespont. The forces moved south, picking up recruits from the states that dared not resist and annihilating those states that refused to swell the hordes. Thermopylae was fought and the last resisting Greek was killed.

Xerxes found Athens deserted but for a handful of patriots that put their faith in "wooden walls" raised before the propylea on the Acropolis. The main Greek forces putting their faith in the "wooden walls" of their ships had taken up their position in the Bay of Salamis on the island of that name. The mighty Xerxes set up his silver-footed throne on the mountain side across the narrow strait from the Greek position, and ordered the attack. The Greeks utterly wiped out the Persian fleet that day, and Xerxes fled with only a hundredth part of his forces, never to deface another page of history. Athens deflated the Persian empire with her golden lance.

Again a monster military force has picked on the Greeks. It is to be hoped that history will repeat itself.

SEASON'S GREETINGS

As we start a New Year, number 52 in the history of our organization, we are reminded again of the many favors we have received not only during the past twelve months but thruout the more than half a century of business in this community.

Our appreciation is sincere and our warmest thanks go out to the people of the community in which we have prospered.

To old friends and new, we extend our most sincere good wishes for Happiness and Prosperity in the New Year.

Cheer up! The new seed catalogs have started to arrive.

Three minutes sometimes seems like a long interval, but not when you are talking over the long distance telephone.

At this writing, most New Years resolutions are still intact.

Before Christmas, they tell us, Santa Claus lugs the bag, but afterwards dad holds it.

Movie Star Clark Gable is receiving treatment for a lame shoulder, the result, possibly, of too much patting on the back.

One of the most conspicuously successful reunions on New Year's Day was that of Tom and Jerry.

That squabble in the state department of education reflects credit on none of the parties concerned.

No project these days is so fantastic but that its advocates can manage to link it up with the national defense program.

It looks as tho the calendar will have to be revised. Already fully 70 promotional "weeks" have been announced for 1941.

The local Masonic lodge should be the most law-abiding group in town this year, with law enforcement officers holding down the three top jobs.

A Detroit Lakes colleague, possibly by inadvertence, appropriately refers to the busy holiday period as the time of the Christmas rash.

Attention, girls! A movie poll shows that eight of the first ten leading box office stars are men.

Looking Backward

1931—TEN YEARS AGO

J. H. Hanlisty, Soo Line conductor, went on the retired list after a railroad career embracing nearly fifty years.—Dr. Willis S. Emory, pastor of the Presbyterian-Methodist church, died Christmas morning.—Clarence W. Pope was elected president of the Lincoln high school alumni association, succeeding Math Barzen, Jr.—Mrs. Lewis Nelson passed away at her home in Smiley township at the age of 67.—Ed. Boe, former Lincoln high school athletic coach, now at Marshfield, Wisconsin, is visiting here.—Cadet Chester Dahlen, who is attending the U. S. Military Academy at West Point, N. Y., spent the Christmas holidays here.

1921—TWENTY YEARS AGO

A Total of 121 marriage licenses were issued in 1920 from the office of Clerk of Court Adolf Eklund, setting a new high mark.—H. O. Berve of Marshall county opened the practice of law in this city.—C. W. Vorachek was in charge of a New Years Eve ball given in the Auditorium by Elmer J. Eckland post of the American Legion. — Under the recently adopted Babcock amendment, motorists of Minnesota will pay an average of $18 for their automobile licenses this year, ranging from $13.75 on a used Ford to $129 on a new Packard.—T. M. Thronson resigned as assistant cashier of the First & Peoples State bank.

PUBLIC OPINION

Dear Editor:

May I have a space in your paper [illegible] "Public Opinion" [illegible] can hear on any street corner at any time.

On the third page of the Dec. 26 Times is the write-up about the accidents over the week-end and the one at St. Hilaire. For the last few months this small town has been a sort of goal for hit and run drivers or just hit drivers. It also seems like these drivers come from bigger places like Thief River Falls, etc., who think St. Hilaire is some race track where first prize is some one's loved ones.

Also notice that driver of the last car accident got a small fine of $25.00 and driver's license suspended for 60 days.

Many accidents are accidents, but these fellows who are out on a Saturday night "lark" and who think St. Hilaire just a place to speed thru and pray no one is on the highway should get a bigger fine than $25.00 and 60 days vacation from driving. If this would be done it would open the eyes of many drivers who just think it's a great trick to speed through a small town.

Would these drivers take $25.00 for their loved ones? Give these drivers bigger fines (a term to sit out) and we won't have to worry about who and what will be next. See if the game hit and run can't be ended in some way in small and big towns alike.

Let's hear from others.

Very truly,
Mrs. Gerald H. Stephens,
Hazel, Minn.

COMING SESSION OF LEGISLATURE WILL BE LIVELY

Rockwell Case and Tornado Fund Scandal to be Discussed

There's no need for artificial feeding up of interest in the coming legislative open forum on state affairs now that the Rockwell case and the Anoka tornado scandal have been broken wide open.

Legislators' interest has been heightened and the public's appetite sharpened to a keen edge.

Resumption of the hearings into dismissal charges against Dr. John Gunderson Rockwell, state commissioner of education, scheduled for January 13 and study by local and state officers of tornado fund distribution presages activity that at least will give the lawmakers something to chat about.

Observers agree that the state administration certainly does not anticipate the developments with any trace of pleasure. It doubtless is concerned over bungling of both cases. The tornado fund scandal was messed up because Farmer-Laborites, led by Hjalmar Petersen, were given opportunity to first expose it publicly. Then a mixture of incidents caught the state board of education in the backfiring Rockwell case and its many ramifications.

Statehouse experts concede a "break" to the Stassen administration in that the new legislature will be manned by men at least theoretically friendly to the present regime. They imagine the heat an unfriendly legislature could develop from the two cases would be enough to sear a lot of folks, politically speaking.

TOWNSEND CLUB MEETING IS SET FOR NEXT SUNDAY

DR. AND MRS. BRATRUD RETURNING FROM TEXAS

Dr. and Mrs. Edward Bratrud will return to their home here Sunday after having spent the holiday period visiting in Texas at Laredo, Corpus Christi and San Antonio.

MEETING TUESDAY TO DISCUSS FLAX IN PENNINGTON CO.

Farmers to Discuss Organization of Crop Improvement Program

A meeting to discuss the possibilities of organizing a definite crop improvement program among a group of interested farmers in Pennington county will be held in the court room of the court house at Thief River Falls, on Tuesday, January 7, at 1:00 P. M. County Agent Larter Lerud announced today. W. W. Brookins, extension agronomist from University Farm, will be at the meeting to discuss the question of "Meeting Crop Problems."

The emphasis in this county will be on a flax program as by far the larger acreage devoted to market grain production in Pennington county is in flax. During recent years there annually has been seeded over 25,000 acres in flax within the county. Flax, it appears, has been about the best cash crop in the county.

Past experience on the various farms in the county is that there has been a very wide range in results from the flax crop. Under certain conditions yields have been very good, and again they have been extremely poor. Plant diseases, weeds, and a number of cultural factors account for a larger part of these extreme variations in yield.

If there is sufficient interest in some definite crop improvement work, said Mr. Lerud, a committee will be set up to carry out a worthwhile program. Demonstrations may be organized on various farms throughout the county to study the results obtainable from using seed that has been thoroughly cleaned and treated. A thoro survey may also be made among cooperators to determine the best cultural practices in growing flax and other crops, and the value of desirable varieties may be more definitely established. Anyone interested in crop improvement is urged to attend this meeting on January 7.

John Ward Gets New York Fire Department Bell

John Ward, who is a native of Brooklyn and for many years a "buff" or amateur follower of the New York fire department, last week received an appreciated Christmas gift in the form of a bronze fire bell that had formerly been in use in the office of Richard Croker, famed one-time New York fire chief. The bell is inscribed with the name of Engine Company 33, where Mr. Ward at one time made his headquarters while waiting for fire alarms to be received.

COMMERCE CHIEF OPTIMISTIC OVER BUSINESS OUTLOOK

Jesse Jones Says Defense Program Will Relieve Unemployment

Secretary of Commerce Jesse H. Jones said Saturday in Washington that business prospects were so bright that "in 1941, for the first time in a decade, we may confidently look to substantial progress toward elimination of unemployment as a major problem in our society."

In a year-end statement, Jones, who is also federal lending administrator, said "business moves into 1941 operating at record levels. It can look back on the year just past as one of vigorous expansion which in total produced the best results in a decade. It can look forward to 1941 as a year that will bring further progress and the advance of our per capita output to a new record."

Jone said that the spurt in industry, which he credited primarily to the defense program, already had taken up some unemployment slack, and that between February and October 2,300,000 persons got new non-agricultural jobs.

The better business record, he said, was shown in an estimate that income payments to individuals increased to $74,000,000,000 in 1940, a gain of $4,000,000,000 over 1939. This was a calculation of all wages, dividends, rents, royalties, business profits and similar individual income in the country.

Independent Quintet Defeats Middle River Monday Night 32 to 25

The Thief River Falls Independent basketball team administered a 32 to 25 defeat to the Middle River team in a rough and tumble contest in the local Auditorium Monday evening. Middle River, after being held to three free throws in the first half, rallied in the last half, but was unable to overcome the lead established by the Independents. Stadum was high man for the locals with a total of nine points, and R. Hellquist was high for Middle River with ten. In a preliminary contest the Cowboys scored a decisive victory over the alumni by a score of 39 to 19.

Athletic Association Will Meet Next Monday

Members of the Thief River Falls hockey team will be guests at the January meeting of the athletic association in the Civic and Commerce association rooms next Monday evening, January 6, Secretary Ole Engelstad announced today. Lunch will be served at the close of the evening.

Memories of 1940

Watching Walt Larson, manager of the Land O'Lakes D-ball team, sacking up the bats, with his team holding a seven run lead going into the last half of the seventh inning, and then have the Middle River team rally and win the game.

Left-fielder Bob 'Busher' DuChamp making a fine running catch of Lynn Kiefenheim's line drive, and then making a needle-threading throw to Stan Cockrell to double Kelly off first.

The same Bobby DuChamp taking a pot-shot at the wrong hoop in a basketball game last winter.

The fine play of Roy Lee, Bones Stadum, and Don Lorentson when the local independents handed the Galloping Gophers basketball team its only defeat last year.

Jack Dempster catching walleyes off Wheeler's Point.

Woody Almquist's three innings of fast-ball pitching for the Northern All Stars and collecting seven strikeouts, getting St. Marie, Fremling, Benson, Perras, Lynn Kiefenheim, and Mortrude in succession.

Eddie Flasch's two field goals in the final minutes of play, that won the Fosston game a couple of week's ago.

Andy Andersons catch of the forward pass tossed by Ed Flasch in the Warren football game last fall.

And the red-hot basket-shooting of Anderson in the inter-class games last spring.

Louis Benson's fast ball the evening he pitches against the CCC team.

Bill Hallamack, while pitching for Ohlee, side-arming three high hard ones into Wally DuChamp, and setting the all-state centerfielder down on strikes.

Jesse DuChamp, Plummer's shortstop, making a bare-handed stab of Bill Hallamack's bid for a hit, and then nipping the surprised Bill with a long throw to first.

Carlo Columbo's run up a hill of corn stubble in pursuit of a wounded pheasant.

Lenny Helquist's attempted steal of second base in the 12th inning of the All-Star game at Plummer.

Watching Wally and Ed Carlson taking at least a two cent 'draw' on their cigars whenever they roll a strike ball.

The first prairie chicken I shot at this fall—and missed. I missed the second one, too.

The excitement of the young Pepsi-Cola bowling team when they rolled a 1021 single game several weeks ago.

The smile on the face of Plummer's G. A. Krueger, when his Southern team defeated T. W. 'Ted' Williamson's Northern team, in 12 innings, in the all-star game played at Plummer.

Mrs. Olina Holten Dies in Minneapolis Sunday

Mrs. Olina Holten of this city died December 29 at the University Hospital in Minneapolis at the age of 54 years, 10 months, and 15 days. Funeral services will be conducted from the Larson chapel on Saturday, January 4, at 2:00 by Rev. E. L. Tungseth. Interment will be made in the Greenwood cemetery.

Mrs. Holten was born in Trondhjem, Norway on February 14, 1886 and came to America with her parents in 1893 when they settled at Clarkfield, Minn. In 1901 they moved to Plummer where she was married in October of the following year to Nels Holten. They moved to Crosby, N. D., in 1907 where they lived until 1932 when they moved to Thief River Falls.

Her parents, two brothers, three sisters, and one son preceded her in death. Survivors are her husband, Nels; four sons, Harold of Portland, Ore., Thorwald of Seattle, Wash., and Walter of Thief River Falls; three daughters, Mrs. Anton Thompson of McGregor, N. D., Mrs. Julius Markstad and Mrs. Lawrence Aase both of this city; one sister, Mrs. Dina Schurman of Detroit Lakes; and 19 grandchildren.

Services for John Erickson Held Tuesday

Funeral services were held on Tuesday, December 31 at 1:30 P. M. at the Erickson and Lund chapel and at 2:00 from the Mission Covenant church for John Erickson, who passed away in a local hospital on Friday, December 27 at the age of 76 years, five months, and 10 days. Rev. Roy N. Wiberg and Rev. O. J. Lundell officiated and interment was made in the Greenwood cemetery.

Mr. Erickson was born on July 17, 1864 in Jentland, Sweden, and was married there in 1889 to Ingeborg Nelson. He came to Thief River Falls in 1901 and has made his home here ever since.

He is preceded in death by his wife and three sons. Survivors are two daughters, Mrs. Marie Fitzgerald of Crack, Sask., Can., and Mrs. Bertha Ryan of Arlington, Virginia; one son, Nels Erickson of Chicago, Ill.; two brothers, Erick and Johan Erickson both of Sweden; and 11 grandchildren.

He was a member of the Mission Covenant Church.

Lundgren Returns from Convention in Duluth

County Attorney Paul Lundgren returned Sunday from Duluth where he attended the two-day annual convention of the Minnesota State County Attorneys' association. Oscar E. Lewis, Bagley, attorney for Clearwater county, was inducted as president, succeeding Sam G. Gandrud, Litchfield. Lewis was elevated from the vice presidency and James F. Lynch, St. Paul, Ramsey county attorney, was named vice president for 1941. Charles L. Clark, Park Rapids, was re-elected secretary-treasurer.

Final Rites Today for Olaf Finberg

Final rites were conducted this morning at 10:30 from the chapel of the Erickson and Lund Funeral Home by Rev. R. M. Fjelstad for Olaf Finberg, who died in a local hospital on Friday, December 27 at the age of 61 years, 10 months, and 14 days.

He was born on February 13, 1879 in Goodhue County, Minn., and at the age of four moved with his parents to Holt where they settled on a homestead and he grew up under typical pioneer circumstances. In 1903 he homesteaded in Agdar Township on Section 36 which had been withheld in the original opening of that area in 1896. Moving to Thief River Falls in 1914, he was at home with his parents until their death. He never married.

He was preceded in death by his parents, Mr. and Mrs. Ole Finberg, one brother, and two sisters.

Surviving members of the family are: Andrew of British Columbia, Selmer of Grand Rapids, Mrs. Ed Lambert of Nashwauk, and Mrs. Irving Quist of this city.

Interment will be made in Greenwood cemetery.

Mrs. Kranz Passes Away at Her Home Saturday

Mrs. Grace E. Kranz passed away on December 28 at her home in Lincoln township, Marshall county, at the age of 50 years, 4 months, and 24 days. Funeral services were conducted at 10 a. m. at the Strandquist Catholic church on January 30 by Father W. F. Limen of Greenbush. Interment was made in the Greenbush cemetery.

Mrs. Kranz was born August 4, 1890 in Hastings and was graduated from the Hastings high school in 1908. She was married on October 24, 1911, and came to Strandquist in April, 1917 where she has since made her home.

Her parents and two brothers preceded her in death. She is survived by her husband, C. M. Kranz; two sons, Charles and Gilbert of Strandquist; six daughters, Mrs. Roy Stennes, Charlotte, Phyllis, Theresa, all of Strandquist, Mrs. Leverr Oseil of Roosevelt, and Mrs. Bjorne Falland of Karlstad; and four grandchildren.

SHORTENING TRUNK ROUTES SAVES BIG SUM ON HIGHWAYS

Department Says Construction Saving Totals $20,000,000

Minnesota's original concept of a trunk highway system has grown from a network of 6,850 miles to a present mileage of 11,329 miles, but in the meantime the shortening process, applied by construction and reconstruction, has shortened trunk highway routes by more than 400 lineal miles.

This shortening process, together with grade crossing structures the necessity for construction of which has been eliminated by highway relocations, has served to effect a total saving of approximately $20,000,000 in construction costs and results in an annual saving to motorists of more than $3,000,000 a year in operating costs, M. J. Hoffman, state highway commissioner, disclosed this week in preparing his annual report to the convening legislature.

The growth in the total mileage of the trunk system has been brought about by repeated additions of new routes not included in the original mileages taken over from the counties by the state in 1921.

The shortening of individual routes has occurred in connection with construction and reconstruction work projects and relocations, which have actually eliminated more than 400 miles of travel distance.

Of the old original trunk highway system in 1921, only 183 miles were paved, 2,587 miles miles were graded to the narrow standards used on state aid road construction at that time, and 2,776 miles were untreated gravel surfaces of varying qualities.

Of the present 11,329 miles, 3,078 miles are concrete pavement, 4,898 miles have bituminous surfaces, and 3,000 miles remain gravel, while 344 miles are substantially unimproved. The total of surfaced mileages exceeds by more than 1,000 miles the total mileage of the entire original trunk system of 20 years ago.

WYANDOTTE

A Rural Electrification line serving farms of this community was discussed at a meeting held last Monday evening at the school house in Dist. 125. County Agent Lester Lerude and S. F. Hunt of Thief River Falls discussed the project and a committee of two: O. E. Wilson and I. E. Wilson were elected to secure local subscribers.

Misses Cora and Hattie Halvorson returned on Sunday evening to Minneapolis, where they are employed, after spending Christmas with their parents, Mr. and Mrs. Theo Halvorson.

John Jr. and Marjorie Ofstedahl students at the Northwest School of Agriculture, Crookston are spending the Christmas vacation at the home of their parents, Mr. and Mrs. John Ofstedahl Sr.

Mr. and Mrs. Louie Evenson of International Falls spent a brief Christmas vacation with the formers parents, Mr. and Mrs. E. N. Evenson.

Mr. and Mrs. G. A. Wilson entertained at a lovely Christmas dinner for a family group on Sunday evening. The guests were the O. E. Wilson, I. E. Wilson, Morris Wilson and Oscar Heuske families.

Mr. and Mrs. Mike Antonoff are spending two weeks visiting relatives in Minneapolis.

Parking Meters

Meters to regulate automobile parking are now in use in 135 American cities. Last year, meters in 102 cities yielded $2,676,000, the largest revenue going to Houston, Texas, where $360,000 was collected from 3,800 meters.

BALLOONS TRAVEL FAR IN SHORT TIME

Glencoe—As a local stunt, Glencoe businessmen got together Saturday afternoon, December 7, and sent up a number of balloons with attached certificates to be awarded to whoever was lucky enough to capture the balloons. However, the stunt took on a national scope when a few days later businessmen began receiving cards and letters from far distances in the state and several from outside the state including one from Medaryville, Indiana, and one from Potosi, Wisconsin. Both cards requested that their gifts be forwarded to them, one offering to pay the postage for same.

MINNESOTA BANKS MAKE MANY LOANS DURING PAST YEAR

American Bankers Association Reports Survey in State

Forty-two per cent of Minnesota's commercial banks made more than 431,000 loans totaling $358,000,000 to business firms and individuals throughout the state during the first six months of 1940, according to the semi-annual survey of bank lending activity made by the American Bankers Association.

The A. B. A. loan survey was participated in by 291 Minnesota banks, or 42.9 per cent of the 678 commercial banks in the state.

These 291 banks reported that they made between January 1 and June 30, 1940:

207,637	new loans totaling	$222,178,046
121,647	renewals of loans totaling	129,174,239
2,621	new mortgage loans	6,689,804
431,905		$358,042,089

The survey showed that business firms in the state used only 32 per cent of the "confirmed open lines of credit" maintained for their use on the books of banks. A total of 52 banks in the larger centers of the state reported that they carried on their books $182,936,630 in "open lines of credit" offered to and kept available for regular borrowers for use as needed by them. Of this amount $59,580,102 or 32.6 per cent was used.

The average number of new loans made per bank during the six months period under review was 722 and the average size of loan was $1,057. The average number of loans renewed per bank was 418 and the average renewal was for $1,062. The average number of new mortgage loans made per bank was 9 and the average new mortgage made was for $2,552.

CAT NEARLY LOSES ALL NINE LIVES

Ada—Hearing an unusual noise coming from the motor of his car while driving home from work one evening last week, A. A. Sigurdson of Ada stopped his car and started it again. The noise came louder this time and was unmistakably a "meow". Again stopping the car, he looked on the running board and searched the back seat of his car. No cat. But as he started again, a pleading and rather desperate "meow" stopped him for the third time and determined to find out what was wrong, he lifted the hood of his car. There, unharmed, but perched precariously with head nearly in the whirling fan and tail up against the exhaust was a big yellow cat who had evidently crawled under the car and wiggled its way up under the hood to seek shelter from wind and cold.

People who knock—like motors—need adjusting.

THOSE RECEIVING SMALL INCOMES TO FILE TAX RETURNS

Federal Returns Required of Single Persons Earning $800

Gross income determines the liability for filing federal income tax reports for 1940 and not the next income, Uncle Sam is advising the public thru the offices of the revenue collectors.

Notices have been prepared which state that single individuals or married individuals not living with husband or wife, having a gross income of $800 or more, and and married individuals living together having a combined gross income of $2,000 or more are required to file federal income returns for the calendar year of 1940.

The notice reads: "Therefore, every citizen or resident of the United States will be required to file a return for the taxable year of 1940 if his gross income in 1940, regardless of the amount of his net income, comes within the amount specified above for his particular status.

"A return must be filed even though, by reason of allowable deductions from gross income and of allowable credits against net income, it develops that no tax is due."

REINER

The first Christmas program was given in the Reiner church on Thursday, Dec. 26 and a very good program was given by all who took part. The program was as follows:

An exercise by Barbara, Kenneth and Stanley Olson.

Song by a group, Joy to the World.

Scripture reading, Rev. C. I. Ostby.

Duet, Star of the East by Mrs. James Wells and Mrs. Ruben Keehn

Recitations by Delores Miller and Leora Vraa.

A song accompanied by guitar and mandolin, was given by Emma, Alfrieda and Clara Hoyum and Mable Olson.

Recitation by Stanley and Mable Olson.

Song, Away in a Manger, by the Sunday school pupils.

The Lords Prayer lead by Rev. Ostby concluded the program.

After the program, candy, nuts and apples were distributed to everyone.

The Reiner church has now been finished on the interior and looks real nice and the congregation wants to extend their many thanks to the residents of Thief River Falls and Goodridge who contributed their donations for the church and also those who assisted with the work.

The Misses Ragna and Theone Falkedahl of Butterfield are enjoying their vacations from their teaching duties at the home of Mr. and Mrs. Iver Iverson and other relatives.

Marian Wells, student at the Crookston, A. C. is spending the Christmas holidays with her parents, Mr. and Mrs. A. W. Wells.

Mrs. Morris Miller and family were guests for dinner at the home of Mr. and Mrs. John Miller on Thursday.

A very good program was given by Miss E. Tuura and her pupils at the Pershing school on Friday. Candy, nuts and apples were distributed, also a large assortment of presents were passed out. Miss Tuura left the same day for her home at Middle River to spend a two weeks vacation.

Mr. and Mrs. Bennet Johnsrud were visitors at the Morris Miller home Sunday.

Mrs. John Miller underwent an operation at Thief River Falls Saturday and is getting along nicely.

Quite a few grown-ups are having the mumps as well as smaller children, but none very serious.

Angle Parking Ban Is Found Aid to Safety as Well as Business

Cities and towns which have adopted and enforced the ban against angle parking on streets comprising trunk highway routes, even those where strenuous objection preceded adoption of the policy, have definitely found that the requirement for parallel parking has aided both retail business and the cause of traffic safety, W. F. Rosenwald, traffic and safety engineer of the state department of highways, announced this week.

Citing two outstanding and characteristic examples, Mr. Rosenwald disclosed that at Faribault traffic accidents on routes where parallel parking has superseded angle parking have been reduced one third, and at Virginia mishaps have been reduced approximately 50 per cent.

"Angle parking is particularly hazardous during this season of year because of the long hours of darkness, poor visibility, icy streets and snow conditions which periodically prevail on many business streets."

Since the statewide movement to abolish angle-parking has been undertaken all but 25 cities and towns in the entire state adopted legal parking, in compliance with the state law as it applies to trunk highway routes and the situation in 19 of these will be corrected in connection with improvements now planned.

There are between 2,000,000 and 3,000,000 persons in the United States afflicted with cross-eyes.

HITS STORM CELLAR DIGGING FOR GARAGE

Sleepy Eye—Running into a solid vault-like compartment with walls of stone and cement two feet thick was the experience of C. W. Berkner of Sleepy Eye when he began excavation work under his newly-purchased home to make a garage. First he looked for buried treasure. There wasn't any. Then, completely bewildered, he checked with Dr. W. F. Rounds who spent his childhood in an older residence on the same location. The doctor explained that it was a storm cellar which was constructed with benches lining both walls so the family could "sit out" storms which seemed to be taking on the proportions of a cyclone.

Red Lake Falls Tax Rate Is Fixed at 130.3 Mills

Owners of non-homestead property in Red Lake Falls will pay taxes in 1941 on the basis of a total tax rate of 130.3 mills, compared to 115.3 mills in effect this year. The tax rate for county purposes has been fixed at 44.6 mills while the levy for municipal needs will be 24.7 mills.

MARSHALL COUNTY FARMER-LABORITE CONVENTION HELD

Group Goes on Record as Opposing Merger with Democrats

Members of the Marshall county Farmer-Labor party held their annual convention and elected officers to have charge of the party's affairs for the forthcoming year. Emil Morberg, the county's representive to the legislature was elected chairman, with Sheriff O. C. Toftner as vice-chairman and Arnold Dahlin of Bloomer twp. as secretary-treasurer. Chosen as directors of the committee were V. S. Kruta, Gatzke; Nels Hokanson, Alma; Ben Eliason and Wm. Wikstrom, Strandquist; G. A. Sustad, Viking and H. O. Hanson, Holt.

Wm. and Arvid Fikstrom of Big Woods; Levi Johnson and O. C. Toftner of Warren were elected as delegates to attend the district and state Farmer Labor-party conventions.

The meeting gave no support to the proposal of a Democratic and Farmer-Labor merger.

BIRD BANDED 16 YEARS IS FOUND

Hoffman—A banded bird found dead near the S. O. Johnson home in Swift county last October was banded more than 16 years ago by F. W. George at Aberdeen, S. D., according to a report received by Game Warden Roy T. Gordon of Kerkhoven from the federal division of wildlife research. The bird was a bronzed Grackle and was banded on August 17, 1924. Birds are banded by volunteer cooperators in the United States and Canada and serve without pay for the purpose of learning migratory habits and other facts about the life histories of North American birds.

Dalton Different

Another example of the vagaries of New England weather has come from Dalton, Mass. Though every other city and town in the state showed a rainfall deficiency of up to 2.98 inches for a five-month period, Dalton reported an excess of 1.33 inches.

WINTER TERM AT N. W. SCHOOL TO OPEN ON TUESDAY

Many Vocational Courses to be Given at Crookston Institution

The winter term of the 35th year of the Northwest School of Agriculture at Crookston opens for registration Monday, January 6. Classes start on Tuesday, January 7, and continue through March 27. J. W. Milnar, registrar of the school, announces that both vocational and academic courses are so arranged that new students may enroll for the winter term and take full schedules of work.

Vocational courses which are attracting many students and which teach skills applicable to work in national defense industries are being given in the agricultural engineering department. Courses include oxyacetylene and electric arc welding, blacksmithing, carpentry, gasoline, fuel oil and Diesel tractors, field machinery, farm shop, and mechanical drawing.

Full opportunity is given both boys and girls to take academic work leading toward graduation and college entrance. New students entering at midterm have equal opportunity with former students in extra-curricular activities such as debating, crops and livestock judging, swimming, wrestling, hockey, and basketball. An increase of three to five per cent is expected for the winter term.

TWINS IN OWN CARS INVOLVED IN COLLISION

Wadena—George and John Rice, Wadena twins, believe that if accidents must happen, at least it's well to keep it all in the family. Each driving his own car, they collided at a Wadena intersection recently as both men watched a group of children in the street to avoid striking them. John's car is badly wrecked and he suffered several broken ribs. George, who was unhurt, gallantly takes the blame as he entered the intersection on John's left. His car was only slightly damaged.

Uncooked Greens

The human appetite for green foods appears to reach its peak in the spring. According to dietitians, more of the vital food elements greens contain are retained by the body if such foods are served uncooked. Cress (either water or land), lettuce, endive and so on are delicious when served raw with mayonnaise, French dressing or a hot vinegar sauce.

THE FIRST NEW YEAR'S DAY of the ancient Egyptians, Phoenicians and Persians occurred on the date that, to us, is September 21. Not until the eighteenth century was January 1st universally accepted as the beginning of the new year.
To you, our friends and neighbors, the beginning of the new year is a time to express our appreciation for the loyal patronage in the year just ended . . . and to express the hope that our relations in the year to come may be, if possible, still more pleasant and mutually profitable.
So "off with the old; on with the new"—Here's a sincere wish from us to you:
that YOURS may be
the happiest of all

FAITH

This is Tomorrow's America. This is the little girl around the corner, the child across the street, the youngster you met at the lake last summer. This is your own little girl. This is Tomorrow's America and she has faith in you.

This is Nancy. Ten years from now Nancy will be grown-up. She won't be a little girl any longer and her very thought-processes will be strange. She won't even be the same person. She will be a part of society; maybe nursing you when you're sick, maybe marrying your son, maybe taking over your job.

Ten years from now Nancy will be just another human being to compete with—or maybe she won't amount to shucks. But it doesn't make any difference because right now Nancy is the hope and promise of America, the reason you're here to work and hope and dream and maybe suffer a little. And ten years from now it couldn't make any difference anyway, because there'll be other little Nancies and Tommies and Johnnies and Sallies to take her place

This little girl is Tomorrow's America and you can read the future clear and bright in her eyes. Every steam whistle that blows, every wheel that turns, the telephone jangling in the living-room, the printer's ink on this page, the fire siren in the night, your shoes, your books, your church and your Bible—all were made and built and woven and put together that Nancy might have a future. And also your hopes and dreams.

For this little girl *is* America. For her, the Constitution was written, and the Declaration. For her, Washington prayed at Valley Forge. For her, great-grandfather got that saber cut at Spottsylvania. She is the link between you and your tomorrows, and for her you've lived all your yesterdays. You're getting old and a little tired, maybe. Your mirror tells you you're troubled. There've been times when you've made a sorry mess of things, and the goals you worked for, so many, many of them, are as stardust in the morning.

But you know it doesn't matter. Nancy stands clear-eyed and strong with the high courage of a million tomorrows for the spending. Life to her is not a never-never land, and hers can be a better day on earth for your having lived it.

This little girl . . . all little girls and boys, these are America's future. These are the promise of a better world. Their future is yours, too. You can live, build, work, be happy for them and through them. You will go on having faith in yourself because they have faith in you.

Ten years from now Nancy will be grown-up, changed, a different person, out in the world. But there will be other Nancies and you will go on striving and hoping and dreaming and maybe suffering a little for them, just as you expect this Nancy, your own little girl, to do.

'41 SESSION OF LEGISLATURE IS UNDER WAY

Conservatives Control Organization Work in Both Houses

LAWRENCE HALL AGAIN IS ELECTED SPEAKER

Governor Stassen Delivers Inaugural Message Wednesday

The keenest display of harmony in a decade marked opening of Minnesota's legislature Tuesday in St. Paul.

Both houses quickly organized, with conservative majorities proceeding smoothly.

The ceremonial part of the occasion was Tuesday night when Governor and Mrs. Harold E. Stassen held the traditional inaugural reception at the statehouse.

Organization routine proceeded so quietly Tuesday that not one voice was raised against the procedure in the senate. Caucuses had set up machinery in both branches. There was one discordant note in the house where Rep. Andrew Hayford, Minneapolis, protested that the liberal minority was ignored two years ago.

Speaker Lawrence Hall, St. Cloud, was re-elected by an overwhelming vote of 99 to 25 over Rep. George Hagen, Crookston, who again heads the liberal minority despite some complaint recently when Hagen led a mass transfer of Polk county Farmer-Labor officers over to the Democratic cause, saying fusion "is the logical means of stopping the Republicans."

In the senate, Lt. Gov. C. Elmer Anderson resumed his role of presiding officer.

In the house, Speaker Hall was seated after a brief talk in which he said he deemed his re-election to the post "a greater honor" than his original selection to the key post in 1939.

Rep. Rollin Johnson, Forest Lake, who nominated Hall, said the position called for "shaping and guiding the quality of legislation we pass in this house." He added that "the qualities of leadership and sincerity made him an excellent presiding officer in 1939."

Chief opposition voiced against Hall came from Rep. Hayford, who nominated Hagen. Hayford rapped what he called "the disgraceful delegation of legislative

MUNICIPAL COURT COLLECTS $2,731 IN FINES IN 1940

Total of $1,737.35 Paid into City Treasury, Judge Arnold Reports

A total of $2,731.81 in fines was collected in 1940 in municipal court, compared to $2,381.83 in 1939, it is revealed in the annual report of Municipal Judge Lincoln Arnold.

Of the total $1,737.35 was paid into the city treasury, including $1,258.80 from fines for violations of city ordinances; $356.15 from fees in criminal cases; and $122.40 from fees in civil cases. In 1939 the city received a total of $1,849.15 from these sources. In addition, Pennington county received $598.46 and the state treasurer $395.50 from fines.

An aggregate of 520 cases were handled in municipal court in 1940, compared to 415 the preceding year. Included were 121 criminal cases involving violation of city ordinances; 173 fines imposed for violation of the limited parking ordinance; 142 criminal cases based on violations of state statutes; and 82 civil cases.

Cases of drunken driving increased sharply from nine in 1939 to 21 in 1940. Other actions involved 77 cases of intoxication, 20 cases of reckless driving, 26 defendants bound over to district court, and 28 drivers' licenses suspended or revoked.

Dr. H. C. Johnson Leaves to Enter Medical Corps

Dr. H. C. Johnson, associated with Dr. O. G. Lynde in the practice of medicine the past several years, left last Thursday to undergo a physical examination at Fort Snelling, following which he was to be assigned to a year's duty as first lieutenant in the medical corps at Fort Sam Houston, Texas.

Eight Volunteers to Make up County Quota

The second draft of men under the selective service act in Northwestern Minnesota counties will be made, Monday, January 20, it was announced at state headquarters early this week. The Pennington county quota of eight men will be made up entirely of volunteers, of whom there are 16 in the county, the report shows.

Included in the local contingent of volunteers are Orrin Brandon, Emil Horajsh, Orville Johnson, Robert Elofson, Robert Haney, and Truman Reiersgaard, all of Thief River Falls; Stanley Skibicki, Goodridge; and Gerhard J. Wilson, Hazel.

For the state of Minnesota as a whole, 777 young men will be inducted into service between January 20 and 23, these being picked from a total of 1,302 Class 1-A volunteers.

In Marshall county the quota is nine men, with 16 volunteers; in Red Lake county the quota is seven, with 13 volunteers; and in Roseau county the quota is four, with six volunteers.

The school will be sponsored by the Swedish Red River Valley Baptist association, consisting of seven pastors and twelve churches, in co-operation with other individual churches.

Pastor V. L. Peterson of Thief River Falls, has been appointed dean; Pastor C. L. Wessman, Karlstad, business manager; Miss Martine Johnson, R. N., Thief River Falls, dean of women; Edward Clay, Thief River Falls, dean of men and director of practical work; Pastors P. Alfred Peterson, Alvarado; Victor Erickson, Roseau; Leonard Turnquist, Lancaster, instructors; A. O. Erickson, school treasurer, Thief River Falls. Special lectures are being arranged for the afternoon. Public services will be conducted every evening by evangelists.

Some subjects to be taught are: Bible synthesis, Bible doctrine, Sunday School methods, practical work, music, choir and church polity. To these regular courses will be added special lectures on prophecy, God's Purpose with Israel, and personal problems.

Although the school is sponsored by a Baptist association, the board makes it clear that students of other denominations are welcome.

Pastor V. L. Peterson and C. L. Wessman are securing donations of food, fuel and money so that the cost of each student shall be as low as possible.

O. R. KNUTSON APPOINTED TO JUDICIAL POST

Governor Names Warren Man to Succeed Late Judge Brattland

HAD ENDORSEMENT OF DISTRICT BAR GROUP

Appointee Was Formerly Associated with Julius J. Olson

Oscar R. Knutson, Warren attorney, last Thursday was appointed by Governor Harold E. Stassen to the post of judge of the Fourteenth judicial district, succeeding the late Judge M. A. Brattland of Thief River Falls.

In announcing the appointment, the governor stated that Mr. Knutson was high man in a poll recently conducted among members of the district bar association, 53 of the 57 eligible attorneys having cast their ballots. Theodore Quale of this city placed second, and W. L. Peterson of Lancaster, third.

Knutson, a past president of the district bar group, has been serving his third term as mayor of Warren, from which post he resigned to accept the judicial appointment. He is 42 years old, and a graduate of the University of Minnesota law school, as well as having studied at the Northwest School of Agriculture in Crookston and at St. Olaf college, Northfield.

He is married and has three children. He entered the legal profession as an assistant in the law office of Julius J. Olson at Warren, the latter now being an associate member of the Minnesota supreme court.

Mr. Knutson was a candidate for the office of district judge in the November election, and was third high man on the ballot. The other incumbent judge is James E. Montague of Crookston.

CREAMERY PASSES MILLION LB. MARK 1ST TIME IN 1940

Produces 1,080,377 Pounds of Butter, a Gain of 128,334 Pounds

For the first time in its history, the Thief River Falls cooperative creamery in 1940 passed the million pound mark in butter production, G. H. Berglund, manager, announced this week. The plant churned a total of 1,080,377 pounds during the year, compared to 952,043 pounds in 1939, a gain of 128,334 pounds.

In addition, 21,032 pounds of butterfat was sold for ice cream purposes, which, if churned into butter, would have raised the total output to more than 1,100,000 pounds. The creamery had a total of 780 patrons in November, the month of smallest production.

Production by months ranged from a low of 61,808 pounds in November to a high mark of 130,025 pounds last June. Other months of big butter output included March, with 91,707 pounds; April, 94,444; May, 110,278; July, 109,297; and August, 99,814.

CHAS. LIEBERMAN, PIONEER CLOTHIER, SUCCUMBS FRIDAY

Prominent Merchant Passes Unexpectedly; Lived Here 29 Years

Charles Lieberman, prominent local merchant who had been proprietor of a clothing store in this city for a quarter of a century, passed away unexpectedly in a local hospital early Friday morning after having been stricken Thursday evening while in the Masonic temple. He was in his 57th year.

The body lay in state at the Larson Funeral Home Saturday between the hours of 5 and 8 p. m., following which it was taken to his former home at Duluth for final rites and interment, Rabbi Benda conducting the services in a Duluth chapel.

Born March 9, 1884, in Kovarsk, Lithuania, Mr. Lieberman came to this country at the age of 15, locating at Duluth. After a brief stay on the West Coast, during which he was in San Francisco at the time of the earthquake and fire, he entered business in Bovey, and came to Thief River Falls in 1912 to enter the clothing business with his uncle, Albert Lieberman.

A few years later he opened his own establishment, starting on a small scale and developing the business until it became one of the leading clothing stores in this section of the state. Always a public-spirited citizen, he showed his faith in the future of this community in 1939 by erecting a large business block to house his store and other establishments.

He was an active member of the Civic and Commerce association, as well as of the Masonic lodge, Eastern Star chapter, Elks and Odd Fellows.

Mr. Lieberman was married in Duluth in 1910 to Miss Frieda Dick, the surviving family including, in addition to his wife, a daughter Leonore of Washington, D. C. and a son Sidney, who is in his third year at the University of Minnesota, and who now has taken over the management of the store.

79 Pay Over $100 Tax on Personal Property

One of the most interesting official publications of the year, in the form of the personal property tax list for Pennington county, makes its appearance elsewhere in this issue of the Times.

A total of 79 business concerns in the county are called upon to pay more than $100 this year, including 74 in Thief River Falls, two in Goodridge and three in St. Hilaire.

The largest tax, $3,334.54, is assessed against the Union State bank, nine other establishments which will pay more than $1,000 including, in order, the Great Northern railway, $2,875.56; Oen Mercantile company, $2,044.77; Northern State bank, $1,827.43; Land O'Lakes Creameries, $1,529.96; Nash-Finch company, $1,518.60; L. B. Hartz Stores, $1,447.53; Montgomery Ward & company, $1,404.18; F. H. Peavey company, $1,222.05; and Peterson-Biddick company, $1,018.83.

Other firms called on to pay $400 or more include the Central Lumber company, Gamble-Robinson company, Gustafson & Son, Jung Brothers, Kelly Hardware, Charles Lieberman, Northern Chevrolet company, J. C. Penney company, Thief River Falls Cooperative creamery, Thief River Falls Times and Thief River Motors.

Personal property taxes are payable at the office of County Treasurer A. E. Johnsrud before March 1.

TWO PROMOTIONS MADE IN STAFF OF UNION STATE BANK

E. O. Peterson Named President; Archie Hesrud New Cashier

After hearing reports on a successful year in 1940, the board of directors of the Union State bank in their annual meeting Tuesday afternoon advanced E. O. Peterson to the presidency of the institution, and promoted Archie Hesrud to the office of cashier.

Mr. Peterson, who has been associated with the bank here since September, 1935, had been serving as vice president and cashier, while Mr. Hesrud, a member of the staff the past eight years, had been serving as assistant cashier. He also was named a member of the board of directors.

The Union State bank closed the past year with total resources of $1,288,411.26 and deposits of $1,149,208.21. The institution has $50,000 capital, $60,000 surplus and $25,171.30 in undivided profits.

ANNUAL MEETING OF FARM BUREAU NEXT SATURDAY

Session Slated Last Friday Was Put Off Because of Weather

Postponement of the annual Farm Bureau meeting scheduled for last Friday was necessary because of the bad weather and blocked roads. Only about thirty people found it possible to attend the meeting. R. J. McKercher, president, reports that it was decided to hold the meeting this coming Saturday afternoon at the Civic and Commerce room in the Thief River Falls Auditorium, at 12:30 p. m.

E. L. Freeman, superintendent of the Minn-Kota Power association at Grand Forks has been engaged as the speaker for the meeting next Saturday. Mr. Freeman will conduct a discussion that will be of much interest to the Pennington County people, as the plans are that the local REA lines will be energized from the Grand Forks plant. In addition, a good program and lunch is assured the members.

The program did go on last Friday despite the rather small turnout. Carl Ash, county agent from Polk County, presented a number of interesting observations relating to the outlook for farming in the next few years. He pointed out the position of this county as far as foreign trade is concerned during the war that is underway, and also following the war. Farm products of which there is a large surplus raised in this country, such as wheat, cotton, and fruits, face a gloomy situation unless there is a readjustment in production in certain areas of the country.

The outlook for dairy, livestock, and poultry products, however, is somewhat favorable in view of an increased domestic market due to the defense program in this country. Ash further pointed out that he didn't expect any price boom during the war, that higher taxes were in store, and that farmers should liquidate their debts just as fast as possible during the period of favorable prices because following the war another depression is in view.

400 Car Licenses Issued in City Thru Wednesday

Business in the office of Alex Campbell, deputy registrar of motor vehicles, started off at a brisk pace the first week of the new year, a total of 400 sets of license plates having been issued up to Wednesday evening, approximately the same number as on the corresponding date a year ago. In 1940 7,994 sets of plates were issued from the local office, Mr. Campbell reported.

369 Births, 112 Deaths in This City Last Year

A total of 369 babies were born in Thief River Falls in 1940, while 112 deaths were recorded, it was announced this week by Dr. H. K. Helseth, city health officer. The figures compare with 309 births and 92 deaths in 1939, and 271 births and 101 deaths in 1938.

ROY IS ELECTED CO. BOARD HEAD FOR 8TH TERM

County Commissioners Open Annual Business Session Tuesday

DR. MELLBY RENAMED CO. HEALTH OFFICER

Usual Appropriations Made to County Fair and Winter Shows

The Pennington county board was confronted by a large variety of matters requiring its attention when members assembled Tuesday morning at the court house for their annual meeting which will continue thru Friday.

Paul Roy, of St. Hilaire, who has served efficiently as board chairman for the past seven years, was reelected to that post, while O. M. Mandt was retained in the office of vice chairman.

Dr. O. F. Mellby was appointed county health officer, and will serve on the county board of health along with Commissioners Alfred Bredeson and W. M. Mulry. Oscar Gunstad of St. Hilaire was named to succeed himself for a three-year term on the Oakland Park sanatorium commission.

Appointments on standing committees include Commissioners Rase, Roy and Mandt, roads; Roy, Mulry and Bredeson, bridges; Roy, Bredeson and Mulry, court house; and Roy and Mandt, extension committee.

An appropriation of $400, the same as last year, was voted to the Pennington County Agricultural society, sponsor of the county fair; and, as in past years, $150 was voted toward the support of the Red River Valley Winter Shows.

The Thief River Falls Times was designated as the official county newspaper, with the second publication of the financial statement to be made in the St. Hilaire Spectator. Remaining to be acted on before the session ends are bids on a Diesel motor patrol and bids on the construction of the [illegible] bridge.

A. J. Rau, president of the Pennington County Taxpayers association, and T. [illegible], secretary, submitted a written communication to the board making various suggestions. The letter favored construction of the [illegible] bridge and a [illegible] stretch of road approaching it, and advised deferring the purchase of another motor patrol, favoring a rental of any necessary added equipment.

The letter also recommended making use of federal aid in construction of county highways, and letting out brush and weed cutting on bids, and urged further investigation of the federal stamp plan for the distribution of surplus commodities.

POLICE MADE 223 ARRESTS IN CITY DURING PAST YEAR

Number of Cases of Drunkenness Shows Decline During 1940

Local police in 1940 made a total of 223 arrests, compared to 249 in 1939 and 223 in 1938, it is revealed in a summary prepared this week by A. B. Stenberg, chief of police.

A falling off was noted in the number of cases of drunkenness in 1940, there being an even 100 arrests compared to 124 in 1939. In addition there were 14 cases of drunken driving and 18 arrests for reckless driving during the year.

Twenty-five arrests were made for burglary and larceny, including juvenile cases. Four were arrested for failure to stop after an accident, and five arrests were made for car theft. There were two arrests for robbery, and three for liquor and beer law violations. An aggregate of 58 miscellaneous cases made up the remainder of the arrests.

Gladys Stenseng Weds Friday Evening

At a simple single-ring ceremony on Friday evening, January 3, at 6:30 p. m. Miss Gladys Stenseng of this city, daughter of Mr. and Mrs. P. H. Stenseng of Baudette, became the bride of Lieutenant H. E. Hanson of Baudette, son of Mr. and Mrs. H. C. Hanson of Baudette. Rev. R. M. Fjelstad performed the ceremony in the parsonage, which was decorated in the holiday theme.

Mr. and Mrs. Stanley Solheim of this city were the attendants.

The bride wore a pastel rose ensemble and a shoulder corsage fashioned of pink and white roses and sweet peas.

Following the ceremony a wedding dinner was given for the bridal party in the Rex Cafe.

The bride was graduated from the Duluth Business University in 1930 and has been employed for some time as a stenographer by the Minnesota division of employment and security in this city.

The groom attended the University of North Dakota in Grand Forks and the University of Minnesota in Minneapolis, and is a graduate of the U. S. Army Air Corps, Kelly Field, Texas.

Mr. and Mrs. Hanson will be at home in Dayton, Ohio after March 1.

Miscellaneous Shower for Ardella Gjernes

Mrs. Gordon Lewis (Mona Mosloth) and Mrs. Dan Grim (Ardith Melby) entertained Monday evening at the home of the latter at a miscellaneous bridal shower for Miss Ardella Gjernes, who is to be married shortly. Luncheon was served at 11 o'clock at a table lighted by white tapers. Placecards were in the form of tiny corsages for each guest, while a miniature bride and groom was used to designate the place of the honored guest. The evening was spent socially and Miss Gjernes was presented with gifts from the following guests: Mrs. Russell Molldrem and the Misses Margaret Langevin, Edna Gilchrist, Anette Simonson, and the hostesses.

At 7:30 o'clock on New Years Eve, December 31, Miss Gladyce Adeline Alberg, daughter of Mr. and Mrs. Carl Alberg, became the bride of Norman L. Nelson, son of Mr. and Mrs. Nels Nelson, at a simple candlelight wedding ceremony at the bride's home in Hazel. The single-ring service was performed by Rev M. L. Dahle of St. Hilaire in a Christmas setting of evergreens and candles in the presence of the immediate families of the couple.

The bride chose for the occasion a black silk gown with embroidered blue flowers and accessories in black.

The bride's matron of honor was her sister, Mrs. Harry Ranum of Thief River Falls, who wore wine wool with black accessories. Her other attendant was Miss Pearl Nelson, sister of the groom, who was attired in a black and aqua dress with black accessories. The groom's attendants were Harry Ranum and Stanley Alberg, brother of the bride.

Following the ceremony a wedding dinner was served by the bride's parents for the bridal party. A three-tiered wedding cake topped with a miniature bridal couple centered the table.

Mr. and Mrs. Norman Nelson will make their home on the Alberg farm near Hazel until spring.

Out-of-town guests were Mr. and Mrs. Clarence E. Weckwerth and daughter Loretta Louise, Mr. and Mrs. Charles Wold, Miss Hazel Nelson, and Mr. and Mrs. Harty Ranum all of Thief River Falls, Mr. and Mrs. Manford Stennes of Grygla, and Miss Helen Alberg of Minneapolis.

Ragna Asbjornson Weds In Juneau, Alaska

The Resurrection Lutheran Church of Juneau, Alaska was the scene of a pretty wedding on December 17 when Miss Ragna Asbjornson, daughter of Mr. and Mrs. Gunder Asbjornson of Oklee, became the bride of Roy A. Jacobsen, Juneau, Alaska, son of the late Sam Jacobsen, well-known deep sea diver of the west coast. The ceremony was performed by candlelight at 7 o'clock by Rev. John L. Cauble.

Wedding music was played by Ernest Oberg, high school music instructor. Two selections, "Because" and "I Love You Truly", were played before the ceremony, and Lohengrin's wedding march was used.

The church was decorated with tall baskets of white chrysanthemums and ferns placed at either side of the altar, with white daisy chrysanthemums throughout the church.

Given in marriage by John Oberg, the bride was lovely in a Victorian gown of white satin with full-length sleeves and shirred neckline finished with silk lace. Her flowers were white button-chrysanthemums and lilies-of-the-valley.

Mrs. Kenneth Kolander, the former Anne Austad of Oklee, matron of honor, wore a gown of pastel blue satin and a shoulder corsage of white narcissus.

Vincent Yokopats acted as best man.

Following the ceremony, the wedding party was served a four-course dinner in the Iris Room of the Baranof Hotel. A two-tier cake topped by a tiny bridal pair centered the table.

The bride was born in Oklee and went to Juneau over a year ago. She is a graduate of the Thief River Falls High School with the class of 1932 and attended the Moorhead State Teachers College, after which she taught school in Pennington and Polk Counties.

Mr. Jacobsen went to Juneau when a boy from Aberdeen, Wash. He is a graduate of the Juneau schools and completed an engineering course in California. He is now employed as an engineer for the United States Bureau of Fisheries.

Mr. and Mrs. Jacobsen are at home in the Simpson Apartments on Gold Belt Avenue in Juneau.

THERE'S SMOKE, BUT WHERE'S THE FIRE?

Canby—Firemen began to doubt the truth of the adage, "where there is smoke, there is fire" when they were called to the Ralph Lyon home on a recent Wednesday to extinguish a fire. The house was literally filled with smoke but a hasty search failed to reveal the source of the smoke, any sign of a blaze, or any area where the smoke seemed to be thickest. The mystery was finally solved when it was discovered that the electric motor which operated the stoker had stalled and smoke from the wires had been carried all over the house by the heating system.

MAKING PLANS FOR WOMEN'S PROJECT IN PENNINGTON CO.

Miss Ines Hobart of U Farm to Conduct Training Sessions

"Getting the most for your food dollar" is the more common expression of the consumers' buying problems, which will be the general subject of the home project work to be carried on among the various groups in Pennington county this next spring and summer. Group leaders and township home and community chairmen are at the present time getting their members enrolled for next year.

Miss Ines Hobart, extension nutritionist who last year conducted the training of group leaders in Pennington county, will again this year conduct a series of three training meetings. The specific subjects this year of each training meeting is as follows: "Planning the Family Food Supply," "Problems in Food Buying," and "Know Your Staple Groceries".

In addition to carrying the regular project work, the home project groups have also arranged for specialists help in landscaping and home beautification work. Elder Hunt, extension landscaping specialist from University Farm, has been scheduled for a few days work in Pennington County in May. The home project groups are also lending support to the cotton mattress program and other community activities.

Minnesota Physicians Emphasize Treatment of Common Colds, Flu

The mild flu epidemic now raging in the West and South, plus the usual winter prevalence of colds and pneumonia, has prompted the Minnesota State Medical association to group colds, "flu" and pneumonia as the subject of the month's public education campaign, it was announced today.

"Nobody ever died from a simple cold," the doctors declare in this bulletin. "On the other hand, even a cold is capable of giving giving rise to complications which may be serious and colds cause more misery and loss of time than many graver ailments."

The best advice they have to offer about colds is first to avoid catching cold, if possible, by avoiding contact with people who already have them. The second is to go home to bed and stay there where you can keep warm and comfortable and avoid the agony of trying to get on with your work or social affairs with a running nose and cough. Incidentally, you will get better faster, they say, and with less chance of passing your misery on to others. The doctors warn, parenthetically, that most cold remedies are either useless or they give only very temporary relief and some of them, such as oily drops for the nose, are likely to be positively harmful.

STRANGE ANIMAL PALS MAY SOON BE SEPARATED

Morgan—Mutt, a lion, may have to bid a sad farewell to his closest friend, Jeff, a mongrel dog, both of the Sibley Park zoo in Mankato if the animal's death, advised by the city council is approved by the park commissioner. The strange animal combination is the result of an experiment when the zookeeper placed a puppy in with a lion cub eight years ago. The animals have been inseparable since that time living in the same cage in peace and contentment all their lives. The lion suffers from an internal ailment which may make it necessary to dispose of him. Zookeeper August Warwick is convinced that killing Mutt will be the end of Jeff as the dog will die of loneliness.

SNOWPLOW UNAPPRECIATED BY PASSING MOTORISTS

Albany—Although on most occasions a snowplow is a very welcome sight to motorists who would otherwise have to fight drifts and clogged roads when traveling after a storm, Roman Sandbrink and Edgar Miklus of Melrose and Roman Caspers of Albany shared a decidedly different opinion after passing one just west of Albany last week. The plow hurled snow onto the passing car with such force that it shattered the windshield showering the occupants with glass splinters. All three sustained a number of minor cuts about the face.

Hospital Service Unit Shows Healthy Growth in Minnesota in 1940

The annual meeting of the Minnesota Hospital Service association will be held January 15th at St. Joseph's Hospital in St. Paul, announced Arthur M. Calvin, executive director of the association, today.

"The year 1940 has witnessed a tremendous growth of the association throughout the state," said Mr. Calvin. "With the addition of 44 hospitals in 35 Minnesota cities, the Association now includes 75 hospitals."

"During the first eleven months of 1940", added Mr. Calvin, "67,278 new subscribers enrolled in the association. At the present time, the Minnesota Hospital Service association is safeguarding nearly 380,000 persons in Minnesota against the costs of unexpected hospital care.

"The treasurer's report for the period ending November 30th, shows that over $100,000.00 has been added during the current year to the reserve which now totals $622,862.20. This reserve has been accumulated to be used during an emergency such as an epidemic."

AND THEY ARE STILL DIGGING OUT OF SNOW

Fairfax—The present standing record of Armistice Day storm snowbank survivors is held jointly by a goose from the flock of Mr. and Mrs. Ben Schweiss of Wellington which waded out of a melting snowbank under his own power on Monday, December 23, gaunt, thin, and hungry, but very much alive and kicking, and two pigs, belonging to Harry Gilbert of Osakis, who had long since given them up for lost. Evidently seeking shelter in a straw pile, the snow had drifted so deeply over the stack that the pigs were hopelessly buried. Both pigs and the goose can be proud of their record of 42 days existence on nothing but snow.

Minnesota "U" Remains 2d Largest University

Statistics released this week by Dr. Raymond Walters, president of the University of Cincinnati, show that the University of Minnesota has remained for the second year the second largest American university in number of full-time students enrolled. Dr. Walters has made an annual "official" compilation of enrollments for many years past. This year's report covers 647 institutions of higher learning. The University of California, much the largest of all, has 16,046 students at Berkeley and 9,045 at its Los Angeles branch. Minnesota's figure was given as 15,157 with 22,297 students if those doing part-time work are counted. Under the latter method, which includes extension students Columbia University and New York University are larger than Minnesota, but neither has as many regular full-time undergraduate and graduate students as has the University of Minnesota.

MANY ARE ONE OF A KIND!
Check this list and see how many of these specials are things you want RIGHT NOW! Add up your savings! Then rush to Wards and snap up these clearance bargains while they last! Every one is priced low to move quickly . . . to clear out our stocks! Every one is a spectacular value! But quantities are limited. So, hurry, hurry! Come to Wards now and SAVE!

Sale! Auto Accessories
AUTO HEATERS IN THE SPRING . . . do not make us laugh and sing!
Because we know they'll be kicking around the store all summer . . . getting damaged . . . losing parts. We'd much rather sell 'em out right now at a give-away price! Altogether, we've got just 17 hot-water auto heaters in stock. They're all brand new, the motors purr, the chrome still gleams . . . but the price has faded away to a mere shadow of its former self. Some are reduced as low as........ 4.97
IN THE GOOD OLD SUMMERTIME we're going to have a store full of frost shields, radiator fronts, defroster tube kits, heaterstats, heater hose, etc. (Unless we can find enough people willing to look ahead to next winter . . . and wanting to save money) We've only a few of each item, in some cases only one, so we don't know how long they'll last. But we do know that every one of 'em is a bargain! For example, we've got 5 radiator covers cut to........ 49c
22 DEFROSTER FANS to pack away until next Fall! We hate to think of trying to find room to store them all summer. You might find one very useful during those cold days next month . . . and those cold months next winter! They're all rubber-blade fans. They're all brand new! If you'll save us all that trouble of putting them away, we'll bring the price of the smaller ones down to........ 1.29
USED TIRES we've taken as trade-ins! You'll find various sizes (mostly 6.00-16) degrees of wear, and various makes (Firestone, Goodyear, Goodrich, etc.) . . . but if you find your size, you're sure to find an amazing bargain! As low as........ 50c
USED TRACTOR TIRES! We're absolutely no use for a couple of sets of tractor tires we've taken in trade-ins! Come in and look them over! If you find your size, you'll find a bargain that just can't be beat! We have a set of 9.00-36 for example, in pretty fair shape, for a mere........ 45.00

All Radically Reduced!
LADIES WANTED who appreciate a swell buy and aren't too style-conscious about HANDBAGS! (After all, handbags don't change much from year to year!) These are winter styles that WERE $1.00! Lots of different colors and styles! YOURS FOR ONLY........ 57c
THESE 55c FLANNELETTE gowns are not a permanent store fixture though we've looked at them for so long, we're beginning to wonder! They're definitely FOR SALE and if you're a good bargain hunter, you'll snatch 'em up at ONLY........ 37c
A while back, rayon HOMESPUN was pretty fancy, and so were these new style "spun." Right now we're tired of them! They say they make the best-looking suits you can imagine (including swell school clothes) but you can still have any we have left for only, yard........ 24c

Wallpaper—Goodbye!
WALLPAPER HANGING is the greatest indoor sport since ping-pong. Why not have a paper-hanging party some night — a guaranteed riot! And here's the makings: 79c wallpaper room lots (enough sidewall and border for a 10x12 room) for only........ 49c

If the chicken dies while in the care of one of the members, said member is fined ten dollars.

STATE LEGISLATURE ORGANIZES TUESDAY FOR 3 MONTHS WORK

(Continued from page 1)

power to the chief executive" at the last session of the legislature.

Rep. Gordon Peterson, Columbia Heights, in seconding Hagen's nomination, said that under Hall speakership in 1939 "the minority was denied just representation on the legislative investigating committee."

Governor Harold E. Stassen in his second inaugural address Wednesday reviewed the accomplishments of the past two years and outlined recommendations for further improvements which give promise of a busy and interesting session.

The governor paid tribute in his address to the legislators for what he called their "outstanding record of constructive legislation" in 1939 and asked for their co-operation in attacking new problems. High in the list of recommendations he made were proposals for far-reaching improvements in the state's child welfare program. He recommended:

1. Enlargement of the Gillette Hospital for crippled children by the addition of a forty-bed receiving and contagious unit.
2. Enactment of a state boarding home program to provide homes for orphans and neglected and young delinquent children.
3. Have the state assume one-third instead of one-fourth of the cost of the grant of aid to dependent children and so make possible more adequate allowances.
4. Continue the program of enlarged state school aid.

In line with these proposals, Governor Stassen suggested that the legislature study the problem of improving housing conditions of persons in the low income groups and expressed his belief that "it would be a good investment for the state to put $1,000,000 in such a program in the next two years." He suggested that this be done through private enterprise, possibly with a partial governmental subsidy.

Governor Stassen said the old age lien has operated without injustice, but suggested a further amendment to make it more liberal. He proposed that the probate court be given authority to waive the lien where the children can show that they could not help their parents or did all they could. Local welfare boards now have authority to waive the lien on approval of the state social welfare agency.

HORSES ARE STILL A TRAFFIC HAZARD

Isle—Gust Larson, who lives near Malmo, found out that horses still dispute the right of way with cars, though badly outnumbered these days. On a recent Sunday afternoon Mr. Larson's auto came out second best in a tangle with a horse when the animal jumped in front of him, doing considerable damage to the front of the car. It was necessary to tow the Larson vehicle to the nearest town.

MAN AGE 73 KNITS 82 PAIRS OF SOCKS

Baudette.—Doing his share and considerably more for the Red Cross is George Bourre of Rainy River, 73 who, although too old for the present conflict, is far from being idle. Mr. Bourre so far has knitted 82 pairs of socks for the Rainy River Red Cross and plans to turn in many more pairs. The socks are perfectly knitted, it being agreed that no woman could do a better job.

REVEAL MOUNTING BURDEN OF PUBLIC AID IN MINNESOTA

Minnesota Taxpayers Group Submits Report to the Legislature

Public assistance and welfare costs in Minnesota reached the all-time record total of $132,701,156 in 1939, according to a survey just completed by the Minnesota Taxpayers Association.

The report, first of the kind ever issued giving combined total of all welfare costs — federal, state, county and local—has been prepared for consideration and study of Minnesota legislators in the 1941 session to open in St. Paul January 7.

Of the total welfare costs, ($132,701,000) the Federal government contributed $67,429,000; the State, $12,700,000; while county and local costs were $52,571,880, the report reveals.

While the number of cases totaled 633,095, it is pointed out that in some instances relief clients received aid from more than one form of welfare.

James P. McDonnell, president of the state association, pointed out the startling fact that "1939" welfare and relief costs alone, in Minnesota, were twenty million dollars greater than all real estate and personal property taxes collected in the state. These general property taxes for 1939 were $112,173,000."

"Despite improved employment conditions, welfare costs have been going up, and now are millions of dollars higher than during the depression," Mr. McDonnell pointed out. This poses a grave problem for the 1941 legislature, since a great part of these welfare expenditures were paid out of borrowed money."

Citizens Asked to Remit Now for Christmas Seals

Residents of the community who have not yet paid for their Christmas seals which were mailed out early in December are asked by Miss Margaret Hemsburg, local chairman, to make payment without delay so that a final report may be submitted to state headquarters.

Census Reveals Little Change in Ten Years in Rank of Leading Cities

Rankings of the major cities changed little under the 1940 census, the census bureau said Thursday.

The first ten cities were: New York, 7,454,995; Chicago 3,396,808; Philadelphia, 1,931,334; Detroit, 1,623,452; Los Angeles 1,504,277; Cleveland, 878,336; Baltimore, 859,100; St. Louis 816,048; Boston, 770,816, and Pittsburgh, 671,659.

These were the same ten cities at the top of the list in the 1930 census, and the rankings were the same except that in the decade Baltimore took seventh place away from St. Louis.

Listing all cities of 100,000 population or more, the bureau noted that there were 92, one less than ten years ago. Newcomers to the list were Sacramento, Calif., and Charlotte, N. C., but these additions were more than offset when El Paso, Texas; Lynn, Mass, and Evansville, Ind., dropped out of the 100,000 class.

COUPLE SAVES TOO MANY PENNIES

Willmar—Chagrined were a prospective bride and groom from the Willmar vicinity who made application for a marriage license from the clerk of court in their county on Saturday, December 14. They had agreed to get their license as soon as they had saved enough pennies to pay for it, but discovered upon counting the pennies which both had been saving since last summer, they had 250, or 25 more than the required $2.25."

RESTORATION OF MAPLE LAKE NOW MAKING PROGRESS

Extensive Project Is Being Advanced Under WPA Auspices

The Maple lake restoration project, largest Polk county WPA undertaking, is progressing and by the middle of next summer water will be flowing into the once popular lake, it was announced Friday at Crookston.

The drainage ditch from Maple lake to Mitchell lake, which will carry water to restore Maple lake, has been completed and an old dam has been blown out to make way for a new dam which will be constructed this winter.

From Badger lake to Poplar creek, which will supply the water, all by one and three-fourths of a mile of new excavation work has been finished. The remainder cannot be completed this winter because of frost, but will be finished early next summer.

Construction of a diversion dam at Poplar creek and a dam at Badger lake, as well as several culverts and bridges, will be pushed as rapidly as possible.

Funeral Services for Peter Jacobson Friday

Funeral services were held Friday afternoon, January 3 at 3:00 from the Larson Funeral Home for Peter Martinius Jacobson, who passed away in a local hospital on December 31 at the age of 73 years, two months, and 8 days. Rev. R. M. Fjelstad conducted the services and interment was made in Greenwood cemetery.

The deceased was born in Buffalo County, Wisc. on October 23, 1867 and moved to Excel township Marshall county, in 1883 where he has since made his home with his brother, Thomas Jacobson.

His parents and three brothers preceded him in death, and he is survived by his brother, Thomas, and a sister, Mrs. Emma Stewart, of Seattle, Wash., and a number of nieces and nephews.

Services for Mrs. Liv Finstad Held Tuesday; Was Rocksbury Pioneer

Funeral services for Mrs. Liv Finstad, who died at the home of her son, Helmer Finstad, on December 31, were conducted by Rev. Dahle of St. Hilaire on Tuesday, January 7 at 1 p. m. at the home and at 2:00 at the St. Pauli church in Hazel. Interment was made in the church cemetery.

She was 81 years old at the time of her death, and had been confined to her bed since August when she fell and fractured her hip.

Mrs. Finstad was born in Telemarken, Norway on September 29, 1859 and came to America with her parents in 1861 to settle in Fillmore County, Minnesota. In May, 1891 she was married to Knute Finstad in Crookston. The same year they moved to Rocksbury township, where they lived until his death when Mrs. Finstad moved to the Helmer Finstad home in the same community.

Preceding her in death were her parents, her husband, three brothers, and four sisters.

She is survived by three sons, Helmer and Martin at home, and Carl of Thief River Falls: two daughters, Mrs. Carl Alberg of Hazel and Mrs. Albert Netteland of Toledo, Wash.; and twenty grandchildren.

Mrs. Martha Paulson Dies in Grand Forks

Mrs. Martha Paulson, mother of Mrs. Minnie Kirby of this city, passed away on Sunday, January 5 at the age of 83 years. Funeral services were conducted this morning, Thursday, January 9, from the Old People's Home, where she has made her home for several years, and in the afternoon at Northwood, N. D. Rev. E. L. Tungseth assisted with the services. Mrs. Paulson lived with her daughter here at times and had many friends here.

Census Bureau Reveals Families Are Smaller

For the first time in history the average American family now numbers less than four persons.

The census bureau, analyzing the results of the 1940 census, reported that the contempory household has an average of 3.8 persons.

These statistics meant a continuation of the steady decline which has been in progress since the first family computation was made 50 years ago and corresponded with annual figures of a declining birth rate.

In 1890 the bureau pointed out, the average family consisted of 4.9 persons.

Crookston Mayor Heads State Municipal League

W. J. Kirkwood, mayor of Crookston, becomes president of the League of Minnesota Municipalities, because of the death of W. A. Stickley, Jr. of White Bear Lake, who has been president. Mr. Stickley was elected president and Mayor Kirkwood was named vice president of the league at its annual meeting held at Two Harbors last June. Mayor Kirkwood would have been in line through the customary procedure of advancement for election to the presidency next June, but the sudden death of Mr. Stickley advances him to the presidency at this time.

Position of Head Sawyer Now Open at Redby Mill

The U. S. civil service commission has announced an examination for filling the position of head sawyer, $6.00 a day when actually employed, Indian Field Service, Red Lake Indian Mills at Redby. Application for this examination must be on file with the manager Eight U. S. civil service district, post office, St. Paul, before the close of business on January 23. For information in regard to the requirements and the character of the examination, and for application blanks, local citizens may consult Gunder Legvold, secretary, board of U. S. civil service examiners, at the post office here.

$800,000 Road Jobs to be Awarded January 24

An early and ambitious start on Minnesota's 1941 program of new contract construction on trunk highways was assured this week when M. J. Hoffman, state highway commissioner, announced a call for bids, to be opened Jan. 24, for grading and bridge projects estimated to cost upwards of $800,000. More than 57 miles of grading, four bridges and 18 concrete box culverts are included in 1941's first letting which involves 18 projects in 15 counties. This early big opening will permit the beginning of actual construction work as soon as spring weather conditions allow.

THRESHES OATS IN DECEMBER AT FAIRFAX

Sleepy Eye—It may be winter time and the ground covered with drifting snow, but at the Al Loffelmacher farm near Fairfax it was threshing time on December 11. Al and his crew of neighbors were busy threshing oats at the Loffelmacher farm, the threshing probably being the latest recorded in the vicinity.

Funeral for K. Kriel Baby to be Held Friday

Funeral rites will be conducted by Rev. Fladmark of Trail on Friday, January 10 at 2:00 in the schoolhouse 2 miles east of Highlanding for little Dale Kriel, who died on Tuesday, January 7 in a local hospital. The child was the son of Mr. and Mrs. Kenneth Kriel of Star Township and was three months and two days old at the time of his death. He is survived by his parents, and his grandparents, Mr. and Mrs. Gust Iverson and Mr. and Mrs. H. Kriel all of Star township.

Funeral Held Friday for Olaf Skomedal

Funeral rites were held at 2 p. m. Friday, January 3 at the Saterdal Free Church by Rev. Osthy of Grygla for Olaf Skomedal, who died as the result of an accidental gunshot wound at his home in Excel township on December 31 at the age of 40 years, 7 months, and 28 days.

He was never married and was born and lived all his life in Excel township, where he was a member of the Saterdal Free Church.

His father preceded him in death in 1924. Surviving members of the family are his mother, Mrs. Karl Skomedal; six sisters, Mrs. Margaret Peterson of Viking, Mrs. Amanda Torgerson of Agder township, Mrs. Palma Johnson of Minneapolis, Miss Thora Skomedal of Warren, and the Misses Agnes and Emma Skomedal at home; and three brothers, Helmer, Gunsten, and Lawrence all at home.

Interment was made in the church cemetery.

POPE COUNTY FARM HAS 72 YEAR CLEAR TITLE

Glenwood.—A Grove Lake township farm in Pope county which has never caused the county register of deeds a moment's concern since it was homesteaded in 1868 is the H. A. Falkner farm now operated by George Falkner, Jr., grandson of the original homesteader. The farm holds a record of 72 years with never a mortgage nor at any time a cent against it.

A. W. Sommers Chairman Marshall County Board

A. W. Sommers, first district commissioner, was elected chairman of the Marshall county board of commissioners for 1941 at the annual meeting which opened in Warren Tuesday. Mr. Sommers succeeds J. J. Pagnac of Stephen who held the chairmanship during the past year.

Arthur Anderson, fourth district commissioner, was named vice chairman during the opening session. The board will continue its sessions through today.

Commissioners also took action yesterday to have the district court chambers redecorated before the newly appointed Judge Oscar R. Knutson moves into the quarters.

Wage and Hour Division Collects Back Wages

The best showing in cases closed for any month in the history of the Minneapolis regional office of the wage and hour division, U. S. Department of Labor was made in December, according to L. A. Hill, acting regional director. This was due to an acceleration of efforts by the division and to increased cooperation by employers who desired to clean up their cases before the end of the year. As a result, $171,744 in back wages were paid in December to 3,352 workers in Minnesota, North Dakota, South Dakota and Montana. These amounts represent cases which were litigated as well as those settled without the necessity of court action.

DEER BEGINNING TO BE A NUISANCE

Glenwood—Olaf Simonson of Gilchrist township near Glenwood, has appealed to the Glenwood Tribune editor to get some relief from a herd of about thirty deer which he claims are not only not unusual anymore, but are getting to be downright pests. According to him, they spend their nights feasting on his corn and have already destroyed a large portion of the field.

FISHERS' FIELD DAY AT LAC QUI PARLE

Granite Falls—Dismayed game wardens pleaded with fishermen at Lac Qui Parle recently not to take advantage of the fact that hundreds of fish were trapped in a small pond of water from a foot to two feet in depth, but it is reported their words fell on deaf ears. It was a field day for fishermen who crowded the shore shoulder to shoulder, using snag hooks or gang hooks to pull the fish in, some even wading out in hip boots to catch the fish, mostly wall-eyed pike, in their hands.

TOM HARMON TO ATTEND MINNEAPOLIS BANQUET

Word was received early this week that Tommy Harmon, sensational Michigan All-American backfield ace, the "most talked of player of the year" would come to Minneapolis to take part in the banquet honoring George Franck, Minnesota All-American, tonight. George Franck has just been announced as the winner of the annual outstanding athlete award of the Minneapolis Junior Association of Commerce and the banquet honoring him will be held at the Nicollet Hotel.

CARRY ON, MR. PRESIDENT

Unless Congress, by specific action, indicates definitely that it does not approve of what the President said in his "state of the nation" speech Monday noon, then it is fair to assume that the course he outlined is acceptable to the law makers and may be considered as the approved and official guide to our future conduct as a nation in the present emergency. The course he charted is a perilous one. The path is beset by many dangers. Once we have started upon that course there will be no turning back with honor until we have reached the end of a path that will bring us either to success or failure.

Unless Congress, by specific action, repudiates the leadership of the President, then our nation not only is now pledged to support with all its resources the nations that are resisting the aggressors but, more than that, we promise to carry on until liberty has been restored to the nations already conquered. Under the course outlined by the President there will be no peace by compromise; there will be no appeasement. It will be a fight to the finish. The world will either be ruled by dictators or by the governments of free people.

The President has spoken clearly. There can be no misunderstanding of his words. He has declared war. For the present it is an economic war. For the time being, our contribution to the war will consist of providing military supplies to our allies, Britain, Greece and China. Germany, Italy and Japan are the enemy. Unless Congress disapproves.

And Congress will not disapprove. The President's program will be adopted. By adopting it, Congress will also have declared war, not formally but informally, as wars are declared today.

Approval of the President's program will make necessary gradual adjustments in the living of American citizens. War does not bring prosperity. War means sacrifice, a human and economic waste. We should not be misled by our experience in the last war when we profited temporarily by the extension of credit to a bankrupt world which eventually bankrupted ourselves. War means increased production but decreased consumption. We produce implements of destruction instead of useful goods. Through increased taxation we will buy more battle ships and fighting planes and tanks and guns, and we will have less to spend for automobiles and radios and clothes and homes. That is the price of war.

To some extent we will have the choice of sacrificing either the things we want or some of our leisure. By working harder we will produce more. By working hard enough we could, conceivably, produce the things we have come to look upon as necessities and also the requirements of a war machine. It is a decision the people will have to make. The important thing is that the people understand the problem. We will either have to work more or have less and perhaps it will be a little of each.

The President has declared war, and war is serious business. In his declaration he has the support of the American people, not because the American people want war but because American citizens have concluded that it is to our best interests as a nation to lend our support now to the nations that are resisting the agressors. The experience of other peace-loving, neutral nations has proven the futility of the hope that the dictators will respect the rights of any government that is not capable of defending itself. For us to stand by and merely wring our hands while a combination of dictators is conquering the rest of the world, in the expectation that our rights will be respected when they have the rest of the world under their control, would be the sheerest folly.

So we will follow the leadership of the President in the present emergency. We will go to war, knowing that war will mean sacrifice and perhaps great hardship and suffering. We will go to war now, believing that less sacrifice will be required if we strike quickly while we still have a few friends to fight with us than if we wait until we stand alone. Carry on, Mr. President.

To Oscar Knutson of Warren our congratulations, and the congratulations of the community, on his appointment as district judge. The congratulations are sincere. Local opposition to Mr. Knutson was not based on personal considerations nor by any lack of respect for his qualifications. Thief River Falls also had a candidate in the field. The decision went against us and that's the end of that argument, so a round of cheers for the winnah. From a strictly personal point of view, if we may become personal in this column, we are glad to see him thus honored. Nor do we hate the Governor for deciding against us. Only one candidate could be appointed and, in the nature of things, when appointments are made there always are more losers than winners. One suggestion to the governor might be in order, however. The delegation of five men who took time off in the rush of the Christmas season and spent money travelling 300 miles to discuss the vacancy with him, by appointment, could have been saved both time and money if they had been informed by letter what he told them when they called on him, that he had already decided whom he was going to appoint.

Once again let us say that, while we appreciate very much the contributions of those who express their views through our "public opinion" column, we must insist that all contributions be signed. It is not necessary that the signature of the writer be published. *If secrecy is desired we will gladly* furnish a nom de plume (fancy word for assumed name). Just one more suggestion. Make them short.

TOUGHENING AMERICA

(Duluth Herald)

John B. Kelly, Democratic city chairman for Philadelphia, thinks that a man or boy who cannot run a mile, swim a mile and then row a mile, all within one hour, is a softy. He is the man chosen by President Roosevelt to devise a nation-wide program to toughen up this country for the physical trials that may await its people.

More walking and other physical training for those in school, in industries and in the home is on Mr. Kelly's program. He would encourage all sorts of body-building sports and would include a program for women.

This is interesting and it is something the country really needs. It is important, though, that the direction of the program be kept out of the hands of the faddists. Some of the harshest words in the dictionary have been used by competent medical men to describe the harm done by physical culturists who lack an understanding of the dangers as well as the benefits of exercise. An unwise beginning on the strenuous life has put many a man off exercise for the rest of his existence. For a few it has ended existence completely.

America will be toughened more effectively if it does not go about the job in too tough a way at first.

A RANKING INSTITUTION

(Grand Rapids Herald Review)

The University of Minnesota has an enrollment of 15,781 students.

It is second in size among all of the universities in the United States.

These figures give us some satisfaction. It is good to know that in a comparatively new state a vast educational institution has been built. Minnesota is proud of its university for the enrollment is a tribute to its excellence.

While size is a tribute to the institution, it is also a problem. Minnesota, in some of its departments, is maintaining mass education. At least, in the earlier years in a course, the individual gets little attention. Classes in many courses are counted in the hundreds. Teachers know personally very few students.

On the other hand it may be said in defense of the system at Minnesota that it is a good thing to put young people in the position in which they must succeed or fall on the basis of their own efforts or abilities. That may be harsh at times, but it has advantages that it is the way of later life. Life in the world out of school does not stop to pamper anyone.

There is agitation that certain work at the university be done throughout the state in smaller schools. There is agitation that the first two or three years of college work be done closer to the homes of young people. There are those who believe that preparation for a teaching career should be made at the university and that the present teachers colleges be used for academic studies. Others think that junior colleges should become a more important part of the higher educational system.

The new president of the university, when he is chosen, will need to recognize these problems and the status of public sentiment towards the university and its educational theories.

UNION INITIATION FEES

(Chicago Tribune)

There has been widely expressed public resentment at the fact that men seeking work on national defense projects have had to pay union initiation fees, sometimes amounting to hundreds of dollars, to get and hold their jobs. Just why defense program jobs should be a special case it is hard to understand. It is no more heinous offense to charge a man an unjustified fee for the right to work on a battleship or cantonment than it is to charge him such a fee for the right to work at any other job.

This does not mean all union initiation fees are unjustified. Membership in a large number of American trade unions gives a workman certain tangible benefits derived from reserves that earlier members of the union have contributed over a period of years.

Obviously it is fair that the newcomer contribute his share of these reserve funds before he share in the benefits that they provide. It is also fair that he pay his share of the investment in property used by the union in the conduct of its business. These are all charges that any actuary or accountant could determine.

But it is rare that there is any relation between initiation fees and what might be termed the existing members' prior investments. An example is the Washington, D. C., local of the electricians' union, whose $300 initiation fee recently has been subjected to congressional scrutiny. There are more than 200,000 members in this international union. If the fee were based on a prorata share of union assets those assets would exceed $60,000,000.

They do not, of course, approach that sum. Ed. J. Brown, international president of the union, defended the $300 fee in a statement which, after listing the tangible assets of the organization, referred to "other assets just as real and important as physical property—skill, prestige, and a preference in jobs."

Now, skill is something that is not required with a union card. It ought to be a requisite to holding such a card. Usually it is, but sometimes it isn't, particularly when a racketeer is in a position to peddle the card. And as for preference in jobs, that is merely a polite method of saying that the applicant is paying a monopoly group for the privilege of sharing in their monopoly.

If unions are to be regarded thus—as privately organized societies enjoying a monopoly of a particular type of work—then the Wagner act is one of the greatest frauds ever perpetrated, since it gives those special and self-restricted groups and their officers the right to exploit all other workmen who wish to follow the trade on which a particular union has staked its claim.

But if the Wagner act is designed to benefit all laboring people, then there is no justification in union monopoly of jobs and therefore no excuse for a union making an excessive charge for membership. If unions are to continue to enjoy the benefits of the Wagner act and other special legislation they must abolish the restrictions designed to create a scarcity of labor in their field of employment.

The Italians are now objecting to the use of bayonets by the Greeks, saying that it is brutal and inhuman. The poor Greeks, of course, haven't acquired that civilized refinement displayed by Vittorio Mussolini who described the aesthetic pleasures of bombing the defenseless Ethiopians.—Minneota Mascot.

PUBLIC OPINION

Editor The Times:

Sentiment is about unanimous for an annual five day deer season thruout the deer territory in Minnesota. Sportsmen are tired of the depredations of "Shiners and Poachers" who prey upon the deer the year around regardless of an open or closed season. A few scattered men in the cities and the southern part of the state who do not understand the situation in the deer territory have been talking an 8 or 10 day season. This is too long; a season if we are to conserve and build up our deer herd for more and better hunting. We hope that our city friends will come out and join us in putting over a program which will give us an annual Five Day season. This will insure good hunting with plenty of deer to spare for the continuation of the most graceful and beautiful game animal which graces the American continent.

The law to curb "Shining and Poaching" must have teeth. The confiscation of rifles and fines do not restrict these unprincipled irresponsibles. We must have a law which adds the confiscation of the car, truck or any kind of a vehicle by the state, in which violators may travel or use to convey men, rifles or venison!

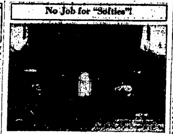
No Job for "Softies"!



DRIVING A U.S. ARMY TANK is no job for "softies"! Clad in a helmet and goggles, with radio headphones clamped over his ears, the soldier who drives a tank bounces around on a red-hot engine as he maneuvers his tractor-fortress over rocks and ravines, through streams and thickets, at a speed of 35 m.p.h. There are four men in a tank crew, all deafened by the noise of their machine and guided only by signalled commands. How the Tank Corps and other units of the new U.S. Army function is vividly shown in the latest March of Time film, "Arms and the Man — U.S.A.," which presents the first screen story of the nation's current defense program.

BOY, 14, HOOKS 9 POUND PIKE

Alexandria — Conrad Koch of Nelson astounded the crappie and perch fishermen on Smith Lake on a recent Sunday as he pulled out a 9 pound wall-eye pike. No one on the lake had had any particular amount of luck during the afternoon with no bag boasting more than a few small perch or crappies when Conrad pulled out his whopper. Fortunately, he had chopped a large hole in the ice or he would not have been able to pull the big fish through the hole after it was on the hook.

MANY MEETINGS FEATURE WINTER SHOWS FEB. 3-7

Plans Nearing Completion for Annual Event at Crookston

Plans for the 1941 Red River Valley Winter Shows which will be held at Crookston February 3-7 are rapidly nearing completion according to T. M. McCall, president of the Winter Shows board of managers. President McCall states "The Livestock, grain and poultry shows give promise of surpassing all previous records in the number of entries. Barn capacity has been the limiting factor in past years in determining the number of head of livestock accommodated. A rearrangement of stalls and pens this year permits the taking in of additional cattle, sheep, and swine. Additional room and assurance of five exhibitors permits the addition of the Brown Swiss breed of cattle to the dairy classes this year. Dairy breeds recognized by the livestock association now include Holsteins, Jersey, Guernseys, Milking Shorthorn and Brown Swiss.

Many valley-wide organizations and one state cooperative will hold annual meetings at Crookston during Winter Shows week. The Minnesota Cooperative Wool Growers' association will hold its annual business meeting on Wednesday, February 5. The Winter Shows management has designated February 5 as Sheep Growers' Day and will cooperate with the wool growers in an all sheep program which will be led by Dean W. C. Coffey of the Minnesota Station.

The annual business meeting of the stockholders of the Red River Valley Livestock association will be held on Monday, February 3; the banquet of the association will be held on Wednesday, February 5. The dinner meeting of the Red River Valley Crops and Soils association and the annual meeting of the Northwestern Minnesota Singers' association will be held on Tuesday, February 4.

The county agents, wool growers, directors of the R. R. Valley Dairymen's association meet on February 5. Northwestern division of the Minnesota League of Municipalities and the Red River Valley Development Association have annual meetings on Thursday, February 6. Directors of the Red River Valley Poultry associations and Potato Improvement association officers will meet on Thursday, February 6.

Meetings with outstanding state and national leaders will be held each day of men, women and 4-H Club members. The two-day sale of purebred livestock scheduled for February 6 and 7 in which more than 150 head of foundation stock will be sold is arousing a great deal of interest and promises to be an outstanding event of Winter Show week.

List Total Propagation of Game Birds in State

A new record in Chukar partridge production and heavy distribution of pheasants and quail are reported by the bureau of game propagation in the biennial report of the state game and fish division.

During 1940, production of Chukar partridges, a new game bird introduced from Nepal, India, mounted to 18,024. This compares with 11,778 produced in 1939 and 1,810 in 1938. The birds were produced at the Carlos Avery state game farm near Forest Lake.

At the Madelia state game farm, a record 40,971 ringnecked pheasants were produced for distribution to areas depleted by climatic conditions or overshooting. This compares with 38,164 in 1939 and 22,667 in 1938.

Quail production at Carlos Avery totalled 21,044 in 1940 compared with 21,182 in 1939.

Annual Report of Game and Fish Division Lists Big Game in Minnesota

Minnesota's big game animal resources—which include the only remaining woodland caribou herd in the United States—are reviewed optimistically in the biennial report of the state game and fish division.

In addition to caribou, the state boasts moose, the American Elk or wapiti, and the white-tailed deer. A successful hunting season was provided for the latter species in 1940.

The report summary follows:

Caribou—Nine animals imported from Canada during the winter of 1937-1938 to restock the Red Lake game refuge have survived and this effort to replenish the native supply continues to show promise of success. During the spring of 1940 four calves were born and the herd is in excellent condition.

Only one of the three remaining native caribou died during the summer of 1940 apparently from causes associated with old age. Population in the Red Lake game refuge at present: two native caribou, nine imported, and four calves.

Moose—The condition of the moose herd remains practically unchanged. In some areas, particularly the Red Lake game refuge, moose appear to be increasing, but in this animal's range generally there is little change. Estimate of population by U. S. Fish and Wildlife Service: 5,193 moose.

American Elk or Wapiti—This animal, which was re-introduced in the northwestern portion of Beltrami county in 1935, continues to increase. It has extended its range and some elk were noted as far as 100 miles from the point of release.

140,000 Young Men to be Rejected by U. S. Army Because of T. B.

Some 140,000 young men will be rejected for military service in the United States because of tuberculosis, according to this week's bulletin from the Minnesota Public Health association.

"The government is taking advantage of modern tuberculosis knowledge and all young men who are called for service will have chest X-rays as a part of the regular physical examination. This will prevent high sums being paid for compensation as in the last war. These men are in the age group where tuberculosis is most prevalent and, in every county, unsuspected cases of the disease will be brought to light. Many of these cases will be in the beginning stage, and can be cured in a short time if properly handled.

"Intensive educational work must be carried on to see to it that these young men have the proper care, that their families are protected from contracting the disease, and that all understand the measures necessary to protect the public and to promote their own welfare."

Supervisor Helps Plan in Farm Security Homes

Many farm wives in this vicinity are providing well-balanced meals with a minimum of cash outlay this winter, according to Miss Edna T. Olson, home management supervisor for the Farm Security Administration in Pennington and Marshall Counties. To these women, "Live within your income" means not scrimping to make ends meet, but living well on an abundance of home-grown food. "Producing a family living right on the farm is provided for by a home management plan, which Pennington and Marshall County farm families have already worked out with our help and guidance," Miss Olson explained. "This plan anticipates family living needs for the coming year, from the cod liver oil for the children to shoes for every member of the family, its most important provision being the home food production budget."

MAKES PAYMENT WITH 1800 DIMES

Sacred Heart—A. I. Rakke, Sacred Heart car dealer, is usually quite exuberant when he makes a deal for the sale of a car but his spirits were dampened a bit by Warren "Rockefeller" Corbin who started saving dimes two years ago and recently purchased a car from Rakke, making the down payment of $180.00 with 1800 dimes, each and every one of which had to be counted by Mr. Rakke before the deal could be completed.

BULL TIPS SCALES AT TON AND A QUARTER

Mountain Lake — When Otto Hotzler, Mountain Lake trucker, arrived at the Austin packing plant on a regular trip recently, he asked the yardman to weigh in a veal calf that he had on the scales. When he started the scale off at 100 pounds and then kept working it up to over a ton, 2500 pounds, his eyes popped and Otto had his laugh, having just brought in the largest bull ever to reach the Austin Packing plant. The 4-year old critter, weighing over 2500, was shipped to Austin from the E. C. McCann farm north of Windom.

Infantile Paralysis Sufferers Given Aid

A call for volunteers to aid in the battle against infantile paralysis was issued today by Arthur D. Reynolds of St. Paul, Minnesota chairman for the celebration of the President's Birthday.

Net receipts from the 1940 campaign, Mr. Reynolds said, showed that Minnesotans contributed $30,103.86 of which $15,051.93 was used to aid polio victims in the counties where the funds were raised. The National Foundation for Infantile Paralysis, devoted to research into causes and cures for the disease, received $14,011.98. Expenses for the statewide campaign were less than 3½ per cent.

A report issued today by Dr. O. M. Daniel, director of the Division of Preventable Diseases, Minnesota department of health, revealed that 255 cases of infantile paralyses with 25 deaths were reported to the department in 1940.

SHREDDER VICTIM WALKS TWO MILES TO GET AID

Elgin—Sustaining a painful injury to his hand which resulted in the loss of a little finger up to the second joint and of the next two fingers to the first joint when his hand caught in a corn shredder, Joyce Evenson of Mazeppa underwent a supreme test of endurance. Unable to start their car, he and his father, Joe Evenson, were forced to walk to the village two miles distant to receive medical aid from a doctor.

PROWLERS DOWN GRAND RAPIDS AND EVELETH QUINTS

Ed. Flasch Scores 21 Points to Clinch Victory over Eveleth

The Prowlers made a successful two-game invasion of the Iron Range during the week-end, defeating George Lee's Eveleth Rangers at Eveleth Friday night, 43 to 32, and winning a close but loosely played game from Grand Rapids on Saturday night, 25 to 23.

Playing the finest basketball they have shown all season, passing crisply and shooting accurately, and with their veteran forward Eddie Flasch having his second 21 point night of the year, the Prowlers out-classed and out-played the Eveleth team to take an easy 43 to 32 decision last Friday night. While Flasch, with his 21 point scoring total, was the outstanding star of the Prowlers, the entire squad played a fine brand of ball. Don Berg, who showed great improvement in his play, scored 3 baskets; Denny Althoff at forward counted 6 points; and Spanky Parbst came through with 4 points. The Eveleth offense was headed by Ray Coldagelli, a guard, who counted 18 points, Milt Munic and Joe Silovich with 8 points each.

The game at Grand Rapids the succeeding night, Saturday night, revealed a considerable let-down in the Prowlers, and the scrappy range team put a stubborn battle before they were subdued by the narrow margin of 2 points, 25 to 23. Flasch again sparked his mates to the win, ringing up 7 field goals.

The Prowlers begin their district play tomorrow night when they journey to Crookston for a game with the Pirates. Russell Garnes, transfer student from Twin Valley, will not be eligible for the Crookston fray; but he will be able to participate in the East Grand Forks game, which is scheduled for the local floor Jan. 17th.

Trail Man Fined $150 for Illegal Trucking

Thore Skomdal, Trail, pleaded guilty in federal court in Fergus Falls Tuesday to using a cattle truck to haul machinery from an implement firm in Fargo, N. D., to a Trail dealer while operating the truck on a free permit granted to haulers of livestock only. The court sentenced Skomdal to pay a fine of $75 on each of two counts.

Local Radio Unit Hears Two Speakers Monday

At a meeting Monday evening of the local unit of the Northern Minnesota Radio association, C. W. Pope discussed the national defense training program from the standpoint of radio, and W. E. Danworth of the naval reserve stressed the urgent need of the U. S. Navy for more radio operators, suggesting the possibility of organizing a naval reserve radio unit in Thief River Falls. James Paquin of Red Lake Falls was elected treasurer of the local group, succeeding Don Anderson, resigned.

Grafton Coming for Hockey Set-to Sunday

A fast-skating team of Grafton Millionaires will be here Sunday afternoon for a game with the Thieves on the Arena ice, and judging by the rough-house hockey in the previous contests between the two clubs, the encounter should draw a capacity crowd. The locals are in first place in the league standings, with Grafton in the runner-up position.

The Thieves journey to Grafton tonight for a game with the Millionaires, and then after the home game here on Sunday they travel to Fargo for a game with the Comets on Tuesday.

The locals continue to hold a comfortable lead in the States-Dominion hockey league, winning two games during the week; but the week's play saw the Thieves lose their first game of the season, dropping a 10 to 5 decision to an improving Crookston Pirates team, in a game played at Crookston last Sunday.

On Thursday the Thieves made their debut on Fargo ice, and after the Comets had taken a two goal lead in the opening period the locals, paced by the fine play of Eddie McMillan, Frank Gustafson, and Paul Kornek, broke up the game to win a 7 to 5 victory.

Playing at Crookston Sunday the locals had their six-game winning streak broken, losing to the Pirates by a 10 to 5 score. Having only seven players on the ice, and bumping up against the Pirates when they were having one of their 'on' days, the locals were out-played and out-skated.

Playing before the season's largest crowd here Tuesday night the Thieves secured revenge on the Crookston Pirates when they swamped the Bucs, 12 to 6, in a very well-played game. For two periods the Pirates clung stubbornly to the Thieves, matching goal for goal; but in the final period the locals skated the burly Crookston team into the ice to rack up a convincing win. Eddie McMillan with four goals, Paul Kornek with three markers, Joe Popiel and George Beverly with two counters each, and Bill Gray with a single, were the goal-getters for the locals. Jimmy Bronson played a splendid game in the local nets, kicking out numerous shots. The game was enlivened in the third period when the locals' Frank Gustafson and Crookston's Allen Sampson came to blows, with both players drawing major penalties.

The summary of Tuesday night's game:

RECREATION HIGHLIGHTS

By Ferd B. Eistad

The program is sponsored by the city council in cooperation with WPA recreation leaders.

Club News

The girls club, formerly called the Wo-He-Lo Club, has a new name. Because the former name was found to be the watchword for another organization, the girls selected Triple L's as their new name. The club has as its purpose good citizenship, brought about by wholesome social contacts. Last Monday night the group got together for a business meeting. Three new members entered the club. They are Goldie Hustavet, Esther Bradley, and Grace Forsberg. Plans for a future fiesta were also discussed. This will be held in the arena, January 20.

Puppetry

Today, Thursday, at 4:20 a puppet show will be staged in the arena puppet theatre. It is the first show in three weeks, productions having been cancelled during the holidays. Snow White and Rose Red will be put on along with other shorts. Everyone is invited to these free shows, which are held at the same time every Thursday afternoon.

Basketball Games

Seven teams started play in the local independent basketball league Wednesday of this week. Games are played on Monday and Wednesday of each week, with three games being played each night. All games are played in the city auditorium and are free to the public.

Woodcraft

Leaders in the shop get no rest. After having handled the holiday rush of participants in a very good manner, they are ready for more participation. Many good things are made in the shop, a lot of things are repaired, so why not come down and take advantage of these woodworking facilities?

Miscellaneous

Handicraft work is available in the arena upstairs. Boxing and wrestling are activities in the gymnasium. Ping pong tables will soon be set up in the arena upstairs for those who like the sport. Washington school rink is now under the supervision of one of our leaders. Other school rinks will likewise have supervision in the near future. Hundreds have been at the toboggan slide taking advantage of this winter facility. There is room for many more.

Former Local Man Gets Kansas Education Post

Lowell Nelson, superintendent of the public school at Alvarado and son of Mr. and Mrs. Oscar Nelson of Thief River Falls, left last week for Fort Leavenworth, Kansas, where he accepted a civil service position in the federal penitentiary educational service.

SON OF JULIUS OLSON BUYS KNUTSON PRACTICE

Sletten C. Olson, attorney in Warren since 1933, took over the law offices of Oscar R. Knutson Monday following Mr. Knutson's appointment as judge of the 14th judicial district court last week. Mr. Olson, who is a son of Associate Justice and Mrs. Julius J. Olson was born in Warren.

SPORTS Tid-Bits

By Huck Olson

Beaulieau Here Again Sunday

Eddie Beaulieau (last name pronounced bo'-lee-o), left wing on the Grafton club and wearing sweater No. 7, will be here again on Sunday. He says that he can't play his best brand of hockey if all his good Thief River Falls fans aren't in the stands rooting for him. Well, they'll be there. Eddie, you know, is the guy that took that swipe at Jack Dempster's stop-watch, as it was lying on the ice in front of the timer's box, being dropped accidentally, and drove it all the way to the north goal.

Tripp in the Fargo Nets

Earl Tripp, former goal-tender for the local American Legion junior hockey team, is playing in the nets for the Fargo-Moorhead Comets, and according to press reports he is exhibiting a fine brand of net-minding. League president Phil Larson made the connection with the Fargo club for Shorty, and referee Walt DePaul, who's seen Earl play a number of times, added his recommendation, and Johnny Saul, manager of the Comets, decided to give Tripp a chance. I have confidence that Shorty is going to make a fine goalie for the Comets.

A Ten Day Wait

High school principal Bill Claffy announced Monday that Russell Garnes, transfer student from Twin Valley, will not be eligible to play basketball with the Prowlers for another ten days. A state high school athletic league rule places a ten day restriction on all transfer students, and that will prevent Coach Lindenmeyer from using Garnes against Crookston tomorrow night; but he will be eligible for the game here with East Grand Forks on Jan. 17th.

The Millionaires

According to the legend handed out by the Grafton fans, this is the way their club received the nickname Millionaires: The first year that Grafton had league hockey, the fans being filled with the glow of hockey league play, a collection of money was made and presented to the hockey players as they left for Canada to spend the Christmas holidays. This collection amounted to a considerable sum of money, several hundreds of dollars, in fact. And when the players reached the border it was necessary to declare this money to the custom officials. Expressing surprise at such a sum of cash money being in the hands of hockey players, the customs men asked the reason and were told it was a gift from the Grafton merchants and fans. And then came the remark which caused the nickname to be tagged on the Grafton club: oh, so you're playing hockey for a bunch of millionaires. Well, that's the story, and you can take it or leave it.

Help for the Thieves

With Joe Novak out of play with a fractured wrist it is apparent that the local hockey team will have to get some assistance, and it is on the way. Denny Braisler, a hard-skating hockey player who performed with Grafton last year, is on his way from Winnipeg. They had the same trouble with Braisler at the border that we had with our players a month ago, visas and all that stuff; but Joe LaRoe, who's in charge of long distance calls to Washington, and who acts as trouble-shooter for the local club, [illegible] can come down here.

McMillan's Goal-Getting Spree

That was quite a performance Eddie McMillan put on for the fans New Years Day, when the Thieves trounced the Comets 9 to 2, scoring 4 goals and getting 3 assists for 7 points. In the first period Eddie received assists on the goals by Gustafson and Gray; in the second period he rammed home a tally on an assist by Gustafson; but in the third period he really applied the pressure, scoring 3 times and getting one assist.

MEN'S RECREATION PROGRAM PLANNED IN GYM TUESDAYS

Ferd Eistad Announces Formation of Independent Basketball Loop

This week found the resumption of one activity under the local WPA-city recreation program and the start of another, Ferd Eistad, director announced today.

Local business and professional men may again romp around in the new high school gym on Tuesday night. That is the night set aside for their recreation. Basketball, volleyball, badminton and other games are available for them. Only a few turned out for the two previous nights, but this lack of participation has been attributed to the holiday business rush. It is the hope of officials that this coming Tuesday night will find a large crowd in the gym.

Starting this week as a new part of the program is the independent basketball league. Seven teams have entered from Harts, Soo Cafe, Bjorkman's Toggery, J&B Drug, NYA School, Oen's and DeMolay. All games will be played in the city Auditorium on Monday and Wednesday nights. Three games will be played each night starting at 7, 8 and 9 o'clock. No admission is charged for these games.

Wednesday of this week NYA met Soo Cafe, Harts played Oen's and Bjorkman's opposed J&B. Next Monday nights games are as follows: Soo vs. Harts; Oen's vs. Bjorkman's and J & B vs. DeMolay. Next Wednesday's games pit NYA against Harts, Soo Cafe against Oen's and Bjorkman's against DeMolay.

Playing Wednesday night, the J & B quint defeated the Bjorkmans 36 to 33.

Junior Hockey Sextet Wins from Cathedral; McIntosh Six Coming

Playing at Crookston Wednesday, the local junior hockey team made up exclusively of high school boys defeated the Cathedral high school team by a score of 2 to 1. Don Waag scored for the locals in the first period on an assist from M. Efteland. The Cathedral tied the count in the second, only to have John Efteland score the winning goal in the final period. Included in the Thief River Falls lineup were Robarge, goal; Dorn and Melin, defense; Waag, Johnson and M. Efteland, forwards; and Baker, Effinger, Snelling, Wilson and John Efteland, spares. It was announced this morning that the McIntosh junior hockey team will meet the locals in the arena here Saturday evening at 7:30.

Division of Employment and Security Reduces Operating Costs in '40

The state division of employment and security in 1940 reduced its administrative expense $87,240 at the same time it increased private placements 17 per cent and handled 28 per cent more job insurance payments, of a summary of the Divisions operations in 1940, issued last week by Victor Christgau, director of the division. This is the state agency that administers the Minnesota state employment service and the unemployment compensation program.

The employment service, during 1940, assisted 63,935 persons to find jobs in private industry. These placements are 9,348 or 17.1 per cent more than 54,587 in 1939.

While private placements were advancing to a new record in the state, public placements declined 60 per cent; 7,558 in 1940 compared with 19,335 in 1939.

Coach at Detroit Lakes Gets Buck Robbins Post

Republicans Control Railroad Commission

Col. Frank W. Matson Monday was elected chairman of Minnesota's first Republican-dominated railroad and warehouse commission since the height of the Farmer-Labor administration.

He replaced Charles Munn, who retired as a result of his defeat by N. J. Holmberg.

Holmberg took office Monday morning in the only change in officers as a result of the last election. He, like Matson, is a Republican. Third member of the commission is Hjalmar Petersen.

PROWLERS DOWN GRAND RAPIDS AND EVELETH QUINTS

Ed. Flasch Scores 21 Points to Clinch Victory over Eveleth

The Prowlers made a successful two-game invasion of the Iron Range during the week-end, defeating George Lee's Eveleth Rangers at Eveleth Friday night, 43 to 32, and winning a close but loosely played game from Grand Rapids on Saturday night, 25 to 23.

Playing the finest basketball they have shown all season, passing crisply and shooting accurately, and with their veteran forward Eddie Flasch having his second 21 point night of the year, the Prowlers out-classed and out-played the Eveleth team to take an easy 43 to 32 decision last Friday night. While Flasch, with his 21 point scoring total, was the outstanding star of the Prowlers, the entire squad played a fine brand of ball. Don Berg, who showed great improvement in his play, scored 3 baskets; Denny Althoff at forward counted 6 points; and Spanky Parbst came through with 4 points. The Eveleth offense was leaded by Ray Coldagelli, a guard, who counted 13 points, Milt Munic and Joe Silovich with 8 points each.

The game at Grand Rapids the succeeding night, Saturday night, revealed a considerable let-down in the Prowlers, and the scrappy range team put a stubborn battle before they were subdued by the narrow margin of 2 points, 25 to 23. Flasch again sparked his mates to the win, ringing up 7 field goals.

The Prowlers begin their district play tomorrow night when they journey to Crookston for a game with the Pirates. Russell Garnes, transfer student from Twin Valley, will not be eligible for the Crookston fray; but he will be able to participate in the East Grand Forks game, which is scheduled for the local floor Jan. 17th.

Grafton Coming for Hockey Set-to Sunday

A fast-skating team of Grafton Millionaires will be here Sunday afternoon for a game with the Thieves on the Arena ice, and judging by the rough-house hockey in the previous contests between the two clubs, the encounter should draw a capacity crowd. The locals are in first place in the league standings, with Grafton in the runner-up position.

The Thieves journey to Grafton tonight for a game with the Millionaires, and then after the home game here on Sunday they travel to Fargo for a game with the Comets on Tuesday.

The locals continue to hold a comfortable lead in the States-Dominion hockey league, winning two games during the week; but the week's play saw the Thieves lose their first game of the season, dropping a 10 to 5 decision to an improving Crookston Pirates team, in a game played at Crookston last Sunday.

On Thursday the Thieves made their debut on Fargo ice, and after the Comets had taken a two goal lead in the opening period the locals, paced by the fine play of Eddie McMillan, Frank Gustafson, and Paul Kornek, broke up the game to win a 7 to 5 victory.

Playing at Crookston Sunday thethe locals had their six-game winning streak broken, losing to the Pirates by a 10 to 5 score. Having only seven players on the ice, and bumping up against the Pirates when they were having one of their 'on' days, the locals were outplayed and out-skated.

Playing before the season's largest crowd here Tuesday night the Thieves secured revenge on the Crookston Pirates when they swamped the Bucs, 12 to 6, in a very well-played game. For two periods the Pirates clung stubbornly to the Thieves, matching goal for goal; but in the final period the locals skated the burly Crookston team into the ice to rack up a convincing win. Eddie McMillan with four goals, Paul Kornek with three markers, Joe Popiel and George Beverly with two counters each, and Bill Gray with a single, were the goal-getters for the locals. Jimmy Bronson played a splendid game in the local nets, kicking out numerous shots. The game was enlivened in the third period when the locals' Frank Gustafson and Crookston's Allen Sampson came to blows, with both players drawing major penalties.

Beaulieu Here Again Sunday

Eddie Beaulieu (last name pronounced bo'-lee-o), left wing on the Grafton club and wearing sweater No. 7, will be here again on Sunday. He says that he can't play his best brand of hockey if all his good Thief River Falls fans aren't in the stands rooting for him. Well, they'll be there, Eddie, you know, is the guy that took that swipe at Jack Dempster's stop-watch, as it was lying on the ice in front of the timer's box, being dropped accidentally, and drove it all the way to the north goal.

Tripp in the Fargo Nets

Earl Tripp, former goal-tender for the local American Legion junior hockey team, is playing in the nets for the Fargo-Moorhead Comets, and according to press reports he is exhibiting a fine brand of netminding. League president Phil Larson made the connection with the Fargo club for Shorty, and referee Walt DePaul, who's seen Earl play a number of times, added his recommendation, and Johnny Saul, manager of the Comets, decided to give Tripp a chance. I have confidence that Shorty is going to make a fine goalie for the Comets.

A Ten Day Wait

High school principal Bill Claffy announced Monday that Russell Garnes, transfer student from Twin Valley, will not be eligible to play basketball with the Prowlers for another ten days. A state high school athletic league rule places a ten day restriction on all transfer students, and that will prevent Coach Lindenmeyer from using Garnes against Crookston tomorrow night; but he will be eligible for the game here with East Grand Forks on Jan. 17th.

The Millianaire

According to the legend handed out by the Grafton fans, this is the way their club received the nickname Millionaires: The first year that Grafton had league hockey, the fans being filled with the glow of hockey league play, a collection of money was made and presented to the hockey players as they left for Canada to spend the Christmas holidays. This collection amounted to a considerable sum of money, several hundreds of dollars. In fact. And when the players reached the border it was necessary to declare this money to the custom officials. Expressing surprise at such a sum of cash money being in the hands of hockey players, the customs men asked the reason and were told it was a gift from the Grafton merchants and fans. And then came the remark which caused the nickname to be tagged on the Grafton club: oh, so you're playing hockey for a bunch of millionaires. Well, that's the story, and you can take it or leave it.

Help for the Thieves

With Joe Novak out of play with a fractured wrist it is apparent that the local hockey team will have to get some assistance, and it is on the way. Denny Brazier, a hard-skating hockey player who performed with Grafton last year, is on his way from Winnipeg. They had the same trouble with Braisier at the border that we had with our players a month ago, visas and all that stuff; but Joe LaRoe, who's in charge of long distance calls to Washington, and who acts as trouble-shooter for the local club, com- [illegible] can come down here.

McMillan's Goal-Getting Spree

That was quite a performance Eddie McMillan put on for the fans New Years Day, when the Thieves trounced the Comets 9 to 2, scoring 4 goals and getting 3 assists for 7 points. In the first period Eddie received assists on the goals by Gustafson and Gray; in the second period he rammed home a tally on an assist by Gustafson; but in the third period he really applied the pressure, scoring 3 times and getting one assist.

MEN'S RECREATION PROGRAM PLANNED IN GYM TUESDAYS

Ferd Eistad Announces Formation of Independent Basketball Loop

This week found the resumption of one activity under the local WPA-city recreation program and the start of another, Ferd Eistad, director announced today.

Local business and professional men may again romp around in the new high school gym on Tuesday night. That is the night set aside for their recreation. Basketball, volleyball, badminton and other games are available for them. Only a few turned out for the two previous nights, but this lack of participation has been attributed to the holiday business rush. It is the hope of officials that this coming Tuesday night will find a large crowd in the gym.

Starting this week as a new part of the program is the independent basketball league. Seven teams have entered from Harts, Soo Cafe, Bjorkman's Toggery, J&B Drug, NYA School, Oen's and DeMolay. All games will be played in the city Auditorium on Monday and Wednesday nights. Three games will be played each night starting at 7, 8 and 9 o'clock. No admission is charged for these games.

Wednesday of this week NYA met Soo Cafe, Harts played Oen's and Bjorkman's opposed J&B. Next Monday nights games are as follows: Soo vs. Harts; Oen's vs. Bjorkman's and J & B vs. DeMolay. Next Wednesday's games pit NYA against Harts, Soo Cafe against Oen's and Bjorkman's against DeMolay.

Playing Wednesday night, the J & B quint defeated the Bjorkmans 36 to 33.

Junior Hockey Sextet Wins from Cathedral; McIntosh Six Coming

Playing at Crookston Wednesday, the local junior hockey team made up exclusively of high school boys defeated the Cathedral high school team by a score of 2 to 1. Don Waag scored for the locals in the first period on an assist from M. Efteland. The Cathedral tied the count in the second, only to have John Efteland score the winning goal in the final period. Included in the Thief River Falls lineup were Robarge, goal; Dorn and Melin, defense; Waag, Johnson and M. Efteland, forwards; and Baker, Effinger, Snelling, Wilson and John Efteland, spares. It was announced this morning that the McIntosh junior hockey team will meet the locals in the arena here Saturday evening at 7:30.

Division of Employment and Security Reduces Operating Costs in '40

The state division of employment and security in 1940 reduced its administrative expense $87,240 at the same time it increased private placements 17 per cent and handled 28 per cent more job insurance payments.

of a summary of the division's op- of a summary of the Divisions operations in 1940, issued last week by Victor Christgau, director of the division. This is the state agency that administers the Minnesota state employment service and the unemployment compensation program.

The employment service, during 1940, assisted 63,935 persons to find jobs in private industry. These placements are 9,348 or 17.1 per cent more than 54,587 in 1939.

While private placements were advancing to a new record in the state, public placements declined 60 per cent; 7,558 in 1940 compared with 19,355 in 1939.

Coach at Detroit Lakes Gets Buck Robbins Post

Glenn Barnum, athletic coach at Detroit Lakes high school the past three and one-half years, last week resigned his position to accept an appointment as basketball coach and recreational director at Bemidji high school, succeeding Buck Robbins, veteran Bemidji coach, who has been called into service with the national guard.

Local Kiewel Bowlers Down Crookston Rivals

By a narrow margin of 17 pins, 2403 to 2386, the local Kiewel's bowling team defeated the Crookston Kiewel's in a special match rolled on the Crookston Bowling Center alleys last Sunday. Harold Olson with a 548 total, and Ed Carlson with a 521 total, were the high scorers for the local team; while Oppegaard and Hansen paced the Crookston keglers.

Republicans Control Railroad Commission

Col. Frank W. Matson Monday was elected chairman of Minnesota's first Republican-dominated railroad and warehouse commission since the height of the Farmer-Labor administration.

He replaced Charles Munn, who retired as a result of his defeat by N. J. Holmberg.

Holmberg took office Monday morning in the only change in officers as a result of the last election. He, like Matson, is a Republican. Third member of the commission is Hjalmar Petersen.

War Would Aggravate Problems of Farmers, Says U Farm Bulletin

While the European war and the American defense program will stimulate business temporarily, decrease unemployment, and improve domestic demand for farm products, in the long run the war will only aggravate the farmer's problems, declares O. B. Jesness, chief of the division of agricultural economics at University Farm, St. Paul. Dr. Jesness is the author of the new Extension Bulletin 219, "War and the Farmer."

The loss of foreign markets for wheat, lard, tobacco, and some fruits cannot be offset by increased domestic demand, Dr. Jesness points out. Unless foreign markets recover, a serious agricultural surplus will remain until production can be shrunk to fit the smaller demand.

While a price boom is not in prospect at present, a long war and extensive war preparations may in time produce conditions favorable to inflation, Dr. Jesness declares. If a [illegible] prices occurs, it will be a good time for farmers to pay off some of the existing debts rather than to take on more obligations. An expansion of production would only make worse the depression which is sure to follow after war demands are cut off.

More information may be had by seeing a county agent or writing Bulletin Room, University Farm, St. Paul, for a free copy of Extension Bulletin 219.

Speedy Ostrich

Ancestors of the present-day ostrich had more than two toes. But too many toes are a hindrance to swift running, so the useless members gradually disappeared. Now the ostrich has a foot that is designed for both speed and power.

FORCES COP INTO DITCH; THEN FAINTS

Moorhead—A cattle truck driver towing a hay rack near Moorhead December 26 made a left turn off the highway just as a patrol car approached, forcing the officer to take to the ditch. Losing control of the car temporarily, the officer did not regain it until he had been up on the road and down in the ditch three times. Considerably more than irritated, the patrolman stopped, went back to the truck and as two men climbed out, inquired who was the driver. They pointed to a man slumped over the steering wheel. "He fainted when we told him he had sent a patrol car into the ditch," they said.

TROUBLES ALWAYS COME IN THREES

Wheaton—Misfortune in large doses has befallen LaVerne Monson, 22 years old, who broke his right arm when a rock hit a shovel while he was working on a dam a few weeks ago. A short time ago he slipped on the ice at Graceville, and, unable to cushion his fall by using his arm which was carried in a sling, he cracked a leg in falling. Riding to Wheaton later with Miss Mildred Skoog of Graceville to get medical attention, he received his third jolt when the car in which they were riding got out of control on the ice and tipped on its side in a four foot ditch, from which, although unhurt, he found it extremely difficult to extricate himself with a broken arm and cracked, and as yet unattended, leg.

Larson Funeral Home
THIEF RIVER FALLS — ST. HILAIRE,
MIDDLE RIVER — HOLT,
MINNESOTA

Dear Friends:

We believe we are safe in saying that the work of the funeral director has made greater advancement in the past twenty-five years than any other profession.

If you will compare the funerals of twenty-five years ago with those of today, you will understand what we mean by advancement. Much better facilities are now provided.

And the costs, surprising as it may seem, need be no higher.

Respectfully,
Carl B. Larson

LIFTER LIFTS COAT; CLERK LIFTS LIFTER

Redwood Falls—Spotting a man walking out of the clothing store in which he was an employee, wearing an overcoat which he had not purchased nor had on when he entered the store, Gordon Venema of Redwood Falls followed the man outside, grasped him by the collar and asked him if he'd like to buy the coat. The man protested that he had had the coat for a long time but when Venema asked him to step back in the store with him, the man ducked out of the coat and escaped around the corner, leaving Venema still holding the coat by the collar.

UNIVERSITY ASKS MORE SUPPORT OF THE LEGISLATURE

Seeks Million Dollar Rise in Annual Maintenance Allotment

Declaring that our system of public education is 'our first line of defense' for all that we cherish and a chief factor in giving us a way of life worth defending, President Guy Stanton Ford of the University of Minnesota announced this week that the board of regents would ask materially increased appropriations from the coming session of the legislature.

The major increase to be asked is one from $3,840,000 to $4,475,000 in the annual maintenance appropriation for each year of the biennium 1941-43. The regents also will request two large and two smaller buildings, which are, one for mechanical and aeronautical engineering, one for the college of education, a dormitory for the Northwest School and Station at Crookston, and a poultry husbandry building at University Farm.

Pointing out that educational freedom has invariably been the first benefit of democracy suppressed when revolutionary forces in Europe have overrun a democratic country, Minnesota's president wrote:

"Can it be disputed that the more nearly we approach the ideal of universal education the more nearly we likewise approach to an ideal democratic state. Real democracy is not possible without free, public and widespread education. The European democracies have far to go before their educational systems meet the needs of truly democratic peoples. Their failure in this respect is a source of weakness. It is a weakness that cannot be allowed to develop in the United States, in Minnesota, especially at a time when our way of life is being challenged.

"My appeal to you, the citizens of Minnesota, and to the entire nation, is for continued and increased support for public education at all levels and in all of its many phases. I underline its importance with respect to the preservation and strengthening of democracy. I do not need to convince you of the worth of education. My only fear is that under the stress of a national emergency, with our thoughts inevitably turning to defense and machines for national defense, the enduring significance of education may momentarily slip from your minds."

Will Sell Confiscated Guns in St. Paul Jan. 25

The greatest array of confiscated hunting guns in conservation department history will be sold at public auction January 25 at 444 Rice Street, St. Paul.

Starting at 10:30 A. M., the department will place on sale scores of repeating, automatic, over-and-under, double barreled, and single-barreled shotguns; high-powered and small calibre rifles, and a supply of fishing rods, tackle boxes and equipment.

Department officials said the sale will lead all others in quality as well as quantity. Guns seized by wardens from law violators the past season were of a higher grade than weapons taken for many years.

GOOSE SOLVES GREAT DRUMSTICK PROBLEM

Brownton.—The age-old dispute about who should get the drumstick might be forever settled if one kind of poultry received at the Brownton Produce last week could be standardized and raised. A goose from the flock of Mrs. Emma Bipes of Brownton boasts a fully developed although unused third leg which will enable Mama, Daddy, and Junior in some lucky family each to have a drumstick when the bird is roasted.

Headliners at Farm and Home Week

C. F. TAEUSCH W. L. HUSBAND

Visitors at Farm and Home Week, to be held at University Farm January 20-25, will have a chance to hear speakers discuss problems of national and international scope. Carl F. Taeusch, head of the division of program study and discussion, U. S. Department of Agriculture, will speak Wednesday noon on "The Requirements of a Democratic Society." In the evening of the same day Wilfred Laurier Husband, widely known lecturer on the Orient, will speak on "What's Next in the Far East," accompanying his remarks with the showing of motion pictures taken in his travels. The two men are only some of the big names which headline the week's program for farmers and homemakers.

STATE INCOME TAX PAYMENTS ATTAIN NEW HIGH IN 1940

Tax Commissioner Reports Receipts for Year Hit $11,953,000

Minnesota income tax receipts for the 1940 periods, both fiscal and calendar, are the highest in the history of the operation of the income tax law, G. Howard Spaeth, state commissioner of taxation, reported Saturday.

Receipts for the calendar year totaled $11,953,033 as compared with $9,358,427 for the corresponding 1939 period, representing an increase of $2,594,606, or 27.7 per cent, according to Spaeth's report.

Ramsey county led the 87 counties for the highest per capita, or individual income tax assessment, with a figure of $5.62. Hennepin county, with $5.55, was second; Olmstead county, with $5.02 third, and Winona county, with per capita assessment of $2.92, fourth. St. Louis county had a per capita assessment of $2.50.

Lowest individual assessment was in Clearwater county, with a per capita of 8 cents; Dodge county, second with 9 cents.

Central Cooperative Livestock Assn. Pays Dividend to Members

A total of $201,807.89 in stock and commission dividends to its members and stockholders was voted Thursday by the board of directors of the Central Co-operative Association, South St. Paul livestock selling agency. At their annual meeting, the directors voted a 28 per cent dividend to members who had sold their livestock through the association, a new record, and an 8 per cent dividend to holders of stock in the organization. The 1939 dividend to members was 30 per cent.

Mahnomen F. L. Favors Fusion with Democrats

Seeing no possibility of unity within the ranks of the Farmer-Labor party, in the future, members of that organization in Mahnomen county adopted a resolution instructing delegates to the district convention to vote for a merger with the Democratic party. It is expected that many of the Farm-Labor associations in the Ninth District will soon announce a similar merger the movement having been started by Representative George Hagen of Crookston.

East Grand Forks Beet Sugar Factory Output Hits New High in 1940

Some 226,000 tons of sugar beets, a new high, will have been sliced at the East Grand Forks factory of the American Crystal Sugar Co. when manufacturing ends Friday.

O. A. Heikesvig, assistant manager, said it was the largest tonnage handled since the plant began operating in 1926. The previous high was approximately 200,000 tons.

Sugar production for this season was estimated at 560,000 to 570,000 bags of 100 pounds each. This is not a record since sugar content of the beets has been higher in the past. The plant's 1940 manufacturing started September 16.

The sugar company already has paid Red river valley growers $811,000 in cash, the amount left after deductions for seed, fertilizer and labor.

Minnkota Lines Make Progress in Setting Wires to Serve County

Poles for the east transmission lines of the Minnkota Power Co-operative, Inc. have been set from Grand Forks to Rindahl, Minn., about 16 miles south of Mentor, Manager A. L. Freeman announced Friday.

Stringing of wire on this portion of the Grand Forks to Shevlin transmission circuit was to be under way this week.

Balance of the poles on the Shevlin line were expected to be up some time in January.

When completed, the line will carry temporary current to two Minnesota rural electric co-operatives from the state mill and elevator, pending completion of the Minnkota generating plant at Grand Forks.

These co-ops are the Red Lake Co. and Wild Rice systems. Another Minnesota rural electric, the Itasca Mantrap layout, will be powered temporarily by a mobile Diesel truck unit.

SAUK RAPIDS INFANT HAS "THIRTEEN" JINX

Sauk Rapids — Marlis Walker, infant daughter of Mr. and Mrs. Oscar Walker of Sauk Rapids will have to carry a rabbit's foot when she is older to offset her "thirteen" jinx. Born on Friday, the 13th of September, she weighed thirteen ounces over seven pounds which she had increased to thirteen pounds, thirteen ounces by the time she had reached the age of 13 weeks on Friday, the 13th of December.

RECORD TOTAL OF IRON ORE SHIPPED FROM STATE IN '40

Shipments from Minnesota Mines Attain Total of 48,474,000 Tons

Due to the demand for war materials a record tonnage of iron ore was shipped from the Lake Superior district during the season of 1940, the department of conservation reported this week. Estimates indicate 1941 will be the largest shipping year in the history of Minnesota.

Furnaces using Lake Superior ore are consuming about 6,000,000 tons monthly. To meet this demand during the coming year, at least 70,000,000 tons of ore will be needed in 1941.

On December 1 the lower lake furnaces had on hand 40,000,000 tons. At the present rate of consumption only about 10,000,000 tons of iron ore will be available May 1 when the 1941 shipping season opens.

Shipments from Minnesota mines for 1940 totaled 48,474,981 tons, which equals Minnesota's record year of 1937, and exceeded the shipments for 1939 by 16,000,000 tons.

The production from Minnesota's 14 State-owned mines was the largest in the history of the state, totaling 13,948,762 tons, as compared with 12,560,881 tons for 1937 and 10,496,753 tons for 1939.

DR. MELLBY IS AGAIN OAKLAND PARK SAN HEAD

Veteran Commission Member to Serve 22d Year as President

DR. BORRESON MAKES HIS ANNUAL REPORT

Net Cost Per Day Per Patient Registers Decline in Past Year

Dr. O. F. Mellby was reelected to serve his 22d term as president of the Oakland Park sanatorium commission at its annual meeting last Thursday evening. Dr. H. M. Blegen of Warren was retained in the office of vice president, while Dr. Baldwin Borreson, superintendent of the institution, serves as secretary ex officio.

No change was recorded during the past year in the personnel of the board, which includes members from four counties as follows: Pennington, Alfred Bredeson and Oscar Gunstad, St. Hilaire; Marshall, T. B. Folden, Newfolden; Red Lake, Dr. J. A. Roy, Red Lake Falls, and Ole Lee, Oklee; and Roseau, M. J. Hegland and O. K. Christianson.

In his annual report submitted at the session, Dr. Borreson revealed only a slight increase in total maintenance expense for 1940 over 1939, the comparative figures being respectively $45,044.50 and $44,761.64. Cost of administration declined from $3,154.93 in 1939 to $3,010.85 in 1940, while care of patients declined from $11,392.68 to $10,947.87.

Reflecting a slight rise in the cost of foodstuffs, culinary expense increased from $14,261.46 in 1939 to $15,031.13 in 1940. Other items in maintenance expense last year included domestic, $5,375.61; agriculture, engineering, buildings and grounds, $8,267.14; and field nurse, insurance and other miscellaneous items, $2,408.90. Inventories were increased during the year to the extent of $403.13, while permanent improvements aggregated $1,152.95.

The report showed a slight decline in total cost per day per patient in 1940, as compared to 1939, the figures being respectively $2.126 and $2.23. Total cost per meal per individual in 1940 was 15.0 cents, compared to 15.7 cents in 1939. Total receipts including state aid, pay patients and miscellaneous income, amounted to $16,937.40, while the total net cost per day per individual declined substantially from $1.47 in 1939 to $1.29 in 1940.

LIONS AND LEGION CONDUCT SENDOFF FOR 8 VOLUNTEERS

75 Attend Farewell Party in Palm Garden Cafe Wednesday Night

At a gathering Wednesday evening in the Pine Cave of the Palm Garden cafe, sponsored jointly by the Lions club and the American Legion post, tribute was paid to eight volunteers who will make up the January draft quota and who will leave the city over the coming weekend. A total of 75 persons were in attendance.

In attendance were all the young men except Stanley Shibicki of Goodridge, those present including Orrin Brandon and his parents, Mr. and Mrs. Severn Brandon; Emil Horejsh and his father John Horejsh; Orville Johnson; Robert Haney and his mother, Mrs. T. C. Haney; Truman Reiersgaard and his parents, Mr. and Mrs. Roy Reiersgaard; Robert Elofson; and Gerhard J. Wilson of Hazel.

Also introduced were Owen Olson of Goodridge and Alfred Hallstrom of Black River, members of the draft board, W. J. LaBree, the chairman of the board, being absent because of illness.

The program, over which Dr. A. R. Holbert, president of the Lions club, presided, opened with the invocation by Rev. C. W. Erickson, followed by community singing led by Kern Olson.

The introduction of guests followed, after which a letter from Mayor W. W. Prichard was read, expressing regret that a conference in St. Paul necessitated his absence. H. M. Hitterdal supplied a vocal solo, accompanied on the piano by Mrs. Hitterdal.

Brief addresses were given by H. O. Chommie, representing the Lions club, and Dr. A. E. Jacobson, in behalf of the Legion post. Both extended good wishes to the young men entering on their military careers.

Legion Post Commander and Adjutant Honored

At a meeting of Elmer J. Ecklund post of the American Legion Monday evening, Post Commander Alex Cloutier and Adjutant A. R. Holbert were presented with citations from National Commander Raymond J. Kelly in recognition of the post passing its four-year membership average in 1940. The post members also voted to request Minnesota congressmen and senators to work for further appropriations to continue the work of the Dies committee.

The annual report of George C. Jones, conservator of the department of rural credit, submitted last week to Governor Harold E. Stassen, reveals that 88 Pennington county farms were sold by the department in 1939 and 1940, and that for the state as a whole 2,428 farms were sold during the two years, including 1,025 in 1939 and 1,403 in 1940.

Of the Pennington county farms disposed of, 20 were sold to former owners, 32 to local tenants, 30 to local farmers and six to outside buyers.

The report shows that 2,336 state-owned farms in Minnesota remained unsold at the end of 1940, while only 135 units were delinquent for two or more semi-annual installments. It was revealed that the combined deficit in rural credit funds on December 31, 1940, aggregated $28,561,79.89.

There was outstanding on January 1, 1939, $50,465,000 of rural credit fund bonds issued for the purpose of making loans and $10,225,000 of interest fund certificates which were issued to finance the ever recurring deficit in the interest fund. On December 31, 1940, the indebtedness in the rural credit fund had been reduced to $45,465,000 and with over $2,500,000 in cash and treasury bonds the department is in a position to make a further reduction in this indebtedness. However, the interest fund indebtedness has increased to $13,185,000 and it is evident that funds over and above those realized from the department's assets must be made available to meet the interest loss as it occurs and to ultimately retire the entire deficit.

McKERCHER IS RENAMED FARM BUREAU CHIEF

St. Hilaire Man Reelected President at Meeting Last Saturday

NOPER ELECTED VICE PRESIDENT OF GROUP

S. E. Hunt Renamed Secretary; Resolutions Are Adopted

Over seventy members attended the annual Pennington county farm bureau meeting held last Saturday afternoon in the Civic and Commerce rooms at the city Auditorium. R. J. McKercher, St. Hilaire, was reelected president of the association, and S. E. Hunt of Thief River Falls was reelected secretary-treasurer for the coming year. V. C. Noper of Thief River Falls was elected vice president, and Emil Larson was elected delegate to the state convention.

A lively discussion centered around the resolutions that were presented by members of the resolutions committee and various members of the farm bureau. The members endorsed the resolutions that were passed at the National Farm Bureau convention in December. After considerable discussion, the majority of the members favored legislation in providing for compulsory liability insurance for all operators of automobiles.

The farm bureau members also voiced their objections to the proposed load restriction bill that has been under consideration in the state legislature during the past year, which will prevent movement of large truckloads of livestock, gasoline and certain farm commodities over any distance on highways. Legislation favoring a tax limitations bill was also presented and endorsed.

PENNINGTON CO. BOARD ACCEPTS BIDS AT SESSION

Buys New Diesel Motor Patrol Unit at Cost of $7,331

The Pennington county board adjourned its annual business session last Thursday afternoon after disposing of a varied array of items of business, chief of which was the purchase of a Diesel motor patrol unit and the award of the contract to rebuild the Smiley bridge.

The Lange Tractor & Equipment company of Duluth was awarded the contract to supply an Adams Diesel motor patrol, complete with snowplow, wing and all accessories on its bid $7,331. Four bids were received on the equipment. The contract to rebuild the Smiley bridge was awarded to the Minneapolis Bridge company on its bid of $5,129. Three other bids were submitted.

The board also set up the sum of $18,570 for maintenance of state aid roads in the county, and $24,987.50 for the maintenance of county aid roads. In addition, 72 grand jurors and 144 petit jurors were selected for service during the year.

Winners Announced in Times Census Contest

Following the official announcement in Washington Saturday by the census bureau that the 1940 population of Thief River Falls was 6,019, the Times is able to make belated announcement of the winners of the population guessing contest announced last spring. A total of 447 entries were received, estimates ranging all the way from 696 to 25,000.

Two persons guessed within two of the correct number, and the first prize of $5 has therefore been divided equally between them. They are Mrs. Leo Fehr of Plummer, whose guess was 6,017, and Mrs. Olaf Olstad of Grygla, who set the figure at 6,021.

The five next closest guessers, each of whom will receive a year's subscription to the Times, include Mrs. Lars Furan, 6,014; C. A. Booren, 6,024; James Cosgrove, 6,011; Mrs. Charles E. Wilson, 6,011; and A. F. Anderson of Newfolden, 6,027.

The population of the city, increasing from 4,268 in 1930 to 6,019 in 1940, registered a gain of 1,751 or 41 per cent, well above the average for comparable cities. The total for Pennington county gained 23.1 per cent, from 10,487 in 1930 to 12,913 in 1940. Marshall county increased from 17,003 to 18,364 or 8 per cent, while Red Lake gained from 6,887 to 7,418 or 7.6 per cent, and Polk county rose from 36,019 to 37,734 of 4.8 per cent.

The increase was 8.9 per cent compared with 7.4 per cent between 1920 and 1930. Urban residents accounted for 49.8 per cent of the state's population in 1940.

BIG PROGRAM OF INTRA-SCHOOL SPORTS NOW ON

Supt. Bye Outlines Setup at Board Meeting Monday Evening

30 BOYS BASKETBALL TEAMS NOW IN FIELD

Total of 278 Boys Now Participating in Floor Game Here

The January meeting of the board of education Monday evening was devoted largely to a review by Supt. Morris Bye of the far-reaching program of intramural athletics of various types being carried on this winter in the local schools. Following are quotations from Mr. Bye's explanatory report:

"The rules of the state department of education require that pupils in the elementary grades be given thirty minutes of physical education daily and that in junior and senior high school all students in grades 7, 8, 9, and 10 shall receive two hours of physical training per week. We go beyond that standard and require all students in the grade 11 to take physical education also. Of course, students whose health is such that physical activity may be detrimental may be excused temporarily or permanently on the recommendation of a physician.

"In addition to the training in physical development provided for in the curriculum we have organized an extensive program of intramural athletics for both boys and for girls. Chester Nelson is in charge of the boys and Miss Gladys Berntsen directs the girls' activities. This intra-mural program centers around games that are appropriate to the season of the year.

"Some specific information on the activities at this season of the year will serve to illustrate the scope of this intra-mural program. Mr. Nelson has [illegible] twenty boys' basketball [illegible] the junior-senior high [illegible] The junior division [illegible] grades 7 and 8 and has [illegible] teams. The intermediate division is composed of [illegible] teams. The senior high school students are in the senior division and have six teams. One team in each division is a noon hour team, that is, it is made up of students who stay in the building during the noon hour. Each of the twenty teams will play one game per week during the next two months. The intermediate division will play Mondays, one game being scheduled for the noon hour and two after

SNOWBOUND CHRISTMAS

By [illegible]

BILL YARDLEY poked a tentative eye outside his blanket. It was daylight, at last. Across the tiny cabin Jim was snoozing quietly, his measured breath almost drowned by the roaring wind outside.

Bill's eyes surveyed the cabin with its old stove and rickety furniture. Cozy enough, perhaps, but this was no way to spend an entire winter, even for the sake of geographical accuracy. Several hundred miles to the south, in Winnipeg, the government office was waiting for early spring when Bill and Jim could finish their surveying assignment and bring back a report.

The pilot dumped overboard a huge bundle.

Ahead, meanwhile, were two months of this maddening snowbound silence.

Bill's glance drifted to the calendar. Suddenly he caught his breath—

"Jim!" he shrieked. "Wake up! Wake up! Do you know what day this is?"

Jim groaned, stirred a bit, and answered sleepily.

"Tuesday, ain't it? And so what?"

"Jim! It's Christmas Eve!"

A few minutes later they found themselves staring blankly out the window, almost wishing they'd never discovered it was Christmas.

It was kind of childish to let on that you cared, Bill thought. So he put on his parka and headed for the door.

"Let's forget it, Jim," he advised. "I'm going to look at our traps and get some fresh air. Be back soon!"

It was no picnic, trudging through knee-deep drifts for two hours. To make it worse, the traps were all empty. Even the animals were staying inside in this weather.

"Wonder if they'll miss Christmas, too?" he mused as he neared the cabin.

Suddenly he heard a faint hum in the sky. It grew nearer. Unmistakably a motor—an airplane!

Bill raced for the cabin door.

"A plane, Jim!" he cried. "Get some black smoke going up the chimney!" Then he raced out to the clearing.

The pilot saw him gesticulating wildly, or else he saw the fresh black smoke over the cabin. The big ship circled, flew off to the north, turned and came back, flying low. Over the clearing it almost stalled as the pilot dumped overboard a huge bundle that plummeted into the snow almost at Bill's feet. Then he waved and sped away.

They got it inside, somehow, though they wanted to open the bundle right where it landed. Once the rope was torn loose an oilskin pouch flew out. A note was inside. From the boss:

"In case you boys have forgotten," it read, "tomorrow's Christmas. Herewith the makings, including some presents your families asked us to send along."

Bill and Jim looked at each other, then they cheered.

"Merry Christmas?" asked Bill. "Why, it's the best ever! Wait'll you taste this turkey!!"

53 Sundays in Year

According to the Gregorian calendar, every year has 53 days of the one it begins on. Generally speaking, the year contains 53 Sundays every five or six years. This occurred in 1928, 1933, 1939, and again in 1944, 1950, 1956, 1961, 1967, etc. The United States naval observatory points out that in any continuous series of 28 years, five have 53 Sundays, unless the series includes a year whose number ends in two ciphers without its being a leap year, as in 1700, 1800, 1900. When leap year begins on Saturday, two of the six-year periods fall consecutively.—Philadelphia Inquirer.

W. C. T. U. News Notes

A Telegram to President Roosevelt

On November 21, knowing full well our entire membership would approve, and at the request of our national president that each state president send an urgent telegram to the president of the United States urging him to prevent the sale of intoxicating liquor to men in uniform of the U. S. army and navy, Mrs. Baker sent the following telegram:

To the President of the United States, Franklin D. Roosevelt, Honored Sir: The entire membership of the Minnesota Woman's Christian Temperance Union authorizes me as their state president to urge you as commander-in-chief of the army and navy, in the interests of national defense, to prevent sales or gifts of alcoholic liquors, including wine and beer, to all men in uniforms of the army and navy, including young men in training camps. This we urge you to do in the interests of character, health, safety and efficiency of these men and for the promotion of adequate national defense.

HEARING PUT OFF ON STORM SEWER ASSESSMENT ROLL

City Council Tuesday Night Calls for Bids on New Police Car

The city council disposed of a varied accumulation of business matters at its January session Tuesday evening, and deferred a hearing on assessments for the storm sewer recently installed on Riverside av., owing to the absence of Theodore Quale, city attorney. Harry Roberts appeared in behalf of affected property owners to object to the assessment, saying their property had previously been assessed for a storm sewer.

P. Gargaro representing the district WPA recreation office, was present to arrange for a continuation of the present year-round recreation program in the city. At his request, the council approved a budget of $350 for the current year to include the cost of lifeguards at the swimming pool, playground and skating rink supervision and other activities.

An ordinance repealing the present soft drink ordinance, was given its first reading. The city clerk was instructed to advertise for bids for the official city paper and city depositories, as well as for a new police car to replace the present one, which has been in use since 1935.

It was voted to request the county board to have the county highway engineer make a survey of the proposed road across the old millyard from the First st. bridge.

53 Young Men from Six Counties Enrolled in CCC Camps Here Tuesday

A total of 53 young men from six counties were enrolled in the Civilian Conservation Corps here Tuesday, and 32 were assigned to the CCC camp at Middle River, the remaining 21 being sent to a camp near Grand Rapids. Included in the group were seven from Pennington county, ten from Roseau, ten from Marshall, 15 from Polk, five from Kittson and six from Red Lake. In addition, five veterans were assigned to a camp at Bayport. Captain A. Stenelle of the Middle River camp was in charge of the enrollment, assisted by Lieutenant Larry Berg, Dr. Trytten and P. J. Ziegler, company clerk, of Middle River; and Lieutenant Foulkes of Grand Rapids.

Kittson Men Sentenced in Seed Loan Action

Milo J. Porter, 26, and Richard A. Porter, 21, who operated a farm near Donaldson, in Kittson County will both serve terms in jail because they failed to repay their government seed loan and instead sold the crop they harvested and converted the money to their own use. The case against the Porters was brought by the Seed Loan Division of the Farm Credit Administration. Milo J. Porter was ordered committed to an institution of Jail Type for a term of four months on the three counts of the indictment which charged sale of mortgaged property and conspiracy to defraud. Richard A. Porter drew the heaviest term. He will serve six months in jail and pay a fine of $50.00, or serve additional time if the fine is not paid on the first count of the indictment and on the second and third count of the indictment he was given an eight months jail term and fined $50. The jail sentence on the second and third count was suspended and the defendant was placed on probation for three years, probation to begin when the six months jail term of the first count has been completed.

SLIGHT CHANGES IN MARSHALL CO. 1940 TAX RATES

Village of Holt to Pay Taxes on Combined Rate of $44.61 Mills

Only slight changes in tax rates will be noticed generally throughout Marshall county by taxpayers when they pay their 1940 tax bill this year, according to the new tax rate sheet released last week by P. E. Kvikstad, county treasurer.

A comparison of the rate sheets for 1940 and 1939 reveals that rates will be higher in 72 school districts including agricultural lands and village properties and 32 townships and villages. Rate reductions were noticed in 57 school districts including agricultural lands and village properties and 20 townships and villages. The same rates will apply in 42 school districts and seven townships and villages.

The state rate on non-homesteads and personal property will remain at 10 mills while the state homestead rates were decreased to the new low of 1.24 mills. The county rate was reduced from 48.2 to 47.71 mills.

With a combined rate of 145.71 mills which includes village, school district, county and state rates, the village of Strandquist has the lowest rate of any high school village in the county. The highest rate including the same classifications will be found in the village of Holt with a total combined rate of $44.61 mills.

Anders Anenson, Kratka, Dies Here Tuesday

Anders Anenson, resident of Kratka township since 1904, died on Tuesday, January 14 in a local hospital at the age of 76 years and 26 days. Funeral services will be tomorrow, January 17, at 2 P. M. at the Telemarken church, Rev. Sabo of Mavie officiating. Interment will be made in the Telemarken cemetery.

Mr. Anenson was born on December 19, 1864 in Evje, Norway and came to this country at the age of 21 to settle in Grand Forks, N. D., where he was married on November 7, 1900, to Anna Anenson. In 1904 they moved to a homestead in Kratka township where they have since made their home on a farm.

His parents and one son preceded him in death, and he is survived by his wife, three sons and two daughters: Andrew of Grygla, Mrs. Carl Swanson (Eline) of Hallock, Mrs. Wallis Tomasu (Agnes) of Kratka, Henry of Kratka, and Orrin at home.

Plastic Rods Examine Motors

The use of curvable plastic glass rods for examination of the parts of airplane motors and bombs was shown recently before the American Medical association. The instruments, which transmit light through a solid glass-appearing rod, are used primarily in surgical operations to carry light direct to the operating point without interfering with the surgeon's vision. The same principle is used to inspect airplane motors, gasoline tanks, shells and bombs, Jerome L. Baker of the Curtis Products company, makers of the instruments, declared.

Funeral Held Monday for Halvor Halverson

Halvor Halverson passed away at his home in Rocksbury township on Thursday, January 9 at the age of 87 years, four months, and 24 days. Funeral rites were conducted on Monday, January 13, from the Erickson & Lund Funeral Home at 1 P. M. and from the Bethlehem Church at 2 P. M., Rev. E. L. Tungseth officiating. Burial was made in Greenwood cemetery.

Mr. Halverson was born in Rock River, Wisc on August 15, 1853, and was married in that city to Lena Halverson in 1878. He moved from Rock River to Waseca, Minn., in 1878 and to Hendrum in 1883. Later he moved to a farm in New Solem township, and to Thief River Falls in 1893. In 1908 he moved to Rocksbury township and has lived there ever since.

He leaves to mourn his passing, his wife, Mrs. Lena Halverson; one daughter, Mrs. Ida Lee; two sons, Carl and Halbert, all of Rocksbury township; one grandson; three sisters, Mrs. Olaf Hanson of Waseca, Mrs. Martin Norgum of Edmonton, Alberta, Canada and Mrs. Elisabeth Lalage of Minneapolis; and three brothers, John, Nels, and Olaus Halverson, all of Viking.

One daughter preceded him in death.

Mahnomen Man Named Dist. Court Reporter

Arnold Pearson of Mahnomen was appointed court reporter by Judge Oscar R. Knutson of Warren late last week. Mr. Pearson, a young man, is schooled in the use of the Stenotype, a machine form for taking dictation. The new reporter is a married man and will move his family to Warren later this spring. Dale Sampson held the office under the late Judge M. A. Brattland.

Weight Varies

The weight of a body either above or below the surface of the earth is less than at the surface. The force of gravity is greater at the surface than above or below. A mass weighing, say 100 pounds, at the surface of the earth will weigh less than 100 pounds if taken up in a balloon or down into a mine.

Removing Grass Stains

An old but effective method for removing grass stains from washable clothing is to rub the stain with molasses, then wash the spot.

Soil Management Program

A crop of 50 bushels of corn per acre removes about 75 pounds of nitrogen from the soil. It takes out also, about 31 pounds of phosphoric acid and about 41 pounds of potash. With the heavy yielding hybrid corn varieties growing in popularity among American farmers, a well-rounded program of soil management with the use of fertilizer is necessary if high production and soil fertility are to be maintained, a farm bulletin points out.

SHIPSTEAD SEES UNITED STATES ON THE ROAD TO WAR

Minnesota Senator Declares Britain Is Not Fighting Our Battle

Senator Shipstead declared that aid to England as proposed in pending congressional measures would "bring our people into war".

The statement was in reply to a request by 45 citizens of Minneapolis and St. Paul, that he state his views on foreign policy.

"The so-called policy of aid to England," he said, "is based on the assumption that England is fighting our battle and that our safety is dependent on her efforts. I do not agree with that assumption. I resent the suggestion that a nation of free men, the most powerful from every point of view in all the world, can not defend the freedom the fathers of the republic transmitted to us.

"However, if it be true that Britain is fighting our battle, then this country should, in all honesty, declare war on Germany and her allies now, and not resort to subterfuges which deceive no one.

"I favor such aid to England as is not inconsistent with the laws of neutrality and the Hague conventions. But such aid to England as is now proposed, and which I assume you favor, would disregard all the laws of neutrality and the Hague conventions and in my opinion would bring our people into war. I am not willing to take that step, because I am not prepared to plunge our country into war".

DISCUSS PROGRAM TO PROMOTE USING BETTER FLAX SEED

Demonstration Flax Plots Also to be Set Up in This County

An intensive program to extend the use of properly cleaned seed flax and a county wide study of cultural practices used by farmers in growing flax, were the two proposals that came out of the meeting of a group of Pennington County farmers January 7. It was felt, by both the farmers and elevator men, that emphasis should be placed on a flax program, as flax is the most important cash crop grown in the county.

This program, it was decided, should be carried out by a county committee to consist of one farmer from each township in the county working together with the elevators in the county. The township committee or township members of the county committee will do two things: First, they will collect information early next fall from several farmers in their respective townships on a questionnaire regarding seed bed preparation, time of seeding, the preceding crop on the flax field, and other cultural factors, and also a small sample of flax for laboratory analysis.

Second, arrangements will be made to set up a few demonstration flax fields in each community in the county, showing the comparison between the use of clean seed flax, and the seed flax as the farmer would usually plant it. A part of the demonstration field would be seeded to clean seed flax and the other part would be seeded to the grade commonly used.

A plan was also discussed as to how the seed may be cleaned. In the first place good facilities are available at a number of seed houses in Thief River Falls. Farmers who wish to carry on these demonstrations may have their seed cleaned at the seed cleaning rates.

There is also available another opportunity for having seed cleaned. The extension division has a portable flax cleaning machine that does a good job, and the machine will be available for use for about two days work early in the spring. The flax cleaning machine can be set up possibly at two points in the county to clean lots of seed for fifty or sixty farmers, perhaps 25 or 30 bushels per farmer, for a cost of around two cents per bushel.

Infant Son of Joe King Dies Saturday

Jean Dean King, infant son of Mr. and Mrs. Joe King of Rocksbury township, died in a local hospital on Saturday, January 11. Funeral services were conducted by Rev. M. L. Dahle of St. Hilaire on Tuesday, January 14 at 2 p. m. from the chapel of the Erickson & Lund Funeral Home. Interment was made in Riverside cemetery. The child was born on Jan. 8 and is survived by his parents; two sisters Joyce and Gladys; and his grandparents, Mr. and Mrs. Lars Rosette, all of Rocksbury township.

NEW OFFICERS TAKE OVER TOWNSEND CLUB SUNDAY

Recently elected officers of the local Townsend club will take charge of the organization at a meeting next Sunday afternoon, January 19, at 2:30 in the Civic and Commerce association room.

McKERCHER IS AGAIN ELECTED PRESIDENT OF CO. FARM BUREAU

(Continued from page 1)

Various other problems regarding taxation, public programs, and legislation were also discussed and recommendations were made. The members also asked for action on the part of county and state officials in more rigid enforcement of traffic law and more severe penalties for violators.

A. L. Freeman, manager of the Minn-Kota Power Association at Grand Forks discussed with the farm bureau members various problems of interest regarding rural electrification and the power association at Grand Forks. He reported that work was progressing rapidly on the cooperative power plant at Grand Forks, and that possibly it would be generating power sometime early in the summer. Mr. Freeman also helped to clarify questions in the minds of various members regarding the service that REA offers, how the business of the electric associations will be conducted, and also pointed out how the associations already in operation were progressing with respect to the services they are giving, the rates for current, and the financial progress of the associations.

A brief discussion also took place regarding the service that is offered farm bureau members through the Minnesota Hospital Service association. Through township or community units, farm bureau members have group hospitalization available at a regular rate providing they set up their community committee and secure memberships. A number of groups indicated that they will carry out the organization work and project.

Services for Lloyd Satre Held Wednesday

Funeral services were held Wednesday at 2 p. m. in the Evangelical church for Lloyd Satre, who died at the home of his mother in Rocksbury township on Sunday, January 12 at the age of 39 years, 9 months, and 13 days. Rev. J. O. Jacobsen conducted the rites, and interment was made in Greenwood cemetery.

Mr. Satre was born in Thief River Falls on March 29, 1901. In June, 1920, he enlisted in military service in Fort Arthur, where he served for a year. He was then employed as a mail clerk in Los Angeles, Calif., for two years. Since that time he has been living with his mother, Mrs. Ingeborg Satre in Rocksbury township. He never married.

Surviving him are his mother, 7 sisters, and two brothers: Berget of Granite City, Ill., Clara of St. Paul, Emma at home, Myrtle of Aurora, Ill., Mable and Ruth at Grand Forks, N. D., Helen in Honolulu, Hawaii, Frank in San Francisco, Calif., and Elmer at home.

Detroit Lakes Liquor Store Nets $18,503.28

Net profit at the Detroit Lakes municipal liquor store in 1940 reached a new high mark of $18,503.28, exceeding the 1939 total profit by $1,748.74, A. L. Rasmussen, manager, disclosed in a year-end report last week. Total receipts of the store for the past year were $88,306.40. Net profit last year was $16,754.49 and in 1938 the profit was $15,049.34. The store will have been in operation seven years in March. Net profit for the seven years it has been in operation is $107,546.32.

BERVE PRESIDES AT 9TH DISTRICT F-L CONVENTION

Meeting at Mahnomen Goes on Record Against Fusion Plan

H. O. Berve acted as chairman and Mrs. Laura E. Naplin as secretary of the Ninth district Farmer-Labor convention held at Mahnomen January 7. Pennington county was included in the group of 150 delegates by Einar Jenson, and Elvin Sanders of Goodridge, J. H. Ulvan and Gordon Olson. The convention went on record in opposition to fusion with the Democratic party.

At the business session Louis Benson, Moorhead was elected chairman: Dr. C. J. Larson, Bemidji vice chairman and Halvor Langslet, Detroit Lakes, secretary-treasurer. Elected state committeemen were Bennie Brandt, Roseau, and Emil Prestemoen, Bagley.

Among the many measures adopted and recommended by the resolutions committee were the following: Continuation of the soils conservation program; socialization of iron mines in Minnesota; demanded restoration of 4c gas tax; condemned old age lien law; voiced objection to closing Minnesota lakes to winter fishing; favored parity prices for farmers; favored the surplus commodity stamp plan throughout state.

Representing the state association, Harold Peterson stated that were Farmer-Laborites and Democrats to merge, some of the more conservative Democrats would move out of the party because they could not stand Farm Labor liberalism. He definitely pointed out that it was not advisable for Farm-Laborites to associate themselves as Democrats.

Spearing of Pickerel and Northern Pike Is O. K. Until March 1st

Winter spearing of pickerel and northern pike was authorized Wednesday by Conservation Commissioner W. L. Strunk, who at the same time reduced the daily catch and possession limits of the fish. The daily limit, which applies to angling, will be reduced to six, beginning 30 days from the date of the order's legal publication. The possession limit will be 12 fish. The former limit was eight pickerel daily, with 20 allowed in possession.

The order forbidding spearing of pickerel this winter had aroused widespread opposition in the northern part of the state. Strunk said surveys had demonstrated the necessity of more protection for pickerel, but that he felt the new lower catch limits would help in that respect.

"The burden of protection will thereby be imposed upon all fishermen," he said, "instead of upon the comparatively limited number of winter spearmen." The order reopening the winter spearing season is effective at once, until March 1, with a daily take limit of two fish. Possession limits will be the same as for angling.

Girders Being Placed for R. L. Falls Bridge

Mammoth steel girders for the new trunk highway bridge across the Clearwater river at Red Lake Falls are now being put in place. The girders are 60 feet long and six feet high and are of varying weights. The heaviest girders weigh 14 tons apiece and will be used in the center of the spans. Eleven ton girders will be used along the south side of the bridge which side will support the sidewalk, and the 9½ ton girders will be used on the north side.

STATE HISTORY SOCIETY PLANS ANNUAL MEETING

Plans for the ninety-second annual meeting of the Minnesota Historical society, to be held in St. Paul January 20, 1941, have been announced by Dr. Arthur J. Larsen, superintendent of the society. The plans provide for a conference on local history in the morning, a luncheon, and an evening session at which the annual address will be given. The sessions are open to the public.

LEGISLATURE GOES INTO ITS SECOND WEEK

Many Bills Introduced as 1941 Session Gets Under Way

PROPOSE REPEAL OF OLD-AGE LIEN LAW

Introduce Bill to Restore Four-Cent Gasoline Tax July 1

An attempt by the minority bloc to obtain immediate consideration of a bill to repeal the old age lien law was blocked in the Minnesota house of representatives Tuesday after heated debate.

Rep. Andrew Hayford, Minneapolis, demanded a roll call on his motion to suspend the rules and consider the measure without referring it to committee but, following admonition by Majority Leader Roy Dunn, Pelican Rapids, that the move was "very unusual procedure", the effort by Hayford was voted down.

The house received a batch of bills immediately after Speaker Lawrence Hall, St. Cloud, announced the list of committee appointments. Hall explained that, in fairness to the minority members he gave them representation on the various committees consistent with their proportionate numbers.

Re-enactment of the four-cent gasoline tax in Minnesota and abolition and repeal of the one-mill Dunn law for highway purposes are asked in a resolution introduced in the house by Ray Antila, Duluth. Antila sponsored it at the request of the St. Louis county board of commissioners.

A deficiency bill appropriating $1,200,000 for old age assistance was introduced in the house by Rep. Claude Allen, St. Paul, chairman of the appropriations committee.

The house received three bills for repeal of the old age lien law. Besides Hayfords measures were introduced by Joseph Prifrel Jr. St. Paul, and Thomas F. O'Malley, Duluth.

O'Malley's bill would not only repeal the lien provisions of the law, but increase maximum assistance from $30 to $40 per month. To pay for the extra assistance, he introduced another measure to raise the state income tax one per cent on incomes of more than $5,000 a year.

Citizens Asked to Make Returns for Christmas Seals to Miss Hesburg

An appeal was made today to local citizens who have not made returns for Christmas seals mailed them last month.

"In face of the emergency it is more important than ever before to make sure that the life-saving campaign against tuberculosis continues, said Miss Margaret Hesburg, local chairman. "Remember your contribution for Christmas seals may be the means of saving a life in 1941."

The request is made that all those who received seals make contributions in any amount, if they have not already done so. Those who cannot contribute are asked to return the seals as the local committee must report on all letters mailed out.

Victor Mathieu Funeral Held in Mankato Jan. 8

Victor Mathieu passed away on Saturday, January 4, of heart trouble at his parents' farm near Argyle where he was employed. Funeral services were conducted in Mankato on Wednesday, January 8. Mr. Mathieu was born in Alma, Wisc. on June 17, 1878, and made his home in South Dakota before coming to Excel township 9 years ago. He is survived by his wife, two daughters, four sons, two sisters, four brothers, and 15 grandchildren.

FINED FOR TAKING PAIR OF RUBBERS FROM STORE

E. W. Roos, Route 1, City, pleaded guilty in municipal court Monday to a charge of petit larceny, arising from the theft of a pair of rubbers from a local store. He paid a fine of $15 and $3 costs.

MONTEVIDEO MAN HEADS LOCAL FARM SECURITY OFFICE

John Towler Succeeds Burton Olson as District Supervisor

With an increase from ten to twelve counties of the area served by the Thief River Falls office of the Farm Security administration, announcement was made Wednesday that John E. Towler of Montevideo is the new district supervisor here, succeeding Burton E. Olson.

Mr. Towler, who has served for the past five years as district supervisor for the agency in Montevideo, will bring his family to Thief River Falls later in the year.

Mr. Olson, in charge of the local office the past six and one-half years, has been transferred to Roseau, where he will direct farm security affairs in Roseau county. He and Mrs. Olson have made many friends during their residence here who will regret their departure.

Norman and Mahnomen counties are the new counties to be served from the office in this city.

Polk County Man Jailed for Evading Draft Law

Because he failed to register for the draft before the deadline, William Kucera, 33, Tabor township farmer in Polk county, must spend the next eight months in jail and pay a $200 fine. Kucera, who also failed to appear in federal court as he had promised, and attempted to strike a U. S. marshal, was sentenced in Fergus Falls Friday by Federal Judge Robert Bell.

NEWFOLDEN MAN FINED FOR DRUNKEN DRIVING

Hans N. Hanson of Newfolden was arrested Sunday on Atlantic av. on a charge of drunken driving. Appearing in municipal court he paid a fine of $35 and his drivers license was suspended for a period of sixty days.

SUPT. BYE REVIEWS INTRAMURAL SPORTS IN LOCAL SCHOOLS

(Continued from page 1)

4 o'clock. The junior division plays one game during the noon hour and three after dismissal time on Wednesdays, while the senior division teams play on Thursdays, one game during the noon hour, one at four and one at five.

"In addition to the intra-mural program for the junior-senior high school boys, Mr. Nelson also has charge of basketball for the boys in the elementary schools. Boys in grades 4, 5 and 6 have basketball practice periods in the Lincoln gymnasium on Saturday forenoons. A little later in the season a tournament will be arranged for them which will give an opportunity for all the boys who are coming out for practice to play on a team. This will mean that each school will have two teams.

"Besides the twenty teams in the junior-senior high school intra-mural divisions and the six teams in the elementary, we have an F. F. A. team, a senior class team, and the high school first and second teams, making a total of thirty boys' basketball teams. Every boy from the fourth grade through the twelfth who wants to play basketball is on some team and thirty teams make this opportunity available for 300 boys. There are exactly 278 who are participating at the present time.

"Junior-senior high school boys interested in gymnastics have opportunity to practice on Friday afternoons and elementary school boys have a period for tumbling practice on Saturday afternoons. There are 54 junior-senior high school boys taking this special gymnastics training and 22 grade school boys coming for tumbling.

"The recreation program arranged in the Lincoln school during the noon hour especially for those who ride to school in buses includes basketball, volleyball, badminton, and gymnastics in the new gymnasium under the direction of Mr. Nelson and shuffleboard and ping pong in the old gymnasium under the direction of Miss Berntsen. Opportunity is provided in this way for approximately 100 students to participate at one time. Since there are about 250 students taking their lunches in the building, less than half can play at one time, but by taking turns all who want to do get a chance to participate in some activity part of each noon hour.

"All girls in the junior-senior high school who wish to participate in some athletic activity in after-school hours have opportunity to do so under the direction of Miss Berntsen. Her program, as it functions at the present time, provides for tumbling and 7th and 8th grade girls basketball on Monday afternoons, basketball on Wednesday and Thursday afternoons, and tumbling on Saturday afternoons.

"Outside of basketball for the boys in grades 4, 5 and 6, the chief after-school athletic activity provided for elementary school children is skating. There is an outdoor rink at each elementary school with supervision by a WPA recreational worker from 3 to 6 on school day afternoons, from 9 a. m. to noon and 1 p. m. to 6 p. m. on Saturdays, and from 1 to 5 on Sunday afternoons. As a climax to the skating activity an elementary school skating meet is planned to be held in the skating arena the latter part of February. In preparation for this skating meet the elementary school children have the use of the skating arena from 4 to 6 on Friday afternoons to practice their various skating races under the direction of Miss Berntsen.

"The statement often made concerning athletics that physical activity is over emphasized for a few and neglected for the many is not true concerning Thief River Falls. Our athletic program does reach the mass of the student body. While the intra-mural program does not reach every student it does reach all who are interested. We believe that this program is making valuable contribution toward the physical development of the students through the exercise tah is provided. The fact this exercise is derived from playing games thus making it enjoyable would seem to add to rather than to detract from its value.

"To be sure, the boys on the basketball squad made up of the first and second teams get more training than the boys on the intramural teams but not at the expense of the latter. As our program is organized the team that represents the whole high school is recruited from the intra-mural teams and for that reason sets the standard of play for the other students, arouses their ambition, and kindles their enthusiasm so that they enter into their own games with more zeal and zest."

PICKS PANSY BLOOMS ON CHRISTMAS DAY

Mahnomen—While most of the state has been buried in snow repeatedly and been obliged to "dig out" several times since the memorable Armistice blizzard, Mahnomen county seems to be enjoying balmy winter weather. At any rate, so attests Miss Alice Runger of Waubun who picked pansies in front of her home on December 25. No attempt had been made to protect the plants.

UNION LOCAL OF FARMERS UNION TO MEET FRIDAY

The Union local of the Farmers Union will meet Friday evening, January 17, at 8 o'clock in the school house in District 94, it was announced today.

RECREATION HIGHLIGHTS

The recreation program is sponsored by the city council in cooperation with Works Projects Administration recreation leaders.

Business and Professional Mens' Recreation

Business and professional men had a great time at the high school gym Tuesday night. Basketball, volleyball, and badminton took up most of their time as they ironed out the wrinkles of their little-exercised anatomy. "Chet" Nelson, instructor was on hand to lead the workout. Several faculty members were also on hand to make up the largest total of participants yet registered. Others are welcome to take part. As soon as enough are enrolled, a volley-ball league will be organized.

Puppetry

A show will be staged this afternoon in the arena puppet theatre starting at 4:20 o'clock. Last week's show drew a large and appreciative audience.

Triple L'S Club

The local girl's recreation club met last Monday in the arena for a skating party. All members were treated to ice cream during the skating party. A business meeting was held at which time it was decided by club members to take over the publication of the recreation paper, "Recreation News". Editor and assistant editor will be appointed during the week.

Craft Shop

A number of adults have started to use the shop. This increase in adult participation is encouraging. There is still room for a lot more. Children still come in large numbers, but with two craft leaders available, many more can be handled. Everyone is invited to make use of the facilities in the shop. People are invited to inspect the shop at any time. In fact, parents are invited to watch their children at work.

Handicraft

With Miss Lucille Thomas guiding the handicraft efforts of a number of children, this new part of the program is very successful. Many novel ideas are brought into the handicraft classes by children. These ideas turn into things of material value after a little work.

Miscellaneous

Tobogganing, basketball, skating, hockey, various games in the arena upstairs are a few of the activities made available by local recreation officials. Let's have more participation and keep the recreation program moving.

The argument over our country's foreign policy is getting down to the name calling stage in Washington, and that is unfortunate, although perhaps unavoidable. Now is the time to do the arguing, however. Later on, when we have become definitely committed to following one course, then it will be too late to argue over whether or not that course is the right one. The majority will have to decide and the majority probably will decide to go along with the President.

Unorganized agriculture has been at a disadvantage in this country for many years and the present tendency to boost industrial production costs is not helping the farmer. The government, which has assumed responsibility for the regulation of everything in the country, will either have to lay a hard hand on some of the labor racketeering organizations or we are headed for internal difficulties that will be more trying than the world problems with which we are now confronted. The question of wages and working hours is not one in which only labor and capital are interested. The consumer also has an interest, especially when wage questions are solved by adding to production costs to the extent that consumer costs go up. The farmer is both a producer and a consumer. If the farmer were able to increase the market price of the things he has to sell as the costs increase for the things he must buy, then he could do as business management does, pass the increased costs along to the next fellow. But the farmer cannot do that and so, at the present time, the farmer is the fellow who is holding the bag.

According to the way some people figure it, we are now half way through the winter from the standpoint of fuel costs. The sun is already nearly a month along on its journey back north and the days are getting noticeably longer, but the next six weeks, if they are normal, will bring us the coldest weather of the year. We know the next six weeks will pass quickly however because we have a note coming due on the first of March.

Governor Stassen is recommending increases in the taxes on iron ore so that the state can cash in on the increased business resulting from war orders. We do not know much about iron ore taxation and could not argue that the taxes now imposed are either too high or too low. It seems to be generally admitted, however, that the present tax structure makes it practically impossible to take out the low grade deposits with the result that only high grade ores are being mined. Under the circumstances it would seem that the wise thing to do would be to rearrange the tax structure with the view of encouraging the mining of low grade ores, of which the state has a practically inexhaustible supply. To impose additional taxes merely because the present emergency makes it possible to cash in on the national need is to follow the example of labor racketeers who are now gouging the public through the defense program. The big customer in today's buying boom is the federal government and the higher defense costs go the heavier will be the tax load we will have to carry later on.

THE BATTLE OF ROQUEFORT

Lud Roe of the *Montevideo News* suggests that we join with him in apologizing to the people of France for making a nasty insinuation some time ago to the effect that Minnesota is now producing a good imitation of French Roquefort cheese. Lud got himself into a peck of trouble because he reproduced our comments on the subject. He evidently was having a bad week anyway, which perhaps explains his attitude of appeasement in the conciliatory observations which appeared in his column last week. After mentioning some other personal difficulties, he plunged himself into Roquefort Cheese in the following language:

> Next we heard from a lawyer in New York City. Something appearing on our editorial page in the issue of December 5 had come to his attention, and he wrote at some length. There may even be international complications. Powerful people in France resent what was printed in this paper early in December.
>
> If we were one of those weak persons who makes puns we might be tempted to say the Frenchmen, and their New York lawyers, are prepared to stir up quite a stink about this.
>
> The offending item was about cheese.
>
> The New York lawyers in their Fourth Avenue offices sniffed something unfair to the cheese makers of a famous French village. As attorneys for the Roquefort cheese interests they noted this sentence in the item: "Right here in Minnesota a good imitation of the French Roquefort is being turned out, the processing being done in caves along the Mississippi river."
>
> They then explain, and we now pass the news along to all other far-and-wide readers, that court decisions in this country define "Roquefort cheese" as a product made of whole sheep's milk and cured in the caves of Roquefort, France. The Minnesota product, they add, is made of cow's milk and very patently not cured in Roquefort. Therefore, the name Roquefort can not be applied to it.
>
> The lawyers press the point: "The designation that you give to this domestic product causes apprehension in the minds of your readers, and leaves open a possibility of the defrauding of the public by the retailer in the sale of this domestic product as and for Roquefort cheese."
>
> They suggest a corrective statement. Glad to oblige, and hope Bill Dahlquist of the Thief River Falls Times does the same—we got that cheesy item from his paper.
>
> Notice that Commercial West, in December had a picture of sandstone caves at St. Paul, with a caption that had these words: "racks like curing Roquefort-type cheese." We await their comment, too.
>
> The Roquefort people sent us legal documents showing that Frenchmen are prepared to fight for their cheese rights.
>
> In a Connecticut action the complaint is "Societe Anonyme des Caves et des Producteurs Reunis de Roquefort."
>
> In a New York action the plaintiffs are "Antoline Co., Inc., and Societe Anonyme Civile de Producteurs de Fromage de Roquefort."
>
> For such determined defenders of fromage de roquefort we have only the best of wishes, and announce that they make the only cheese entitled to that historic name. We add the wish that they had been as persistent in defending their country as they are in upholding its cheese.
>
> In an old book we find more information about Roquefort cheese. Too long to quote in full, but here are some pungent extracts:
>
> "After this cheese is made it is put in solitary confinement until its whiskers begin to turn gray and gangrene sets in, when it is taken out and chained to a post. Before it is served it is chloroformed or knocked in the head with an ax . . . Roquefort cheese is a dull white color, except in spots, where mortification has set in. Some claim it is inhabited, but this is not true. Even the intrepid and mephitic microbe flees from it as we flee a pestilence. We have seen Limburger cheese strong enough to shoulder a two-bushel sack of wheat, but a piece of Roquefort the size of a dice can carry an election."

We have nothing to add to Mr. Roe's statement except to point out that our original comment, in which we stated Minnesota produces a good imitation of the French product, was made only after the most exhaustive and painstaking studies of the question conducted in our own research laboratories. Our chief researcher, when confronted with the possibility that his work in cheese might lead to serious international complications, stated in his simple and forthright manner that as far as Roquefort cheese is concerned he didn't care a hoot if he had stuck his foot into it and he was glad to wash his hands of the whole mess.

PUBLIC OPINION

Pennington County Board of Commissioners
Court House,
Thief River Falls, Minn.

Gentlemen:

The Pennington County Taxpayers Association on December 18, 1940 adopted a resolution requesting the Board of Commissioners to study ways and means fo establishing a program for the general reduction of the bonded indebtedness of Pennington County. In that resolution your attention was called to the fact that on January 1, 1935 the bonded indebtedness was $538,500 and that over a period of 5 years the bonded indebtedness increased by $74,500 to the sum of $613,000. At a recent meeting of your board several of your members challenged the correctness of those figures.

A re-examination of the financial statements of Pennington County has been made by this association. We find that over said 5 year period of time there was in fact an increase of $74,500 in the bonded indebtedness of Pennington County. The statements contained in the resolution of December 18th were true and correct.

It can be stated however, and we are glad to acknowledge the fact, that during said 5 year period there was a reduction in the outstanding warrants issued by Pennington County. On January 1, 1935, warrants outstanding amounted to $117,152.78. On January 1, 1940 warrants outstanding amounted to only $5,626.58, showing a reduction of $111,526.17 in the amount of outstanding warrants. The reduction in the amount of outstanding warrants more than offset the increase in the bonded indebtedness. We are informed that the increase of the bonded indebtedness was occasioned by bond issues to pay off the greater portion of the outstanding warrants. Since the outstanding warrants were drawing interest at the rate of 6 per cent per annum and the bonds issued at 4¼ per cent, a saving of 1¾ per cent on interest charges was made by the Pennington County Board.

Reciting the increase of the bonded indebtedness of Pennington County and the reduction in the amount of warrants outstanding, does not give a complete picture of the financial condition of Pennington County. Cash on hand at the beginning and the end of said 5 year period, bills payable and receivable at the beginning and end of said period, capital assets at the beginning and end of said period, and many other items would have to be audited in order to get a true picture of the financial condition of the county.

While the county board is to be commended for its elimination of the large number of warrants outstanding during the past 6 years, we again urge upon you the adoption of a program for a reduction of the bonded indebtedness of the county, and we renew our offer to whatever aid and counsel we might be asked to give, by way of cooperation, in working out a plan which will permit a reduction of the bonded indebtedness of the county without injury to the best interest and welfare of the general public.

Emphasis must be given to the fact that if the present rate of reduction based on the last ten years of the indebtedness of Pennington County as represented by both bonds and warrants outstanding is not accelerated, it will take over 65 years to liquidate the $618,000 indebtedness as of January 1, 1940. On the basis of reducing of county indebtedness in the past five years it will require 83 years to retire the present bond and warrant indebtedness.

It won't irk us, for one, if the net effect of that squabble between the composers and broadcasting stations is to keep some swing music off the air.

This is supposed to be National Thrift Week. Better observe it by setting aside a few dollars to meet coming tax bills.

One way of avoiding getting stiff in the joints, we are advised, is not to drink in them.

Members of the state legislature draw $1,000 salary for two year's work. It might be advantageous to have half as many members and pay them twice as much.

That Minneapolis Tribune last week gave a four-column headline to Crookston's victory over the Thief River Falls hockey team, and a one-column head to the locals' defeat of Crookston, which followed two days later. The papers, it seem, always play up the unusual.

Good advice to motorists: Slow down before you become a statistic.

Minnesota citizens are apt to get cross-eyed trying to watch the deliberations of Congress and the state legislature at the same time.

Cedric Adams, Minneapolis columnist, should get a lot of support for his drive to ban the sale of fireworks in Minnesota.

Folks who turn on their radio full tilt should bear in mind that a St. Paul man who did was shot by a neighbor recently.

Mussolini, says the Minneota Mascot, is the first of the Caesars to become a bust in his lifetime.

Looking Backward

1931—TEN YEARS AGO

J. S. Roy succeeded Andrew Ness as chairman of the county board.—Ed Aubol was elected president of the Bray Mutual Fire Insurance company at its annual meeting in St. Hilaire.—J. H. Hardisty, retiring Soo conductor, was honored at a banquet attended by 140 associates.—Julien Provencher took charge of unemployment relief work in the city on a dollar-a-year basis.—R. J. Lund and H. E. Dahlen attended a Minneapolis meeting of fair board members.—Mrs. Jessie Battenfeld was installed as head of the Rebekah lodge.—A. B. Stenberg transacted business in Minneapolis.—Alf Berry was elected president of the Thief River Rifle club.

1921—TWENTY YEARS AGO

Twenty-one members of the local Property Owners association went on record as opposing the city paving project planned for the current year.—The Martin Benson dry goods store was damaged by fire to the extent of $2,500.—R. J. McKercher added more than 100 new names to the membership roll of the county farm bureau.—Fred Beerbower and M. T. McFarland were buying a carload of purebred Holsteins.—A. G. Gabrielson was presented with an automobile in recognition of his sales record.

Grazing Animals vs. Crops

Grazing animals can sometimes jump a fence from the pasture to the corn or grain field to forage for better food, says the Middle West Soil Improvement committee, but growing crops have to stay where they are and either thrive or starve, depending on the fertility level of the soil. Hence it is necessary for the farmer to carry the plant food to the growing crops, the same as he rations his cows with silage or concentrates. His task of aiding both his soil and his crops is being made simpler by chemical science which is providing nitrogen, phosphoric acid and potash at a cost level more in keeping with what the farmer produces than practically any other thing he buys today.

Heliophobes

It is estimated that there are 10,000,000 heliophobes (persons who burn and blister, but do not tan) in the United States.

More Punishment

Today's cars are driven faster, engines run hotter and at higher compressions, than was the case a few years ago. Octane ratings of gasoline have been raised to meet these conditions. As a result, engineers say, spark plugs not only take more punishment, but they become oxide-coated quickly. Because all oxide-coated or worn plugs waste gas, cause hard starting and loss of power, the spark plug manufacturers and automobile engineers advocate the cleaning of spark plugs at least twice a year or every 5,000 miles of driving. In recent years, some 20,000 car dealers and service stations have installed spark plug cleaners.

Burglar Trapped in Store Calls Police for Help

An 18-year-old burglar had little trouble breaking into a Ballard store near Seattle this week.

But he had to call on police to release him from the premises, it was revealed.

The ordinary routine of business at the Ballard precinct station was disturbed early the other morning by a strange telephone call.

"Hello," said an excited youth. "Let me out of here!"

"Out of where?" asked the operator.

"Out of the Penney store at 2202 Market street. I'm a burglar. I broke in, but can't get out."

Sergeant W. S. White and Patrolmen D. W. Wymore and S. C. Stearns obligingly aroused the store's manager and accompanied him to the store. The manager, Fred Stroh, unlocked the door. The policemen took the youth to the city jail.

In his confession to Detective Capt. C. V. Dailey and Lieut. G. R. Murphy, the youth, Jack C. Lorin, said:

"I figured the store would be a good place to prowl and got some wire from a building. Then I climbed up to the roof of the building from the roof of a show.

"I took some glass out of the skylight and fastened the wire on a plank and slid down the wire to the store. I burned my hands on the wire, but got down all right.

"First thing off I tried on some shoes, but they didn't fit me. I went to the cashier's cage and took about $10. I decided to beat it. But the wire was too slippery. I tried and tried, but couldn't climb up to it.

"I went for the back door, but it was barricaded and locked. The only way out was to smash a front door window. If I did that, though, the cops would hear it and probably shoot me as I came out.

"So I returned the money to the cashier's cage and telephoned police to come and get me out."

Geologists Study Alaska For Possible Tin Mines

A four-year search for tin mining possibilities in Alaska by the United States geological survey is now in its second year. The investigation is being made by Dr. J. B. Mertie, G. H. Cronin and R. R. Coates.

The party is prospecting for tin in the regions of the York and Kanoka mountains and prove a reported lode property in the Lost river area this year.

Last year Dr. Mertie and a small party covered the extreme western portion of the Seward peninsula, including the areas in the vicinity of Tin City, Cape Prince of Wales and Potato mountain.

Alaskan concentrates are said to contain a higher percentage of tin per ton than any other known concentrates. Nine white men and a small band of cliff dwelling Eskimos comprise the only company producing tin concentrates in America today, it is claimed.

On the westernmost tip of Alaska, using Ear mountain and Lost river as a base and Cape Prince of Wales as an apex, there is a triangle of treeless rolling tundra known to contain tin.

Cassarite, or stream tin, was discovered in this area as far back as 1900 when A. H. Brooks, a federal geologist, advised miners the heavy concentrate in their riffles contained tin.

Later the York Dredging company and the American Tin Mining company installed dredges on Buck creek, taking out more than 1,000 tons of concentrate, 60 per cent pure tin.

Girls Bareheaded Until Married

In Hungary, girls go bareheaded until they are married, and from that day on, they are never again seen with uncovered heads, according to Averil Mackenzie-Grieve, in the Hungarian Quarterly, published by the Columbia University Press.

There is a strange popular belief in that country, which attributes a secret power to a woman's hair to cast an evil spell on herself and on her surroundings. Headgear is the most important indication of a woman's status, with women in one Hungarian district wearing eight different heads from the day of their wedding, onwards, each with its particular significance.

Appendicitis

Appendicitis each year kills some 20,000 Americans; some doctors say that this toll could be cut in half if people did not take laxatives when they feel pains in the stomach.

China Firecrackers

In 1938, China shipped more than $300,000 worth of fire-crackers to the United States.

New Chemical Compounds For 1939 Reach 25,000

Organic chemistry of the world made approximately 25,000 new chemical compounds in 1939, an increase of about 4 per cent, says a report by the American Chemical society. Biochemistry, closely allied to the organic field, basis of major advances in modern industry, registered an increase in activity of 5 per cent.

These gains were accomplished in the face of a general falling off of about one-half of 1 per cent in the published results of chemical research owing to war conditions in Europe, it is explained by Prof. E. J. Crane of Ohio State university, as editor of Chemical Abstract, in which the findings of the society's international science reporting system assembled.

"Analysis of the statistics indicates America's growing leadership in chemical research," the professor points out. "In the chemical age in which we now live the remarkable element carbon, as manipulated by the hands of an increasing number of organic chemists, is tending to dominate both industrial and theoretical chemical research," Professor Crane declares. "We can be thankful that the dominance of prolific King Carbon and his army of hundreds of thousands of compounds is principally beneficent."

"The interesting tendency of the compounds of this single element to assume a commanding position in chemical investigations has been particularly notable in the United States."

Owl Not Intelligent Bird I.Q. Test Reveals

From ancient Greek coins to modern fairy tales Judge Owl has maintained a tradition of wisdom, skillfully hiding behind unblinking round eyes his meager I. Q. In truth he is astonishingly near to being a bird moron. This champion bluffer's score on an intelligence test of what-every-bird-should-know would be shocking.

Mr. Owl does not know how to build his own nest. He does not know what to eat. He does not know how to attack his prey. He does not know how to make love.

The owl lives in the deserted homes of "gophers," prairie dogs, squirrels, and woodpeckers. Sometimes he shares his apartment with 'possums and rattlesnakes. In the South a few rent from alligators. Occasionally he crowds himself into man-made bird houses whose green roofs and white porches appeal to his desire for city conveniences. But, alas, although his friends are many among man and animals, he is a social outcast in birddom. Perhaps it is because of his B. O. (bird odor) and even his best friends won't tell him.

An owl eats everything, and later regrets it. If he captures a fat mouse he will bolt it down in as large bites as possible and as fast as possible, bones, hair and all. After he returns to the nest indigestion sets in, and the bones and hair are disgorged in the form of pellets. These pellets, often feathers, line the nest or fall to the ground below.

Limiting Crops

Great Britain's agricultural department is limiting such crops as flowers and herbs on small truck farms to devote the land to food production.

Superstitions Still Prevail

Public schools have failed to correct beliefs rooted in superstition, according to a study made at the Pennsylvania State college by Ray A. Kurtz under the supervision of Dr. C. C. Peters, director of research.

Kurtz compared the knowledge of 42 adult farmers with that of 56 future farmers enrolled in agricultural schools, he said:

"In 22 questions based on superstitions, agricultural students' answers were wrong just as often as those of the farmers. Of all the questions in the test, nine of the 16 most frequently missed were based on superstition."

About two-thirds of both groups still believed no one should eat ice cream and fish together, the results showed.

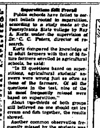
Another common observation frequently missed by the students was the statement that strong drink makes one warm. Farmers were less often fooled by that one.

STOCK MARKET

"Do you think steel stocks will go up or down if the war continues?"

"Yes, I think they will. They rarely stand still, and they can't go sidewise."

WOULD DYE, OF COURSE



She (passionately) — Would you die for me?

He (eagerly)—Of course, I would —what shade do you prefer?

Milker's Nodules

Dr. Frederick T. Becker of Duluth, Minn., reported studies of four cases of milker's nodules, an occupational disease of persons who milk cows. He determined that the disease, which consisted of small swellings on the hands, came from sores on the cows' udders. He further found that the germ concerned was not cowpox, bovine form of smallpox, that the nodules were easily cured in four to six weeks and produced only slight pain and mild itching, and that one attack immunized the milker against the disease.

Electro-Magnetic

The electro-magnetic methods are perhaps the most popular of the various means used today for locating ore.

DEAD OR ALIVE

"What does George see in Hazel? She's a dead one."

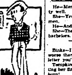
"Well, George has made up his mind to get her, dead or alive."

SNAPPY ANSWER

Tom—If you were to choose between Freddie and me, whom would you marry?

Helen—Jack.

HIS LIMIT



"Do you like the Gregorian chants?"

"No! I play the ponies now and then, but that's as far as I go with these games of chance."

MIGHT COME ACROSS

Dentist—I hear you're paying your bills—do you expect to reach me?

Former Patient—If I can make up my mind to trust this burn bridge I get you to make I may come across.

HELPFUL!

A barrister objected to one of his witnesses being asked a certain question.

"Where were you between nine and nine-thirty on the morning of January 14?" asked prosecuting counsel.

"I object," interjected counsel for the defense.

"Let him ask me," cried the witness, excitedly.

They wrangled for a time over the relevancy of the question, and the case droned on. Presently the prosecution returned to the same question, and the defense objected.

"Let him ask me! Let him ask me!" cried the witness, wildly.

Finally the nine to nine-thirty question was mentioned for the third time. Whereupon the witness went into a frenzy in his insistence that he be allowed to answer.

The court stepped into the breach and ruled that the question was material.

"Where were you between nine and nine-thirty on the morning of January 14?" demanded counsel.

"I don't remember," lisped the witness.

STRONG, WE'LL SAY

Wife—Mercy, John, but some of these highwaymen must be mighty strong!

Hubby—How so?

Wife—The paper tells of one that held up an automobile with four men in it.

Keeping It in Trim

The tenant of the new house was complaining to his landlord about its condition.

"It's disgraceful!" he stormed. "Why, there's grass coming up through the floor boards in the drawing-room!"

"Oh, we'll fix that," said the landlord. "I'll send a man 'round with a lawn mower."

Generous

"Son, why don't you play circus? It's great fun. First you make a sawdust ring."

"But where would I get the sawdust, dad?"

"Here's the saw. Just cut some of the firewood into fireplace lengths. And you can have all the sawdust you make."

A Few

"Hullo, old man! How you've changed! What's making you look so old?"

"Trying to keep young," was the reply.

"Trying to keep young?"

"Yes—nine of them," was the gloomy response.

AND THOSE WHO DO NOT

He—Men understand women pretty well.

She—Yes; all except two kinds of men.

He—And what are they?

She—The married men and the bachelors.

One Worse

Binks—I don't know anything worse than letting your wife find a letter you've forgotten to mail.

Tompkins—Oh, yes, there is! Letting her find one you've forgotten to burn!

Long Time

Mistress—I've asked Mr. and Mrs. Smith to dinner at seven, Mary, but I think we'll give them a quarter of an hour's grace.

Mary—Well, ma'am, I'm religious myself, but I think that's rather overdoing it!

Did His Part

"You here again?" frowned the magistrate. "I told you I didn't want to see you again."

"Your worship—I told the policeman that, but he wouldn't believe me."

Deah! Deah!

"I've not quite decided about my divorce yet."

"What's the hitch?"

"Well, there's a dispute over the custody of the Pekinese."

Increase Imports

Argentina has increased its quota for imports of American cars.

Nation's Water Problem

There are 22 federal agencies concerned in one way or another with the water problems of the nation.

ANSWER THAT ONE

Percy—Yes, although it is becoming monotonous, I turn in every night at nine o'clock sharp.

Molly—How do you manage it?

Percy—Manage what?

Molly—Why, to turn in sharp after being so dull?

AND MORE TAXES

"Do you think you'll ever be contented with your lot?"

"Not till there's a house on it, my dear."

IN THE GAME

The Hostess—You play, don't you, Mr. West? Would you care to make a four at bridge?

The Lowbrow—No, I thank you. Your husband has just now invited me to his den where I think I can make a fifty at poker.

A PERMANENT, TOO

Bess—Will you love me the same when I'm old and gray?

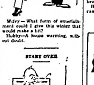
Ben—I'll buy you stuff to keep your hair from getting gray.

IN SEASON

Wifey — What form of entertainment could I give this winter that would make a hit?

Hubby—A house warming, without doubt.

START OVER



He—Science says man started from a single cell.

She—Most of 'em should be taken back to one.

Protected Plant

The rare South African welwitschia plant is protected under the game laws of that country. A culprit destroying one of these plants is liable to a fine of 500 English pounds or two years' imprisonment.

SO. ST. PAUL LIVESTOCK

(By U. S. Department of Agricultural Economics and Minnesota Department of Agriculture)

South St. Paul, Minn., Jan. 14, 1941: Rapidly mounting hog prices sent the top to $8.10, a new peak since September 1939. Lighter receipts than normal for this period of the year and continued broad demand kept values surging upward, according to the Federal State Market News Service, and accumulative gains for the week to date totaled 30-60c. Bulk good and choice 180-270 lb. barrows and gilts cashed at $8.00-8.10, while weights up to 330 lb. ranged downward to $7.70, and extreme heavies occasionally sold at $7.50. Most 140-160 lb. kinds commanded $7.00-8.00, while 160-180 lb. weights moved at $7.50-8.10. Good sows sold within a $6.50-7.00 range and feeder pigs were scarce, clearing mainly at $7.25, with a few strong weights up to $7.50.

Slaughter steers and she stock were active and stronger during the first two days of the week and gains measured generally 25c. Choice 1112 lb. steers brought $11.25 Tuesday to establish a new top in more than three years. The cattle steer crop is at a new high for the season, although bulk of the offerings here consisted of medium to good kinds at $9.00-11.00. Medium heifers bulked at $7.50-9.00, but choice offerings brought $10.00 Monday. Common and medium cows sold at $6.00-6.75, with good cows at $7.00-8.00, and canners and cutters $4.50-5.75. Bulls worked counter to the general trend, selling off 25c in extremes. Medium sausage kinds brought $6.75-7.25. Vealers were generally $1.00 higher, a few strictly choice reaching $12.50. Stockers and feeders advanced 25c, choice fleshy steers making $11.00, and choice feeders sold at $10.00-10.50.

Additional price strength of around 25c was noted Monday for fed lambs and yearlings, with the ensuing session maintaining this advance. Fed slaughter ewes, largely western shipments, scored a 50c upturn. Feeding and shearing classes responded with a sympathetic rise of at least 25c, with action confined to meager numbers. Eastern dressed lamb centers reported around steady trends Tuesday, with top sales of $[illegible] noted for good to choice carcasses under 50 lb. Good to choice native and western fed lambs cashed from $10.00-10.25, the latter price exceeding the January 1940 peak mark by an even dollar. Choice slaughter ewes scored $5.50.

ATTRACTIVE THINGS

Wife—What do you think are the most attractive features of this beautiful display?

Hubby (shortly)—The things we can do without.

SWEET LIBERTY

She—I read just now of a man who, upon being released from jail, asked to be sent back. He can't value his liberty very much.

He—I don't know about that—didn't it say he was married?

Gas Appliances Increase

Sales of gas appliances throughout the country during the first four months of 1940 were substantially in advance of sales made during the same 1939 period, according to reports received by the Association of Gas Appliance and Equipment Manufacturers, it was announced by C. W. Berghorn, managing director of the association. The increases in various types of gas appliances were as follows: Gas ranges, 18.2 per cent; gas-fired furnaces (house-heating equipments), 26.3 per cent, and water heaters, 13.7 per cent.

CROOKSTON DOWNS PROWLERS FOR 1ST TIME IN SIX YEARS

Locals Nosed Out by 1 Point in Nip-and-Tuck Battle Last Friday

The off-again-on-again Prowlers continue district play this week when they meet the Green Wave of East Grand Forks in an important game here tomorrow night.

For the first time in six long years a Crookston team defeated a Prowler team in a major sport when the Pirates eked out a one point win, 23 to 22, in a nip-and-tuck basketball game played at Crookston last Friday night. The Prowlers played nervous basketball, but they would have won the game if they had converted a fair percentage of their free throw attempts. The locals had 19 chances from the free throw line and connected only 6 times.

The hectic contest saw the Prowlers jump into an early lead, on Orrin Pederson's field goal, and the locals continued to hold the lead during the period, with the Prowlers having a 7 to 6 lead at the quarter's end. Both teams played cautious ball during the second period, with each team scoring but three points. Althoff's free throw and Jimmy Conner's field goal being the Prowler scorers; while Graham and Bakken counted for Crookston, to give the Prowlers a 10 to 9 lead at the half.

Led by diminutive Bill Morlan and Bill Bakken, the Pirates spurted into a 17 to 12 lead in the opening minutes of the second half. Don Berg counted a field goal and Johnny Parbst dropped in a field goal and a free throw to cut the Pirate lead to 20 to 17 at the end of the third period. Eddie Flasch marked up a free throw to open the final quarter, and then lobbed in a one-handed field goal to tie up the score at 20-all. Morlan lifted the Pirates into a one point lead with a gift toss; but Berg sifted through the Crookston defense to drop in a field goal, and to send the Prowlers into the lead, 22 to 21, with but a minute of play remaining. Graham dumped in the game-winning basket for the Pirates when he counted on a close-in shot. Orrin Pederson was fouled, with but 20 seconds of play in the game, but the free throw attempt was wild.

Don Berg, at forward, and Johnny Parbst, at guard, played the most effective games for the Prowlers; while the Pirates were sparked by a fine play of Morlan and Bakken.

In a preliminary game the Pirate 'B' team trounced the local 'B' team, 37 to 7, holding the disorganized locals without a field goal.

'Promising Results'

A mixture of venoms from the coral snake and the common cottonmouth water moccasin has produced "promising results" in relieving pain from cancer and epilepsy spasms. Description of the treatment has been made public by Dr. Eugene Maier, laboratory director for the Florida Medical center, Venice, Fla.

Teel Made the "Save" When the Camera Clicked on This One

Pictured above is another score that Thief River Falls didn't get in the game with Grafton here Sunday. It looked like a cinch. Brazier, left, passed to McMillan or Beverly, in front of the net, but defenseman Teel, coming in fast, intercepted with a long reach. There was lots of action in the game Sunday but the Thieves came out on the short end of the score. The Thieves play the Crookston Pirates here tonight.

Crookston Pirates to Play Thieves Tonight

The Crookston Pirates here tonight, and the Fargo-Moorhead Comets here on Sunday. That's the attractive program that is on the schedule for local hockey fans this week. After a slow start the Crookston club is now one of the league's most dangerous teams, and Tuesday night they trounced the Grafton Millionaires 5 to 2. Fargo is reported to have signed a number of Virginia players to their team, the Iron Range team having been disbanded; and too, it will be interesting to watch young Earl Tripp perform in the Fargo nets.

The Thieves continue to set the pace in the States-Dominion hockey league, winning two games during the week while dropping a decision to Grafton.

Playing at Grafton last Thursday night the locals, with Jimmy Bronson putting on another of his fine performances in the nets, defeated the Millionaires by a 5 to 2 score. Frank Gustafson and Bill Gray counted for the Thieves in the first period, to give the locals a lead. Gordy Teel marked up Grafton's first tally in the second period; but Eddie McMillan lifted the puck into the net to give the locals a two goal lead. Ted Prock for Grafton, and Frank Gustafson for the Thieves, tallied just as the period ended. The final period saw Grafton playing power hockey, with Bronson forced to make 26 stops in the period, allowing only Nick Shuck to score. Joe Poplel, on an assist from Eddie McMillan, marked up the Thieves final goal.

A smooth-passing and fast-skating Grafton club, playing here on Sunday before the season's largest crowd, outplayed the Thieves to win a 5 to 2 decision. Scoring for the Millionaires was done by Lorry Smith, Bill Sutherland, Eddie Beaulieu, and Jack McVicar, with Beaulieu getting two tallies. George Beverly and Frank Gustafson were the goal-getters for the locals, with Beverly scoring on a solo rush, and Gustafson taking a pass from Brazier to make his counter.

The Thieves out-played the Fargo-Moorhead club to win an easy 4 to 1 game, played at Fargo last Tuesday night. Eddie McMillan, on a pass from Bill Gray, registered the first goal for the Thieves in the opening period. Paul Kornek and Denny Brazier chalked up goals in the second period, while Nehring was counting the lone tally for Fargo. The Frank Gustafson and Eddie McMillan combination scored the games final tally, with Frank getting the goal on an assist from 'Eddie.

Hallock School Sextet to Play Hornets Here Saturday Night at 7:30

Walt DePaul's Hallock high school hockey team will play the Thief River Falls Hornets at the local arena Saturday evening, January 18. The contest will get under way at 7:30 Following Saturday's game the next opponent for the Hornets is expected to be the strong Warroad high school team, which recently defeated Baudette, the first game to be lost by Baudette in four years. The date has tentatively been set for Saturday, January 25.

LOCAL JUNIOR SIX DOWNS McINTOSH SATURDAY 14 TO 4

Lloyd Johnson Paces Locals with Six Goals and Two Assists

Led by their high-scoring line—Lloyd Johnson, Don Waag, and Mouse Efteland—the Hornets junior hockey team easily defeated the McIntosh junior team 14 to 4 in a game played in the local arena last Saturday night. Lloyd Johnson, center, paced the Hornets in the scoring, marking up six goals and two assists.

Labe Safro, Game Warden from Warren, Entertains County Sportsmen's Club

Labe Safro, game warden stationed at Warren, supplied the entertainment program at the January session of the Pennington County Sportsmen's club Tuesday evening of last week. In addition to showing movies of boxing as well as of the last national American Legion convention, Mr. Safro also gave an exhibition of bag punching, at which he is an expert. In its business session the club went on record in favor of changes in the conservation laws recommended recently by the executive board of the Northwestern Minnesota Association of Conservation Clubs.

Albert Swanson Again Heads T. R. Rifle Club

Albert Swanson was reelected president of the Thief River Rifle club at its annual meeting held Saturday evening in the Palm Garden cafe, and Herb Jung was reelected executive officer. Others named were Walter Gibson, vice president; Howard Hoel, secretary; and O. M. Bishop, treasurer.

The members enjoyed a fine lunch and motion pictures of rifle tournaments held here and at Fort Ripley, showing local shooters participating, also pictures of local club members on hunting trips.

Independent Quint Wins Plummer Tilt 47 to 27

Playing at Plummer Tuesday night, the Thief River Falls Independent basketball team trounced the Plummer quintet 47 to 27. Furuseth and Hellquist set the scoring pace for the locals, accounting respectively for 16 and 14 points, while Nicholson scored seven, Zimmerman six and Lee four. Karlstad starred for Plummer, scoring 11 points. Each team made only one successful free throw.

A New Record

That single game record of the Pepsi-Cola bowling team wasn't very long-lived, for last Thursday night a red-hot team of J & B Drugs rolled a 1030 single game, to break the previous record by 9 pins. In their record-breaking game the J & B's marked up 31 strikes, 14 spares, 3 splits, and 5 blows. Pilot John Langseth had a 183 total, with 4 strikes; Lenny Carlson piled up a 243 total, getting 2 blows and 9 strikes, opening his game with a blow, and then racking up 4 strikes in a row, another blow, and then getting a string of 5 strikes; Clarence Offerdahl scored a 180 total, and had 4 strikes; Carlo Columbo totaled a 210, getting 5 strikes; and anchorman Sammy Berg rolled a 214, also getting 9 strikes, but his strikes were broken up by a split and a blow.

And what added insult to the injury that was done the Pepsi-Colas was the fact that Merle Carlson, pilot of the previous record holders, marked the score for this recordbreaking game of the J & B's.

The Dance Man

Have you watched Bud Kelly put on his dance performance when he bowls? When Bud's ball hits the pins, and especially when he thinks that he has a strike hit coming up, he goes into an intricate little dance routine. Gypsy Rose Kelly, he's being called these days.

City Basketball League

The city basketball league began play on its schedule last week and Duane Battelson, who is in charge of the program, is doing a fine job in keeping the boys under control, so that they are getting fun and exercise out of the games without too much rough-house.

There are seven teams in the league— Soo Cafe, Bjorkmans, NYA, J. & B. Drugs, Hartz, Oen's and DeMolay. And judging by the first few games I'd say that the Soo Cafe team, with Lenny Helquist, Don Olson, Arnie Karlstad, Jese DuChamp, Phil Prichard, and Gordy Zimmerman, on its roster, will be the club to beat for the championship. I realize that I'm putting a jinx on the boys by predicting a title for them (my predictions, all of them, have a tendency to turn sour), but they look like the class of the league.

And the Soo Cafe boys are taking their basketball seriously, for it is reported that two of the players, Lenny Helquist and Jesse DuChamp, are conditioning themselves by doing road work, with Phil Prichard being their supervisor.

Let's Not Lose Our Perspective

Crookston's Town Crier surely worked himself into a high state of bliss over the one-point win, 23 to 22, that the Pirates scored over the Prowlers last Friday night. Among other things, he said: "Our guess was that Willie Morlan was too fast for Flasch, Thief River's pivot man and he certainly was. He made Flasch look like a beginner and the entire Prowler offense is built around him. With the Prowlers it is a case of 'get the ball and look for Flasch.' From what we saw last night we'd take one Berg for a dime's worth of Flasches on anybody's basketball team."

After all last Friday's game was between two high school basketball teams, and it serves no good purpose to use one team and one player to belittle another team and another player. These kids are only youngsters and they are out there playing the game to the best of their ability.

Well, there is such a thing as being a good loser; but there's also such a thing as being a gracious winner—and I wonder about the Town Crier.

Let's Give Earl a Big Hand

Earl 'Shorty' Tripp, playing for the Fargo-Moorhead Comets, will be here Sunday, when the Comets play the Thieves, and all the local hockey fans should be on hand to give Shorty a big cheer when he comes on the ice. From all reports Earl is playing a bang-up game in the Fargo nets, being considered one of the neatest goalies in the league.

The Comets, by the way, will be strengthened considerably for their game here Sunday, for a number of players from the disbanded Virginia team on the Iron Range will be in the line-up.

And don't forget the game here tonight with the Crookston Pirates!

MUNICIPALITIES LEAGUE SUGGESTS CHANGES IN LAWS

Supports Municipal Local Option in Dry Counties of State

Legislative proposals affecting municipal government in Minnesota were officially presented to the governor and the legislature Tuesday by the League of Minnesota municipalities. This program contains eighteen proposals which have been studied by various committees of the league and approved at a legislative conference held on December 6.

The league is asking the legislature to resubmit the constitutional amendment relating to publication requirements for home rule charter amendments. This amendment would have carried when it was before the electorate last November if it had not been for a special situation in St. Paul and Duluth involving voting machine difficulties. The aim of the amendment is to encourage local self-government in home rule charter cities.

The league is joining with other organizations in sponsoring a state-wide fireworks law which will prohibit the sale and use of fireworks except in licensed displays.

For better liquor control the league requests municipal local option for municipal liquor stores in the so-called "dry" counties and the option of municipal stores in third class cities in the "wet' counties. An extension of the off-sale liquor hours is requested for municipalities other than first class cities.

To protect municipal revenues, the league expresses opposition to an over-all property tax limitation and requests a mandatory share in the proceeds of the gasoline tax. Gasoline tax moneys, if shared with municipalities, are to be used for street purposes. In connection with this proposal the restoration of the four-cent gas tax rate is endorsed.

The state safety councils proposed amendments to the drivers license law and the strengthening of the safety responsibility act are endorsed.

Plans for Suicide

Stealing an airplane after a girl jilted him at a dance, young Heinz A. Glogauer took off from an airport at Kimberly, South Africa, and killed himself by crashing the machine at full speed.

QUIET MAINTAINED NEW YEARS EVE FOR ILL WOMAN

Ellsworth—For the first time in more than 25 years, church, school and City Hall bells and sirens were silent in Ellsworth as the year 1941 came in. The bell ringing was dispensed with as a praiseworthy gesture in consideration of Mrs. Thomas Wilson who lay at the point of death at her home late Tuesday afternoon. As an extra precaution, police removed fuses from the siren box lest some unknowing prankster disturb the quiet being maintained for the patient.

Age and Youth Share Brunt of Pedestrian Death Toll for 1940

The very young and persons of advanced age comprised more than 60% of Minnesota's pedestrian traffic deaths during 1940, according to accident studies of the Traffic and safety division of the state highway department.

Out of 573 traffic fatalities reported for the year in the state, 189 were pedestrians. And of this latter total 39 were under 15 years of age and 75 were 65 years of age or older. This means that 33% of the state's traffic death toll were pedestrians, and 60% of these pedestrian deaths took the lives of either children or persons of advanced age.

Although the 1940 traffic fatalities thus far reported were three less than the total for the year 1939, last year's pedestrian deaths were 9 above those of the previous year. The increase was confined to the two extreme age groups.

Deaths to children under 15 years of age increased 13, from 26 fatalities in 1939 to 39 in 1940. The same increase was noted in the group 65 years old or over, from 62 in 1939 to 75 in 1940. The increase of 26 pedestrian fatalities in these two groups was partially offset by the fact that 13 fewer deaths occurred in the age group from 45 to 64 years and 2 less in each of the age groups from 15 to 24 and from 25 to 44 years.

Pedestrian fatalities on rural state trunk highways patrolled by the state highway patrol decreased from 46 fatalities in 1939 to 30 in 1940. The toll increased, however, on other rural highways as it did also in towns and villages up to 2,500 population.

Spectacle Glass

Because the 2,600-degree heat used to fuse spectacle glass would melt ordinary thermometers, the temperature of the glowing mass is measured by the light it gives off.

Governor Takes Oath of Office

Pledging the state's cooperation in building national defense, Governor Harold E. Stassen last week took his oath of office from Minnesota's Chief Justice Henry M. Gallagher. Governor Stassen's inaugural address to the state's legislators at the capitol on January 8th also stressed need for added social and welfare legislation and urged continued efforts towards tax savings.

NOTED SPEAKERS WILL GIVE TALKS AT VALLEY SHOWS

President of the Norwegian Parliament Will Speak February 4

Plans for the 31st annual Red River Valley Winter Shows and Northwest School Farmers' Week which will be held at Crookston, February 3-7, are now complete. According to T. M. McCall, president of the Winter Shows, the general theme of the evening meetings will be "World Affairs, in which four outstanding authorities and news analysts will bring up-to-the-minute information from Norway, South America, the Far East, and from our Nation's capitol.

In the daily educational meetings, national and state authorities will, at the men's meetings, emphasize efficiency in production in all branches of agriculture. The women's meetings will deal with the vital problems of clothing, essential food values, child welfare, and a better rural life. The rural youth problems will be general theme of the 4H club leaders' conference during the week.

An innovation this year will be a speaking program combined with the concert of the Northwestern Minnesota Singers' Association on Tuesday, February 4. Edvard Hambro, son of the president of the Norwegian Parliament, will speak on "What Happened in Norway and the Nazi Threat'. Mr. Hambro escaped Norway last summer and has firsthand information on the invasion of Norway and its meaning to the rest of the world. T. W. Thorson, director of the Northwestern Singers, has indicated that special music numbers in Norwegian will be dedicated to Mr. Hambro in the concert.

Ernest K. Lindley, Washington correspondent for Newsweek Magazine, and who writes under his own name in the Washington Post and leading American newspapers, will bring to the Red River Valley the American view of the world situation in an address "America's Place in the World", on Wednesday evening, February 5.

Julian Bryan of New York, who has just completed a study of conditions in our South American Republics, will speak on Thursday evening, February 6, on the subject "Will South America Go Nazi or Join With the United States?". Mr. Bryan will show late motion pictures of subversive groups in South America.

Wilfred Laurier Husband of New York will give the concluding address of the week on Friday evening, February 7, when he will speak on the subject "What Next in the Far East?". Mr. Husband will illustrate his lecture with motion pictures in color that were taken in late summer.

Editors Will Delve into Traffic Safety Methods at Convention Jan. 24th

Minnesota editors will participate in a symposium on methods of reducing traffic accidents in their home localities as a part of the program for their annual state convention to be held in St. Paul, January 23, 24 and 25, Paul Keith, president of the Minnesota Editorial Association, announced this week.

The round table discussion is scheduled for Friday, January 24 to provide a means for an exchange of ideas on how most effectively to carry on the localized traffic safety campaigns which newspaper publishers have initiated in hundreds of Minnesota communities since the opening of the M. E. A.'s "Save 100 Lives" campaign on September 1.

In the four months since this campaign began, 56 lives have been saved through a reduction of traffic accidents as compared to those of the corresponding period in 1939, President Keith pointed out.

Cites Difficulty of Getting Skilled Men for Defense Positions

Getting the skilled men needed for national defense jobs continues to be one of the greatest problems of the new year for the civil service commission. Thousands were appointed during 1940 but thousands more are going to be needed during the coming year at the arsenals and navy yards and in the air service.

Toolmakers, instrument makers, and machinists are especially in demand, and they are especially necessary to the National defense program. Among others also urgently needed are: aircraft instrument mechanics; aircraft mechanics; metalsmiths (aviation); coppersmiths; lens grinders; loftsmen; ordnancemen (torpedoes); shipfitters; and ironworkers (shiftfitting duty).

Those skilled in any of these trades, and wanting a government job are asked to write to or call for information at the office of the board of U. S. civil service examiners at any first or second class post office.

Truck Centers Pass Year Without Traffic Deaths

Once again the much maligned truck driver has come to the front with a traffic safety mark for ordinary motorists to shoot at. Vital statistics show that the three largest livestock trucking terminals in the state, South St. Paul, Austin and Albert Lea had not a single traffic fatality during the year just past, despite their heavy traffic volume. At South St. Paul, for examples, upwards of 180,000 truck-loads of livestock are shipped in annually and more than 20,000 truck-loads are shipped out.

STRAY CAT GROUNDS HIGH-POWER LINE

Hibbing—Perhaps desiring to participate in the "out with the old, in with the new" festivities of New Year's Eve, a stray cat caused considerable damage while adding to the general confusion when the animal climbed atop a high-power line pole, grounding the line early Wednesday morning. The power line supplied Utica which was without lights for several hours. A few radios were burned out and at least one small fire was started, while vivid blue flashes heralded in the new year at other points.

SKATES HAVE BEEN IN USE FOR 67 YEARS

Belle Plaine—Charles Hilstrom, 81, of Belle Plaine doesn't worry about slippery roads these days as he walks into town from his home as he explains that his many years of ice skating helps him keep his balance on the icy places. Mr. Hilstrom's favorite racing skates which he bought 67 years ago are still doing service and are attracting a lot of attention on Minneapolis rinks where Harold Olson is now using them.

HEALTH MEETING IS CONDUCTED AT CROOKSTON JAN. 11

Mrs. Clara Paulson and W. E. Dahlquist Appear on Program

A series of health conferences for public health nurses and educators was brought to a close in Crookston Saturday, January 11, and officers for the continuation study course for next year were elected.

Mrs. E. H. Harding of Crookston was named chairman of the course to succeed Mrs. J. F. Norman who has held that position the past two years. Mrs. Lloyd Hetland of Ada was named vice chairman and Mrs. H. B. Lane of Red Lake Falls, secretary.

The session, opening in the morning at the public library, and continuing with a noon luncheon at the Hotel Crookston, brought a cross section of views on health problems particularly as they affect the school child.

The need for thorough examinations in infancy was cited by Mrs. Clara Paulson, Thief River Falls school nurse, who gave figures on findings of a preschool clinic in this city, which indicated the existence of a large number of defects which should have been detected and corrected in infancy.

W. E. Dahlquist, editor of the Times, addressed the luncheon meeting on the use of the facilities of the public press of health education.

Farm women as well as city women are discovering the advantages of cooking by electricity.

Minnesota Wardens Now Armed with Revolvers

The department of conservation armed game wardens with .38 calibre revolvers this week. Altogether 135 repeating sidearms of the "special calibre" model were sent to wardens with leather holsters and Sam Brown belts. On order for the past two months are special game wardens uniforms. The Sam Brown belts and revolvers will be worn with the uniforms when they arrive. Inability to obtain cloth because of U. S. army priority has delayed manufacture of the uniforms.

MOUSE MEETS DEATH BY ELECTROCUTION

Chaska—There are undoubtedly millions of mouse fatalities every day but among them is one which at least has the distinction of having lost its life in a most unusual fashion, not just via the mouse trap. This particular rodent crawled into the generator of a coal and feed company truck at Chaska one night and the following morning was electrocuted when the truck started and the armature of the generator was burned out.

MINOR CRASH DEATH BLOW TO LANDMARK

Melrose—A very minor bumper collision at Melrose the other day did no damage to either car involved but proved fatal to an aging landmark which had adorned the sidewalk in front of a local drug store for 35 years. The ancient landmark was a drug post adorned at the top with a drug mortar and pestle which A. J. Zuercher, the proprietor, had erected 35 years ago and kept since in a fair state of repair.

HAS HAND-TO-HAND ENCOUNTER WITH BEAR

Bigfork—Warrel Eheler of Kennedy is alive today to tell the story of his hand to hand fight with a wounded and enraged bear which occurred on a recent hunting expedition. Before his companions could intervene and get a shot at the bear without endangering his life, Eheler was tossed about like a rag doll, and was just about as helpless. The muscles of his right arm were torn away from the bone, his right had was chewed as was his left arm, both legs and other parts of his body. One claw swipe half scalped him and several deep teeth wounds penetrated the back of his neck, but Mr. Eheler, after being literally sewed back together, is still very much alive today, and looking forward to his next hunting expedition.

CROOKSTON DOWNS PROWLERS FOR 1ST TIME IN SIX YEARS

Locals Nosed Out by 1 Point in Nip-and-Tuck Battle Last Friday

The off-again-on-again Prowlers continue district play this week when they meet the Green Wave of East Grand Forks in an important game here tomorrow night.

For the first time in six long years a Crookston team defeated a Prowler team in a major sport when the Pirates eked out a one point win, 23 to 22, in a nip-and-tuck basketball game played at Crookston last Friday night. The Prowlers played nervous basketball, but they would have won the game if they had converted a fair percentage of their free throw attempts. The locals had 19 chances from the free throw line and connected only 6 times.

The hectic contest saw the Prowlers jump into an early lead, on Orrin Pederson's field goal, and the locals continued to hold the lead during the period, with the Prowlers having a 7 to 6 lead at the quarter's end. Both teams played cautious ball during the second period, with each team scoring but three points. Althoff's free throw and Jimmy Conner's field goal being the Prowler scorers; while Graham and Bakken counted for Crookston, to give the Prowlers a 10 to 9 lead at the half.

Led by diminutive Bill Morlan and Bill Bakken, the Pirates sported into a 17 to 12 lead in the opening minutes of the second half. Don Berg counted a field goal and Johnny Parbst dropped in a field goal and a free throw to cut the Pirate lead to 20 to 17 at the end of the third period. Eddie Flasch marked up a free throw to open the final quarter, and then lobbed in a one-handed field goal to tie up the score at 20-all. Morlan lifted the Pirates into a one point lead with a gift toss; but Berg sifted through the Crookston defense to drop in a field goal, and to send the Prowlers into the lead, 22 to 21, with but a minute of play remaining. Graham dumped in the game-winning basket for the Pirates when he counted on a close-in shot. Orrin Pederson was fouled, with but 20 seconds of play in the game, but the free throw attempt was wild.

Don Berg, at forward, and Johnny Parbst, at guard, played the most effective games for the Prowlers; while the Pirates were sparked by a fine play of Morlan and Bakken.

In a preliminary game the Pirate 'B' team trounced the local 'B' team, 37 to 7, holding the disorganized locals without a field goal. The summaries:

'Promising Results'

A mixture of venoms from the coral snake and the common cottonmouth water moccasin has produced "promising results" in relieving pain from cancer and epilepsy spasms. Description of the treatment has been made public by Dr. Eugene Maier, laboratory director for the Florida Medical center, Venice, Fla.

Teel Made the "Save" When the Camera Clicked on This One

Pictured above is another score that Thief River Falls didn't get in the game with Grafton here Sunday. It looked like a cinch. Brazier, left, passed to McMillan or Beverly, in front of the net, but defenseman Teel, coming in fast, intercepted with a long reach. There was lots of action in the game Sunday but the Thieves came out on the short end of the score. The Thieves play the Crookston Pirates here tonight.

Crookston Pirates to Play Thieves Tonight

The Crookston Pirates here tonight, and the Fargo-Moorhead Comets here on Sunday. That's the attractive program that is on the schedule for local hockey fans this week. After a slow start the Crookston club is now one of the league's most dangerous teams, and Tuesday night they trounced the Grafton Millionaires 5 to 2. Fargo is reported to have signed a number of Virginia players to their team, the Iron Range team having been disbanded; and too, it will be interesting to watch young Earl Tripp perform in the Fargo nets.

The Thieves continue to set the pace in the States-Dominion hockey league, winning two games during the week while dropping a decision to Grafton.

Playing at Grafton last Thursday night the locals, with Jimmy Bronson putting on another of his fine performances in the nets, defeated the Millionaires by a 5 to 2 score. Frank Gustafson and Bill Gray counted for the Thieves in the first period, to give the locals a lead. Gordy Teel marked up Grafton's first tally in the second period; but Eddie McMillan lifted the puck into the net to give the locals a two goal lead. Ted Prock for Grafton, and Frank Gustafson for the Thieves, tallied just as the period ended. The final period saw Grafton playing power hockey, with Bronson forced to make 26 stops in the period, allowing only Nick Shack to score. Joe Popiel, on an assist from Eddie McMillan, marked up the Thieves final goal.

A smooth-passing and fast-skating Grafton club, playing here on Sunday before the season's largest crowd, outplayed the Thieves to win a 5 to 2 decision. Scoring for the Millionaires was done by Lorry Smith, Bill Sutherland, Eddie Beaulieu, and Jack McVicar, with Beaulieu getting two tallies. George Beverly and Frank Gustafson were the goal-getters for the locals, with Beverly scoring on a solo rush, and Gustafson taking a pass from Brazier to make his counter.

The Thieves out-played the Fargo-Moorhead club to win an easy 4 to 1 game, played at Fargo last Tuesday night. Eddie McMillan, on a pass from Bill Gray, registered the first goal for the Thieves in the opening period. Paul Kornek and Denny Brazier chalked up goals in the second period, while Nebring was counting the lone tally for Fargo. The Frank Gustafson and Eddie McMillan combination scored the games final tally, with Frank getting the goal on an assist from Eddie.

Jan. 29: Soo Cafe vs. Bjorkmans; Oen's vs. J & B Drug; NYA vs. DeMolay.

In opening games of the first round of the independent basketball league Bjorkman's knocked over J & B Drug, 28 to 22, Oen's eked out a 31 to 29 win over Hartz, and Soo Cafe chalked up a 37 to 28 victory over NYA school.

In games played Monday night in the auditorium Soo Cafe staged an offensive rampage to lick Hartz 62 to 34; Bjorkman's followed in Soo Cafe footsteps to trounce Oen's 48 to 15. In Monday's final game J & B Drug stopped DeMolay by a 24 to 21 count.

Last night's games saw the Soo Cafe defeat Oen's 36 to 24; the Bjorkman team edge out the DeMolay, 24 to 22, in the night's best game; and the Hartz nose out an improving NYA quint, 32 to 23.

Labe Safro, Game Warden from Warren, Entertains County Sportsmen's Club

Labe Safro, game warden stationed at Warren, supplied the entertainment program at the January session of the Pennington County Sportsmen's club Tuesday evening of last week. In addition to showing movies of boxing as well as of the last national American Legion convention, Mr. Safro also gave an exhibition of bag punching, at which he is an expert. In its business session the club went on record in favor of changes in the conservation laws recommended recently by the executive board of the Northwestern Minnesota Association of Conservation Clubs.

Albert Swanson Again Heads T. R. Rifle Club

Albert Swanson was reelected president of the Thief River Rifle club at its annual meeting held Saturday evening in the Palm Garden cafe, and Herb Jung was reelected executive-officer. Others named were Walter Gibson, vice president; Howard Hoel, secretary; and O. M. Bishop, treasurer.

The members enjoyed a fine lunch and motion pictures of rifle tournaments held here and at Fort Ripley, showing local shooters participating, also pictures of local club members on hunting trips.

Independent Quint Wins Plummer Tilt 47 to 27

Playing at Plummer Tuesday night, the Thief River Falls Independent basketball team trounced the Plummer quintet 47 to 27. Furuseth and Hellquist set the scoring pace for the locals, accounting respectively for 16 and 14 points, while Nicholson scored seven, Zimmerman six and Lee four. Karlstad starred for Plummer, scoring 11 points. Each team made only one successful free throw.

A New Record

That single game record of the Pepsi-Cola bowling team wasn't very long-lived, for last Thursday night a red-hot team of J & B Drugs rolled a 1030 single game, to break the previous record by 9 pins. In their record-breaking game the J & B's marked up 31 strikes, 14 spares, 3 splits, and 5 blows. Pilot John Langseth had a 183 total, with 4 strikes; Lenny Carlson piled up a 243 total, getting 2 blows and 9 strikes, opening his game with a blow, and then racking up 4 strikes in a row, another blow, and then getting a string of 5 strikes; Clarence Offerdahl scored a 180 total, and had 4 strikes; Carlo Columbo totaled a 210, getting 5 strikes; and anchorman Kammy Berg rolled a 214, also getting 9 strikes, but his strikes were broken up by a split and a blow.

And what added insult to the injury that was done the Pepsi-Colas was the fact that Merle Carlson, pilot of the previous record holders, marked the score for this recordbreaking game of the J & B's.

The Dance Man

Have you watched Bud Kelly put on his dance performance when he bowls? When Bud's ball hits the pins, and especially when he thinks that he has a strike hit coming up, he goes into an intricate little dance routine. Gypsy Rose Kelly, he's being called these days.

City Basketball League

The city basketball league began play on its schedule last week and Duane Battelson, who is in charge of the program, is doing a fine job in keeping the boys under control, so that they are getting fun and exercise out of the games without too much rough-house.

There are seven teams in the league—Soo Cafe, Bjorkmans, NYA, J. & B. Drugs, Hartz, Oen's and DeMolay. And judging by the first few games I'd say that the Soo Cafe team, with Lenny Helquist, Don Olson, Arnie Karlstad, Jesse DuChamp, Phil Prichard, and Gordy Zimmerman, on its roster, will be the club to beat for the championship. I realize that I'm putting a jinx on the boys by predicting a title for them (my predictions, all of them, have a tendency to turn sour), but they look like the class of the league.

And the Soo Cafe boys are taking their basketball seriously, for it is reported that two of the players, Lenny Helquist and Jesse DuChamp, are conditioning themselves by doing road work, with Phil Prichard being their supervisor.

Let's Not Lose Our Perspective

Crookston's Town Crier surely worked himself into a high state of bliss over the one-point win, 23 to 22, that the Pirates scored over the Prowlers last Friday night. Among other things, he said: "Our guess was that Willie Morlan was too fast for Flasch, Thief River's pivot man and he certainly was. He made Flasch look like a beginner and the entire Prowler offense is built around him. With the Prowlers it is a case of 'get the ball and look for Flasch.' From what we saw last night we'd take one Berg for a dime's worth of Flasches on anybody's basketball team."

After all last Friday's game was between two high school basketball teams, and it serves no good purpose to use one team and one player to belittle another team and another player. These kids are only youngsters and they are out there playing the game to the best of their ability.

Well, there is such a thing as being a good loser: but there's also such a thing as being a gracious winner—and I wonder about the Town Crier.

Let's Give Earl a Big Hand

Earl 'Shorty' Tripp, playing for the Fargo-Moorhead Comets, will be here Sunday, when the Comets play the Thieves, and all the local hockey fans should be on hand to give Shorty a big cheer when he comes on the ice. From all reports Earl is playing a bang-up game in the Fargo nets, being considered one of the neatest goalies in the league.

The Comets, by the way, will be strengthened considerably for their game here Sunday, for a number of players from the disbanded Virginia team on the Iron Range will be in the line-up.

And don't forget the game here tonight with the Crookston Pirates!

MUNICIPALITIES LEAGUE SUGGESTS CHANGES IN LAWS

Supports Municipal Local Option in Dry Counties of State

Legislative proposals affecting municipal government in Minnesota were officially presented to the governor and the legislature Tuesday by the League of Minnesota municipalities. This program contains eighteen proposals which have been studied by various committees of the league and approved at a legislative conference held on December 6.

The league is asking the legislature to resubmit the constitutional amendment relating to publication requirements for home rule charter amendments. This amendment would have carried when it was before the electorate last November if it had not been for a special situation in St. Paul and Duluth involving voting machine difficulties. The aim of the amendment is to encourage local self-government in home rule charter cities.

The league is joining with other organizations in sponsoring a state-wide fireworks law which will prohibit the sale and use of fireworks except in licensed displays.

For better liquor control the league requests municipal local option for municipal liquor stores in the so-called "dry" counties and the option of municipal stores in third class cities in the "wet" counties. An extension of the off-sale liquor hours is requested for municipalities other than first class cities.

To protect municipal revenues, the league expresses opposition to an over-all property tax limitation and requests a mandatory share in the proceeds of the gasoline tax. Gasoline tax moneys, if shared with municipalities, are to be used for street purposes. In connection with this proposal the restoration of the four-cent gas tax rate is endorsed.

The state safety councils proposed amendments to the drivers license law and the strengthening of the safety responsibility act are endorsed.

Place for Suicide

Stealing an airplane after a girl jilted him at a dance, young Heinz A. Glogauer took off from an airport at Kimberly, South Africa, and killed himself by crashing the machine at full speed.

QUIET MAINTAINED NEW YEARS EVE FOR ILL WOMAN

Ellsworth—For the first time in more than 25 years, church, school and City Hall bells and sirens were silent in Ellsworth as the year 1941 came in. The bell ringing was dispensed with as a praiseworthy gesture in consideration of Mrs. Thomas Wilson who lay at the point of death at her home late Tuesday afternoon. As an extra precaution, police removed fuses from the siren box lest some unknowing prankster disturb the quiet being maintained for the patient.

Age and Youth Share Brunt of Pedestrian Death Toll for 1940

The very young and persons of advanced age comprised more than 60% of Minnesota's pedestrian traffic deaths during 1940, according to accident studies of the Traffic and safety division of the state highway department.

Out of 573 traffic fatalities reported for the year in the state, 189 were pedestrians. And of this latter total 39 were under 15 years of age and 75 were 65 years of age or older. This means that 33% of the state's traffic death toll were pedestrians, and 60% of these pedestrian deaths took the lives of either children or persons of advanced age.

Although the 1940 traffic fatalities thus far reported were three less than the total for the year 1939, last year's pedestrian deaths were 9 above those of the previous year. The increase was confined to the two extreme age groups.

Deaths to children under 15 years of age increased 13, from 26 fatalities in 1939 to 39 in 1940. The same increase was noted in the group 65 years old or over, from 62 in 1939 to 75 in 1940. The increase of 26 pedestrian fatalities in these two groups was partially offset by the fact that 13 fewer deaths occurred in the age group from 45 to 64 years and 2 less in each of the age groups from 15 to 24 and from 25 to 44 years.

Pedestrian fatalities on rural state trunk highways patrolled by the state highway patrol decreased from 46 fatalities in 1939 to 30 in 1940. The toll increased, however, on other rural highways as it did also in towns and villages up to 2,500 population.

Spectacle Glass

Because the 2,600-degree heat used to fuse spectacle glass would melt ordinary thermometers, the temperature of the glowing mass is measured by the light it gives off.

Governor Takes Oath of Office

Pledging the state's cooperation in building national defense, Governor Harold E. Stassen last week took his oath of office from Minnesota's Chief Justice Henry M. Gallagher. Governor Stassen's inaugural address to the state's legislators at the capitol on January 8th also stressed need for added social and welfare legislation and urged continued efforts towards tax savings.

NOTED SPEAKERS WILL GIVE TALKS AT VALLEY SHOWS

President of the Norwegian Parliament Will Speak February 4

Plans for the 31st annual Red River Valley Winter Shows and Northwest School Farmers' Week which will be held at Crookston, February 3-7, are now complete. According to T. M. McCall, president of the Winter Shows, the general theme of the evening meetings will be "World Affairs, in which four outstanding authorities and news analysts will bring up-to-the-minute information from Norway, South America, the Far East, and from our Nation's capitol.

In the daily educational meetings, national and state authorities will, at the men's meetings, emphasize efficiency in production in all branches of agriculture. The women's meetings will deal with the vital problems of clothing, essential food values, child welfare, and a better rural life. The rural youth problems will be general theme of the 4H club leaders' conference during the week.

An innovation this year will be a speaking program combined with the concert of the Northwestern Minnesota Singers' Association on Tuesday, February 4. Edvard Hambro, son of the president of the Norwegian Parliament, will speak on "What Happened in Norway and the Nazi Threat". Mr. Hambro escaped Norway last summer and has firsthand information on the invasion of Norway and its meaning to the rest of the world. T. W. Thorson, director of the Northwestern Singers, has indicated that special music numbers in Norwegian will be dedicated to Mr. Hambro in the concert.

Ernest K. Lindley, Washington correspondent for Newsweek Magazine, and who writes under his own name in the Washington Post and leading American newspapers, will bring to the Red River Valley the American view of the world situation in an address "America's Place in the World", on Wednesday evening, February 5.

Julian Bryan of New York, who has just completed a study of conditions in our South American Republics, will speak on Thursday evening, February 6, on the subject "Will South America Go Nazi or Join With the United States?". Mr. Bryan will show late motion pictures of subversive groups in South America.

Wilfred Laurier Husband of New York will give the concluding address of the week on Friday evening, February 7, when he will speak on the subject "What Next in the Far East?" Mr. Husband will illustrate his lecture with motion pictures in color that were taken in late summer.

Editors Will Delve into Traffic Safety Methods at Convention Jan. 24th

Minnesota editors will participate in a symposium on methods of reducing traffic accidents in their home localities as a part of the program for their annual state convention to be held in St. Paul, January 23, 24 and 25, Paul Keith, president of the Minnesota Editorial Association, announced this week.

The round table discussion is scheduled for Friday, January 24 to provide a means for an exchange of ideas on how most effectively to carry on the localized traffic safety campaigns which newspaper publishers have initiated in hundreds of Minnesota communities since the opening of the M. E. A.'s "Save 100 Lives" campaign on September 1.

In the four months since this campaign began, 56 lives have been saved through a reduction of traffic accidents as compared to those of the corresponding period in 1939, President Keith pointed out.

Cites Difficulty of Getting Skilled Men for Defense Positions

Getting the skilled men needed for national defense jobs continues to be one of the greatest problems of the new year for the civil service commission. Thousands were appointed during 1940 but thousands more are going to be needed during the coming year at the arsenals and navy yards and in the air service.

Toolmakers, instrument makers, and machinists are especially in demand, and they are especially necessary to the National defense program. Among others also urgently needed are: aircraft instrument mechanics; aircraft mechanics; metalsmiths (aviation); coppersmiths; lens grinders; loftsmen; ordnancemen (torpedoes); shipfitters; and ironworkers (shifting duty).

Those skilled in any of these trades, and wanting a government job are asked to write to or call for information at the office of the board of U. S. civil service examiners at any first or second class post office.

Truck Centers Pass Year Without Traffic Deaths

Once again the much maligned truck driver has come to the front with a traffic safety mark for ordinary motorists to shoot at. Vital statistics show that the three largest livestock trucking terminals in the state, South St. Paul, Austin and Albert Lea had not a single traffic fatality during the year just past, despite their heavy traffic volume. At South St. Paul, for example, upwards of 180,000 truck-loads of livestock are shipped in annually and more than 20,000 truck-loads are shipped out.

STRAY CAT GROUNDS HIGH-POWER LINE

Hibbing—Perhaps desiring to participate in the "out with the old, in with the new" festivities of New Year's Eve, a stray cat caused considerable damage while adding to the general confusion when the animal climbed atop a high-power line pole, grounding the line early Wednesday morning. The power line supplied Utica which was without lights for several hours. A few radios were burned out and at least one small fire was started, while vivid blue flashes heralded in the new year at other points.

SKATES HAVE BEEN IN USE FOR 67 YEARS

Belle Plaine—Charles Hillstrom, 81, of Belle Plaine doesn't worry about slippery roads these days as he walks into town from his home as he explains that his many years of ice skating helps him keep his balance on the icy places. Mr. Hillstrom's favorite racing skates which he bought 67 years ago are still doing service and are attracting a lot of attention on Minneapolis rinks where Harold Olson is now using them.

HEALTH MEETING IS CONDUCTED AT CROOKSTON JAN. 11

Mrs. Clara Paulson and W. E. Dahlquist Appear on Program

A series of health conferences for public health nurses and educators was brought to a close in Crookston Saturday, January 11, and officers for the continuation study course for next year were elected.

Mrs. E. H. Harding of Crookston was named chairman of the course to succeed Mrs. J. F. Norman who has held that position the past two years. Mrs. Lloyd Hetland of Ada was named vice chairman and Mrs. H. B. Lane of Red Lake Falls, secretary.

The session, opening in the morning at the public library, and continuing with a noon luncheon at the Hotel Crookston, brought a cross section of views on health problems particularly as they affect the school child.

The need for thorough examinations in infancy was cited by Mrs. Clara Paulson, Thief River Falls school nurse, who gave figures on findings of a preschool clinic in this city, which indicated the existence of a large number of defects which should have been detected and corrected in infancy.

W. E. Dahlquist, editor of the Times, addressed the luncheon meeting on the use of the facilities of the public press of health education.

Electricity Advantages

Farm women as well as city women are discovering the advantages of cooking by electricity.

Minnesota Wardens Now Armed with Revolvers

The department of conservation armed game wardens with .38 calibre revolvers this week. Altogether 135 repeating sidearms of the "special calibre" model were sent to wardens with leather holsters and Sam Brown belts. On order for the past two months are special game wardens uniforms. The Sam Brown belts and revolvers will be worn with the uniforms when they arrive. Inability to obtain cloth because of U. S. army priority has delayed manufacture of the uniforms.

MOUSE MEETS DEATH BY ELECTROCUTION

Chaska—There are undoubtedly millions of mouse fatalities every day but among them is one which at least has the distinction of having lost its life in a most unusual fashion, not just via the mouse trap. This particular rodent crawled into the generator of a coal and feed company truck at Chaska one night and the following morning was electrocuted when the truck started and the armature of the generator was burned out.

MINOR CRASH DEATH BLOW TO LANDMARK

Melrose—A very minor bumper collision at Melrose the other day did no damage to either car involved but proved fatal to an aging landmark which had adorned the sidewalk in front of a local drug store for 35 years. The ancient landmark was a drug post adorned at the top with a drug mortar and pestle which A. J. Zuercher, the proprietor, had erected 35 years ago and kept since in a fair state of repair.

HAS HAND-TO-HAND ENCOUNTER WITH BEAR

Bigfork—Warrel Kheler of Kennedy is alive today to tell the story of his hand to hand fight with a wounded and enraged bear which occurred on a recent hunting expedition. Before his companions could intervene and get a shot at the bear without endangering his life, Kheler was tossed about like a rag doll, and was just about as helpless. The muscles of his right arm were torn away from the bone, his right had was chewed as was his left arm, both legs and other parts of his body. One claw swipe half scalped him and several deep teeth wounds penetrated the back of his neck, but Mr. Kheler, after being literally sewed back together, is still very much alive today, and looking forward to his next hunting expedition.

HEALTHY, THRIFTY AND WISE

If you are beginning an economy drive this New Year . . . then you'll be interested in this menu designed for health and thrift and good old-fashioned enjoyment.

Sauerkraut and Spareribs
Baked Potatoes or Boiled Navy Beans
Bread and Butter
Fruit Custard Pudding Molasses Crinkles
Coffee

SAUERKRAUT AND SPARERIBS

1 No. 2 can sauerkraut
2 lbs. spareribs
1 tbsp. salt
Dash of pepper

Wipe spareribs with damp cloth to remove the little bones from the meat. Cut meat into 3 or 4 rib pieces. Brown in hot frying pan. If pan seems dry, add a tablespoon of shortening. Add salt and pepper.

Place kraut in a large kettle and add enough water to cover. Place the browned spareribs on top of the kraut and add the drippings which remain in the frying pan.

Cover kettle and simmer for 3 to 4 hours.

This makes 6 generous servings.

FRUIT CUSTARD PUDDING

1 egg
⅓ cup sugar
⅛ tsp. salt
⅓ cup sifted all-purpose flour
2 cups scalded milk
1 tsp. vanilla
1 cup cut-up fruit (orange, banana, dates, figs, or what you have)

Beat the egg in the top of the double boiler. Add sugar, salt and flour which have been well mixed together. Pour scalded milk over the mixture, stirring to blend well. Place over boiling water and stir constantly while cooking. Cook until mixture thickens, and raw taste is eliminated, about 20 minutes.

Chill. Add vanilla and the fruit cut into small pieces. Garnish with a cherry or spoonful of whipped cream . . . if desired. This makes 6 servings.

MOLASSES CRINKLES

Cream together thoroughly ———— ¾ cup shortening
1 cup brown sugar (packed in cup)
Blend in ———— 1 egg (well beaten)
4 tbsp. molasses
Sift together and stir into creamed mixture ———— 2¼ cups sifted all-purpose flour
¼ tsp. salt
2 tsp. soda
½ tsp. cloves
1 tsp. cinnamon
1 tsp. ginger

Mix well and set in refrigerator to chill an hour or more. Shape into balls the size of large walnuts. Dip tops in granulated sugar. Place cookies with the unsugared side down on a greased heavy baking sheet. Sprinkle each cookie with 2 or 3 drops of water.

Bake 12 to 15 minutes in a quick moderate oven, 375° F. This makes 3 to 4 dozen cookies . . . depending on the size.

DOES FORD PAY GOOD WAGES?

HERE ARE SOME FACTS about Ford Labor.

During the year ended November 30th, 1940, the Ford Payroll throughout the United States averaged 113,628 hourly wage earners, not including office employes, students, or executives. They were paid $185,105,639.12. On this basis, the average annual wage was $1,629.05.

According to the latest available government figures, the annual average wage of all workers in employment covered by old age insurance law was $841.00.

If the 45,000,000 workers of this country received the same average wage as Ford employes, they would have had additional wages of more than $35,000,000,000, thus increasing the national income about 50%. Think what such an increase would mean to the workers of this country and to the American farmer, whose prices are based on the national income.

Wage scales in the Ford Rouge plants are divided into three classifications:

Unskilled . . .
Minimum hiring wage . 75c per hour

Semi-skilled . . .
Minimum hiring wage . 80c per hour

Skilled . . .
Minimum hiring wage . 90c per hour
Higher wages are in consideration of ability and years of service.

Minimum wage scales for unskilled labor at the Rouge plant are the highest in the industry. Top wages for skilled labor compare favorably with, or are higher than, wages in other automobile plants.

Now some facts on Ford labor conditions:

Not only are sanitation and other health conditions the best in the industry, but Ford also leads in safety devices for the protection of employes. Proof of this is found in the following comparison of compensation insurance costs:

The national average rate for automotive manufacturing plants as computed by the National Association of Underwriters is in excess of $1.50 premium for each $100 payroll. The Ford cost of workmen's compensation is less than 50c.

This indicates that the chance of injury in a Ford plant is much less than in the average automobile plant.

The Ford Motor Company has no age limit for labor, and in fact deliberately attempts to keep older workers working. The average age of Ford workers at the Rouge and nearby plants is 38.7.

A recent check-up shows that nearly one-half the workers at these Ford plants were 40 or over, falling into these age groups:

25,819 between 40 and 50
13,731 between 50 and 60
3,377 between 60 and 70
417 between 70 and 80
12 between 80 and 90

In addition to the so-called regular employes, the Ford Motor Company has hired, and now has on the payroll, at the same regular hourly wages, thousands of workers who are blind, crippled or otherwise incapacitated for normal productive work. They are not selected for their ability to build cars or to maintain the plant. They are on the payroll because of Henry Ford's belief that the responsibility of a large company to labor goes beyond the point at which the unfortunate worker can no longer produce profitably.

The above are facts. They are open to anyone who really wants to deal in facts. Anyone who wants to get a job . . . buy a car . . . or place a national defense contract on the basis of fair labor treatment must place Ford at the top of his eligible list.

A nice selection of songs, accompanied by guitars and accordion are given. These meetings will continue every night during this week. Everyone is cordially invited to attend.

President Hangman

Grover Cleveland, who later became President, hanged two men in 1872. He was elected sheriff of Erie county, New York, for the years 1871-1873 and during that period Jack Gaffney and Patrick Morrissey were sentenced to be hanged. Rather than detail a subordinate to perform the unpleasant task, Sheriff Cleveland did it himself.

FARM, HOME WEEK OPENS AT 'U' FARM MONDAY MORNING

4,000 Rural Residents of the State are Expected to be Present

Next Monday morning, January 20, the University of Minnesota will throw open its doors to approximately 4,000 rural people who will attend Farm and Home Week at University Farm, St. Paul. The backbone of the five-day short course is the schedule of classes on farming and homemaking. As a winter vacation for farm folks, the program will provide also plenty of entertainment.

For Minnesota homemakers there is practical up-to-the-minute information on all phases of homemaking. Many will find added interest in the extensive programs offered by the horticulture, poultry and other University Farm divisions.

Farm and Home Week is a "double feature" for Minnesota livestock producers. In addition to the animal husbandry schedule of livestock demonstrations, judging school and classes, livestock men will have opportunity to attend meetings of their individual breed associations. On Friday, the Minnesota Livestock Breeders association will have its annual business meeting. A highlight of the week is the Meat Institute demonstration by R. N. Heath of Chicago on the same day.

Assemblies throughout the week will feature widely known speakers: Edgar Guest, the people's poet; Mrs. J. D. Giles, a director of the Associated Women of the American Farm Bureau; President Guy Stanton Ford, University of Minnesota; Dr. Carl Taeusch, United States Department of Agriculture; Wilfrid Laurier Husband, international traveler and photographer; Dr. O. O. Wolf, president of the Kansas Farm Bureau; and Perry Carter, cartoonist and philosopher.

Urges Fire Prevention in Minnesota Forests

The report of the legislative interim forestry commission presented to the new legislature this week recommends the establishment of a permanent, stabilized, fire prevention organization and an increased appropriation for that purpose. Findings of the commission indicate that an average of about $166,000.00 has been spent annually from 1911 to date after fires have started. The conclusion is that more money for fire prevention should result in considerable savings of life, property and natural resources.

Greatest Plagues

The two greatest plagues ever to afflict man are believed to have been the Black Death (bubonic plague) of the Fourteenth century, which killed an estimated 25,000,000 human beings; and the 1918 influenza, which took 10,000,000 lives.

In all, the fishermen covered 1600 miles and chopped innumerable holes through ten inches of ice, all for the thrill of catching a lone one-pound rock bass.

1 PCT. SALES TAX BILL INTRODUCED IN LEGISLATURE

Proceeds Would be Assigned to Old-Age Pensions and School Aid

A proposal for a one per cent sales tax to finance old age pensions and pay part of the Minnesota school aids was laid before members of the state legislature last week by State Senator J. V. Weber of Slayton.

The tax, he estimated, would produce $9,000,000 a year if applied to all commodities except bread and milk. It would mean the virtual elimination of the state tax on real estate, now limited to 10 mills, and would be, he said, a guarantee to the school districts that their supplemental aids would be paid "almost in full if not in full." At present, supplemental school aids are paid within 35 to 40 per cent of the amounts allotted from the state income tax and real estate levies.

Weber, who is studying the subject preparatory to introduction of a bill, explained that the entire old age assistance requirement of $4,500,000 a year could be financed out of the tax. He said his plan would earmark the proceeds for old age pensions.

The residue would go into the state revenue fund, but it, too, would be designated to supplement school aids paid by the state. A provision of the bill, however, would require that the tax would be a replacement for the current real estate tax for state purposes.

Sales tax proposals have been avoided by the legislature since the 1933 session, when the legislature passed a three per cent tax. The late Governor Olson, after many conferences with legislators aimed at eliminating necessities from application of the tax, vetoed it.

New Year Begins More Than Once, Believe It or Not!

New Year's day isn't always New Year's day. The actual date varies among the Egyptians, Chinese, Jews, Romans and Mohammedans from September 6 to March 1.

January 1 was designated to be New Year's day when Julius Caesar established the Julian calendar in 46 B. C. However, the calendar year thus established was 11 minutes longer than the astronomical year.

To correct this discrepancy, Pope Gregory III suppressed 10 days in 1582 by ordering that October 5 be called October 15. England and its colonies, however, did not adopt the new calendar until 1752. For almost three centuries, therefore, New Year's was celebrated twice every year—both times on January 1.

New Year's never fell on the same day two years in succession in old China. The new year began on the first moon after the sun entered the sign Aquarius. This date varied from January 21 to February 19. Jewish New Year's, when translated into dates of the Gregorian calendar, varies from September 6 to October 4.

Mohammedans celebrated Muharram, or New Year's, on February 10 last year. But it wasn't the beginning of 1940 for them; it was the first day of 1359. Because the Mohammedan calendar is arranged differently from ours, the new year does not always fall on the same date according to the calendar in use by the Christian nations.

Happy New Year! When will YOU celebrate?

SPECIAL DELIVERY

(A CHRISTMAS STORY)

By Roger Wheeler

EDITH'S drab room overlooked a snow-covered roof. Not the clean, cheery snow like they had back home on the farm but a murky gray covering on which rested soot of a thousand city chimneys.

"So this is Christmas," she moaned, leaving her chair to pace the floor. "Oh! What I'd give to be back home tomorrow!"

But then, Edith had two Christmas presents to which she could look forward. Today, Christmas eve, the mailman MUST bring her annual package from home. And tomorrow there would be Christmas dinner with Ken—dear Ken who was working so hard these days that he could hardly take time off to think about Christmas.

Edith heard the bell ring downstairs and she skipped to her door, opening it softly and waiting tensely while the old landlady answered.

Yes, it was the mailman! And then came the shrill cry: "Miss Harris! Some mail for you!"

Edith practically leaped downstairs, for there would be her package from home. Then her heart sank, for the landlady handed her only two letters, a greeting card from her friend Margie and (of all things at Christmas!) a bill from the department store.

Edith climbed sorrowfully back to her room and wept. Something was wrong, for Mother and Dad never forgot her at Christmas. She cried spasmodically the rest of the day, while downstairs she heard the other roomers shouting Christmas greetings as they arrived and departed.

But finally Edith consoled herself, for she could still look forward to Christmas dinner with Ken tomorrow!

He was due at two o'clock that day, and after church Edith hurried home to get ready. At 1:30 she was seated restlessly awaiting the doorbell.

She was still waiting at 2:30, for Ken did not arrive. And Edith was getting hungry.

Three o'clock passed, and Edith frowned.

"What could have happened to him?" she asked herself.

At four o'clock she cried. It was too much! First her family had forgotten, and now Ken had chosen Christmas day to tell her in this painful fashion that he didn't care!

At 6 p. m. misery began mingling with the pangs of hunger. Edith put on her coat and started to the corner restaurant. But she never got past the door. There she ran into a breathless Ken.

"Edith, dear!" he cried. "Sorry to be so late, but I knew you'd understand when you got my note."

"But—" Edith was confused. "I didn't receive any note, Ken."

"What? But I sent a special delivery message when the boss asked me to finish that laboratory experiment this afternoon. What happened to it?"

The blundering old landlady answered him.

"Please come in or go out, and close the door," she barked from the hall. Then—

"Incidentally, Miss Harris, I forgot to give you these things. They arrived this afternoon."

She handed Edith the missing special delivery letter—and a huge package from home! Edith tore into the Christmas box and found a note from Mother. They'd had a blizzard; couldn't get to town; she [illegible] package Christmas day.

A few minutes later a happy Edith sat across the table from her Ken in the little restaurant around the corner.

"And now, dear," he began very carefully. "How about your Christmas present for me?"

"But I gave you the fountain pen, Ken," she protested.

"Yes, silly one, and I appreciated it. But if you want to make me still happier, listen to this. The boss came in tonight and said I'd done such a fine job on that research project that he was raising my salary. Know what that means?"

"Not the faintest idea," Edith lied. For, after all, you can't take the words out of a man's mouth when he's about to propose!

Badger Feast

One of the strangest surviving Christmas customs is the badger feast held at Ilchester, Somerset. It was started by poachers in Norman times, says the Montreal Herald, and has continued without a break. The lads of the village catch a badger, kill and dress it some time before the feast. On Christmas eve it is strung on a spit over a huge fire at the inn and cooked slowly.

WHOSE HOME IS IT?

A shrill boyish whistle sounded outside the Okison house, and in response Bob gulped down his last mouthful of dessert and hastily finished the milk in his glass.

As he started toward the back door his mother called out sharply. "Have them wait in the hall! I dont want them tracking up the kitchen floor. And don't stay out past nine-thirty! It seems as if every time those boys call for you, you're late getting home."

The whistle sounded again as Bob pulled on his jacket and stuffed his cap in his pocket, and a moment later he had vanished. Whether his haste was a matter of anxiety to keep his friends from coming into the house, or of fear that they would go off without him would be hard to say.

A friend of the Okison family, talking about this incident, remarked "And that's always the way it is. Bob is never encouraged to bring his friends into the house. His mother scolds at him for staying out with the boys, but doesn't seem to realize that if they were asked into the house, she would get to know the boys, and perhaps wouldn't feel worried about their influence on her son. As it is, she's nagging at him to find out where he is and what he's doing, instead of making an effort to see that he's occupied with something interesting enough to keep him out of mischief."

"Lately," she went on to say, "Bob's mother has been especially suspicious. Some groceries disappeared out of the back hall, and she has said several times that the boys who come to wait for Bob must be responsible. He has evidently talked to them about her suspicions, for since then they stay outside while waiting for Bob and won't come into the hall".

Now it's easy to blame Bob's mother. To an outsider, looking on objectively, it seems queer that Mrs. Okison can be so obtuse "How can she help realizing," one is tempted to say, "that she's actually encouraging Bob to live his life outside his home? Does she think more of her clean kitchen floor than she does of her son? If these boys aren't suitable companions for Bob, wouldn't the simplest way for him to find that out be to see whether they fail to live up to the standards of behavior which he has been brought up to see are desirable?"

We might have to go far back into his mother's life to see why she acts as she does. Perhaps she came from a home in which there were no boys, and has never managed to reconcile herself to the amount of noise, and activity, and dirt that boys almost inevitably bring into the house. Perhaps she is unconsciously trying to make things easy for herself; somehow or other she may have developed an attitude of self-pity, so that the work she does for her family is done grudgingly. Whatever the cause may be, she is blinding herself to the real state of affairs, which is that Bob needs a home so friendly and pleasant that he enjoys being there, and is proud to bring his friends in. In a slum neighborhood, where a boy's home consists of two barren rooms, it's not strange that youngsters seek entertainment outside, but certainly that excuse doesn't hold in a family like Bob's, whose home is comfortable and attractive, and good-sized.

Black Absorbs Heat

Black substances absorb heat while white reflect it. This is demonstrated by placing two pieces of cloth, one black and the other white, on a piece of ice. When the sun shines on them it will be found that the black piece absorbs the heat and melts its way into the ice, but the white does not.

HOLDS DOWN FULL TIME JOB AT 87

Cambridge—A railroad man since his early youth, Joseph Grundy of Cambridge was keenly disappointed when the railroad company for whom he worked retired him when he got up into his 60's. Full of pep and health, he began looking around for another job, and at the age of 69 landed one—with the Ford Motor Company. That was 18 years ago and now, as he approaches his 87th birthday, his answer is "emphatically no" to inquiries as to whether or not he intends to retire. Mr. Grundy puts in full time every day at the north end of the switching yard and states that he's glad he landed with a company that doesn't have any blanket retirement age.

FDR INDUCTED TO PRESIDENCY FOR 3RD TERM

Cites Need of Making Sacrifices in Inaugural Address

MORE THAN 75,000 SEE CEREMONIES

Brilliant Parade and Air Show Feature Rites in Washington

President Roosevelt, inaugurating his unprecedented third term, Monday exhorted the American people to steel themselves for "every sacrifice" to save their democratic institutions against "disruption from without."

The nature of those sacrifices, the President left for the "swift happenings" of an unpredictable future to unfold.

But whatever they are, the President affirmed, this nation will "not retreat".

Despite the German, Italian and Japanese official wrath provoked by his second administration's pledge of "all-out" material aid to Britain and China, Roosevelt opened the third term on this defiant note:

"In the face of great perils never before encountered, our strong purpose is to protect and to perpetuate the integrity of democracy.

"For this we muster the spirit—and the faith of America.

"We do not retreat. We are not content to stand still. As Americans, we go forward, in the service of our country, by the will of God".

Symbols of the predicted sacrifice swarmed Washington's sky and streets soon after Chief Justice Hughes administered the presidential oath.

The massive army air show and a brilliant parade, numbering contingents from the army, navy marine corps coast guard, CCC and national youth administration evidenced the use to which much of the President's $17,600,000,000 1941-42 defense budget will be put.

An estimated 75,000 to 100,000 citizens packed the capitol's east plaza, some even perching on roofs and tree tops to witness the historic swearing-in, unique in American annals as the first in which the same President has sworn to defend the constitution for a third term.

TRINITY LUTHERAN CHURCH IN ANNUAL MEETING TUESDAY

Reports Submitted Showing Substantial Progress in Past Year

Following a congregational supper enjoyed by 75 persons, the annual business meeting of Trinity Lutheran church was conducted Tuesday evening. Officers were elected, and reports on the success of the various church activities in 1940 were submitted, it being revealed that fifty new members were received into the congregation during the year.

With Rev. R. M. Fjelstad serving as president ex officio of the congregation, Theodore Quale was re-elected vice president, John L. Wold and R. J. Lund were named on the board of deacons, and A. M. Senstad was re-elected to the board of trustees, two new members being E. B. Benson and George Mostue.

Lowell Ness was named head usher, and others serving with him include Robert Oden, Malcolm Magnuson, Jewell Stadum, James Skarstad and Paul Senstad. Mrs. H. A. Loken and R. J. Lund will constitute the music committee.

At the meeting a resolution was approved adopting the enlarged pension plan endorsed by the Norwegian Lutheran Church of America for its pastors, the setup being modeled on that of the federal social security board.

Also authorized by the congregation was the establishment of a pipe organ fund, the project being placed in the hands of a committee including Mrs. A. L. Hamilton, Mrs. O. F. Mellby and H. M. Hitterdal.

Delinquent Taxes in County Down in 1940

New C. & C. President

ROY J. OEN

One of the leading businessmen of Thief River Falls, who was elected president of the Civic and Commerce association Monday afternoon at the organization of the board of directors. He succeeds Frank A. Rinkel, who voluntarily retired from the board on expiration of his term.

Of a total tax levy of $368,288.-54 payable in Pennington county in 1940, the sum of $314,380.80 was paid and $10,481.62 was canceled or abated, leaving a delinquency of 11 ½ per cent, it is revealed in a tabulation completed late last week in the office of County Treasurer A. R. Johnsrud.

The levy for 1939 was $350,080, of which $303,549.55 was paid and $8,992.41 canceled or abated, leaving a delinquency of $48,538.04, or 13¼ per cent. Of the 1938 levy of $326,078.67, 18 per cent was delinquent, the report reveals.

For the city of Thief River Falls the levy payable in 1940 was $204,-523.56, of which $185,585.41 was paid and $4,624.68 was canceled or abated, leaving a delinquency of $14,313.47 or seven per cent, the same percentage as for the preceding year.

Outside the city of Thief River Falls, the best record in respect to delinquency in 1940 was made by Mayfield township, 3¼ per cent; River Falls, 9½ per cent; Rocksbury, 9¼ per cent; and the village of St. Hilaire, 9½ per cent.

21 VOLUNTEERS FOR NEXT DRAFT QUOTA IN COUNTY

Eight Young Men Leave This City Monday for Fort Snelling

With eight volunteers leaving Monday for Fort Snelling to make up the Pennington county January draft quota, 21 volunteers for service remain in the county to enter the nation's armed forces when the next call is received, possibly in February.

The office of the county draft board revealed this week that the list of additional volunteers includes the names of Lloyd E. Phelps, Arlen K. Arveson, Ivan Bundy, Milton C. Torgerson, Kenneth Yetesaud, Clarence M. Olson, Norman Legvold, Thelmer Langie, Gunnar Austad, S. C. Severson, Wallace Evenson, Oliver G. Curtis, Aloysus Kalinoski, Leonard Olson, Morris Jaranson, Selmer Bornholdt, Raymond E. Bergstrom, Morris E. Rupprecht, Gilmore A. Lian, Raymond F. Maldment and Lloyd Geske.

About 1,500 Minnesota men will be called for selective service training in February, state draft officials predicted Monday.

The February call will require a draft of 800 to 1,000 men—the first compulsory inductions from the state, officials said. About 600 volunteers will be left in the state after the January call and at least 100 additional men are expected to volunteer before the February call date.

Falls Theatre Lowers Admission Prices to Go into Effect Feb. 1

Admission prices at the Falls theatre, effective Saturday, February 1, will be reduced for adults from the present scale of 30 cents plus three cents tax for evening shows to 23 cents plus two cents tax or 25 cents, Ray Elden, manager of the local theatres, announced today. The price for matinees will be 20 cents, with children admitted for ten cents. No change is being made in the Avalon schedule.

With Pat O'Brien in the title role, "Knut Rockne", based on the life of the famous Notre Dame football coach, will be presented at the Falls theatre Sunday, Monday and Tuesday, with a midnight preview Saturday evening at 11:15. Others in the cast are Ronald Reagan, Donald Crisp and Gale Page.

Carole Lombard is co-starred with Charles Laughton in "They Knew What They Wanted", film offering at the Avalon theatre Sunday and Monday. The picture is adapted from the Pulitzer prize-winning play of the same name.

St. Lukes Hospital Assn. Will Hold Meeting Feb. 3

The annual meeting of St. Lukes Hospital association will be conducted in the hospital library Monday afternoon, February 3, at 2 o'clock, W. W. Prichard, secretary, announced this week. Annual reports will be submitted, and two trustees will be elected for three-year terms.

KRATKA TOWNSHIP HELD ENTITLED TO RECOVER FROM CO.

Judge Montague Decides Suit Involving Funds in Closed Banks

In a decision handed down Tuesday, District Judge J. E. Montague held that Pennington county officials last March had no right to withhold from Kratka township tax moneys to offset losses sustained on deposits of funds in banks that were closed during the 1920s.

Attorney Theodore Quale represented Kratka township in the mandamus action, which sought to recover the sum of $431.41. Sums were also withheld from other townships as well as the city of Thief River Falls. Other northwest counties are in a similar position.

The situation developed last March when funds due the county treasurer from closed banks and still carried on the books as assets were charged off. The county contended that the subdivisions of the county should share in the loss.

40 & 8 RALLY HERE IS ADDRESSED BY STATE OFFICERS

Delegations from Neighboring Towns Present at Installation

A successful rally and installation staged by the local 40 & 8 voiture in the Palm Garden cafe Saturday evening attracted delegations from Grand Forks, Bemidji, Crookston, East Grand Forks and Ada. A wild game supper was enjoyed in the course of the evening.

Principal talks were given by William M. Challeen, Pine City, grande chef de gare; and Harry W. Wilson, St. Paul, grande correspondant. The visiting officials also installed the new officers of the local voiture, headed by Joe Maruska as chef de gare.

Others who spoke briefly were F. C. Meyer, Tom Rowan, C. A. Johnson of Bemidji, W. B. Allen of Grand Forks and Labe Safro of Warren. L. S. Miller of Crookston discussed the 40 & 8 junior hockey program, and announced that a new hockey trophy had been offered by Mr. Rowan.

Dr. A. R. Hulbert, correspondant, also stated that Alex Campbell, manager of the local junior hockey team, had set up a $5 prize to be awarded at the close of the season to the player showing the greatest improvement.

Party Fusion Topic at Meeting of F-L Club

At a meeting of the local Farmer-Labor club Tuesday evening, the question of fusion of the Minnesota Democratic and Farmer-Labor parties was discussed from various angles by H. O. Chommie and H. O. Berve, respectively leaders in the two parties in this district. Both speakers conceded that fusion might be the logical solution provided there was complete harmony among the rank-and-file in both present parties.

STASSEN GIVES 1941 BUDGET TO STATE SOLONS

Shows Huge Sums are Required to Operate the State Government

PROPOSES SMALL CUT IN REAL ESTATE LEVY

Would Make Increase in Taxes Levied on High Grade Iron Ore

Minnesota legislators went back to their constituents Thursday night for a week-end check on home town opinion of Governor Harold E. Stassen's biennial budget message.

The chief executive Thursday recommended before a joint meeting of senate and house:

A two-year budget of $160,012,-368 for 1941-42 and $143,231,4[illegible] for 1942-43.

Cutting the real estate levy from ten mills to nine and one-half mills;

Increasing iron ore taxes mainly on high grade easily mined ore to annually net $5,000,000 for the revenue fund and $3,500,000 for the trust fund;

Boost public relief grants to $9,500,000.

Set state tax on national banks at eight per cent instead of the six per cent provided in the bill vetoed two years ago.

Reaction among legislators was generally favorable and Governor Stassen said many solons, two liberal range lawmakers, visited him in executive offices to congratulate him on the message.

But Senator A. J. Rockne, Zumbrota, chairman of the senate finance committee, suggested the relief total was "rather generous" since times are getting better, and Senator George Lommen, Eveleth, senate minority leader, attacked the message in a prepared statement on behalf of anti-administration factions in both houses.

Senator Lommen asserted: "I contend that the result of his message is to provide a substantial decrease or special benefit to the large mining companies operating

COUNTY'S SHARE WAS TOTAL OF $30,206.27

Major Item $99,030 Represents Cost of WPA Program

With total expenditures of $264,511.22 in 1940 for welfare programs under the jurisdiction of the Pennington county welfare board, the county's share aggregated $30,206.87, it was announced today by John X. Lynskey, executive secretary. In 1939 the portion paid by the county amounted to $34,356.53.

The federal government last year bore the major portion of the cost of the various programs or $185,446.82, while the share borne by the state of Minnesota amounted to $47,486.48.

The major item was the cost of WPA projects in the county, aggregating $99,030.53, of which expense all but $780.82 was paid by the federal government, this small amount representing the county's share. Approximately 300 men and women are employed at present on county WPA projects, compared to 180 a year ago.

Next biggest item was old age assistance payments, aggregating $90,250.75, of which the county paid $15,043.30; state, [illegible]; and federal government, [illegible]. A total of 362 recipients were on the rolls this month, receiving an average payment of $21.12 compared to the state average of $21.08.

The surplus commodities program in 1940 involved the expenditure of $30,687.72, of which the county's share was $1,287.04, the remainder being paid from federal funds. There are now a total of 445 cases sharing in the program, in addition to ten schools.

The cost of aid to dependent children, of which there are [illegible] cases in the county, aggregated [illegible], the county, state and federal governments sharing equally in the expense with payments of $6,429.25 each.

Administrative expense of the varied program last year aggregated [illegible], of which [illegible] represents the county's share, with $2,808.72 being borne by the federal government. This item includes all salaries, mileage, welfare board expense, supplies, equipment, mental examinations, postage, filing of liens and other costs.

Other miscellaneous expenditures included farm relief, $438.36 (state); aid to the blind, $4,[illegible] (state and federal); war veterans' relief, $3,443.77 (state); student aid, $364 (state); and child welfare payments, $1,421.80 (collected from individuals on court orders.)

Funeral For Gust Erickson

Funeral services were conducted by Reverend S. T. Anderson on Saturday afternoon at one o'clock from the Adolph Erickson home and at two o'clock from the Valle Lutheran church for Gust Erickson, a former resident who passed away Monday, January 13, at Waukegan, Ill. Pallbearers were Andrew Arne of Hazel, Martin Sandsmark, Andrew Morken, Oscar Tweten, Severt Salveson, and Ole Tollefson. Mrs. Victor Nygaard rendered two beautiful hymns. Besides the beautiful offerings and a gift to the mission in memory of the deceased, five dollars will be sent to the Swedish Gospel Hour and five dollars to the Lutheran Gospel Hour, in loving memory of Gust Erickson, by his children. These two radio programs were long-time favorites of the deceased. Burial was made in the Valle cemetery.

Gust Erickson was born in Gottenberg, Sweden, Oct. 24, 1869 where he lived until the age of twenty years when he came to America, settling at Grand Forks, N. Dak. There he met and was married to Christine Peterson. They came to Grygla in 1900 and lived on a farm for nearly thirty years. He then retired and moved to Waukegan, Ill., where he made his home with his son, Carl until his death at the age of 71 years, 2 months, and 15 days.

He leaves to mourn his passing two sons, Adolph of Grygla and Carl of Waukegan, Ill.; two daughters, Mrs. Hilder Carlson of Connersville, Indiana and Mrs. Signe Gerlach of Detroit, Michigan; one sister, Mrs. John Wassgren of Lake Nebagamon, Wisc. and nine grandchildren. He was preceded in death by his wife.

Funeral services were held at the Trinity Lutheran church at Waukegan, Ill., on Wednesday evening, January 15, at 7:30 P. M. with Reverend Enquist officiating.

Mattison-Holte Vows Exchanged

Miss Geordes Lillian Mattison, daughter of Ed. Mattison became the bride of Palmer Holte, eldest son of Mr. and Mrs. Peter Holte at a ceremony performed by Reverend S. T. Anderson Sunday afternoon at one o'clock at the parsonage. The attendants were Ruby Mattison, sister of the bride and Alvin Holte, brother of the groom.

The bride was attired in an afternoon dress of misty rose Alpaca with wine colored accessories and she wore white gardenias in her hair. The bridesmaid wore an afternoon dress of powder-blue Alpaca with black accessories.

Following the ceremony the wedding party and members of their families were entertained at a wedding supper at the bride's home. The young couple will make their home with the groom's parents.

M. W. A. Install Officers

J. A. Shaver of Duluth, District Representative of the M. W. A. officiated at the installation of officers of the local chapter on Monday evening. Officers, previously elected, who were installed were: Council, Arthur Nordby; Advisor, Oliver Howland; Banker, F. M. Gustafson; Escort, C. W. Holbrook; and Clerk, H. A. Bush. After the installation and the initiation of one new member the remainder of the evening was devoted to cards and handball.

Friday evening, January 24, there will be a party at the local hall for M. W. A. members; each member is invited to bring a guest.

Peter Levang left for Thief River Falls Monday to spend a few days visiting relatives.

Mrs. Adolph Tender of Gatzke arrived Saturday to spend a few days at the Erling Gilthvedt home.

Mr. and Mrs. Gilmer Anderson were entertained at the Ben Anderson home last Saturday evening, the occasion being Arline Anderson's fourth birthday.

Word was received here recently by friends of the birth of a son, James Lyle, to Mr. and Mrs. Einar Johnson of Roseau. Mr. and Mrs. Johnson made their home here a few years ago when Mr. Johnson was foreman on the local school building project.

Missionary G. J. Hanson of Crookston, who is affiliated with the American Sunday School Union, will speak at the Grygla Lutheran Mission.

Alma Oehler, Home Baking Advisor, will give a demonstration on baking bread and various kinds of rolls. The public is cordially invited to attend this demonstration which will be held Saturday, Jan. 25, at the local school auditorium, beginning at 1:30 P. M. Free coffee with baked samples will be served in addition to three attendance prizes, consisting of flour and cereals, which are being offered. This demonstration is sponsored by the Land O'Lakes and Dakota Maid Flour Mills.

Mr. and Mrs. Fred Lindeman of Fosston visited at the John Johnson home Saturday evening.

Mrs. John Wassgren of Nebagamon Lake, Wisc., and Mrs. Earl Gerlach of Detroit, Michigan, returned to their respective homes Monday after attending the Erickson funeral here Saturday and visiting relatives.

A group of young merrymakers gathered and gave the newlyweds, Mr. and Mrs. Dean Stephanson a rousing charivari after which they proceeded to the Holte farm and charivaried the Palmer Holtes.

Flu Victims Should Go to Bed Without Delay, Says Medical Bulletin

A time may come, according to the Minnesota State Medical Association's Committee on Public Health Education, when an effective vaccination will be available to stop periodic epidemics of influenza.

This vaccine is not ready for general use, however, and, in the meantime, members of the committee caution this year's flu victims, of whom there may be a good many before the end of the year, to go to bed immediately and stay there warm and comfortable and preferably on a liquid diet until the acute stage is over.

"Bed rest and good nursing care are the two main factors in treatment," the doctors say. "They can be supplemented by sedatives and preparations which will relieve headache and body pains. But to ignore all symptoms and attempt to stay on your feet with the flu is to invite serious illness and also to help spread the disease to everybody you meet.

"Flu is most infectious during the stages of the first symptoms", they point out further, "and nothing is to be gained by associates at work or school, or by the victim himself if he tries to remain on his feet."

Minnesota Hospital Service Association Holds Annual Meeting

James McNee, superintendent of St. Luke's Hospital in Duluth, was elected president of the Minnesota Hospital Service Association at the annual meeting of the board of trustees at St. Joseph's Hospital, St. Paul, January 15, 1941.

Other officers elected are E. M. Hange, superintendent of Fairview Hospital, Minneapolis, vice-president; Dr. Peter Ward, administrator of Charles T. Miller Hospital, St. Paul, re-elected secretary of the board, and A. A. McRae of Minneapolis, re-elected treasurer. Mr. McNee had served as vice-president of the board during 1940.

Members re-elected to the board of trustees are James McNee, Duluth; Dr. James A. Johnson, Miss Esther Wolfe, Mrs. Wright Yerxa, Dr. C. C. Clay, all of Minneapolis; Roy Eskrison of Stillwater, Sister Rosario representing St. Cloud.

New members elected to the board are Dr. A. F. Branton of Willmar, and Harold S. Langland of Minneapolis.

According to the treasurer's report, $126,796.80 was added to Reserves during 1940 making a total of $643,665.64. Arthur M. Calvin, executive director of the association, reported that during the past year, $1,303,515.93 was paid for the hospital care of its subscribers. Since the organization was established in 1933, hospital care has been provided to 111,654 subscribers.

Burglars Enter Freight Car, Get $400 in Loot

In the second episode of the kind this winter, burglars late last Friday night broke into a sealed freight car near the Great Northern depot in this city, and escaped with six cases of cigarets valued at nearly $400. Police and Sheriff Arthur Rambeck have since conducted an energetic search for the perpetrators throughout this area, but had made no arrests up to this morning. On December 14 burglars obtained $400 in tobacco products in the same manner and near the same

BAPTIST CHURCH CONDUCTS ANNUAL MEETING FRIDAY

Pastor's Annual Report Reveals Healthy Growth During 1940

Reports from the various organizations of the First Baptist church of this city at their annual meeting Friday evening revealed a very substantial growth in all branches. The treasurers report showed that the finances were in good order: and the pastor's salary was increased. The membership roll as reported by the pastor showed an increase of forty per cent.

The following officers were elected: E. L. Danielson, vice chairman; Maurine Johnson, clerk; Mrs. A. O. Erickson, assistant clerk; J. C. Danielson, treasurer; Rev. E. Clay, Sunday School superintendent; H. Birchard, assistant superintendent; Mrs. A. O. Erickson, secretary and treasurer of Sunday school; church pianist, Mrs. Elver Danielson; choir director, E. L. Danielson; Sunday school pianist, Norma Peterson; trustee, E. R. Danielson, for a period of three years; Deacon, Vernor McMahon, for a period of three years; Deaconess, Mrs. V. L. Peterson, and Mrs. E. Clay.

An incident of the meeting was the inspection of the modern forced-air heating system recently installed. This was the second major improvement made on the church lately, the other being a new roof and coat of paint as well as substantial internal improvements.

BRAY INSURANCE COMPANY HOLDS ANNUAL MEETING

All Present Officers Reelected at St. Hilaire Wednesday

All present officers of the Bray Mutual Fire Insurance company, including John O. Swanson, secretary, who has served in that capacity for more than thirty years, were reelected at the annual meeting held in St. Hilaire Wednesday afternoon of last week.

Others retained in office include Paul Thyren, president; A. G. Hallstrom, vice president; J. R. Larsen, treasurer; and Gust Naplin, director.

The annual report revealed a cash balance as of December 31, 1940, of $12,642.46, including $6,169.95 received from an assessment levied in 1940. Losses paid during the year included 16 fire losses for a total of $4,061.83, and 12 lightning losses aggregating $562.30.

State F-L Convention in St. Paul Jan. 30-31

The 1941 convention of the Minnesota Farmer-Labor Association will be held in the auditorium of the German House, 444 Rice street, St. Paul, Thursday and Friday, January 30-31. The hall is near the state capitol. For unavoidable reasons, it was necessary to start the convention one day earlier than usual. Consequently committees will assemble at the association headquarters in the Labor Temple January 29, to prepare subjects and questions for convention action.

Local Men at Meeting of County Fair Federation

Harry R. Lund, Frank Hardisty and O. C. Paulson, members of the Pennington county fair board, returned Saturday from the Twin Cities, where they had spent several days in attendance at sessions of the Minnesota Federation of County Fairs. Robert J. Lund, also a member of the board, attended the annual meeting of the State Agricultural society, sponsor of the Minnesota state fair, of which he is a director.

Rites Held Monday for Former Mayor of Roseau

Funeral services were held Monday in the English Lutheran church at Roseau for Justin O. Juvrud, 42, mayor for two terms of Roseau, former president of the Roseau Commercial club and former commander of the Roseau American Legion post. Mr. Juvrud died January 17 at his home after an illness lasting more than a year. The services were in charge of Rev. C. B. Nervig and the body was escorted to Bagley for burial by members of the Roseau Legion post.

Insurance Agent Given High Rank by Company

A record of high national ranking in the life insurance field has been established during the past four years by L. N. Bennes, Thief River Falls district agent of the Lincoln National Life Insurance company, according to word received here today from the company's home office in Fort Wayne, Indiana. Mr. Bennes has sold at least one policy each week for the past 208 weeks to bring his record of consecutive weekly production to four years.

Wykoff Man Heads State Agricultural Society

H. A. Derenthal of Wykoff was named president of the State Agricultural society at the closing session of the organization's convention in St. Paul Friday. The society voted to meet there again next year.

Lee Warner, St. Paul, was reelected vice president, and Andrew C. Hansen, Albert Lea, was chosen to fill the unexpired term of Derenthal as a member of the board of managers. He will serve one year. William A. Lindemann, New Ulm, and A. R. Dathe, Barum, were named to the board for three-year terms each. Robert J. Lund of this city also is a member of the board.

LEGION TO DEBATE FOREIGN POLICY OF U. S. MONDAY NIGHT

Round-Table Discussion Is Planned by Americanism Committee

An unusually interesting program has been prepared for the next meeting of Elmer J. Eklund post of the American Legion, the date of which has been postponed from Friday evening to next Monday evening, January 27, at 8 o'clock in the veterans memorial rooms.

The feature attraction will be a round-table discussion of the international situation and the foreign policy of the United States government. In charge of the discussion will be the post's Americanism committee, including Dr. A. E. Jacobson, H. O. Chommie, W. G. Claffy and Alfred Skarstad.

Post Commander Alex Cloutier today urged all members to be present to participate in the program, which will be followed by the serving of a sausage and pan cake supper.

LOCAL BREEDERS ENTER STOCK AT CROOKSTON SALE

Annual Event to be Staged at Valley Winter Shows February 6-7

Purebred breeding stock consigned by leading livestock breeders from all parts of the Red River Valley area will be sold at the annual sale to be held at Crookston February 6-7 in connection with the Red River Valley Winter Shows.

With Fred Reppert famous auctioneer, from Decatur, Indiana, crying the two-day sale, there will be sold Hampshire and Shropshire bred ewes, Duroc, Chester White, Hampshire, Berkshire and Poland China bred gilts; Aberdeen Angus, Hereford, Beef Shorthorn, Polled Shorthorn, Milking Shorthorn, Brown Swiss, and Holstein cattle.

Local breeders who have consigned livestock are Knutson Brothers, Aberdeen Angus cattle; and N. E. Mussy, Holsteins.

The list of sale animals has just been announced by J. H. Sargent of Crookston, chairman of the sales committee for the Red River Valley Livestock association. The sale was extended to two days this year to take care of the additional animals consigned and to give buyers a better chance to look over the offerings.

Officials of the Winter Shows and livestock association say that the quality of the livestock listed for sale is exceptionally good this year. Farmers looking for good breeding stock to start purebred herds or build up present herds with new blood lines have an exceptionally good opportunity.

30 ARE ENROLLED IN VALLEY BIBLE SCHOOL IN CITY

Out-of-Town Pastors Present for Opening Session Monday Night

An overflow attendance marked the opening of the Red River Valley Bible School last Monday night at 112 N. LaBree. Twenty three students from all over the northwest had registered during the day. This number has now increased to 30, and more are expected.

Out of town pastors attending were Pastors V. Erickson, and A. O. Lundeen of Roseau; C. L. Wessman, Karlstad; P. Alfred Peterson, Alvarado, F. Hanson, Fosston; E. Rabine, Clearbrook and Missionary Hanson of Crookston.

At the close of the meeting all were invited to inspect the kitchen and the 17 rooms of the recently remodeled hotel, where the school is being held.

Present plans call for a four week course in Bible synthesis, Bible doctrine, Sunday school, methods, practical work, music, choir work and church polity. To the above will be added special afternoon lectures on "Prophecy", "God's Purpose With Israel", "Personal Problems", and "The Deeper Christian Life".

Requests have come in for a special class for high school students after school hours. This class will be arranged for at 4 p. m. if enough requests come in.

The school is supported by free-will donations of money and food. Total cost to students living in the dormitory is $5.00 for entire course. All local people are welcome to attend any and all sessions without cost, it was announced.

Evangelistic meetings will be held every evening except Monday. Evangelist Rockstad speaks the first two weeks.

The local Elks lodge will conduct its annual midwinter roundup and initiation in the lodge rooms Saturday evening, January 25, Gordon Hallingrud, exalted ruler, announced today. Following the serving of dinner at 6:30, with roast buffalo for the main course, initiation of eight candidates, members of the General John J. Pershing Class, will be conducted. Later in the evening Game Warden Labe Safro of Warren will present several entertainment features.

NORTHERN STATE BANK REELECTS PRESENT STAFF

Annual Meeting of Local Institution Conducted Tuesday

All present officers of the Northern State bank were reelected at the annual meeting Tuesday afternoon, following submission of reports covering a successful year's business in 1940.

Those reelected include George A. Beito, president; L. M. Bennes, vice president; George W. Werstlein, cashier; Kenneth Lindbergh and Don Mattson, assistant cashiers; and C. M. Berg of McIntosh, A. M. Magnuson and Alfred Skarstad, directors.

The institution on December 31, 1940, had total resources of $958,402.03 and deposits of $874,303.06. The sum of $15,000 was transferred to the surplus account, making a total of $25,000. The bank has a capital of $50,000.

Probate Judge Kjos Goes to St. Paul Convention

Herman A. Kjos, judge of probate, returned Friday from St. Paul, where he attended the annual convention of Minnesota judges of probate in the Lowry hotel Wednesday and Thursday. One of the principal addresses at the convention, which attracted 75 members, was delivered by Chief Justice Henry Gallagher of the Minnesota supreme court.

CITIZENS BLOCK OWNERS DECLARE 6 PCT. DIVIDEND

Five Directors Reelected at Depositors' Group Meeting

Closing a successful year in the operation of the Citizens bank block, stockholders of Citizen Depositors, Inc., holders of title to the large structure, voted a six per cent dividend to shareholders at their annual meeting Monday evening.

At the same time the five directors of the organization were reelected, their number including Emil Griebstein, now serving as president; L. G. Larsen, secretary-treasurer; Andy Williamson, Peter Hanson and J. Hermanson. The board will hold its organization session February 10.

Income from rents in 1940 aggregated $10,731.16, which with cash on hand at the beginning of the year and other income made total receipts of $11,784.30. Disbursements amounted to $9,675.73, the major items being fuel, $2,067.59; salaries and wages, $816.19; supplies and repairs, $1,322.51; water and light, $629.53; taxes, $3,181.11; and dividends paid, $1,550.07. Cash on hand January 1, 1941, amounted to $2,108.57.

A resolution was adopted at the meeting fixing the sale price of the structure at not less than $80,000.

ROAD CONTRACTORS BACK FROM ST. PAUL MEETING

Harry Lund and Elmer Adolphson, members of two local road contracting firms, returned Saturday from St. Paul where they attended the annual convention of the Associated General Contractors of Minnesota at the St. Paul hotel.

APPLY THE BRAKES NOW

Because of the government's preparedness program, hundreds of thousands of men, many of them previously unemployed, have been put to work. Most of these men are given employment in the large industrial centers or in the South where the large army cantonements are being constructed. And it is in the ranks of these newly formed labor brigades that labor racketeers have been especially active. Workers are being forced to "kick-in" with large contributions before they are permitted to go on the jobs. Then, by threat of strikes, the government is being forced to pay higher wages. The higher wages paid to workers on government jobs, in turn, are used as the basis to boost wages in other fields of industrial activity. It is the start of a vicious circle that already is resulting in increased costs to the consumer.

With millions of people still out of employment and with the prices of farm products far too low, there is no justification at the present time for boosting wage scales in those fields of industrial activity where wage levels have already been comparatively high. In this typical farm community, for instance, where the incomes of all of us depend directly or indirectly on the buying power of the farmer, any increase in costs that does not at the same time increase the buying power of the farmer is definitely to our disadvantage. A comparison of the prices our farmers are now receiving for their products with what they received for those products a year ago is convincing proof that our people cannot afford to pay more for the products of the factories.

In the following table we list the local prices of farm products as they were published in the issues of the Times of January 25, 1940 and last week, in our issue of January 16.

	1940	1941
Wheat	88c	71c
Flax	$1.96	$1.53
Rye	50c	33c
Barley	40c	37c
Oats	30c	25c
Heavy Hens	9c	11c
Butterfat	31c	31c
Eggs	17c	15c

The South St. Paul report of the two issues quoted the following top prices paid at that market for livestock.

Steers	$ 10.00	$ 14.35
Hogs	5.80	8.10
Lambs	9.25	10.25

These comparisons show that while livestock is substantially higher, other products are worth considerably less. Considering the fact, to which economists generally subscribe, that the farmer was getting too little for his products a year ago in relation to the cost of the things he had to buy, then there certainly is no justification at the present time for adding further to the cost of the products of industry.

It can properly be argued that checks and restraints must also be placed on business lest the public be gouged through the taking of excessive profits. That is always an important consideration, and especially so under present circumstances, contracts being let on an emergency basis with less thought given to costs than to results. To a large extent, however, business has already been pretty well sewed up by regulations and anyone who is familiar with the present tax structure realizes that a ceiling on profits has already been established. And that ceiling will be brought down to still lower levels. The danger of profiteering is not as great today as it was in the last war.

The important thing is to keep within reasonable balance the buying power of the various economic groups. A food scarcity justifies regulation that will keep prices within the means of consumers. On the other hand it is equally fair, when food supplies are too large, to regulate prices so that the producers of food receive a fair return. Regulation of that kind is always objectionable and should be avoided if possible. But if the spread between what the farmer receives and what he must pay continues to widen then there must be regulation. By putting the brakes on rising industrial costs now, we will save ourselves a tough headache later on.

HONOR AMONG THIEVES

Soo Line Superintendent Bill Wade passed along to us the following clipping from the Milwaukee Journal, sent to him by one of his Wisconsin friends.

> De Soto, Wisc.—Bobby Dyer, son of Mr. and Mrs. W. E. Dyer of De Soto, lost his billfold containing his spending money while on the train on his way to visit a cousin in Bloomington, Wisc. Several days later the billfold and its contents arrived at De Soto, addressed to Bobby. They had been returned by the finder from his home at—of all places—Thief River Falls, Minn.

To the resident of the village who did this good deed a round of cheers of course, in spite of the fact that such things are so commonplace among our people as to scarcely deserve mention. And furthermore we like the villainous name of our city so well that we refer affectionately to our hockey players as Thieves and to our school athletes as Prowlers. Next Monday evening, in Minneapolis, representatives of the city will pay tribute to ex-Prowler Mickelson, now captain of the University of Ohio basketball team.

Encouraging is the treasurer's report showing a further decrease in tax delinquency in the county for the year 1940. From 15% in 1938 the average delinquency dropped to 13½% in 1939 and to 11¾% for last year. For the city of Thief River Falls the figure remained the same as in the previous year, 7%. That isn't a bad record for a town in that part of the state that is sometimes referred to as a liability to Minnesota. Southern Minnesota papers please copy.

Believe it or not, but every once in a while we catch ourselves worrying about the winter slipping by too fast. This is a good season of the year for us, not too much work to do and lots of things to make life interesting. Hockey and basketball provide plenty of material for conversation. Now another skating show is on the way and we are looking forward to seeing the Winnipeg skaters in action again. In less than two months Spring will be officially here. Shucks.

The first bill our legislature should consider is one that will put the state gasoline tax back to four cents. Money spent on roads is well invested. There was very little public sentiment for the gas tax cut that was made at the 1939 session. The legislature thought it was economizing, reducing taxes. It is economy to build good roads and the public is willing to pay the bill. County roads, which share in the benefits of the gas tax, have had to suffer along with the trunk highway system since the gas tax revenues declined.—Springfield Advance-Press.

Looking Backward

1931—TEN YEARS AGO

William Sandeen motored to South California for an extended visit.—O. C. Paulson was named chairman of the annual spring exposition sponsored by the local Legion post.—The sum of $420,850 will be raised by the tax levy in Pennington county this year, Auditor Harry Fowler reported.—The Silverton 4-H club won a prize offered by the First National bank to the county 4-H club making the best record in 1930.—Robert J. Lund was named Ninth district director of the Minnesota Federation of County Fairs.—Harold Oen returned to his home in Saskatchewan after visiting here with his brother Rasmus Oen.

1921—TWENTY YEARS AGO

Local retailers completing their inventories reported heavy losses due to declines in price of commodities.—H. A. Brumund donated the proceeds of a special matinee in his movie theatre to the starving children of Europe.—Paul Engelstad was in the employ of the Marshall county farm bureau at Warren.—Flour was selling at $5.20 a 100-pound sack.—The county closed the past year with outstanding warrants aggregating $57,023.90.

Famed Bag Puncher to Entertain Elks Saturday

Labe Safro, game warden stationed at Warren and formerly one of the best welterweight boxers in the middle west as well as being one of the greatest bag punchers ever known, will give demonstration of his skill with the punching bag at the annual Elks winter roundup in the local lodge rooms Saturday evening, January 25. One of his specialties is punching six bags simultaneously. He won an officer's commission in the World War, and played football and baseball with some of the best semi-pro teams in the state. At the roundup Saturday night he also will show amateur motion pictures of which of which he has a large collection.

RECREATION HIGHLIGHTS

By Ferd D. Elstad

The recreation program is sponsored by the city council with WPA recreation leaders.

Puppet Theatre

Last week over two hundred parents and children witnessed the puppet production, "Snow White and the Dwarfs." Today's show is entitled "The Tale of Peter Rabit" and will begin at 4:20 o'clock in the arena, upstairs. The show is free.

Handicraft

An attempt has been made on this part of the program to divide participants into age groups. This enables the handicraft leader to instruct according to skill. Participants may become familiar with this new arrangement by contacting Lucille Thomas at the Arena. Novelty pins with their names on them have been made by approximately three hundred children. Sewing boxes are next on the handicraft list.

Craft Shop

More and more adults are working in the shop. Reports from Loran Lund, craft supervisor, indicate a substantial increase in the number of adults wanting to work in the shop. One man has built a complete cabinet for his loud speaking system. Another is working on a five-foot model airplane. Others are welcome to use the shop.

Game Room

Ping pong, Chinese checkers, cribbage, checkers, and many other games are available in the Arena upstairs. Both adults and children are invited to this part of the program. Games go a long way in making an afternoon or evening pleasant.

Social Activities

Assistance from local recreation leaders has been solicited by two churches in this community. Members of the St. Bernard's Catholic church have asked for help in arranging activities for church parties. Community church has also asked for organization and supervision of social games, etc.

Coming Events

Puppet show today in the arena. Midget hockey game Saturday afternoon at St. Bernard's school rink. League basketball games Monday and Wednesday in the city auditorium. Businessmen's recreation in the new high school gymnasium Tuesday night.

'U' Farm Bulletin Tells of Hybrid Corn Yields

Minnesota farmers who are searching constantly for the best adapted varieties of hybrid corn have a guide in the report of the 1940 commercial and experiment station yield trials which has just been released at University Farm. Ralph F. Crim, extension agronomist who has supervised the trials since they were begun four years ago, is author of Extension Pamphlet 75 which sets forth the results. The pamphlet may be had by calling at the county agent's office or writing the Bulletin Room, University Farm, St. Paul.

The report this year is notable in that it presents not only the yields for 1940 but also performance of the most popular hybrids over a period of three or four years. The seed buyer can now check on a given variety for several consecutive years under different growing conditions.

Soltau Found Guilty of Perjury in Minneapolis

Rev. Haney J. Soltau, Minneapolis vice crusader Wednesday was convicted of perjury by a Hennepin county district court jury. The jury of seven women and five men received the case at 4 p. m. Tuesday. The case grew out of a municipal court trial during which Soltau testified he purchased a bottle of whiskey to be used as evidence in the Prince Bar, Minneapolis. The prosecution claimed Dell Winchester, former Soltau investigator made the purchase.

ASK LEGISLATURE TO ECONOMIZE ON THE 'HOME FRONT'

Save in State to Arm Nation, Minnesota Taxpayers Chief Urges

"There never was a more appropriate time than right now to reduce state and local government expenses," James P. McDonnell of Buffalo, president of the Minnesota Taxpayers association, declared in a talk before the annual convention of the Minnesota State Realty association at the St. Paul Hotel, Friday.

"Congress needs billions for national defense, and we as patriotic citizens approve of this, because we all want adequate protection for our country; but this is all the more reason why the Minnesota state legislature now in session in St. Paul must cut costs at home," McDonnell said.

"We are in favor of defense expenditures but we are opposed to indefensible spending. That means we must keep the "home front" secure by cutting out all non-essentials at home," he said.

"No nation, however vast its resources, can arm itself sufficiently in these days without either curtailing other non-essential services of government, or radically reducing the living standards of its people.

"We must become fully aware of the seriousness of the situation. One of the things that we must do as a patriotic service to our country, is to keep this state which is under our immediate control, which is our personal trust—we must keep this state from ever becoming a Frankenstein whose vast outlays would devour the very people who are sustaining it. The present legislature has an opportunity now to show how a democracy can support its institutions without ruining its taxpayers financially. Economy should be the main theme, since this is the most opportune time in a decade for our lawmakers to be frugal and thrifty", Mr. McDonnell stated.

Officers Mess to Hold Meeting Monday Night

The Officers' Mess, organized in December, will hold its next meeting Monday evening, January 27, at 6:30 in the Rex Cafe, Major G. Schilbred, president of the group, announced today, at the same time extending an invitation to all former World War officers in this community to attend.

American Legion Hits New Membership Peak

The American Legion established a new membership record of 1,078,119 in 1940, its national headquarters at Indianapolis announced last week. The total was an increase of 21,210 over the former record, set in 1931, and the number of posts increased by 124 to 11,715, also a record.

LAD REFUSES TO EAT FREAK 2-IN-1 EGG

Ashby—Extra hungry was Luverne Knutson of Ashby while he and other men folks on the farm were "batching it" recently, so he decided to eat an abnormally large egg which one of the hens had presented them with. So the egg was boiled for him and opened. Inside the egg was the white of the egg and inside of that was another complete egg, shell, white, yolk, and all of fully developed, normal, size. Incidentally, the hungry youngster refused to eat the egg within an egg or the outside egg.

STASSEN DELIVERS BUDGET MESSAGE TO STATE LEGISLATURE

(Continued from page 1)

in the easy-to-get years", and charged "the governor exhibits an impressive lack of knowledge concerning the taxation of iron ore in this state."

In his message, Gov Stassen said the state budget would be balanced by the end of the biennium. This provoked a snarl in the senate as soon as it went back into session. Senator James A. Carley, Plainview, getting the senate to adopt a resolution requesting State Auditor Stafford King report the amount of certificates of indebtedness issued during the last two years and for what purpose the money was used, said: "I want to know how we are going to balance any budgets when we keep issuing indebtedness certificates which have to be paid for."

The senate had just given final approval to a new $1,200,000 issue of certificates to finance an old age pension fund deficiency and to carry allowances until the next fiscal year opens July 1.

Leslie M. Gravlin, commissioner of administration, explaining the governor's estimates, said the $334,831,803 totals represented the complete income and expenditures anticipated for the state during the next two years, including federal aids, fees, licenses, and all other moneys that come in to or go out of the state treasury.

In direct taxes, Stassen said, the state receives annually about $75,000,000.

130 LOOKOUT TOWERS

The state division of Forestry maintains 130 lookout towers. There are 167 forest rangers.

Let a want ad be your salesman. Inexpensive, yet a go-getter.

"U" Man Heads National Legion Fitness Program

Frank G. McCormick, director of athletics at the University of Minnesota, has been appointed by the American Legion chairman of a national committee to direct a program of preparedness and defense through physical and health recreation and athletics. The effort is expected eventually to reach 110,000,000 persons, McCormick said.

Among things the Legion will ask, according to McCormick, is that schools throughout the nation keep their gymnasiums, playing fields and other athletic facilities open twelve months a year, so that these things may be used in the general fitness program.

"Leaders of totalitarian powers have said they do not fear America because this nation has grown soft", said the spokesman. "This is not true, but we intend to make certain that the men and women of this nation are in first class physical condition, and fit for any emergency."

BELIEVES IN GETTING LICENSE IN AMPLE TIME

Sacred Heart. — A Renville County youth recently walked into the clerk of court's office in his county and secured a wedding license but before leaving the clerk's office inquired if he had to use it right away. Upon being told he didn't the applicant looked pleased and said "Well, I don't need it right away, but the way things look, the government might quit selling marriage licenses soon and I want to have this just in case".

WOMAN, 102, ENTERTAINS TEN AT DINNER PARTY

Fosston—With the same charm and grace which has made her home famous for its hospitality for years, Mrs. L. J. Collins presided over her dinner table on New Year's Day with places set for ten guests. With the help of her housekeeper, Grace Morrow, Mrs. Collins prepared a delicious venison dinner and also insisted that her guests remain for supper. Mrs. Collins passed her 102d birthday on February 16.

PROWLERS YIELD LOOSELY PLAYED TILT TO FOSSTON

Fosston Takes Lead in First Period and Holds It Thruout Game

The Fosston high school Greyhounds secured revenge for the early season defeat they received at the hands of Thief River Falls when they beat the Prowlers, 30 to 22, in a loosely-played game at Fosston Tuesday night.

A first period spurt, in which Fosston scored 12 points while holding the Prowlers to but two field goals, gave the Greyhounds the advantage that they held throughout the contest.

Field goals by Hagen, Johnson, and two free throws by Thompson, gave Fosston their first six points before Orgin Pederson marked up Thief River's first field goal. Johnny Parbet, who played a fine game for the locals and who was the high scorer for the game, counted a field goal, but Sid Johnson, Russ Hagen, and a long shot by Howie Shimanski, brought the Fosston lead to 12 to 4 at the end of the first period.

The two teams played even ball during the second period, with each team counting five points. Babe Peterson chucked in a field goal for the Prowlers, Sid Johnson counted from the free throw line for Fosston and Parbet marked up two free throws for Thief River. Pearson and Shimanski looped in field goals, with Shimanski's being a long shot from near the center court. Jimmy Connor dumped in a free throw, with the score at half time being Fosston 17, Thief River 9.

The Prowlers continued to be a 'cold' team during the second half, missing numerous shots, with the ball ringing the basket, Eddie Flasch being particularly erratic on his one-handed tries at the basket. Johnny Parbet opened the second half with a close-in shot, making the goal and receiving a free throw, which he converted. Thompson scored on a tip in shot, Parbet added a free throw, and Johnny Campbell flipped in a field goal from side court. Hagen pumped in a long shot for the Greyhounds. Russ Garnes, who with Parbet, played the most effective game for the Prowlers, getting a number of shots and playing a fine floor game, made a tip in goal. Free throws by Johnson, Pearson and Thompson, and a field goal by Marshall, gave Fosston a 26 to 17 lead at the close of the third period.

The final period saw the Prowlers out-score the Greyhounds, with Garnes getting four points, on two free throws and a field goal; and Babe Peterson counting a field goal, on a neat pivot shot. While Fosston registered four points on a free throw by Johnson, and a free throw and field goal by Pearson.

Midget Hockey League to Swing into Action in This City Saturday

Midget hockey games will get under way Saturday, January 25, at St. Bernard's rink when Northrop tackles Washington and Knox meets St. Bernard's. Boys up to the sixth grade make up these teams which will play every Saturday and possibly during the week in a regular league.

An attempt also is being made to organize neighborhood 7th and 8th grade teams to play in a league.

Bernard Langevin, recreation leader, is in charge of hockey for the grade schools.

CHILD, 12, IS INJURED IN FREAK SLED MISHAP

Ione—Betty Kooiman of Minneapolis was injured in a freakish accident while coasting with her cousin, Billy Kooiman, at Chandler last week. She lost control of her sled hitting a tree, and in some manner one of the sled boards penetrated her thigh about one and one-half inches deep coming out above her knee. A doctor was called who was forced to saw the board from the sled before Betty could be removed. The board, measuring six inches long by two inches wide, was removed from Betty's leg and she was treated at the Slayton hospital for lock jaw. Betty, a brave little lady, went through the entire ordeal without one tear.

SPORTS Tid-Bits

To Honor Gil Mickelson

Mayor Bill Prichard will lead a delegation of local fans to the Ohio State vs. Minnesota Big Ten basketball game which will be played in the Minnesota field house next Monday night, Jan. 27. Playing at forward for the Ohio State Buckeyes, and captain of the team, is Gil Mickelson of Thief River Falls, and the delegation will be there to honor the local boy who made good. Roy Oen and Vic Jung are completing arrangements whereby a block of seats will be reserved for the Thief River Falls group. It is expected that a number of former Thief River Falls residents, and students at the 'U', will be in attendance at the game. According to tentative plans, Mayor Prichard will present Gil with a watch during the half-time intermission.

Anyone that wishes to secure a ticket for the game should see Roy Oen. He has about fifty of the pasteboards that have been alloted to the Thief River delegation.

Hornets versus Warroad

The Legion's 40 & 8 and Coach George Beverly are to be complimented on the fine junior hockey team that they have put on the ice. The game last Saturday night, between the Hornets and the Hallock high school team, and which should have been witnessed by a large crowd, was a splendid exhibition of high school hockey. (The Hornets this year are playing under strict high school eligibility rules). While the game was pretty much Johnny Robarge's, for he starred in the nets for the locals, the entire squad played creditable hockey, and Walt Depaul's Hallock team was very fortunate to scrape through to a tie game.

Coach Beverly has Lloyd Johnson, 'Mouse' Eftelend, and Don Waag on one forward line, with Doug Snelling, Irv Wilson, and Johnny Eftelend on the second line, while Bob Baker, Martin Dorn, George Effinger, and Bob Protz take care of the defense positions, and Johnny Robarge in the nets.

On Saturday night these Hornets will learn just what their prospects as a first class high school team really are, for then they tangle with a highly-touted Warroad high school team, on the Arena ice. This Warroad team a couple of weeks ago handed the Baudette high school team its first defeat of the season, and the first defeat that Baudette had taken for several years.

The Thieves won't be playing at home Sunday, so why not see this junior game on Saturday night? You will be surprised at the fine hockey that the boys play.

Averages Still up There

The bowlers have turned into the second half of their season, but the averages continue to be about a six or ten pins above the averages last year at this time. Looking over the City League averages you'll find Johnny Jaranson's 183 as the high average, with Wally DuChamp and Carlo Columbo in a second place tie with 179; Kammy Berg, 178; John Langseth, 176; Lenny Helquist, 176; Bob Strunk, 175; and Gay Strong, 174. Over in the Commercial League Johnny Jaranson is also the high bowler, having an average of 178, with Wally Carlson in a close second place with 177. Cal Colvin has a 176; Carlo Columbo, 172; Stan Egener, 170; and Bill Dahlquist and Clarence Offerdahl, with 167's. The Business League has the same leader that it has had since the season opened: John Langseth. John, whose average for a time was over 200, has dropped to 186, but he holds a ten pin lead over Gay Strong's 178 pin average, which is in second place. Vern Williams has a 176; Rolf Wollan, 175; Carl Lash, 173; and Walt Peterson 169.

And over in the Women's City League Edna Lee's 149 pin average continues to set the pace. Other high averages are Inez Johnson, 145; Lucille Ekeren, 138; Delores Urdahl, 135; Gladys Grovum, 134; Irene Kiewel, 133; Min Ruane; Evelyn Martin, Rosalie Baum, and Tracy Ristau, 130.

Giving Bemidji New Stuff

Glenn Barnum, Bemidji's new coach, had his Lumberjacks over at Fosston last Tuesday night, to witness the Prowler vs. Greyhound game. Talking to some of the Bemidji players, Bob Worth and George Thorbrogger, I was told that Barnum had already begun to give the Bemidji team some new stuff. Apparently there will be a change from the old deliberate, stop, look, and listen style of basketball that Bock Robbins taught. By the way, Bemidji barely nosed out Fosston, 25 to 31, in a game played during the Christmas vacation.

SO. ST. PAUL LIVESTOCK

(By U. S. Department of Agricultural Economics and Minnesota Department of Agriculture)

South St. Paul, Minn., Jan. 21, 1941: Light supplies failed to stimulate demand for slaughter steers, the trade continuing in a dull vein following last week's closing sharp decline. Monday's market was barely steady and toward the close fractional declines were enforced, while the Tuesday trade dragged along at steady rates. Medium grade steers have predominated and a spread of [illegible] took the bulk. There were several loads good lightweight Canadian steers at [illegible], while the top so far this week rested at [illegible] for good mediumweight steers, some good Montana steers being forwarded because of lack of satisfactory [illegible]. Heifers were steady for the week, while cows strengthened Monday only to slow down and sell barely steady Tuesday. Several loads good heifers made [illegible]. Bull prices were steady to weak, and vealers sold generally steady, upward to [illegible] being paid for strictly choice kinds. Stockers and feeders attracted support at fully steady prices. Choice yearlings made [illegible], and good to choice feeders brought [illegible].

After advancing [illegible] on the week's opening session, hog prices on Tuesday dropped back to a level steady with last week's close. Tuesday's top was [illegible], paid freely on bulk of the good and choice [illegible] lb. barrows and gilts. Similar grades [illegible] lb. hogs moved at [illegible], while [illegible] lb. kinds cleared at [illegible], and occasional heavyweights sold down to [illegible]. Good and choice [illegible] lb. weights ranged from [illegible], with [illegible] lb. averages making [illegible]. Good sows ranged from [illegible], and feeder pigs bulked at [illegible].

Receipts of western fed lambs expanded materially Monday. This factor, along with lower [illegible] for dressed lamb products at eastern centers proved instrumental in checking the recent rapid advance of slaughter sheep and lamb prices. Determined to readjust the live cost of lambs, local buyers sought fully [illegible] lower levels, but on [illegible] with resistance from sales[illegible]. Some weakness was apparent, but as a whole, the lamb trade responds with a largely steady outlet. This is also true of other slaughter classes. Feeding and shearing lambs were in broad demand, selling [illegible] higher. Fed lambs of strictly choice quality averaging [illegible] lb. topped at [illegible], with bulk good to choice kinds from [illegible]. Feeder lambs reach [illegible] and shearers sold up to [illegible].

HIGHLANDING

Mr. and Mrs. Andrew Ellingson and Mr. and Mrs. Nor. Ellingson were sponsors Sunday at the baptism of the infant son of Mr. and Mrs. Leo Ellingson. The baby was given the name Larry Lee. The baptism was performed by Rev. E. O. Sabo.

Mr. and Mrs. Palmer Tommerdahl and family of Thief River Falls spent Sunday at the home of Mrs. Tommerdahl's parents, Mr. and Mrs. A. Hammerstein.

Bud Korstad entertained the following at his home Friday evening: Jean Leirbeak, Velma Vikingson, Rudy Hjorgan and Vern Hagen of Goodridge; Helen Bowers of Clearbrook; Vivian Johnson and Clifford Thompson. The evening was spent socially. A delicious lunch was served by Mrs. Ed. Korstad at midnight.

Mr. and Mrs. Kay Hegland spent Sunday visiting Mrs. Hegland's parents, Mr. and Mrs. C. Carlson of Hazel.

Palmer Wold and James Vaughan made a business trip to Middle River Thursday.

Mr. and Mrs. L. V. Thompson entertained the following at their home Saturday night. Those present were: Mr. and Mrs. Wm. Vaughan and Bill, Mr. and Mrs. Kay Hegland, Mr. and Mrs. Leon McMahon and family, Mr. and Mrs. Anton Johnson, Leo and Vivian, Mr. and Mrs. G. Gunstenson and Gene, and Mr. and Mrs. Ed. Korstad. Progressive whist was played. Low scores were won by Mrs. Wm. Vaughan and Kay Hegland, high scores went to Anton Johnson and Mrs. Ed. Korstad. The traveling prize stopped at Mr. Thompson. A lovely lunch was served by Mrs. Thompson.

Palmer Wold, Otto Parnow, Andrew Femrite and Anton Johnson attended the annual meeting of the Bray Mutual Insurance Co. of Pennington and Red Lake Counties held at St. Hilaire last Wednesday.

Miss Helen Bowers of Clearbrook was a week-end guest at the Ed. Korstad home.

We've been knocking about this strange world for quite some years, and we don't recall a time when the general world outlook was anything to be cheerful about.

JUNIOR HOCKEY SIX PLAYS HALLOCK TO 2-2 TIE SATURDAY

Contest Still Deadlocked After Ten Minutes of Overtime

In a crackerjack of a junior hockey game played here last Saturday night, which went ten minutes into overtime, the local Hornets and the Hallock high school team played to a 2-all deadlock.

Andy Wilson, on an assist from Doug Snelling, scored the first goal, in the second period. Hallock knotted the count in the third period on a solo rush by Hemmingson.

Three minutes into the overtime period 'Mouse' Efteland, assisted by Lloyd Johnson and Don Wang, marked up the Hornets second goal, and the locals held the lead until four seconds before the game's end, when Jerry Lindegard pushed in a rebound to score for Hallock.

The Hornets were saved time and again by the fine play of Johnny Robarge in the local nets.

The summary:

Thief River Hornets (2)		Hallock (2)
Robarge	goal	Mortrud
Dorn	defense	Hemmingson
Baker	defense	Hemstad
Wang	wing	Lundgren
M. Efteland	wing	Jandah

CATCHES 33 POUND WOLF IN FOX TRAP

Fosston—Edward Nesseth was surprised recently while making his regular morning round of his trap-line, to discover a gray wolf in one of his traps. Once numerous in that vicinity, gray wolves are now very scarce and are seen only on rare occasions. Nesseth found it necessary to club the wolf to death with his ski having no gun with him. In addition to being useful for bait, the wolf brought Nesseth a $15 bounty.

Grafton Sextet Will Invade City Tonight

Makes Good at Fargo

Earl Tripp, star goalie in last year's junior hockey circles, is now holding down a regular berth with the Fargo Moorhead Comets, doing a good job in the semi-pro class. Local fans were plugging for "Shorty" when he appeared here Sunday and he turned in a nice performance.

The hockey game scheduled for this evening at the Arena will bring together the two most bitter rivals in the States-Dominion hockey league, the Thieves and the Grafton Millionaires. With the Grafton club attempting to narrow the locals' league lead, they defeated the Thieves in the last game played here and exciting game is in store for the fans.

The Thieves continued to hold their six point league lead during the week's play, defeating Crookston, 7 to 2, and Fargo, 5 to 1, in games played here, and dropping a game to the Crookston Pirates, 8 to 6, at Crookston Tuesday night.

In the game here last Thursday night Paul Kornek put on a scoring exhibition that will be long remembered. The locals trounced the Pirates, 7 to 2, and Kornek counted five of Thieves' goals. On an assist from Beverly, Kornek chalked up the locals first goal, to even the score after Taylor had counted for Crookston in the first minute of play, at 8:30; and then Paul added an unassisted goal at the 15:00 mark. Paul picked up an assist from Fred Gustafson to score in the second period. Gustafson tallied the locals fourth goal on an assist from Joe Popiel; while Chet LeDoux was counting the Pirates second tally. After Eddie McMillan had pumped a goal into the nets, Kornek, on an unassisted goal, punching his own rebound into net, and taking a pass from McMillan, rang up the game's last two goals.

Sundays' game, which was featured by the play of the two best goalies in the league, Jimmy Brenson of the Thieves and Earl Tripp of the Comets, saw the locals rally after a scoreless first period to defeat Fargo-Moorhead, 5 to 1. Kornek and Gustafson scored two goals each for the Thieves, with Beverly counting a single goal. Fargo's lone tally came on a goal by Howard Lee.

The Thieves dropped a high-scoring game to the Crookston Pirates Tuesday night, 8 to 6. The Pirates, who have improved and strengthened their defense by the addition of Walt DePaul to their roster, played a fine game to take the decision. A seven goal first period, with Crookston scoring four goals and Thief River counting three, gave the Pirates the lead which they held during the remainder of the game. High scorer for the Thieves was Eddie McMillan, with three goals, Beverly poked in two goals with a single goal by Gustafson.

The summary of Tuesday night's game:

Thief River Falls (6)		Crookston (8)
Brenson	goal	Yahtmeller
Beverly	defense	DePaul
Gustafson	defense	Devine
Popiel	wing	Allen
Gray	wing	Taylor
Kornek	center	LeDoux

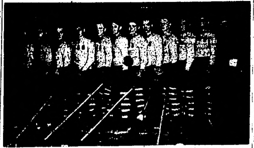
WATER LEVELS IN STATE LAKES IS BELOW NORMAL

Eighty lakes, surveyed by the division of drainage and waters, show water levels below normal. The elevations will again be taken in the spring. This information is pertinent in determining underground water seepage. It is of special concern to lakes in Ottertail, Meeker and Kandiyohi counties, which were hard hit during the drought years.

Hornets Well on Way Thru Second Undefeated Season



Pictured above are the Hornets, Thief River Falls junior hockey team composed of high school boys, sponsored by the local 40 & 8 voiture, and coached by George Beverly, a leading player in the Thieves lineup. Included are, left to right, Bob Protz, Morris Efteland, Irvin Wilson, John Efteland, George Effinger, Marlin Dorn, Don Wang, John Robarge, Lloyd Johnson, Bob Baker, Douglas Snelling, and Alex Campbell, team manager. The Hornets, undefeated in two years' play, face a threat to their record when they meet the speedy Warroad sextet here Saturday evening.

PROWLERS WILL TACKLE WARREN IN GYM HERE FRIDAY

Local Quint Scores Easy Win over East Grand Forks Here 34 to 15

The Warren Ponies, strong contenders for the district high school basketball championship, will meet the Prowler quint in the Lincoln high school gymnasium Friday evening in a game which is expected to have considerable bearing in indicating the outcome of the district race.

Holding a favored East Grand Forks team without a field goal, and allowing only two points on free throws, during the first twenty minutes of play, the Prowlers won an easy 34 to 15 decision in a 31st district basketball game played here last Friday night.

Orrin Pederson opened the scoring by tipping in a rebound, with Eddie Flasch counting a field goal a moment later on another tip-in shot. Babe Peterson added a free throw and then looped in a field goal, Denny Althoff and Eddie Flasch marked up field goals, to bring the Prowler point total to 11. East Grand Forks made their lone tally just before the period's end, when Bennett Larson dropped in a free throw. The Prowlers continued their drives for the basket during the second period, with Russ Garnes, making his first appearance as a Prowler, dumping in two field goals, with single goals by Lenny Lorentson and Flasch, and a free throw by Babe Peterson. And again East Grand Forks was held to but one point, a free throw by Norval Mortrud.

Second half play was barely under way when Babe Peterson scored on a left-handed flip shot, Eddie Flasch lifted a one-handed looper into the basket, and Russ Garnes broke in for a close-in shot. After four minutes of play in the second half Pete Hunt, East Grand's forward, scored the first field goal for the Green Wave, with Larson adding another. Babe Peterson countered with a field goal for the locals, and Flasch registered on a free throw, to give the Prowlers a 29 to 6 lead at the end of the third quarter. The final quarter, with a number of reserves in the local line-up, saw the East Siders mark up four field goals and a free throw, to bring their point total to 15; while the Prowlers were counting on a field goal by Tommy Carlisle and free throws by Althoff and Johnny Campbell, to lift their total to 34 points.

Taking an early lead, and holding off a second half rally by the East Grand Forks reserves, the Prowler 'B' team won a one point victory, 18 to 17, in a preliminary game.

AAA PROGRAM TO BE DISCUSSED AT MEETING SERIES

Five Sessions Will be Held in Various Sections of Pennington Co.

The Pennington county agricultural conservation committee has announced that it is scheduling for next week a series of community meetings to familiarize farmers with the 1941 agricultural conservation program and other current policies which will be of interest to the farmers. Carl R. Anderson, chairman of the county committee said there were several minor changes in the 1941 conservation program that farmers will want to learn about.

The county committee also reminds farmers that there still is an opportunity for them to order phosphate fertilizer through the grant of aid program. Individual orders are pooled in the county office until such a time as enough orders accumulate for one carload of phosphate fertilizer. At this series of meetings the use of phosphate will also be discussed.

Farmers are urged to be present at whatever meeting place would be most convenient for them to attend. The meetings will be held at 1:00 P. M. each day at the following places:

St. Hilaire, Jackson Hall, Monday, January 27; Star township, School Dist. 59, Tuesday, January 28; Smiley hall, Wednesday, January 29; Highlanding hall, Thursday, January 30; Thief River Falls, Civic and Commerce room, Saturday, February 1.

BIG PROGRAM FOR VALLEY WOMEN AT THE WINTER SHOWS

Meetings Every Afternoon from Tuesday, Feb. 4, Thru Feb. 7

An attractive program for Red River Valley women has been arranged for the Winter Shows at Crookston February 3 to 7. The women's meetings will be held during the afternoons beginning on Tuesday, February 4, and continuing through Friday February 7.

Mrs. Margaret Minge Perret of Rochester, Minnesota, who has won acclaim as a pianist in concert halls of Europe and the United States, will appear on the Friday afternoon, February 7, program in a dual role as piano soloist and lecturer on conditions in Germany. Mrs. Perret returned from Germany in July 1940.

The women's program on Tuesday, February 4, will feature an illustrated lecture on "Explorations in Greenland" by Dr. William S. Carlson of the University of Minnesota and excerpts from popular current plays by Mrs. W. A. Lee of Fergus Falls.

On Wednesday, February 5, the women will hear Dr. C. H. Bailey, vice-director of the Minnesota experiment station and bio-chemist, give his report on "Vitamins and Bread", and Mrs. Marion Faegre of the Institute of Child Welfare, Minneapolis, will speak on the subject "Do You Know Your Child?". Miss Alice Linn, Clothing Specialist from the department of agriculture and home economics, University of Minnesota, will speak on Thursday and Friday, February 6 and 7, on the subjects "The Homemaker Shops for Cotton Dresses" and "Rayon Fabrics on the Market Today".

Professor R. S. Mackintosh, secretary of the Minnesota State Horticultural society, St. Paul, will speak on "Minnesota Garden Clubs and What They Can Accomplish" on the Thursday, February 6, program. Mr. Mackintosh has called a meeting of garden club officers and members of the Red River Valley area for 11:00 a. m. on Thursday, February 6.

Mrs. Margaret Minge Perret and Alice Linn will conclude the women's program for the week on Friday. Music groups from the Northwest School, Crookston high school, Cathedral, St. Joseph's Academy, and the Marching Men of Song will appear on the women's program during the week.

LANDS 55 LB. BUFFALO FISH AT FOX LAKE

Sherburn— Conspicuously displayed on the floor of Glenn Mansmith's Cafe at Sherburn recently was his 55-pound buffalo fish which he pulled out of Fox Lake recently, one of the largest ever to be caught there. The fish, which measured 44 inches in length and over a foot deep, ruined a number of Mr. Mansmith's largest hooks before tiring enough so that it could be removed from the lake. Caught on a Monday afternoon, the fish still possessed life late on the following Wednesday evening.

Red Cross Relief to War Victims Reaches $16,890,000 in 1940

At the end of the year 1940, the American Red Cross announced in Washington it had provided relief in cash and supplies to the value of $16,890,000 to war victims in nine nations.

The greater part of the relief supplies already has been distributed, although shipments now are en route to Great Britain and China. A ship is about to be loaded for France and Spain and another for Greece. Further shipments for Finland will go forward at an early date.

The relief by nations, including commitments to be shipped in January, are as follows:

Great Britain $2,972,000, Finland $1,879,000, Greece $1,080,000, France $1,322,000, Poland $900,000, China $923,000, Canada (hospital in Great Britain) $70,000, Norway $45,000, Belgium (for Belgian refugees) $57,000, and Netherlands $25,000.

Patrol Arrests 14,569 in 1940 Fight to Cut Down Traffic Mishaps

Concentrating their attention upon those traffic law violations which experience has shown contributing most to the frequency and severity of traffic accidents, the Minnesota highway patrol during 1940 apprehended 14,569 violators, according to the annual report submitted this week to Highway Commissioner M. J. Hoffmann by Patrol Chief Elden Rowe. This is an increase of 1,237 over the 1939 arrests and is the highest number in any year since the organization of the highway patrol.

Careless driving was the chief moving violation, with 1,968 motorists being arrested for this type of dangerous traffic practice. Failure to stop for "stop" signs brought penalties to 1,834, and 1,190 other motorists who unsuccessfully tried to combine drinking and driving were placed under arrest. Improper equipment such as faulty lights and brakes, although not classified as a moving violations, resulted in the arrest of 2,390 motorists during the year.

Written and verbal warning tickets were issued to 42,498 other motorists for lesser infractions of the law, Chief Rowe reported. Although this is fewer than were issued in 1939, the decline may be attributed to better compliance with traffic regulations by the average Minnesota motorist. Driving with improper lights accounted for more than one-fourth of all the warnings issued, with 11,091 motorists receiving reprimands for glaring or faulty lighting equipment.

In addition to those arrested, 30,224 other motorists whose cars had illegal and faulty equipment, presenting a threat to their own safety and that of other motorists, received "must repair" tickets. And of this total, 20,276 were for faulty or illegal lights. Inadequate brakes brought repair tags to 3,838.

University President Takes New Post in July

President Guy Stanton Ford will become executive secretary of the American Historical association and editor of its publication, "The American Historical Review" when he retires from the presidency of the University of Minnesota June 30, 1941 upon reaching the university age limit. Three years ago Dr. Ford was president of the American Historical association. During much of his active life he has been a teacher of history, and until recent years his large lecture classes in "Modern World" were among the most popular on the Minnesota campus. During the World War he made many contributions to the current history of the time as editor of various pamphlet series under the Creel (public information) committee. President Ford has also written widely in the field of history and served as editor of important historical series.

SAVES THREE BOYS, DOG, AND SELF FROM DROWNING

Crosby—Courage and cool presence of mind of fur dealer Walter Heineman of Crosby prevented a four-person drowning tragedy recently. Mr. Heineman with three boys, Donald, 13, Kenneth, 11, and Carl Bjerkness, Jr., 16, and a dog were driving to Blackhoof lake to fish and upon reaching the lake, proceeded out onto the ice where other cars had been driving. The front end of the car suddenly dropped through the ice and started sinking in 8 feet of water. Waiting until the car settled, Heineman drove his arm through the side window of the car, climbed out, rose to the surface, then pulled out the three boys and the dog, all submerged in the icy water and pushed them up on the ice to safety before climbing out himself. Heineman kept the boys moving briskly as they walked to the highway a short distance away to prevent freezing until a passing motorist picked them up. The temperature was 4 degrees that day.

IN THE STATE SENATE

Senator E. L. Tungseth

I have appreciated the many requests which have come to me for continuing this column during the time of the legislative session. I trust that the contents will prove educational and of such import as in a special way refers to our section of the state. I also wish to express my appreciation to the editors and newspapers who willingly accept this column. The purpose of the column is not to replace or in any way compete with regular commentators' columns, but rather to give a few inside highlights of such items as are of special interest to our section of the state.

We are now come to the end of the second week. The usual organizing proceeded promptly, as there is no minority group in the Senate with sufficient strength to block the plans made by the majority group. There has been very little shifting in the committee memberships. I retained membership on the eight committees on which I have held membership since my election to the Senate. These committees are Rural Credits and State Development; Dairy Products and Live Stock; Municipal Affairs; Public Highways; Public Welfare; Liquor Control; University; Education.

Senator Neumeier was elected to the chairmanship of the important Tax Committee, succeeding the late Senator Miller of Little Falls. Since Senator Neumeier is from rural Minnesota, the rural bloc in the Senate looked upon this appointment with favor. The large cities, of course, wanted this chairmanship, and Senator Mullin of Minneapolis put in a strong bid for it but was unsuccessful.

Everything indicates that this session will be a very busy one, perhaps not so much with entirely new legislative issues as with such issues as had been current problems for some time. It is not likely that any further "streamlining" of the state government will be attempted at this time. There are, however, many items of great interest to our people, by way of farmer legislation, which will be revised.

One instance is that of the lien law. This law has proven to be decidedly unpopular even as it is decidedly unfair. We are now paying our largest allotments of old age assistance to such people who have been careless and thriftless, accumulating nothing in their lifetime, and penalizing such people as have been thrifty and who have succeeded in building and maintaining a little home for themselves. The unpopularity of the present law is greatly evident by the fact that some of the first bills that went into the hopper dealt with this particular legislation.

Speaking again of reorganization, we have introduced also this year a bill which will reduce the number of legislative districts with the resultant reduction of legislative members. This bill, supported by Senator Val Imm, would reduce the number of districts in the state from 67 to 44, thus reducing the membership of the Senate from 67 to 44 and the membership of the House from 131 to 88. There are several arguments in favor of such rearrangement, and yet it is doubtful if the legislature will take much time for serious consideration of this matter. Its saving to the state would be very small and quite unnoticeable. Large district requiring heavy campaign expenditures will remove possibilities of election, except to such who are wealthy enough to make the investment. In re-districting the state for legislative purposes, rural Minnesota must be on the watch lest it lose its balance of power.

Concordia Music School Now Is Fully Accredited

Full membership in the National Association of Schools of Music has been granted the Concordia college Conservatory of Music of Moorhead and Fargo, according to word received from Burnett C. Tuthill, secretary of the association, by Paul J. Christiansen, Conservatory head. With this recognition, Concordia becomes the only conservatory with full membership between Minneapolis and Seattle. It is the only music institution in North Dakota to achieve this distinction and shares honors with the Minnesota college of Music, and McPhail school of Music in Minneapolis for the state of Minnesota.

Surplus Commodities Available for School Lunch, Says Bulletin

Better health for Minnesota children will be the outcome of the wise use of farm surpluses for school lunches, it is pointed out in this week's bulletin from the Minnesota Public Health association.

In December more than 90,000 school boys and girls in this state received lunches, consisting in part of farm surpluses, according to a recent report of the state division of social welfare. The number of children participating in the school lunch program increased from 33,065 in 1938 to 92,924 in 1940. A total of 1,590 schools were receiving commodities in December 1940 as compared to 544 in the same month in 1939.

Most of the commodities used are produced in the State of Minnesota or nearby states. They include: canned milk, ham, apples, oranges, grapefruit, oatmeal, lards, flour, raisins, etc.

The local group sponsoring the program assumes responsibility for its continuity and operation, providing equipment and foods needed in addition to those furnished by the Surplus Marketing Administration. Schools may obtain further information from the local Welfare Board or by writing to Andrew R. Taylor, director of Surplus Commodities section, Globe Building, St. Paul, Minnesota.

ISSUE FINAL CALL TO REPORT '40 GAME BAGS

The department of conservation this week reminded hunters that the deadline for returning game bag reports for the 1940 season is January 20. Information from the reports is urgently needed, the department said, in determining future seasons and as a basis for general game management.

State Wild Rice Crop Has Big Retail Value

The first thorough survey of Minnesota's wild rice resources by the department of conservation disclosed this week that the crop retails from $200,000 to $500,000 annually. Wild rice is described as a "dual purpose crop" in the report. "It provides food for waterfowl during migration, and a harvestable crop that in Minnesota has a retail value between $200,000 and $500,000 a year. This rice is harvested from an area of not more than 25,000 acres or about 47 square miles.

GRYGLA

Entertains for Daughter

Mrs. John Stewart entertained a group of neighbors and friends on Saturday afternoon in honor of her daughter Janice's sixth birthday, which occurred the following day. The children spent the afternoon playing a variety of games after which the hostess served a lovely buffet supper featuring a beautifully decorated birthday cake, topped with green candles. The candles were lit and while they burned the children joined in singing the Birthday song, at 5:15 the Birthday Bells were rung from station KFJM, Grand Forks and Janice was instructed to search for a birthday gift which was hidden behind the piano, in addition to this she also received several other nice gifts.

Those present besides Janice and other members of the family were: Kathleen Nygaard, Virginia Swanberg, Daphne Hesse, Mrs. C. M. Lunde and Marylyn, Mrs. Geo. Armstring and Jimmy, and George Hook and Beatrice.

Village Fire Department Expands

The Village Fire Department conducted a meeting last Friday evening at the school auditorium, which was open to the public and was for the purpose of discussing the purchase of additional equipment. John Gonnering, Carl Holbrook, Ludwig Daloe and Clifford Lunde, who had motored to Thief River Falls and Badger on the previous day to inspect the fire-fighting equipment of those towns, reported on what they had seen. A committee of four men, namely, Ole Peterson, Luke Knight, Emil Boyum and Clifford Lunde, was appointed to purchase apparatus which will consist of one truck with a tank of 500 gallon capacity, a pump, and sufficient hose. This truck will be kept in the fire hall with designated men in charge of its operation and in such condition that it can be respond at once to any call. This big improvement in the fire-fighting apparatus will greatly reduce the ever present fire hazard in this town.

Funds to pay for this equipment are being raised by popular subscription. A Firemen's Ball will be given at the R. N. W. Hall on Saturday evening, February 15, and the proceeds will also be added to the fund. The committee in charge of the Firemen's Ball are fire chief, Clifford Lunde; and Harold Bush, Clarence Doran, Carl Holbrook and Ludwig Daloe.

It was decided to organize a Fall Festival board, which will consist of nine members who will represent both the North Star Farmers' Club and The Civic and Commerce Association, and which will become a permanent independent organization. Those who were appointed to serve on this board and draw up the by-laws of the organization are as follows: President, Sofus Bjertness; vice president, Russel Telling; Secretary Anton Boman; Treasurer, F. A. Brown; directors, Arne Wick, Carl Holthusen, Leonard Haack, Ludvig Daloe, and Clifford Lunde.

Sisters Have Birthday Parties

Mrs. John Franzman was the hostess at two birthday parties last week; on Wednesday evening she entertained Mr. and Mrs. Emil Anderson and Mabel and Arnold and Arlette Franzman at a supper in honor of her daughter Adeline's thirteenth birthday, the centerpiece being a lovely decorated birthday cake with pink candles. The main diversion for the younger guests was ice-skating and skiing.

On Sunday afternoon Mabel and Arnold Anderson and Iris and Arlette Franzman were entertained at the Franzman home, the occasion being Luverne Franzman's eleventh birthday. After an afternoon during which more skating and skiing was enjoyed, a delicious lunch was served featuring a birthday cake. Both girls received many lovely gifts.

Friendly Neighbors Entertained

The members of the Friendly Neighbor Circle were entertained at the Charles Knutson home last Thursday afternoon. After a short business meeting there followed a group of contests the first of which was a "Missing Article" contest won by Mrs. F. A. Brown. A contest imitating the cries of different animals was won by Mrs. R. F. Sandberg and Mrs. O. J. Fatream won a egg-rolling contest. Following the contests each "Neighbor" wrote a letter to Mrs. John Maney of Plummer, who is a past member of the group and who is convalescing from an operation.

The hostess then served a delicious buffet luncheon after which all the ladies joined in playing "Lexicon", Mrs. C. H. Doran winning the prize. The entertainment had been planned by Mrs. Albert Miller and Mrs. Harold Bush.

Patty Lou Petersen Has Birthday

Mrs. Clarence Petersen was hostess to a group of relatives Sunday, the occasion being the sixth birthday of her daughter, Patty Lou. At a delicious afternoon lunch a decorated birthday cake with six candles was enjoyed. Patty Lou received a number of lovely gifts from the guests who included: Mr. and Mrs. Jack Holthusen, Mr. and Mrs. Myron Haroldson and son of Gatzke, Mr. and Mrs. Carl Erickson and daughters of Waukegan, Illinois, Mr. and Mrs. Severt Balveson and family, and Andrew and Martin Lura.

Mrs. John Kreiger and Esther and Mr. and Mrs. William Stanley motored to Bemidji on Tuesday having been called because of the illness of Mr. Stanley's and Mrs. Kreiger's mother, Mrs. Lydia Stanley, who had the previous day suffered a stroke which left her partially paralyzed. Mrs. Kreiger remained with her mother until Friday. At this writing the elder Mrs. Stanley is somewhat improved although still confined to her bed.

Elda Benitt, who is employed at the Robert Thorson home, spent the week end at her parental home at Holt. She accompanied Clinton Knutson who visited over the week end at the William Paskewitz home.

Ingvald Dryseth of Grand Marais left on Tuesday after a week's visit at the John Haugen and Arthur Boman homes as well as with other relatives.

Clinton Knutson and Leon Bayus were business callers at Bemidji last Thursday.

Mr. and Mrs. Albert Nourdiff and Alberta of Warroad and Floyd Squire of Rocky Point spent the weekend with Mr. and Mrs. L. A. Knight.

Mr. and Mrs. Ernest Selle and daughters and Mr. and Mrs. Leo Svenpladsen spent the week end at Pitt, where they visited with the latter's parents, Mr. and Mrs. J. R. Smith.

Mr. and Mrs. Gunder Grovum of Thief River Falls were visitors at the Carl Holbrook and Mrs. Ragnhild Grovum homes Tuesday.

Arthur Lundmark spent several days here last week. Thursday he moved his household goods from the apartment above the meat market to Gatzke.

Ervin Vigen spent the week-end at Thief River Falls at the home of his uncle and aunt, Mr. and Mrs. Gander Grovum.

Mr. and Mrs. Sidney Fladeland and Gerald and Beth of Thief River Falls visited on Saturday at the home of the former's mother, Mrs. Bertha Fladeland.

Mr. and Mrs. Dean Stephanson returned on Friday after a weeks visit at Solway with relatives.

Mrs. B. T. Andersen left Thursday for Russell, N. D., to visit until Monday with her daughter, Rachel, who is the principal of the Russel high school. On Monday Mrs. Andersen went on to Havre, Montana where she will be a guest for a few weeks at the home of her son and daughter-in-law, Rev. and Mrs. Olaf Anderson.

Forest Olson of Strathcona spent Sunday with A. Bendix Isaacson.

Born to Mr. and Mrs. Arthur Barstad of Point Richmond, California on Friday, January 10, a daughter, Judy Lynn.

Ned Langness of Thief River Falls spent the week end with his brother Harvey Langness.

Arthur Sandland, who is employed at the Thief Lake CCC Camp, spent the weekend at his parental home.

Obert Svenpladsen of Thief River Falls visited at the Peter Bakken home on Sunday.

Mr. and Mrs. Melvin Wilkins and daughter arrived on Tuesday from Newton, Illinois, where they have made their home for the past few months. They have spent the past week visiting at the home of Mrs. Wilkins' parents, Mr. and Mrs. Peter Barstad.

Mrs. Albert Lloyd and Charlotte visited at the Clifford Lunde home last Wednesday evening and surprised Rolf with a beautifully decorated birthday cake in honor of the day.

Larson Funeral Home
THIEF RIVER FALLS — ST. HILAIRE,
MIDDLE RIVER — HOLT,
MINNESOTA

Dear friends:
You have been witnessing during the past few years a remarkable increase in the number of funeral homes.
One reason, no doubt, is the fact that many families live in apartments, where public gatherings cannot be held. Also, the funeral home offers conveniences that can't be provided in the average residence.
The use of our mortuary is available to all patrons as a part of our standard service. There is no additional charge.
Respectfully,
Carl B. Larson

6,000 MOTORISTS LOSE LICENSES IN '40 SAFETY DRIVE

Seven Revocations and 14 Suspensions Listed in Pennington Co.

Nearly 6,000 motorists forfeited their right to drive through driver's license revocations and suspensions enforced last year by the state highway department in a record-breaking campaign to make Minnesota's highways safe for those who use them.

Two thousand two hundred and sixty-six driver's licenses were revoked outright and 3,690 were suspended during 1940 as a result of the coordinated effort of Highway patrolmen, local police officers, and traffic courts to eliminate those traffic law violations which accident studies have shown to be the most common causes of deaths, injuries and property destruction on highways.

On the total of 5,956 combined revocations and suspensions, seven revocations and 14 suspensions were for offenses committed in Pennington county.

The 1940 revocations showed an increase of 45% over the 1,555 recorded in 1939, the previous record year. Suspensions showed an even greater increase of more than 166 per cent over the 1,386 suspensions enforced in 1939. Major increases in driver's license forfeitures resulted both from increased arrests for driving while under the influence of intoxicants, and from the new policy inaugurated at the beginning of 1940 of suspending the driving privilege of any person twice convicted, and revoking the license of any person three times convicted of speeding, careless or reckless driving within a 12-month period.

Driving while intoxicated held top place as the cause of license forfeitures with 1,664 outright one-year revocations and 455 suspensions, or a combined total of 2,124 as against 1,630 in 1939.

Speeding was a close second in the list of penalties, however, with 189 revocations for triple convictions during the year and 1,700 motorists barred from the wheel for varying periods of time as a penalty for having committed two speeding violations within a 12-month period. The total of revocations and suspensions enforced for speeding was 1,889, as against 821 during the previous year.

Reckless driving also took a heavy toll among the "repeaters", who are regarded by the law as habitual menaces to the safety of themselves and others. Thirty-four motorists convicted of reckless driving suffered outright revocations for triple offenses, and 630 driver's licenses were suspended for dual offenses. This total of 664 compares with 393 suspensions and no revocations recorded in 1939.

DOUGHNUT DUNKERS TO HAVE SPECIAL HOUR

Clarissa—The hour between 3:30 and 4:30 is expected to be a popular one at the Blue Moon Cafe in Clarissa where they have introduced a daily dunking hour during which time patrons can enjoy their favorite pastime. During the "dunking hour" one cup of coffee and one doughnut will sell for a nickel, and no holds are barred.

TELEPHONE DOLLARS are Minnesota Dollars

In Minnesota, telephone dollars go into wages of men and women who live here—into state and local taxes—into upkeep and replacement of telephone property in this state.

Telephone calls are not made elsewhere and shipped in. They are made to your order as you want them by Minnesota people.

County Agent Points out Importance of Utilizing Seeds Free from Weeds

Altogether too many of the weeds that appear on farms of Pennington county each year are put there by the operator who takes a chance on his seed, declares W. W. Brookins, extension agronomist at University Farm. County Agent Lester A. Lerud added his warning today to that of Mr. Brookins, pointing out that weed control is uphill work largely because new weeds are seeded to replace those that were so painstakingly destroyed the year before.

Clean seed is the first step toward a clean farm. Not only are bad weeds spread from farm to farm by means of foul seed, but they also multiply rapidly when the farmer uses unclean seed of his own. Flax crops especially can be seriously curtailed by the presence of weed seeds. County Agent Lester A. Lerud cites three rules for insuring reasonably clean seed for next spring's planting.

Seed taken from the bin on the home farm should be cleaned with the utmost care. The fanning mill should be of good design, properly adjusted and equipped with screens recommended for the different grains. It may be desirable in many cases to seek out commercial equipment in order to get a thorough job done.

The farmer who buys seed from a neighbor should insist on careful cleaning, purity analysis and germination tests. All seed offered for sale must be labeled in accordance with federal and state laws whether offered by a farmer or a commercial seed grower.

If the seed is obtained from a dealer, either local or at a distance, the buyer should insist on full compliance with all provisions of the state and federal seed laws. These are set up for his protection.

Kittson Co. 4-H Youth Again Wins Ewe Contest

For the second year in succession, Lyle Clow of Hallock, Kittson county, has been named state champion in the 4-H ten-ewe project, announces A. J. Kittleson, state 4-H club leader. W. E. Morris, extension animal husbandman, reports that Alvin Sonderman, of Indus, Koochiching county, also repeated his 1939 state championship in the production contest for adults, based on 25 to 50 ewes. In the 51 to 100 class, Oscar Hulteen and Sons of Clearbrook, Clearwater county, took first place with 53 ewes producing an average of 98.5 pounds of lamb. Morris points out that in 1939 Clow established an all-time high in the 4-H contest with 1,871 pounds of lamb from ten ewes during the 135-day contest period. This year he broke his own record and bettered the 2,000-pound mark for an average of 200.6 pounds of lamb per ewe.

BARKING DOG SAVES MASTER FROM FIRE

Onamia.—The barking of his dog "Shep" saved the life of John Falenschek recently when the dog's barking wakened him to find his house ablaze. Summoning two nearby neighbors, who, with Falenschek, saved all the furniture possible, the three watched the blaze to prevent further spreading. The house was completely destroyed with much furniture lost, but Falenschek is very thankful to Shep that his life wasn't lost along with the house.

Flavor formerly lost in brewing now retained . . .
Extra Grain Goodness
of Northwest's finest barley which we buy at premium prices

NOW thousands of beer lovers enjoy the full goodness of finest ingredients—flavor which formerly escaped in brewing.

We pay Northwest farmers premium prices for their choicest barley, use only select hops, and brew by a revolutionary method which retains the delicate flavor elements which add so much to beer enjoyment now that their escape is prevented.

Then you get a new flavor experience—extra grain goodness without harsh hop bitterness when you ask your dealer for HAMM'S BEER. Enjoy it today. Theo. Hamm Brewing Co., St. Paul, Minn.

Ice Carnival Feb. 8 to Include Local Talent

Program arrangements are now virtually complete for the ice carnival to be presented in the arena Saturday afternoon and evening, February 8, under the auspices of the Junior Chamber of Commerce, it was announced today by Lester Ihle, general chairman.

In addition to the performance by a troupe of nearly forty outstanding skaters from the Winnipeg Winter club, the program will include several numbers by local young people, who have been rehearsing assiduously in recent weeks.

Bud Severson and Pete Stenegaard, who scored a hit at previous shows, have developed a new costume comedy number, while Samuel Dicken will give a demonstration of acrobatics on skates, and Bubbles Wangenstein and Elaine Hammergren will present a novelty duo.

Patricia and Margaret Chown will be among the headliners of the Winnipeg club, the former now serving as club professional. Also appearing will be the popular Duncan-Willis waltzing pair, and Sheila Smith, juvenile star. Another performer will be Margaret McInnis, who is now in Montreal competing for the Canadian amateur skating championship.

Mr. Ihle stated that the arena will be suitably decorated for the occasion, and that the advance sale of tickets for the carnival will open Saturday.

Tickets will be on sale in advance of the show at the Thief River Pharmacy, J & B Drug store and Jay-Bee drug store.

Firemen's Inhalator Campaign Successful

The Thief River Falls fire department has closed a successful magazine subscription campaign after netting $135.40, which, together with a bonus, will be used to finance the purchase of an inhalator. The equipment, which is expected to arrive within a few weeks, will be used to resuscitate persons overcome by smoke as well as drowning victims.

DELEGATION FROM CITY PAYS TRIBUTE TO GIL MICKELSON

Present Ohio State Captain with Wrist Watch in Minneapolis

Twenty-five local citizens journeyed to Minneapolis to pay tribute Monday evening to Gil Mickelson, son of Mr. and Mrs. Martin Mickelson of this city and captain of the Ohio State University basketball game.

The occasion was a game between Ohio State and the University of Minnesota in the field house, the latter team winning by a score of 46-43. Gil was unable to participate in the game, having been incapacitated by a sprained ankle a few days previous.

Heading the local delegation, which was augmented by fifty students and former residents of this city now in the Twin Cities, were Mayor W. W. Prichard and Roy Oen, president of the Civic and Commerce association. In behalf of the delegation Mayor Prichard presented Mickelson with a handsome wrist watch.

Between the halves of the game, Rollie Johnson, sports announcer for WCCO, gave a talk calling attention to the Thief River Falls delegation.

FOREIGN POLICY OF U. S. TOPIC AT LEGION MEETING

Speakers Nearly Unanimous in Favor of All-Out Aid to Britain

In a spirited discussion of United States foreign policy and the administration's lease-lend bill Monday evening, members of Elmer J. Ecklund post of the American Legion who expressed their views revealed a nearly unanimous sentiment in favor of all-out aid to Great Britain in the prosecution of the war.

Dr. A. E. Jacobson presided as chairman, while H. O. Chommie questioned the speakers and Alfred Skarstad and W. G. Claffy recorded the proceedings. Among the speakers were Gustav Schilbred, Ward Long, W. E. Dahlquist, Dr. H. K. Helseth and Sam Brandvold. They discussed the issues from various viewpoints.

Preceding the open forum, a business session of the post was conducted in which George W. Werstlein submitted a financial report and other reports were given by A. B. Stenberg and H. O. Melby.

It was announced that one meeting a month will be held in February, March and April, and that the post and auxiliary unit will hold a joint observance of American Legion Hospital Association Week on a date tentatively designated as February 24.

St. Lukes Hospital Will Conduct Meeting Feb. 3

The annual meeting of St. Lukes Hospital association will be conducted in the hospital library next Monday afternoon, February 3, at 2 o'clock, it was announced today by W. W. Prichard, secretary. Annual reports will be submitted, and two trustees will be elected to serve three-year terms.

William Team Meets Junior Sextet Saturday

A junior hockey team representing Williams high school will invade this city Saturday evening, February 1, at 7:30, to meet the local high school sextet in the arena. The Williams team plays regularly in a league including Baudette, Warroad and Roseau high schools.

NEW OFFICERS OF C. & C. TAKE OVER DUTIES THURSDAY

President Roy Oen Announces Personnel of Standing Committees

After being inducted into office by retiring President Frank A. Rinkel, President Roy Oen took over the reins of the Civic and Commerce association at last Thursdays' luncheon meeting, and announced the personnel of standing committees to function during the coming year.

R. J. Lund, chairman of the legislative committee, told of preliminary work being done by his group looking toward the establishment in Thief River Falls of the proposed new institution for the feeble-minded.

At the recent convention of Judges of probate in St. Paul it was reported that present institutions have a waiting list of approximately 1,500 persons who have been ordered committed by probate courts of the state.

Lincoln Arnold also spoke briefly at the meeting, announcing the annual ice carnival to be held in the arena February 8 under the auspices of the Junior Chamber of Commerce.

The Fraternal Order of Eagles to Install Aerie in City Sunday, Feb. 9

A new aerie of the Fraternal Order of Eagles will be installed in Thief River Falls at the Sons of Norway hall Sunday, February 9, with a starting membership of more than 100 from this and surrounding communities, it was announced today by George W. Capser, deputy organizer in charge of the work here. He stated that members of the order from St. Paul, Minneapolis, Fargo, East Grand Forks and other aeries will be in attendance.

Federal Income Tax Man Stationed Here Feb. 18-21

For the convenience of those who are required by law to file federal income tax returns, a deputy collector of internal revenue will be stationed in the council chamber in the municipal Auditorium February 18 to 21 inclusive, it was announced this week. Single persons having a gross income of $800 or over are required to file returns, as well as married persons with a gross income of $2,000 or over.

COUNCIL O. K.'S PAYMENTS ON POWER PLANT

Approves Payments Totaling in Excess of $56,000 Monday Night

TO DRAFT AMENDMENT TO BEER ORDINANCE

Expiration Date of Licenses to be Changed to August 1

The city council at an adjourned session Monday evening approved payments of more than $56,000 in connection with the enlargement of the municipal power plant. Included were a payment to the Busch-Sulzer company of $49,816.95, representing half the purchase price of the new Diesel unit delivered last week, and payment of Estimate No. 2 to Johnson-Gillanders company of Grand Forks on the addition to the power plant building in the sum of $6,641.28.

City Attorney Theodore Quale was instructed to draft an ordinance amending the present ordinance governing the sale of 3.2 per cent beer to make licenses expire August 1 instead of February 1 and authorizing the issuance at this time of licenses for a six-months period to August 1.

Judges of district court were authorized to use the municipal court room for district court chambers as required. The hearing on storm sewer assessments on Riverside av. was continued further, pending receipt of an engineer's report.

The council engaged the firm of Harvey & Castle, certified public accountants of Grand Forks, to make an audit of city books for the year 1940.

Joe Novak returned this week from Winnipeg where he has been visiting at his home since he fractured his wrist some time ago.

STATE SOLONS BRING IN MANY NEW MEASURES

Bills Provide Added Financial Support for State University

PROPOSE NEW TAX ON SOFT DRINKS

Would Exempt Rural Electric Cooperatives from Income Taxes

Appropriations totaling about $4,000,000 in excess of Governor Harold E. Stassen's recommendations are asked for the University of Minnesota for the next biennium in three bills introduced in the legislature Monday by Rep. George MacKinnon, Minneapolis.

The governor recommended $3,540,000 for each of the next two years for maintenance costs as compared with $4,475,000 a year which is set forth in MacKinnon's measure, thus accounting for $1,870,000 of the $4,000,000 boost.

The major portion of the other increases are for construction of four buildings, purchase of land, and remodeling of three others, all of which were disallowed in the governor's budget message.

One measure seeks sums ranging from $75,000 to $750,000 for construction and equipment of several buildings, including: mechanical-aeronautical engineering building, on the main campus, $750,000; dormitory at the Northwest school and experiment station near Crookston, $142,000; and college of education building, on main campus, $750,000.

By a voice vote, the house adopted a resolution calling for an investigation of the state oil inspection division, although at the same time by inference it exonerated Arthur B. Anderson, head of the division.

Two more measures affecting farm taxes were received in the

Headliners with Winnipeg Winter Club Skaters

Acclaimed as the waltzing wonders from Winnipeg, Archie Duncan and Vera Willis, members of the Winnipeg Winter club, are assured of a most cordial reception Saturday, February 8, when they appear again in the ice carnival at the Thief River Falls arena under the sponsorship of the Junior Chamber of Commerce. The Duncan-Willis pair also will be a feature attraction in St. Paul next Wednesday, Thursday and Friday at the Ice Cavalcade of 1941 staged by the St. Paul Figure Skating club. In order to fill their Thief River Falls engagement, Mr. Duncan and Mrs. Willis will travel by plane from St. Paul to Fargo Saturday morning, February 8, and will be met in the latter city by a representative of the Junior Chamber.

Rural Spelling Event Saturday, February 1

Sectional winners in the Pennington county rural school spelling contest were announced today by Richard Dablow, county superintendent of schools. Winners of first place will compete in the county-wide event in the district court room Saturday morning, February 1, at 10 o'clock, while second place winners will be alternates.

The winner of the county contest will compete in the Red River Valley spelling contest Friday, February 7, in connection with the Valley Winter Shows. Judges of the county event will be Mrs. Glendon Ahre and Mrs. Hubert Baum.

Sectional winners follows: Sec. 1: Vernon Iverson, Dist. 6, first; Grace Dahlen, Dist. 14, second. Sec. 2: Gladys Peterson, Dist. 67, first; Alvina Halvorson, Dist. 3, second, Sec. 3: Lloyd Peterson, Dist. 39, first; Ernest Rodman, Dist. 39, second. Sec. 4: Not reported.

Sec. 5: Alpha Anderson, Dist. 60, first; Norma Bruggeman, Dist. 125, second, Sec. 6: Margery Christenson, Dist. 23, first; Pearl Peterson, Dist. 23, second. Sec. 11: Robert Veilguth, Dist. 130, first; Muriel Peterson, Dist. 106, second. Sec. 12: Betty Nelson, Dist. 149, first; Arlien Peterson, Dist. 75, second.

JUNIOR CHAMBER'S CAMPAIGN FOR NEW MEMBERS ADDS 35

Group Solicits Support for Advance Ticket Sale for Ice Show

At a meeting of the Junior Chamber of Commerce last Thursday evening attended by 65 young men, reports on the organization's recent membership campaign were submitted, showing that 35 new members were added to the rolls.

Committee reports on the ice carnival to be staged in the arena Saturday, February 8, were submitted, and the chamber voted to accept a contribution of $40 from the Civic and Commerce association, in lieu of soliciting merchants for advertising space in the ice carnival program.

At a meeting of the junior group this evening at 6:30 in the Palm Garden cafe, arrangements will be made for the advance ticket sale for the ice show, the drive to be conducted under the direction of Chairman Ralph Luhman. Don Mattson, president of the chamber, today solicited the support of local citizens in making the campaign a success.

59 Youths Enrolled for Service in CCC Camps in City Last Thursday

A total of 59 youths from five counties were enrolled for service in CCC camps in this city last Thursday. Seven boys were from Pennington county, while Marshall provided 22, Polk 15, Roseau 15 and Kittson one. Thirty of the group were assigned to a camp at Two Harbors, while 19 went to Big Fork and ten to Effie. In charge of the enrollment was C. S. Rondeevedt, state supervisor of CCC selection, assisted by Captain Arnie Stenslie of the Middle River camp.

Townsend Club to Meet Next Sunday Afternoon

The Townsend Club will meet in the basement of the auditorium Sunday, February 2, at two thirty o'clock. All members of the club are requested to be present and the public is cordially invited to attend, E. B. Bakke, secretary, announced. A resolution will be offered requesting congressmen and United States Senators to use their votes and influence to keep the United States out of war. A copy of the much debated lend-lease bill will be read and discussed.

EDWARD PETERSON OF ST. HILAIRE DIES WEDNESDAY

Edward Peterson of St. Hilaire passed away yesterday, Wednesday, January 29. No funeral arrangements have been made as yet, but a complete obituary will be published in next week's Times.

President's Birthday Ball Set for Tonight

The annual President's Birthday Ball will be staged in the municipal Auditorium this evening, the net proceeds going into a fund to be used to combat infantile paralysis. The eight-piece Ruby dance band will provide both old and new-time dance music for the occasion.

FATHERS NIGHT TO BE NOTED BY PTA MONDAY EVENING

Former Embassy Secretary at Warsaw Will Give Address

With men members in charge of the program, Fathers Night will be observed at the February meeting of the Parent-Teacher association next Monday evening, February 3, in the Lincoln high school auditorium.

The principal speaker will be Professor Charles Morley, teacher of European history at the University of North Dakota, who will discuss the situation in Poland at the time of the German invasion. Mr. Morley was stationed at that time in Warsaw as secretary of the American embassy and was forced to flee to Paris in company with Anthony J. Drexel-Biddle, the ambassador.

The musical portion of the program will include community singing led by V. C. Noper and accompanied by H. O. Chommie, songs by a men's quartet and vocal solos by C. V. Whitchurch.

Lunch will be served at the close of the program.

Mr. and Mrs. Melby Buy Lein's Popular Priced Store Effective Feb. 3

Mrs. A. Lein, proprietor of Lein's Popular Priced store for a long period of years, today announced the sale of the store, effective Monday, February 3, to Mr. and Mrs. H. O. Melby, who have operated the Apparel Shop the past several years. Mrs. Lein stated that after a few weeks' vacation she plans to resume operation in a similar business.

Dr. Bratrud Is Rotary Club Speaker Tuesday

Dr. Edward Bratrud was the speaker at the Rotary club luncheon Tuesday noon in the Evelyn hotel, giving details of his sojourn in Texas and Mexico during the recent holiday season. As an interesting accompaniment to his discussion, he presented motion pictures taken by him of a Mexican bull fight.

To Organize Infantile Paralysis Unit Monday

A proposal to organize a Pennington county chapter of the National Foundation for Infantile Paralysis will be discussed at a meeting of interested persons in the district court room next Monday afternoon at 5 o'clock, it was announced today. The purpose of the organization will be to investigate cases of infantile paralysis in the county, and to assist the victims in obtaining medical aid.

Sportsmens Club Will Elect Tuesday Evening

The annual meeting and election of officers of the Pennington County Sportsmens club will be held in the Civic and Commerce association rooms next Tuesday evening, February 4, Richard Dablow, secretary, announced today. Following the business session a roast buffalo lunch will be served.

Palm Garden Cafe Will Feature Dunking Hour

The long-standing controversy as to whether or not the little finger should be raised when dunking a doughnut in coffee is expected to be decided in a "dunking hour" to be held at the Palm Garden Cafe for a week starting today between the hours of 3:30 and 4:30. The event will give local devotees an opportunity to demonstrate the popular habit in its various styles. "No holds are barred", Carl Kretzschmar, proprietor of the cafe, announced.

CO. FAIR BOARD SIGNS UP FINE SHOWS FOR 1941

Gets Outstanding Attractions at Meeting in Fargo Thursday

1941 FAIR WILL OPEN WEDNESDAY, JULY 30

Board Secures Ernie Young Revue and DeeLang's Carnival

At a meeting in Fargo last Thursday the Pennington county fair board signed up an outstanding array of attractions for the 1941 Pennington county fair, George M. Wilson, secretary, announced this week, adding that the dates of the coming four-day fair have been set at July 30 and 31, August 1 and 2.

Ernie Young's "Step Lively" revue, the latest in the series of programs sponsored by this popular producer, comprising seven acts, will supply the grandstand program the last three nights of the fair. Three of these acts will also be featured at the Montana state fairs at Billings and Great Falls.

For the afternoon program the fair board engaged Barker Brothers circus, a rodeo and Wild West spectacle which appeared at seven state fairs in 1940, and was available for the county fair here only because the dates are early. The program for the first evening, Wednesday, will be supplied by Chuck Acree and his quiz program.

Mr. Wilson stated that the fair board was fortunate in securing for the midway the DeeLang Shows, comprising fourteen shows and a like number of rides. The shows will go from this city to Spencer, Iowa, the largest county fair in that state, and will then appear at Cedar Rapids, Iowa, Albert Lea, the South Dakota state fair at Huron and the North Dakota state fair at Fargo.

Members of the fair board who journeyed to Fargo included, in addition to Mr. Wilson, R. O. Peterson, O. C. Paulson, W. E. Dahlquist, Harry R. Lund and Frank Hardisty.

COUNTY CITIZENS TO PARTICIPATE IN WINTER SHOWS

To Enter Livestock and Compete in Annual Judging Contests

A large delegation of local 4-H club members and other Pennington County residents will participate in the Red River Valley Winter Shows next week. M. E. Mussy, local Holstein breeder, will exhibit his herd at the show, and has listed two choice breeding animals for the purebred livestock sale on Thursday and Friday. Knutson Bros. likewise are offering two choice purebred Angus heifers on the sale.

County agent Lester Lerud reports also that he has been working with a group of farmers and 4-H club members in practicing judging of livestock on several farms during recent weeks in preparation for the judging contests at the winter shows. Two 4-H livestock judging teams and one farmers judging team will participate in the judging contests. Morris Engelstad of the Rocksbury club will compete in the individual dairy demonstration contest.

Indications are that it will be a record livestock show this year, both in numbers and quality. Never before at any Valley show has there been offered for sale as desirable purebred livestock of all breeds and species as will be offered in the sales on Thursday and Friday.

The county agent's office states that it has a number of copies of the livestock sale catalogues and will be glad to furnish any information about either the program during the week or the livestock sale. Farmers who wish to send grain and crops exhibits to the show, may leave them at the county agent's office before noon on Saturday. Arrangements will be made to bring the exhibits over to Crookston at no cost to the farmer.

Mrs. Richard Mabey returned Thursday after visiting for the past three weeks with her mother, Mrs. Clara Holmquist, and her sister, Mrs. W. H. Ryer, both of Duluth.

Ardella Gjernes Weds Clayton Taylor Friday at Her Parents' Home

Miss Ardella Virginia Gjernes became the bride of Clayton Taylor, son of Robert W. Taylor of Hibbing, at a ceremony solemnized at the home of her parents, Mr. and Mrs. Carl E. Gjernes, 513 Riverside Avenue, on Friday, January 24.

The single ring ceremony was read in the presence of about 25 guests at 4 p. m., with Rev. R. M. Fjelstad of Trinity Lutheran church, conducting the service. The vows were spoken before an improvised altar on which lighted tapers were placed. On either side were bouquets of spring flowers.

Miss Gjernes was attended by her sister, Madeline, while Mr. Taylor chose as his best man, Raymond A. Julien of Fort Francis, Ontario, Canada and Crookston, who was until recently employed by the local hockey club. Nuptial music was played by Miss Helen Dahlen. "Salut D'Amour" by Edgar was played before the ceremony and the bridal chorus from Lohengrin was used. Walter Ekeberg rendered a vocal selection, "Because", accompanied by Miss Dahlen, and Frances Thome's "Simple Aveu" was played during the ceremony.

The bride, who was given in marriage by her father, wore a [illegible] blue silk ensemble with a shoulder corsage of talisman roses and sweet peas. Her bridesmaid was attired in a dusty coral street-length dress with brown accessories and wore a corsage similar to that of the bride's. The bride's mother wore an afternoon dress of deep violet silk and a corsage of roses and sweet peas.

An informal reception was given at the Gjernes home immediately after the ceremony, about 25 guests attending. A buffet supper was served from a table attractively appointed with flowers and candles and having a three-tiered wedding cake as a centerpiece.

Out-of-town guests present for the occasion were R. W. Taylor, Mr. and Mrs. O. E. Lindbraaten, Mr. and Mrs. Adolph Pearson, all of Hibbing, Iver Gjernes of Oklee, Mrs. E. Bundahl, Mr. and Mrs. Jacob Stenso of East Grand Forks, and Mrs. Dan Myerchin of Crookston.

Mrs. Taylor was graduated from the local high school in 1936 and has been employed for some time as a dental assistant in the office of Dr. H. J. Rice. The groom was graduated from the Hibbing high school with the class of 1935 and was associated with the local hockey team for four seasons. He is now employed by the Crookston hockey club. The couple will make their home in Crookston until March when they will move to Hibbing where the groom will be employed by the F. W. Coons Construction Co.

WOMEN'S PROJECT BEING ORGANIZED IN PENNINGTON CO.

Announce List of Chairmen in Various Townships of County

Township home and community chairmen throughout the county report that their local groups are reorganizing for this year's project work. Each group consists of eight to fifteen women, who elect their respective leaders, who will attend training meetings at various points in the county this spring and summer. Each group will hold a series of monthly meetings and hold their own discussions.

The project to be conducted this year centers around consumers' buying problems, especially those related to the buying of foods. Miss Ines Hobart, extension nutrition specialist from University Farm, will conduct the training of group leaders at three or four places in the county, once each month for three or four months. In addition to the home project work, many of these local groups are carrying on discussion work along various lines of homemaking and gardening. They are cooperating with the mattress program and several other extension activities.

The county extension office or any of the township chairmen listed below will gladly furnish any information about any of the particular groups or any of their activities.

The township home chairmen throughout the county are:

Clover Leaf, Mrs. A. W. Dahl; Goodridge, Mrs. R. H. McDonald; Highlanding, Mrs. Wm. Vaughan; Kratka, Mrs. Alvin Bursted; Norden, Mrs. Sadie Ayers; North, Mrs. V. E. Copp; Numedal, Mrs. A. S. Olson; Rocksbury, Mrs. Mons Engelstad; Silverton, Mrs. John Burtness; Smiley, Mrs. Anton Landchele.

Star, Mrs. S. O. Prestegaard; Steiner, Mrs. Vernon Malberg; St. Hilaire, Mrs. Oscar Gunstad; T. R. Falls, Mrs. A. C. Matheson; Wyandotte, Mrs. Jas. Evenson; Bray & Polk Centre, Mrs. N. P. Schals.

Local Gamble Store Men Will Attend Conference

Fleming Gibson and Paul Mellby of the local Gamble Store leave Saturday evening for Minneapolis to attend the 16th annual sales conference of the Gamble Store organization. This meeting is planned for the purpose of bringing together managing partners of Gamble Stores and authorized dealer store owners, in order to discuss merchandising plans and company policies for the coming year. Officials from the home office will address the meeting. Representatives of 31 manufacturers from all sections of the country will also be present at this meeting to introduce new items and to pass on information to the men present.

Local Man Honored for Life Insurance Sales

J. A. Shaver of this city was notified today that he had qualified for membership in the "President's club" of Modern Woodmen of America by writing $296,800 life insurance during 1940. The notification came from the office of Oscar E. Aleshire, Modern Woodmen national president, in Rock Island, Ill. Mr. Shaver was one of a group of seventeen district managers throughout the United States to receive such recognition. He is to receive a gold-filled lapel pin emblematic of his achievement. The emblem will be presented formally by W. Cable Jackson, Minneapolis, state manager for Minnesota, at a local camp meeting in the near future.

Fish Being Suffocated in Many Minnesota Lakes

Requests for rescue of fish threatened by oxygen shortages deluged the department of conservation this week amid reports of widespread "freezeouts". All available rescue crews were in the field on long shifts. The critical oxygen deficiency was created by an unusually early freezeup last November and a thick blanket of snow that shut off light rays essential to the release of oxygen into the lakes by aquatic plants. Shallow heavily vegetated lakes are the most critically affected. Most of the state.

LEGISLATURE IS GIVEN MEASURES ON CONSERVATION

State Department Presents Variety of Proposals Tuesday

The conservation department's legislative program, including bills for stiffer poaching penalties, cutting fishing limits and tightening restrictions on fur buyers, was presented to the legislature Tuesday.

Introduced in the house by Rep. Herman Litchke, Grand Rapids, the plan provides for confiscation of deer shiners' cars and set minimum fines for poachers, illegal fish netters and general law violators.

The department asks that:

Resident fishing fees be raised from fifty cents to one dollar.

Daily and possession limits of wall eyed pike and Great Northern pike be set at six and twelve, respectively, and perch be taken anytime and in any quantity.

Hunting and fishing licenses be canceled for one year for violations.

No limit be placed on seasonal bag limits of upland game birds.

County auditors be compelled to return license blanks within 30 days after close of the calendar year to expedite department accounting.

Smoking squirrels from logs or trees forbidden as a fire prevention measure.

Fur buyers be required to keep up to date books for ready inspection.

Minnesota be authorized to work with Iowa in seining rough fish from three border lakes.

Forest rangers, patrolmen, game wardens and game refuge patrolmen be called conservation rangers.

A thirty-day muskrat season be between November 1 and April 30 and a 15-day beaver season be held between December 1 and May 1.

Mrs. Elizabeth Brennan Dies in Local Hospital

Funeral services were conducted by Father Merth from the Catholic church at 9 o'clock on Tuesday January 28, for Mrs. Elizabeth Brennan, who died in a local hospital on Saturday, January 25. Burial was made in the St. Bernard cemetery.

Mrs. Brennan was born in Minden, Nebr. on June 4, 1892. From there she moved with her parents to Missouri, and later to Morris, Ill., where she was married to Harry Brennan on February 19, 1912. In 1919 they moved to Plummer, and in 1936 to Sanders township where they have since lived.

Preceding her in death was one brother. Survivors are her husband; one daughter, Mrs. Leo Klassen of Oklee; her parents, Mr. and Mrs. John Eich of Morris, Ill.; three brothers, Ed, John, and Martin Eich all of Morris, Ill.; 7 sisters, Mrs. Art Rose of Elgin, Ill., Mrs. Frank Rudow, Mrs. Jim Larett, Mrs. San Cauchen, and Miss Celia Eich all of Morris, Ill., Mrs. Frank Simpson of Lincoln, Ill., and Mrs. John Rose of Portsmouth, Ohio.

Mrs. Signe Jorgenson Passes Away Monday

Mrs. Signe Jorgenson of Sanders township passed away in a Thief River Falls hospital on Monday, January 27 at the age of 62 years, three months, and three days. The funeral will be conducted by Rev. J. O. Jacobson at the Scandinavian Evangelical Church on Saturday, February 1 at 1:00. Interment will take place in the Saterdalen cemetery.

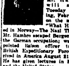
Mrs. Jorgenson was born in Saterdalen, Norway on October 24, 1878 and came to this country to settle in Fisher, Minn. in 1890. She later lived in Crookston, in Marshall County, and in Thief River Falls. In 1932 she moved to St. Hilaire and on December 23, 1937 she was married in Thief River Falls to Knute Jorgenson. In 1938 they moved to this city where they lived until 1940 when they moved to Sanders township where they have since made their home.

She leaves to mourn her passing her husband, Knute Jorgenson of Sanders township, one son at home, and one sister, Mrs. John Hartwig of Los Angeles, Calif.

Small Daughter of Mr. and Mrs. Martin Loberg Dies

After a short illness, Corrine Joyce Loberg, small daughter of Mr. and Mrs. Martin Loberg of Plummer died in a local hospital on Thursday, January 23 of pneumonia at the age of one year, two months, and three days. She was born on November 20, 1939 in Twin Valley and lived there until her parents moved to Plummer in October, 1940, where they have since lived. She leaves to mourn her death her parents, her grandparents, Mr. and Mrs. A. K. Norby of Grygla, and several aunts, uncles, and cousins. Funeral services were conducted at 2:00 on Tuesday January 28 at the Valle Lutheran Church, Rev. S. T. Anderson of Grygla reading the sermon. Interment was made in the church cemetery.

WINTER SHOWS SPEAKER



Edvard Hambro, formerly of Oslo, Norway, will be one of the evening speakers at the Red River Valley Winter Shows to be held in Crookston February 3 to 7. Mr. Hambro will speak Tuesday evening, February 4, on the subject, "What Happened in Norway—The Nazi Threat." Mr. Hambro escaped Bergen after the German occupation; was appointed liaison officer to the British Expeditionary Force; arrived in America August 21, 1940. He has given lectures in Europe and the United States.

Mrs. Anna Olson Dies of Lingering Illness in Hospital Here Monday

Mrs. Anna Olson passed away in a local hospital on Monday, January 27 after an illness of some time. Funeral services are to be conducted by Rev. R. M. Fjelstad tomorrow afternoon, Friday, January 31 at 2 o'clock in Trinity Lutheran church. Interment will be made in Greenwood cemetery.

Mrs. Olson was born on September 14, 1892 in Arendal, Norway, and was married there to Tellef Olson on March 30, 1912. They came to America the same year and lived for a short time in Thief River Falls until they moved to Towner, N. D. In November, 1912 they moved to Boxelder, Mont., where they made their home until the fall of 1923 when they moved to Golden Valley, Marshall County. In 1937 they moved to a farm near Thief River Falls where they have since lived.

Surviving Mrs. Olson are her husband; eight sons, Carl of St. Paul, Oscar, Elmer, Arthur, Laverne, Willard, Vernon, and Gordon all at home; one daughter, Bernice at home; her mother, Mrs. Gunder Tweet at Goodridge; three brothers, Gunder Tweet of Goodridge, and Ole and Olaf Tweet of Holt; three sisters, Mrs. Carl Quam Goodridge, Mrs. George Johnson of St. Paul, and Mrs. Carrie Hanson.

Her father, two brothers, and one sister are deceased.

Final Rites for Oscar Hoffman Held Today

Funeral services will be conducted for Oscar Hoffman from the Erickson & Lund Funeral Home today, Thursday, Jan. 30, at 2, Rev. Thorvald Myhrer of Newfolden officiating. Mr. Hoffman passed away at a local hospital at the age of 41 years, 6 months, and 17 days, on Sunday, January 26. Interment will be made in the Greenwood cemetery.

He was born in Marshall County on July 9, 1899. In 1920 he was married to Jennie Myhrer in Newfolden and two years later they moved to the township of North where they have lived since.

He leaves to mourn his passing his wife, Mrs. Jennie Hoffman; two daughters, Helen and June both at home; four sons, George of Wilton, Melvin of Big Fork, and Rueben and Arnold both at home; his mother, Mrs. May Hoffman of Holt; three sisters, Mrs. Jack Doss of Oregon, Mrs. Swan Arkerblade of Canada, and Miss Mathilda Hoffman of Holt; three brothers, Paul and Arthur of Holt, and Frank of Oregon. His father and one brother preceded him in death.

State 4-H Clubs Break Membership Records

The 1940 membership in Minnesota 4-H clubs broke all records for the state, according to A. J. Kittleson, state 4-H leader. The total enrollment of boys and girls was 49,258 and the project enrollment was 80,990 for the year. Assistance in organizing the local clubs and carrying on their programs was given by 4,233 local leaders. During the past year, 11,000 Minnesota boys and girls had a chance to attend state and national events as a result of their participation in the 4-H program.

596,932 YULE TREES CUT ON STATE LANDS IN 1940

Last year 596,932 Christmas trees cut from spruce swamps on state lands swelled the state trust fund by $9,948.07, Ray Clement, Minnesota department of conservation, announced today. The oldest tree cut was 149 years old but it was only 2.40 inches in diameter. This slow growth is due to the stagnant, acid condition of the spruce swamp.

EQUALIZING THE COSTS

The suggestion is made occasionally that in cases where government defense contracts are being held up by strikes, the strikers should be drafted into government service and put to work on the same wage basis as those who are drafted for military service. Such suggestions raise the interesting question of the practicability of universal conscription in times of emergency, the drafting of capital and labor as well as of men to serve in the armed forces.

Universal conscription is one of those nice sounding terms that appeals to a person's sense of fairness. If it is right to force some of our men to serve the government in a highly hazardous capacity, for comparatively low wages, why should other citizens be permitted to live normal lives? It sometimes appears to be a case of rank discrimination.

We do not need to worry a great deal, however, about labor and wealth not being conscripted. Through taxation, they have been conscripted in the past and they will be conscripted in the future. Through taxation a portion of the earnings of both capital and labor will be drafted for military service. This particular form of compulsory military service will extend over a period of many years. Few of us, if any, will live long enough to get an honorable discharge from the bill paying branch of the service.

There are good reasons, however, why conscription should be confined to the drafting of men for actual military service. The best reason is that it would be practically impossible to draft the services of all farmers and business men and laborers without completely disorganizing the country. It would result in such a condition of chaos that all activities of government, including the business of building and maintaining a war machine, would become hopelessly involved.

A smooth running, highly efficient military organization is not the only thing necessary for a nation at war. Just as important, perhaps more so, is a smooth running, highly efficient organization of production and distribution of both the civilian and military requirements. The less the normal economic relations among individuals and groups within a nation are disturbed by war, the better are the chances for effective conduct of the war.

The thing to be desired, in an emergency of the kind we are now facing, is an equitable distribution of the economic costs of the emergency. Those who now give their time no doubt make the greatest immediate sacrifice, but, if we may judge by past experience, their present loss will be offset to a large extent by future concessions and preferences, providing we remain solvent. And if we become insolvent, their loss will be no greater than the loss of the rest of us.

The most difficult problem, in distributing the costs equitably, is to restrain those individuals and groups who seek to benefit by the distress of others. In general terms they can be classified as profiteers and racketeers. They are found in the ranks of business and labor. Farmers, as a class, do not offend in this respect, not because farmers are more honorable and public spirited but because farmers sell their services on a free and highly competitive market. An emergency of this kind does present opportunities for unscrupulous individuals or groups who are in a position, because of the abnormal demand for their goods or their services, to adopt extortion methods. In fairness to other groups and individuals, every effort should be made to check this form of buccaneering. Reasonable profits are essential to business and fair wages for labor are necessary if we are to maintain our standards of living, but profits and wages in the mushroom defense industries that are now springing up over the country should not be permitted to rise to levels that are above the normal of peacetime activity merely because these industries now enjoy an advantage in contracting with the government.

There is no advantage to the masses of the people in raising living costs. High prices do not raise the standard of living of the country but, on the contrary, lower it for the great majority of consumers who, because of circumstances too often beyond their control, are in the lower income brackets.

There has been some criticism of the government's action in lifting the embargo on the sale of airplanes to Russia. The criticism is based on the belief that Russia is supplying Germany and that hence we are actually aiding Hitler when we sell to Stalin. The state department probably considered all these possibilities quite carefully before making its decision and acted in what it considered to be the best interests of the country. It will be a long time before Russia will be able to get deliveries on any planes ordered now, the factories being far behind on present contracts. And there is another angle to the problem. Russia is giving substantial aid to the Chinese. We have less to worry about in the Pacific as long as the Chinese keep the Japs busy. These international problems are so involved at the present time, and there are so many things to be considered by those who are responsible for our policies, it really isn't strange if some of the things they do seem a bit queer.

One is inclined to shed crocodile tears on reading that slot machines last year were victimized to the extent of $5,000,000 thru the use of slugs.

The President today celebrates his birthday, and here's hoping that he may have plenty more of them after leaving the White House.

Judging by the pictures we've seen of the new army cantonments, the canvas manufacturers got more business out of the deal than the lumbermen.

State finances may be in as good shape as claimed, but, looking at the tremendous load of rural credit bonds that will have to be paid out of taxes, one is inclined to doubt it.

It's getting so that it is no longer a mark of distinction to have to pay an income tax.

The average American family is getting smaller, the census bureau reports, and we can't blame it for shrinking in these parlous times.

Winter carnival queens these days are about the only specimens of royalty not in exile.

A New York paper laments the decline in interest in poultry shows. The trouble may be that pretty young girls are no longer classed as chickens.

Money may not come out of the air, but it really seems so when we read that Great Britain's war effort is costing more than $50,000,000 a day.

As Congressman Dick Gale of Minnesota points out, there is no bottleneck in the output of farm produce for the national defense program.

SPORTS Tid-Bits

By Rudi Olson

Here's a Quote

Said Al Holzknecht, after the Grafton Millionaires had defeated Thief River Falls, 3 to 2, on Jan. 12.: "Well, Thief River won't defeat Grafton anymore this season." Results of the two games played with Grafton since Al's quote: Jan. 23rd, Thief River Falls 9, Grafton 4; Jan. 26th, Thief River Falls 8, Grafton 7. Al's been eating crow all week.

And what added to Al's discomfort during the week was the fact that the high school Prowlers, with Hanson refereeing and calling a fine game, defeated the Warren Ponies, 39 to 22. Al, who's chairman of the committee on what's wrong with local athletics, had to notify the other two members of the committee that there wasn't any business on the calendar for this week.

But I had a bad week of it myself. I picked the Soo Cafe to cop the city basketball league championship, and they lose games to the J & B Drugs and the DeMolay. And I picked Warren to win the district basketball title; and they lose to the Prowlers. And my arguments, on which to build up my alibis, are pretty thin too. Arnie Karlstad wasn't in the Soo Cafe lineup the night they lost to the J & B, and his absence made quite a difference in the play of the Soo's.

It made some difference too, that Bob DuChamp and Bill Claffy, two fine fellows who are members of the league-leading Bjorkman's team, were referee and umpire. Not that I question their integrity; but it looked strange to see these officials applaud whenever the J & B's scored a point, and to boo whenever the Soo Cafe marked up a tally. Bob and Bill were what is recognized these days as non-belligerents; for they certainly weren't neutral. In Monday night's game with the DeMolay the Soo Cafe held a four point lead when the second half opened, and then Pudge Helquist, the league's hot-shot, turned his ankle and was forced from the game, and the Soo's took their second defeat.

And the Warren Ponies. Well, they paid the price of the small floor on which they have to play at Warren. For three periods they made quite a game of their contest with the Prowlers; but in the final period they ran out of gas and Eddie Flasch, Denny Althoff, and Johnny Parbst sprinted away from them. I still think that Warren will have something to say about the district championship.

It's a Jinx

As far as playing Big Ten basketball before the home folks is concerned, Gil Mickelson seems to be jinxed. Two years ago, while a sophomore member on Ohio State's Big Ten basketball championship squad, Gil suffered a strained knee ligament a week before he was to appear on the field house floor at Minnesota. And now this year, as Ohio State's captain, he was to appear before a delegation of home town fans, leading the Buckeye team in its game with Minnesota; but on Saturday night, playing at Madison, Wisc., Gil chipped a small bone in his ankle and was not able to get into the Minnesota game on Monday night.

That Grafton Game

Grafton apparently acted on the principle 'when you can't keep a love affair going, start a row,' for as long as they held the lead in Sunday's game everything was sweet and lovely; but when the Thieves knotted the game, and went into the lead, then the Millionaires began to play 'heavy' hockey.

Helmer Baumann was one of the local fans that attended the game, and they tell this story on him. For two periods Helmer had been at the rink-side watching the game; but hearing that a crack Canadian announcer was broadcasting the game over KFJM Helmer went out to his car at the start of the final period, turned on the heater, tuned in his radio, and was enjoying the game in comfort. Came the fight, Paul Kornek and Bill Sutherland, Jimmy Bronson in the fracas, fans trying to pull Gustafson into the stands, McMillan 'working' on the referee. Helmer bounced out of the car, didn't put on his hat, forgot to turn of the heater and the radio, left his car door open, and rushed into the Grafton Arena. He didn't want to miss that kind of stuff.

Better make a notation on your calendar that Grafton will play here on Sunday, Feb. 9th.

It's the Cowboys Again

Wes Burrell, coach and manager took his Bjorkman's Cowboys to Newfolden last Thursday night, for three dollars paid in advance, and played a game with the Newfolden Independents. The score: Bjorkmans' Cowboys 45, Newfolden 40. Bill Claffy tallied 18 points, *Owen Seramstad 10 points, and Si* Kompelien 9 points, to be the Cowboys' high scorers. But what makes the victory remarkable is the fact that Burrell's outfit won the game without bringing along their own referees!

ADDED MEASURES OFFERED BY STATE SOLONS THIS WEEK

(Continued from page 1)

house. Sponsored by J. E. Peterson, one would cut the tax on farm stored grain from 33 1-3 to 10 per cent. Another, by Orans, would provide that all harvested grains shall be assessed under the moneys and credits tax instead of personal property.

Convicts serving life for second degree murder would not be eligible for parole until they had served at least 30 years, under a measure introduced by Rep. George Hagen, Crookston.

Rural Electrification association co-operatives would be exempt from income taxes on funds set up for paying interest and amortization of their loans under another bill sponsored by Rep. P. J. E. Peterson.

Two proposals to tax soft drinks as a means of raising new state revenue were given the legislature. Representative Lawrence Lenerts, South St. Paul, offered a measure to tax all soft drinks one-half cent a bottle of the ordinary size and more in proportion for larger sizes. Bulk drinks would be assessed one dollar a gallon of base mixture. Senator George Lommen, Eveleth, introduced a bill for a one cent tax on eight ounce bottles and eight cents a gallon.

New Type of Fuse Aids Rural Electric Patrons

Rural electrification has grown by such leaps and bounds in Minnesota, making this one of the leading states in that field, that it has developed its own problems, to which the North Central Electric association has asked the attention of the University of Minnesota's department of electrical engineering. Because fuse-blowing is an expensive happening in the country, when an electrician must be called from town to replace the blown fuse, Professor John M. Bryant, department head, and his research associate, Morris Newman, haved eveloped and patented a new type of fuse which will not blow from lightning hitting the line, but will break the circuit if a dangerous overload develops.

IN THE STATE SENATE

By Senator E. L. Tungseth

At the end of the third week of our session, there are still more indications of what a very busy legislative session this is than formerly has been suggested. While there may be few major issues such as "streamlining" of our state government, nevertheless, there will be so many corrections and alternations to be made that we will have to hurry the program along in order to complete our work in the specified time. It appears as if the Senate is minded to work hard from the very beginning which is of course very important in order to complete our work. The committees are already working on their assignments and the bills have been reported back for the calendar.

In this letter I shall confine myself to the matter of gasoline taxation. There is a definite legislative effort to restore the four cent levy to one cent reduction on Minnesota's tax on gasoline which became effective last September. It has cost the state $1,570,859 in revenues during 1940 according to figures received from Arthur R. Anderson, director of the State Petroleum division. The 1939 legislature made the reduction at the suggestion of Governor Stassen. Gross gasoline tax collections during 1940 were $20,934,546 as compared with $21,216,240 in 1939, a 1.33% decrease in spite of increased gasoline sales. Refunds increased from $2,570,245 in 1939 to $2,588,828 in 1940. These are revenues mainly for taxes paid by farmers for gasoline used for other than highway purposes.

I have this week introduced a bill which would restore the 4 cents gasoline tax on gasoline. This bill is so written that it will become effective on passage and by approval of the Governor. Senators Larson, (Ada) and Welle are co-authors. The reason for this bill is two-fold. The first reason is that the state needs the revenue from a 4 cent gasoline tax for its highway department and the second reason, which is still more important to rural counties, that during the four months that the state three cent tax was in effect in 1940, Minnesota rural counties were deprived of $500,000 in road revenue.

Another important bill supported by Senator Swenson proposes to eliminate the one mill gasoline tax and make the 4 cent gasoline tax a permanent basis for highway revenues. This legislation includes ed of $500,000 in road revenue definitely earmarked for state aid roads and that the present allotments to county be continued as county aid road funds.

I may conclude this letter by inviting our citizens to write me concerning any special matter in which you may wish information or convey to us your opinions.

Last Monday night's game in the City basketball league saw the J & B Drugs, with Doc Elstad scoring 15 points, trounce the Hartz team, 49 to 23; the Soo Cafe drop a hard-fought game to the DeMolay, 27 to 24, with Wayne Bredeson pacing the winners with 15 points; and the league-leading Bjorkman's quint defeating the N. Y. A. 37 to 22.

Wednesday night's games completed the first round of the league schedule, and the Bjorkman's team continued undefeated as they whipped a disabled Soo Cafe team, 28 to 19, with Si Kompelien racking up 14 points for the winners; Oen's dropped a 31 to 25 decision to the second place J & B Drugs aggregation; and in the final game of the first round, Earl Nicholson, with 11 points, and Wayne Bredeson, with 10 points, sparked the black and orange clad DeMolay team to 34 to 20 win over the N. Y. A. team.

HUSKY BABY WEIGHS 16 POUNDS AT BIRTH

Blooming Prairie—What is believed to be the largest normal baby ever born with both mother and baby still living is husky Christopher Thissen born to Mr. and Mrs. Frank Thissen of Ellendale on January 9. The infant is normal in every respect except, of course, for his unbelievable weight which was 16 pounds at birth and well over that when he was seven days old. The average child usually attains the 16 pound mark at or near the time it reaches the age of nine months.

RRV TOURNAMENT IN JUNIOR HOCKEY SLATED FEB. 14-15

Fifteen Cities Invited to Participate in Event in Local Arena

The Red River Valley junior hockey tournament will be held in the Thief River Fall arena Friday and Saturday, February 14 and 15, under the sponsorship of the Northwest Junior Hockey association, Dr. A. R. Hulbert, secretary, announced today.

With eight teams participating in the 1940 event, invitations have been sent out this year to 15 cities, including Fargo, Bemidji, Grafton and Grand Forks, giving assurance of a bigger entry list in the coming tournament.

Teams must be composed of amateurs, and will be divided into two classes, high school and independent, each class to hold playoffs in its respective bracket. At least four trophies will be awarded the winners, with a fifth in prospect. The Thief River Falls sextet won the tournament in 1940.

DEFORMED DEER THOUGHT TO HAVE HAD RICKETS

Roseau—Last fall Leo Fichler of Malung shot a curious animal during the big game hunting season which in most respects resembled a deer although its legs were very short and its head deformed. The animal was shipped to the State Department of Conservation for examination and the report has just been received from that department by Game Warden Edwin Johnston. A series of small knobs on the ribs, a deformity of the right shoulder and head, and its stunted legs all pointed to thef act that the animal undoubtedly suffered from rickets, a bone disease.

If in favor of such Resolution or amendment, place an "X" after "FOR"; if opposed, place an "X" after "AGAINST".

Sign the following certificate and return to Christ Nelson, Secretary of the association, at Thief River Falls, Minnesota, before February 17th, 1941.

"I hereby certify that the above ballot represents my vote on the proposed Resolution or amendment."

.... Stockholder.

That at the time and place of said annual meeting, the proposed amendment, as indicated above, shall be voted upon by the members then present, and the votes of those members voting by mail shall then and there be counted and registered.

That at said meeting, in addition to voting upon said amendment, two (2) directors will be elected and such other business transacted as shall be brought up for consideration at that time.

JOHN FUNNESDAHL, President
CHRIST NELSON, Secretary.

Shibboleth

Shibboleth was the test word which the Gileadites made the Ephraimites pronounce. As the Ephraimites could not say sh, but only s as in sibboleth, this was regarded as a sure indication of an Ephraimite; 42,000 Ephraimites were thus detected and executed.

SPECIAL MEETING
December 16, 1940

Pursuant to notice the Board of Education of Independent School District No. 18 of Pennington County met in special session at the Lincoln High School on December 16, 1940, at 8 o'clock P. M. with all members present.

The meeting was called for the purpose of hearing a report of the advisory committee on National Defense Training.

Mr. Pope, Chairman of the Advisory Committee, outlined a proposed program of training and submitted a budget of costs which will be paid by the Government of the United States.

It was moved by Rulien and seconded by Hellquist that the recommendation of the Advisory Committee on National Defense Training be accepted and that Superintendent Nye be authorized to inaugurate a program of training for boys between the ages of 16 and 25 in Electricity, general metalwork, and woodwork. The motion carried.

Mr. Rulien introduced the following resolution and moved its adoption:

BE IT RESOLVED that the following proposed budget for National Defense Training for the period January 1, 1941, to June 30, 1941, be approved:

Mr. Hellquist seconded the motion and upon roll call it was adopted unanimously.

It was moved by Larson and seconded by Stenberg that the clerk be instructed to advertise for bids on necessary machinery and equipment needed in connection with defense training program as soon as funds are authorized by the Government. Motion carried.

There being no further business, the meeting was adjourned.

APPROVED:
A. R. Stenberg, Secretary.
A. E. Jacobson, President.

PUBLIC OPINION

Dear Editor:

A few weeks ago you printed my opinion on the small fines some drivers get. I've had some very nice letters and many remarks about this opinion.

But isn't it quite disgusting to again read in Times a party from a small neighboring town paying $35 and 60 days license suspended and in his case no one was hit or anything run into.

A man from Thief River paid a fine of $25, 60 days drivers license suspended and he sent a party to the hospital for several weeks and who may always suffer from the results. Just what are the laws in Thief River Falls or to what clan or club must we outsiders belong to in Thief River Falls so if anything ever happens we won't get a $45.00 fine and a 60 day jail term for having a few beers and caught jay walking?

We think as much of our folks in these so called small hick towns as you do in Thief River Falls, but doesn't it stand to reason that the fines given each party should come within what could be called a fair fine and not $10.00 more for a man who run into no one and $10.00 less for a man who nearly killed a party.

NORDEN

Elris Johnson left Wednesday evening for Big Fork, where he is attending the CCC camps.

Janet Quist of Thief Rvier Falls, Mrs. Sam Anderson and Minnie Joyce spent a few days of last week visiting at the home of Mr. and Mrs. Victor Johnson near Rosewood.

Mr. and Mrs. S. Sorenson and Sam, Mr. and Mrs. Charles Sorenson and Wendell were dinner guest at the Ben Anderson home in Thief River Falls Sunday.

BROADCAST LOCATES CAR IN THREE MINUTES FLAT

Redwood Falls—Police radio station KNHD holds the record for quick recovery of a stolen car following a broadcast. KNHD broadcast for the 1931 coach stolen from Fred Schumacher of Redwood Falls Saturday night, at 4:26 Sunday afternoon. A man sitting in a store at Sacred Heart heard the broadcast, glanced out the window, saw the car across the street, put in a call, and at precisely 4:29 the radio station received word that the car had been located.

SO. ST. PAUL LIVESTOCK

(By U. S. Department of Agricultural Economics and Minnesota Department of Agriculture)

South St. Paul, Minn., Jan. 28, 1941: Buying demand for most classes of slaughter cattle continued of narrow character and prices for the first two days of the week worked toward the down side. Slaughter steers and she stock ranged steady to 25c lower than the close of last week, steers being mostly weak to 25c lower while heifers and cows were steady to weak. The cow trade showed a slight upward reaction on Tuesday. Bulls were weak to 10c lower and vealers, after ranging steady to 50c lower Monday, displayed a stronger trend on the Tuesday session. Stockers and feeders moved slowly and ranged weak to 25c lower. A load of choice 1116 lb. steers brought $12.50 Tuesday to establish the week's top. Several lots of good steers made $11.25 and $11.50, while good 1370 lb. bullocks reached $11.65. A few choice heifers brought $11.00, while most medium to good kinds turned at $8.25-10.00. Medium to good feeder steers were quoted at $7.50-9.00.

Tuesday marked the second day of sharp losses in the hog division, when prices 25-35c under Monday took the supply. A top of $7.55 on bulk of the good and choice 180-240 lb. barrows and gilts figured the under last week's close, while in general values were 35-45c off. Most good and choice 240-300 lb. averages spread between $7.30 and $7.35, with 300-360 lb. weights at $7.10-7.25. Similar grades 140-170 lb. light lights changed hands at $6.75-7.40. Good sows under 400 lbs. turned mainly at $6.75, with heavier weights downward to $6.50. Feeder pigs were scarce, 80-120 lb. weights selling generally 25c lower at $4.75.

Gains of 25-35c were registered on fed lambs during the week's initial session. Additional strength of around 15c was realized the following day. The uneven advance, while attributed to curtailed marketings, was also enhanced by a leveling off stage in the recently falling Eastern dressed market. Bulk of fed lambs arrived from western feed lots and carried a majority in good to choice condition. The week's lamb top rested at $10.50, with most of the good to choice kinds selling from $10.25-10.35. Slaughter ewes responded with a stronger outlet, advancing as much as 25c, with choice 114 lb. offerings at $5.90, a new high mark for the year.

VALHALL

Paul Engelstad left Thursday for Crookston where he will stay during the Winter Shows. Paul is superintendent of the Livestock division.

Dinner guests at the Hiram Birchard home Tuesday were Rev. and Mrs. Gust Hanson of Crookston. They are Missionaries in the American Sunday School Union.

County agent Lester Larud, Emil Pearson of St. Hilaire, Mrs. C. H. Toomey and Mrs. Edwin Hanson came home Friday from Minneapolis where all had attended Farm and Home week with the exception of Norma who has been staying there with relatives and will visit her parents Mr. and Mrs. Carl Pearson for a few weeks. Mrs. Hanson made a trip to Eau Claire, Wisc., on Wednesday, where she visited her sister-in-law Edna Hanson who had just undergone an operation and had her eyes straightened.

Mr. and Mrs. George Johnson of St. Paul came Sunday morning being called here by the serious illness of Mrs. Johnson's sister, Mrs. Tollef Olson, who passed away on Monday morning.

The W. C. T. U. of Hazel met at the Peter Engelstad home on Tuesday afternoon, where they spent the afternoon doing Red Cross Sewing under the direction of Mrs. Mary V. Shaw. There were sixteen ladies present. There will be one more meeting devoted to sewing. Lunch was served at the close of the afternoon.

COUPLE BUILD HOME FROM OWN MATERIAL

Spring Valley.—That the hardy spirit of the American pioneer is still with us is demonstrated by Mr. and Mrs. George Bly who live three miles north of Spring Valley, for on their farm stands a new home built entirely by the Blys of materials taken for the most part from their own land. Timbers in their attractive stone-finished structure, were sawed from pine trees they felled themselves and they quarried their own rock and cut it into required shapes. The basement was dug two years ago and the work is still going forward for the interior is not yet finished although they are now living in the house. Window panes, roofing, sand and cement were the only materials not produced on their own land.

BUILDS HOG HOUSE FROM PLANTED TREES

Waseca—Although most of our building of today is done with lumber seeded years and years ago by mother nature, Irving Abell of Otisco is in the process of building a hog house of willow that means more to him than any other buildings he ever built in his life, although he was a carpenter in his younger days. The hog house is being built of lumber, some boards as wide as 20 inches, sawed from willows that Mr. Abell planted as a boy on his father's farm.

PROWLERS TAKE TIGHT TILT FROM WARREN 39 TO 22

Local Quintet Invades East Grand Forks Friday Evening

A fourth period rally in which the fast-breaking Prowlers ran away from a tiring Warren team to score 15 points, while the Ponies were counting 5 points, broke up a nip-and-tuck basketball game and gave Thief River Falls a 39 to 22 victory in a 21st district contest played here last Friday night.

Denny Althoff, after a minute and half of scoreless play, counted the game's first points when he dropped in a field goal. Gilbertson scored Warren first point when one of his two free throw attempts dropped into the basket; Althoff looped in a free throw; Dahlof counted from the free throw line, for Warren; Eddie Flasch registered a field goal on his specialty, a one-handed shot; Warren's Hustad dumped in a free throw; and Gilbertson chalked up a free throw. The score at the end of the first period: Thief River Falls 5, Warren 4.

Flasch tallied from the free throw line; Jim Dahlof racked up a free throw; Russ Garnes, who played a fine floor game for the Prowlers, tipped in a rebound; Allen scored Warren's first field goal, on a long shot from side court; Dahlof dropped in a free throw, to knot the score at 8-all; Garnes on a two shot foul, missed his first try, made the second; Dahlof looped in Warren's second field goal, to give the Ponies a one point lead; Babe Peterson brought the Prowlers point total to ten, and the locals into the lead, with a field goal; Flasch lifted a long, high arching shot into the net; and just at the period's end Babe Peterson fouled Hustad, and Hustad converted both free throw attempts. The score at the half-time intermission was Prowlers 13, Ponies 12.

Warren's Dana Allen heaved a long shot into the basket to send the Ponies into a one point lead as the second half opened; Orrin Pederson knotted the count on a free throw; Flasch dove in for a field goal; Eddie then scored on a free throw; Allen lifted another long shot, his third of the game, into the net; Buenger dribbled in for a push up shot, with Warren taking a one point lead, 18 to 17; Flasch dropped in a free throw, to tie the game; Babe Peterson on a pivot play left-handed a hook shot into the basket; Gilbertson of Warren committed his fourth foul, and was removed from the game; Flasch broke through for another close shot; Parbst took a pass from Garnes and counted a field goal. The score as the third period ended was Thief River 24, Warren 18.

Buenger sank a gift toss; Parbst dropped in a field goal; Hanson counted on a free throw, and then scored Warren's final tallies on a field goal from the corner of the court; Althoff lifted a one-hander into the net; Denny broke down the center of the floor, dribbled into the free throw lane and looped another one-hander into the basket; Parbst scored on an under the basket shot; Althoff marked up another field goal; Eddie Flasch broke up a Warren play in mid-floor, stole the ball and dribbled in for a push up shot; and a moment later Eddie repeated the play, intercepting a pass a dribbling in for another basket; Lenny Lorentson counted the final and 39th Prowler point, scoring on a free throw.

The Prowler 'B' team, in a preliminary game, defeated the Warren 'B' team, 19 to 16. Jack Melby, with his rebound work, and the floor play of Bob Powell and Homer Matheson, were outstanding among the Junior Prowlers.

The Prowlers journey to East Grand Forks tomorrow night for a return game with the Green Wave.

Hockey Sextet Wins 3; Crookston Here Feb. 4

The next home game on the States-Dominion hockey league schedule will be played here on Tuesday night, Feb. 4th, when the second place Crookston Pirates, who have begun to menace the locals' lead, will meet the Thieves in a game which should be one of the features of the season.

The Thieves won three games during the week's play, defeating Grafton here last Thursday night, 9 to 4; winning an overtime game played at Grafton on Sunday, 8 to 7; and defeating the Fargo-Moorhead Comets, 5 to 3, in a game played here last Tuesday night.

The highlight of the locals three game sweep was the 8 to 7 overtime victory in the game played at Grafton on Sunday. The Thieves, playing their best hockey of the season, had trounced the Millionaires in a game played here on Thursday night, and the Grafton club was hot for revenge when the locals traveled to Grafton last Sunday.

The first two periods were filled with high-scoring hockey, with Grafton counting three goals to grab a 3 to 0 lead after twenty minutes of play; but the Thieves, sparked by Paul Kornek and Eddie McMillan, who marked up two goals each and single tallies by George Beverly and Bill Gray, put on a six goal scoring splurge, to go into a 6 to 3 lead at the end of two periods of play.

The third period saw some of the wildest hockey ever witnessed in the States-Dominion league, with five major penalties, and a match misconduct penalty being issued. Paul Kornek, Bill Sutherland, Fred Gustafson, Lorry Smith, and Jimmy Bronson, were given the majors, for fighting; and Eddie McMillan was given the misconduct penalty when he 'took picks' on referee McKee. Grafton took advantage of these penalties to score three goals, Foy counting twice, and Teel getting a single marker, to knot the score; and at the 13:15 mark, Gordy Teel put the Millionaires into the lead with his goal. Paul Kornek, who had returned to ice after serving his major, tied up the game and forced it into overtime when he whipped a shot past goalie McNally at the 16:46 mark.

Three and half minutes into the overtime period Paul Kornek picked up a pass from Bill Gray, circled the Grafton defense and beat McNally to score the game-winning goal.

The summary of Tuesday night's game:

Thief River Falls (5)		Fargo (3)
Bronson	goal	E. Tripp

Overtime: Scoring Kornek (Gray), 3:28.

Three Reasons Why Thief River Falls Is On Top in Hockey League

Gustafson, Bronson and coach Beverly is a defense combination that opponents in the States-Dominion league have found hard to beat this year. Bronson has had a good season in the net while Gustafson and Beverly, besides their exceptionally fine defense work, have high individual scoring records. Fast, shifty skaters and neat stick handlers, they are always a scoring threat.

JUNIOR HOCKEY SEXTET BREAKS EVEN PAST WEEK

Loses to Warroad 5 to 1 and Defeats Crookston Cathedral 4-2

The Hornets divided the two junior hockey games played here during the week-end, losing to the Warroad Warriors on Saturday night, 5 to 1; and defeating the Crookston Cathedral team, 4 to 2, on Monday night. 'Mouse' Efteland's first period goal gave the locals a lead which they held until late in the second period when Warroad tied the game on a solo rush by their center Stoskoph, and a moment later the Warriors took over the lead when Dick Roberts punched a counter into the net. Warroad piled up three goals in the final period.

Monday night's game was featured by the play of the Hornets' 'power' line, Lloyd Johnson, 'Mouse' Efteland, and Don Waag, who scored all of the locals' goals, Johnson counting three times, and Efteland marking up a single goal.

Summary of Saturday night's game:

Thief River Hornets (1)		Warroad (5)
Roberge	goal	Murray
Baker	defense	F. Martin
Dorn	defense	D. Frolander
Waag	wing	Roberts
M. Efteland	wing	T. Cole

SMILEY

Return From Farm Week

Mr. and Mrs. Owen Weckwerth returned Saturday from a very nice week spent in Minneapolis. They attended nearly all sessions of farm and home meetings there. It was quite interesting, as they report, what with excellent speakers, especially Edgar Guest, the noted poet and Vera Micheles Dean who spoke on various phases of the foreign policy involving the war situations. The war tension was keenly felt down there in the Cities. It seemed to be about all people wanted to argue and talk about.

The Weckwerths thoroughly enjoyed the stunts and playlets that were presented by different counties throughout Minnesota. The exhibits and illustrations on different farm phases were wonderful. On their trip down and back home again the Weckwerths were accompanied by Mr. and Mrs. Carl Alberg of Hazel. Mrs. Alberg received medical aid at the University hospital during the week.

Visitors at the Jim McCrum home Monday were Mr. and Mrs. George Ege and their daughter-in-law, Mrs. Harold Hammershoy all of Thief River Falls. The Harold Hammershoy's are now making their home in Thief River Falls where Mr. Hammershoy is employed in the offices of the Hara company.

Work has begun on the construction of the new Smiley bridge. A crew of men and a lot of machinery started work last week. Big holes are made through the thick ice and forms are being made for the pillars on which the spans will be erected.

Mr. and Mrs. Einar Barstad of Thief River Falls were Sunday visitors at the Norton Nelson home.

Committee chairmen of the Smiley community club are urged to get their groups together and make arrangements for the monthly meetings which start in April. Send your reports to Mrs. Owen Weckwerth chairman of the publicity committee. She and her gang will make the booklets for the year.

Of interest to local folks will be the recent arrival of a big baby boy to Mr. and Mrs. Donald McCrum (Bernice Hoppe) Jan. 19 at Chicago, Ill. The baby will be named Terrence Earl. The McCrum's also have an eighteen months old daughter, Frances Lillian.

Orton Olson accompanied the Nelson Bros. to Minneapolis Wednesday on a business trip. He also visited numerous relatives there before returning to his home Sunday.

Norman Chester is the only one of the pupils in the Hiawatha school Dist. 26 to receive the perfect attendance award for the third six week term.

Word has been received from the Frank McCrums' that they are now living in Portland, Oregon, where he is employed. Their address is 6035 N. E. Foster St.

Mrs. Mark Olson and son Wayne, Miss Florence Waller of Brinsmade, N. D. and Clara Olson visited at the Herman Rude home Friday.

The Morris Wilson's have moved to Thief River Falls where they will reside for the winter. Mr. Wilson is employed on the WPA sewer project there.

Enid Mellem and Dorothy Hellquist went to Viking Saturday where they partook in the spelling contest. Dorothy won first prize and Enid won second. They will go to Warren when the contest is held there.

The Sewing Club members surprised Mrs. Bergum Friday afternoon when they gathered at her home. The club presented Mrs. Bergum with two flower plaques. Those that attended were Mrs. J. Sagmoen, Mrs. A. Gobell, Mrs. V. Johnson, Mrs. Emma Hanson, Mrs. E. Mellem, Mrs. B. Ranum, Misses Doris Hanson and Myrtle Stromberg. The guests brought lunch with them which was served at the close of an afternoon which had been spent in sewing.

Vernon Mellem is a patient at a hospital in Thief River Falls. He was taken there Friday.

Mr. and Mrs. Eddie Solheim and son of Bemidji, Mr. and Mrs. Art Gobell and children, Mr. and Mrs. John Sagmoen motored to Thief River Falls Saturday evening where they visited at the home of Mr. and Mrs. Pete Peterson.

Mr. and Mrs. Henry Bye and family had quite an experience Friday morning when several members suffered from food poisoning from eating headcheese which had been boiled in a boiler. Dr. Helseth was called immediately and at this time all are getting along well. Four members of the family did not get sick.

Visitors at the Lloyd Anderson home Sunday were Mrs. Nena Bergum, Avis and Arlene, Mrs. A. Rafteseth and sons, Mrs. Minnie Mellem and Chester.

Victor Helquist is assisting at the Pete Mellem home now, while Vernon is at the hospital.

STEINER

Lester A. Lerud, county agent, and judging teams, met at the N. E. Muzzy farm Saturday for practice judging in dairy, cattle, sheep and horses. They also met at the Saugen Bros. farm where they judged beef cattle.

N. E. Muzzy and sons, Lester and Ervin plan to leave Saturday for the Red River Valley Winter Shows at Crookston. Mr. Muzzy will enter his dairy herd of Holsteins, while the boys will enter their 4-H calves.

Mrs. Skomedal received word on Monday of the death of Mrs. John Esplie Jorgenson, who had passed away suddenly Sunday at her home in Thief River Falls. Mrs. Jorgenson, for many years lived on a farm here which was their homestead, and she had many friends here which will miss her deeply.

Five schools, the Sunny Side, Loftness, River Side, Steiner and Klungness, took part in the spelling contest in Dist. 112 Saturday. Honors went to Jeannette Evenson of Loftness school, winning first and Donald Russel of River Side, second. HECTOR FLYING CLUB MAKES NATIONAL MAGAZINE

Hector—Appearing in the current February issue of the "Flying and Popular Aviation" magazine is a lengthy illustrated story concerning the Hector Flying Club, its members and activities. This small town of less than a thousand is described as being one of the most air-minded in the entire country, with nearly everyone from six to sixty either flying or wanting to fly. Joseph W. Morgan, the writer, describes the airport as "rolling pasture-like landing field two blocks off Main Street, four unpainted hangars which creak and shudder in a brisk wind, and five planes." Hector's biggest problem, says Morgan, is to improve the airport, through Federal aid if possible.

MANY GROUPS TO MEET NEXT WEEK AT WINTER SHOWS

Northwest Organizations to Hold Special Meetings in Crookston

Red River Valley and statewide organizations of farmers will converge at Crookston to hold their annual meetings in conjunction with the 51st annual Winter Shows, February 3-7. The valley-wide organizations which are affiliated together in the Winter Shows include livestock, crops and soils development, poultry, and dairymen's associations.

The Red River Valley Livestock association, with more than 2,000 shareholders members, will hold its stockholders' meeting on Monday, February 3, at 1:00 P. M. The livestock association will have its annual banquet on Wednesday, February 5, at which time committees from the Minnesota legislature and newly elected general livestock and dairy breeders from each of four districts will be honor guests.

The Red River Valley Crops and Soils association will hold its annual dinner meeting on Tuesday, February 4, in connection with the annual Crops Day program.

The Minnesota Cooperative Wool Growers' association will hold its annual meeting at 10:00 A. M. on Wednesday and their annual luncheon at noon. All of the wool growers' state officers, headed by President J. B. Conley, will be present for the meeting. The wool growers will attend the Sheep Day program arranged for Wednesday afternoon at which time state and national authorities on sheep and wool production will speak.

The Red River Valley Development association will hold its annual directors' meeting at 4:00 P. M. on February 6 and their annual banquet at 5:30 P. M. The Development Association will award one outstanding farm family from each county the Valley Farm and Homemaker plaque in recognition of service in community development.

The directors of the Red River Valley Potato Improvement association have been called by President Paul Horn of Moorhead for a special meeting at 10:00 A. M. on February 6. The Potato Improvement association members will join the observance of Potato Day by attending the potato program at the Armory during the afternoon.

On Thursday, February 6, the Northern Minnesota Poultry Association will have a meeting at 1:00 P. M. The Winter Shows board of managers will hold its annual dinner meeting on Friday, February 7, at 12:00 o'clock.

Announce Openings in U. S. Marine Air Corps

The United States Marine Corps is strengthening its colorful and famous air force by training adventure-loving young men of the northwest.

To be a member of a United States Marine aviation unit is the ambition of many young men, and now this ambition can more than ever before be realized, for now prospective Marine aviators are flying yellow trainers in and out of Wold-Chamberlain airport at Minneapolis daily in their first taste of military flying.

Interested parties may secure further information or application blanks from the U. S. Marine Corps Reserve Aviation Unit, naval reserve aviation base, Minneapolis, Minn.

SCHOOL BOARDS OF STATE TO CONVENE IN ST. PAUL SOON

Defense and Preparedness to be Theme of Annual Convention

"Defense and Preparedness" will be the theme of the 1941 convention of the Minnesota School Boards association. St. Paul will be the scene of the convention on Wednesday, Thursday and Friday, February 12, 13 and 14.

Steadily increasing delegate attendance year by year and growing interest by the people's representatives in school administration all over Minnesota, have caused the board of directors to essay a three days convention this year for the first time. It will be held in St. Paul. Official headquarters will be in Hotel Lowry.

St. Paul Auditorium, through the courtesy of St. Paul authorities, will be where the general meeting takes place on the second day of the convention and probably on the third day also, unless it appears that the large ballroom in Lowry Hotel will be adequate for the sessions on Friday, February 14.

Delegates to the convention from the local board of education will be selected at the February session February 10.

Minnesota House Gets Proposal for Another State Office Building

Erection of another state office building at a cost of $1,500,000 is asked in a resolution introduced in the Minnesota house of representatives by four legislators.

Appointment of a committee of five to examine lands suitable for the proposed structure and to report its findings and recommendations back to the house is asked in the resolution.

The sponsors pointed to a report of the state auditor showing expenditures of $133,350 annually by the state for office rental to house state departments.

The resolution stresses that the present state office building was constructed at a $1,500,000 cost and that another structure of similar character could be financed by issuance of $1,500,000 certificates of indebtedness, with a pay-off of $100,000 a year of principal over a 15-year period.

HARBINGERS OF SPRING ARE REPORTED AS HERE

Aitkin—The first crows of the year were reported recently by Charles E. Dixon of Swatara who stated he saw the acknowledged harbingers of spring near Aitkin. One of the birds was on the road as Dixon approached and flew up to join its mate in a roadside tree as Dixon passed.

15,000 WORKMEN EMPLOYED ON '40 ROAD CONTRACTS

Contract Payrolls Totaled $2,301,621, Hoffman Reports

Approximately 15,000 men, a large proportion of them heads of families, found employment during the past year on Minnesota's contract program of state highway construction and maintenance.

Workmen employed directly on trunk highway projects by successful low bidding contractors, put in a total of 2,134,182 hours of labor and divided a construction industry payroll of $2,580,574.

These figures, set forth in a report completed this week for Highway Commissioner M. J. Hoffman, do not include any highway department employes who receive their pay from the state. Nor do they include any of the persons employed in the manufacture or sale of equipment or in the production and long haul transportation of road building materials.

During the year, contractors performing construction projects employed 13,530 workmen for a total of $2,301,621. Maintenance contracts afforded 1,300 man-jobs, totalling 207,041 hours of labor, for which $228,953 was paid in wages.

In addition, 250 men drew $58,562 in wages and rental for equipment hired with operators, on state highway work. Including 90 positions on direct labor projects, and 560 man-jobs of short duration performed by public utilities employes in connection with highway construction projects, the cost of which is later reimbursed by the state, labor employed on state trunk highway construction and maintenance contracts last year totalled 15,730 man-jobs, involving 3,334,774 hours of employment, for which $2,589,249.58 was paid in wages.

September was the peak employment month of the year with 5,626 men working simultaneously on state highway contracts.

During the same 12 months, state employe payrolls of the highway department, that is the number engaged in administering, maintaining, planning, constructing and patrolling the 11,800 mile trunk highway system, increased slightly over 1939 due to the larger construction program and the considerably more extensive maintenance operations undertaken.

The average monthly payroll of the highway department throughout 1940 was 3,747. This is an average increase of 168 employes over 1939, but is approximately 2,000 a month below 5,731, the average number on departmental payrolls in 1938.

THRESHES 106 BUSHELS OF WHEAT JANUARY 8

Gaylord—Curious visitors were attracted to the Theo. Tollefson farm in New Sweden January 8 by the peculiar goings-on. Arrival at the farm disclosed that the Tollefsons were in the midst of threshing operations and things were running as smoothly as in August—in fact, smoother than last August. Heavy rains and early winter caught Tollefson last fall and he was unable to get around to threshing his winter wheat so, during the mild weather of the week of January 8, Tollefson got some friends together and started up the thresher to finish last summer's work. Altogether, 106 bushels of wheat were threshed and witnesses say it worked fine, too.

A man is a wholly unpredictable creature. Now and then, just at a time when you're wondering what fool thing he will do next, he surprises you by hauling off and doing something sensible.

Northwest Farmers sell us their finest barley to give HAMM'S BEER

EXTRA GRAIN GOODNESS

LAST year our partner, the Northwest Farmer, sold us direct over a million bushels of his choicest barley . . . to give Hamm's Beer extra grain goodness.

Then we malted it in our own giant plant, so every step was under watchful control. Each batch of malted barley was certified "properly aged" to produce the full richness of the malt.

See what a difference in flavor this finer barley gives—ask for Hamm's "Smooth and Mellow." Theo. Hamm Brewing Co., St. Paul, Minn.

Dean Stephansons Feted

About sixty-five friends and relatives gathered at the school auditorium last Wednesday evening to honor Mr. and Mrs. Dean Stephanson at a surprise miscellaneous bridal shower. Cards and Chinese Checkers were played at several tables while other guests participated in various contests and games. At a late hour the honored couple were seated near a table, which was adorned with a canopy of blue and white streamers, and which was laden with a large array of useful and beautiful shower gifts. After these had been opened by Mr. and Mrs. Stephanson and passed or inspection of all, a delicious lunch was served by the hostesses, Mrs. Norman Newton, Mr. Olaf Newton, Mr. Adelbert Hesse, Beatrice Hook and Myrtle Newton.

Large Crowd at Baking School

A large crowd attended the baking demonstration Saturday afternoon. Miss Alma Oehler, home baking advisor, had charge of the demonstration and showed various kinds of bread and rolls in the process of making and gave helpful advice as well as answering all questions by those present. Samples of the baked goods were served with coffee to the spectators.

M. W. A. Party

Due to the severe cold weather and the blocked roads only a few people were present at the party given by the local chapter of the M. W. A. lodge at the hall Friday evening. Those there spent a pleasant evening playing cards, Chinese Checkers, hand-ball and target shooting, after which they all enjoyed a delicious lunch at Walle's Cafe. J. A. Shaver of Duluth, District representative, was also present at the party.

Mr. and Mrs. Geo Carlsons Honored

Mr. and Mrs. George Carlson were pleasantly surprised on Sunday afternoon when about fifty friends and neighbors came to their home, the occasion being the Carlsons' twenty-fifth wedding anniversary. The afternoon was spent visiting after which the hostesses, Mrs. Orvin Benson and Mrs. John Morrattock served a bounteous buffet lunch, which had been provided by the self-invited guests. The feature of the lunch was a beautifully decorated wedding cake topped with a miniature bride and groom. The honored couple were presented by Mrs. Orrin Benson, in behalf of the assembled guests, with a purse of silver. They also received other gifts. Mr. and Mrs. Ole Prestebak and son of Goodridge were present.

Mr. and Mrs. William Zavoral and family Mr. and Mrs. John Morrattock, Mr. and Mrs. Orrin Benson and children and Mr. and Mrs. Fred Tressett, remained and spent Sunday evening with the George Carlsons, the main diversion being card playing.

STUDEBAKER'S DEFENSE ORDER FOR AIRPLANE ENGINES IS A "PLUS" ORDER

Separate division is being created to expedite production of Studebaker's share of national defense program

WHEN the Government asked Studebaker to build airplane engines on a big scale, it was not the Studebaker plants or facilities that the Government wanted, but rather the Studebaker organization of engineers and production executives.

The Studebaker program for producing airplane engines will have no effect, in itself, on Studebaker production of automobiles. The equipment in Studebaker plants is not suitable for the manufacture of airplane engines and therefore separate equipment for that purpose is being provided.

Studebaker production of automobiles will be affected only if defense requirements for materials or labor necessitate a curtailment of production by all automobile plants.

Our country's national defense program creates new problems and new responsibilities for all of us. Studebaker intends to discharge its defense responsibilities in a manner which will add luster to its name.

What the Quartermaster's Department is to the Army, the Stores Department is to a railroad. Some 70,000 items, ranging from tooth picks to telephone poles and coal to car wheels as pictured above, are quickly obtainable from storehouses and storage yards along the Great Northern's 8,000 miles of main and branch lines. Some 800 persons are kept busy handling these stocks of materials and supplies that inventory about $9,000,000.

Feats in Tax-Eating

Some kinds of transportation are unable to stand on their own feet. To keep them going, it has been necessary to pour billions of your tax dollars into them.

The inland waterways probably are the worst examples. For instance, the Upper Mississippi River, from Minneapolis to St. Louis.

When you total up the tax dollars that have been lavished on this "improvement," and figure interest at 4 per cent, and add the annual cost of maintaining dams, locks and channel, you discover that to provide "cheap" transportation for those who can ship by river, *it is costing the taxpayers about $3.50 for every ton of freight floated.*

The subsidy alone amounts to about twice what the railroads would have charged for hauling the traffic!

This particular kind of transportation—slower than any other, frozen up completely for five months of the year, and contributing no taxes at all—requires taxpayers to pay out about $10 for every $1 it saves a shipper!

Highway transportation also leans heavily on the taxes paid by the owners of homes and farms and by other general taxpayers.

All of the various kinds of special taxes imposed on motor vehicles—many as they are represented to be, and mounting to really impressive totals—have been equivalent only to about *one-half* of the cost of maintaining and improving highways, bridges, roads and streets.

And this leaves nothing to compare with the taxes imposed on railroad transportation for the support of schools and the various other functions of government—which take about 10 cents of every dollar the railroads collect from their patrons.

Against such competitive odds as these, your railroad fights to maintain that volume of traffic without which unit costs go up—*for railway transportation is mass transportation, dependent on volume to reduce costs.*

The key to the lowest possible railroad rates obviously is VOLUME—not the artificial diversion of traffic to tax-eating kinds of transportation.

MINNESOTA HISTORICAL SOCIETY 1

ELMER BENSON NEW CHAIRMAN MINNESOTA F-L

Left-Winger Named to Head State Farmer-Labor Association

DEFEATS CHAS. MUNN OF OSSEO FOR POST

Mrs. Laura Naplin of Thief River Falls Secretary of Convention

Direction of the Minnesota Farmer-Labor association rested this week with former Governor Elmer A. Benson of Appleton who was named chairman Friday in the state convention in St. Paul after one of the closest battles in the history of the organization.

Benson defeated Charles Munn of Osseo, conservative faction candidate, 256½ to 252½ on the second ballot.

After the balloting Munn and Benson exchanged friendship pledges, and Munn then was named first vice chairman by acclamation. The vice chairman promised to work in full harmony with Benson for the development of the party.

A dozen or more nominating speeches were made for Benson, hailing him repeatedly as an anti-war and anti-fusion leader. In one of the speeches, Paul A. Rasmussen of St. Paul, one of a new coalition Democratic-Farmer-Labor state committee, was denounced as a "renegade Farmer-Laborite."

In his acceptance speech Benson declared that "I am not half so radical as some of you people think I am. I am for the common people. Momentous questions are ahead of us. If this country goes to war are the people going to know why?

"If there is another boom and another collapse, and you people lose your farms and your homes, are you going to know why? Are you going to do anything about it or just lie down like a whipped dog and take it?"

He pledged himself to work for a greater and better Farmer-Labor party in the state.

Mrs. Susie Stageberg of Red Wing was elected second vice chairman and Mrs. Viena P. Johnson, Duluth, was chosen secretary and treasurer. Both were named without opposition.

Resolutions adopted called for:

Increasing state gasoline tax to four cents a gallon and retaining the present one mill road tax on general property.

Public ownership of all munitions factories.

National six hour work day and 30 hour week, except in industries where actual shortages of help exist, where eight hour day and 40 hour week would be approved.

Payment of prevailing wages on WPA projects.

Federal pensions for farmers at age of 60.

Three billion dollar national fund for farm rehabilitation and purchase of land for tenants.

State Senator George H. Lommen of Eveleth officiated as convention chairman, defeating Howard Y. Williams for the post, while Mrs. Laura E. Naplin of Thief River Falls was unanimously elected secretary of the convention.

PRESIDENT'S BALL THURSDAY YIELDS $152 NET PROFIT

Nearly $100 of Receipts Remain to be Spent in This County

With gross receipts of $220, the Presidents Ball held at the Auditorium last Thursday evening yielded a net profit of $152, which, together with $47.50 collected locally from the March of Dimes, made total net receipts of $199.50.

Of this amount one-half, or $99.75, remains in this community to combat infantile paralysis, the remaining funds being sent in to national headquarters to be used for the same purpose.

To administer the fund, an organization was set up Monday afternoon with J. H. Ulvan as chairman; Andrew Anderson, vice chairman; Miss Margaret Odell, secretary; and Herman A. Kjos, treasurer. Also selected was an executive committee including Paul Roy, Mrs. Emil Larson, Mrs. Joe Christiansen, Mrs. William Vaughan, Dr. O. F. Mellby and Dr. H. K. Helseth.

Two County Stockmen Honored at Crookston

Eight Red River Valley livestock breeders and dairy men were named 1941 Honor Breeders at a banquet of the Red River Valley Livestock association held at the Hotel Crookston last night. The awards, which are considered among the highest honors that can be won by a farmer in the Valley, were presented to four general livestock breeders by the livestock association and to four dairy men by the Red River Valley Dairymen's association. One man is selected from each of four districts.

The honor breeders in general livestock are: Nathaniel E. Muzzy, Thief River Falls, Pennington county; Kenneth McGregor, Ada; Norman county; Nels P. Ode, Detroit Lakes, Becker county; Anders C. Frokjer, Nashua, Wilkin county. The honor dairymen are: Frank Hardisty, Thief River Falls, Pennington county; A. A. Habedank, Ada, Norman county, Benjamin Scholl, Bagley, Clearwater county; Maurice A. Tabbutt, Pelican Rapids, W Ottertail.

O. A. Flaat of Fisher presented the plaques to the general livestock breeders and R. A. Trovatten commissioner of agriculture at St. Paul, made the presentation to the dairy breeders.

Nathaniel E. Muzzy of Thief River Falls has developed a herd of purebred Holsteins which is known widely over the Northwest. Over a period of years he has developed a number of blood lines which are in great demand among dairymen. He has also been active

At Wednesday's meeting Clifford Bjorkman and James Parkins were inducted into membership in the club.

2,500 Motor Vehicle Licenses Issued Here; Penalty Added Feb. 17

Motor vehicle owners from this section have been calling in a steady stream at the office of Alex Campbell, deputy registrar, to procure their 1941 license plates before the big rush previous to February 17, when a 25 cent penalty is imposed. Another 25 cent penalty is added February 18, increasing thereafter at the rate of 50 cents for each 20 days until a maximum of $2.50 is reached. Mr. Campbell reported today that a total of approximately 2,500 sets of plates have been issued from his office since the first of the year.

Here's the Pick of the County's Best Rural Spellers

Proving their ability to spell the most difficult words, an even dozen rural school pupils, winners in their respective sectional contests, participated in the annual Pennington county spelling event in the district court room Saturday afternoon. Pictured above, left to right, are Arnold Engelstad, winner of first place; Lloyd Samuelson, Alpha Anderson, Margery Christensen, Lloyd Peterson, Dorothy Sjolsvold, Betty Lou Nelson, second place winner; Vernon Iverson, Oliver Dahle, Gladyce Peterson, Robert Vleiguth and Adeline Anderson, winner of third place.

Winnipeg Skaters in Ice Show at Arena Saturday

Offering an entertainingly diversified group of figure skating numbers, a group of nearly 40 members of the Winnipeg Winter club, supplemented by Thief River Falls talent, will present a two-hour program in the arena Saturday afternoon and evening, February 8, on the occasion of the fourth annual ice carnival sponsored by the Junior Chamber of Commerce. The matinee will be given at 2:30 in the afternoon, with the evening show starting at 8 o'clock.

The program to be presented by a selected group of Winnipeg club members is subject to changes in minor details, but will include a group of ever-popular ensemble numbers, among them the ten-step, waltz, fox-trot, tango and a spectacular Flame Ballet featuring Miss Patricia Chown, club professional, as ballerina.

Archie Duncan and Vera Willis, outstanding waltzing pair, will do their speciality, while Patricia Chown will be seen in a comedy bicycle act as well as in a pair number with her sister Margaret. Other Winnipeg soloists will include Sheila Smith, Archie Harrison, Ross Smith and Joan Perrin.

The program also will include numbers by several talented local skaters. Bud Severson and Pete Stenegaard, who scored a hit at a previous show, have developed a new costume comedy number, while Samuel Dicken will give a demonstration of acrobatics on skates, and Bubbles Wangenstein and Elaine Hammergren will present a novel duo.

Lester Ihle, general chairman of the carnival, announced today a heavy advance sale of tickets thruout this section of the state.

Juvenile Skating Star Performs Here Saturday

The Winnipeg Winter club, members of which will supply the major portion of the program at the ice carnival in the Thief River Falls arena Saturday afternoon and evening, features a number of pair and solo numbers, among the latter being the performance of Miss Sheila Smith, talented juvenile star, pictured above. A heavy advance sale of tickets is reported by the Junior Chamber of Commerce, sponsor of the annual event.

JUDGE BOTTELSON DIES TUESDAY IN PASADENA, CALIF.

Former Probate Judge Dies While Visiting at Home of His Son

Andrew Bottelson, highly respected local citizen who had retired January 7 from the office of probate judge after eight years of service, passed away Tuesday morning at 7 o'clock at the home of his son Cleon Bottelson in Pasadena, California, where he and Mrs. Bottelson had been visiting the past month. A resident of this city since 1912, he was 71 years old at the time of his death.

Funeral services will be conducted under Masonic auspices in the Community church next Monday afternoon, February 10, at 2 o'clock, Rev. S. S. Olafsson officiating. Mrs. Bottelson is being accompanied home from California by her son Cleon.

Born in Albert Lea May 10, 1869, Mr. Bottelson studied pharmacy in Minneapolis and practiced his profession in Blue Earth until 1906. He was married in St. Paul September 16, 1896, to Miss Edith Child of Blue Earth. After leaving Blue Earth, the family resided in Grand Rapids and later in Bovey, where Mr. Bottelson served as mayor until coming to Thief River Falls in 1912.

After his arrival here he established the East Side drug store, which he operated until 1932 when he was elected to the office of judge of probate. Following his retirement from that office he left with Mrs. Bottelson for California January 8.

Mr. Bottelson was a member of the Masonic lodge, Sons of Norway and was a past patron of the Eastern Star chapter, as well as a member of the Civic and Commerce association. In addition he was an active member of the Community church, serving for a long period of years as treasurer and member of the board of trustees.

The surviving family includes Mrs. Bottelson; three daughters, Dorothy (Mrs. Alvin Holzknecht) of this city; Mildred (Mrs. C. R. Nicoll) of Chicago; and Elinor (Mrs. George J. Rogers) of Albany, Georgia; and one son, Cleon Bottelson, of Pasadena. Another son, Hugh, a World War veteran, died in 1925.

PTA UNIT ACTS TO UNDERTAKE TWO PROJECTS

Appropriate $50 to Fund to Obtain Gowns for High School Chorus

WILL AGAIN SPONSOR PRE-SCHOOL CLINIC

U. of N. D. Professor Tells of German Blitzkreig in Poland

The Parent-Teacher association at its February session Monday evening in the Lincoln high school auditorium undertook another ambitious project in the form of initiating a fund to finance the purchase of gowns for the Lincoln high school chorus of seventy members.

The association voted to contribute $50 toward the estimated cost of approximately $430, and will seek donations from other sources in the community. Last year the group was instrumental in raising a total of more than $1,500 to buy new uniforms for the high school band.

The organization also voted to sponsor the annual pre-school clinic again this spring, and Mrs. V. C. Noper, president, announced the reappointment of Mrs. Andy Williamson to serve again as general chairman. Mrs. Clara Paulson, school nurse, spoke briefly in support of the project.

Following the business session, Mrs. Noper turned the program over to Supt. Morris Bye, the evening having been designated as Fathers' Night. After a session of community singing led by V. C. Noper with piano accompaniment by H. O. Chommie, C. V. Whitchurch supplied a group of vocal solos, accompanied by Harold Morrison.

The speaker of the evening was Dr. Charles Morley, professor of European history at the University of North Dakota, who discussed conditions in Poland during the German invasion, at which time he was serving as secretary at the American embassy in Warsaw.

He told of the territorial demands made on Poland by Germany in the spring of 1939, and of the Russo-German pact signed in August of that year. The German invasion, he stated, began September 1, after Poland had been delayed in mobilizing thru the influence of Prime Minister Chamberlain of Great Britain.

He stated that the embassy staff moved outside the city of Warsaw on orders from the Polish foreign office in order to escape bombing attacks, which the Germans immediately directed against railroad centers and airports. After a wild ride thru the night, with Dr. Morley driving Ambassador Biddle's car, the staff arrived near the Rumanian border, going later from there into Rumania and then to Paris.

Dr. Morley said numerous Poles are now in Scotland supporting the British armed forces, determined to restore control of Poland to its own people.

The board of education and men faculty members served lunch at the close of the meeting.

Eleanore Grovum-Garmo Jensen Wed Thursday

At a simple ceremony at the home of the groom's parents, Mr. and Mrs. Earl Jensen of St. Hilaire, Eleanore Grovum, daughter of Mr. and Mrs. Tom Grovum of St. Hilaire, became the bride of Garmo Jensen. Rev. V. E. Schroeder of this city performed the single ring candlelight ceremony before an improvised altar at 5:30 Thursday afternoon, January 30, in the presence of the bride's and groom's parents. Attendants were Mr. and Mrs. Alv Vistaunet of this city.

The bride wore an aqua sharkskin afternoon dress fashioned with a white collar and crystal buttons. Her accessories were in brown and she wore a shoulder corsage of pink and white carnations. Her attendant was attired in a rose colored street-length dress with a similar corsage. The bride's and groom's mothers wore black with maroon accessories and fuchsia with black accessories respectively.

Following the ceremony, a buffet candlelight supper was served by Mrs. Jensen, the table being centered with a two-tiered wedding cake topped with a miniature bridal pair.

Both young people are recent graduates of the St. Hilaire High School. The bride has been employed for some time by Mrs. Alv Vistaunet, while the groom was formerly employed at the F. W. Woolworth store here. They are at home with the grooms parents near St. Hilaire.

Berg-Carlson Nuptial Vows Solemnized Sunday

On Sunday afternoon, February 2 at 3 o'clock, Miss Clarice Berg, daughter of Mr. and Mrs. Bert Berg, became the bride of LeRoy Darrell Carlson of this city, son of Mr. and Mrs. Alfred Carlson of Detroit Lakes, at a simple but pretty ceremony in the Zion Lutheran Church. Rev. E. L. Tungseth performed the single ring nuptials. Miss Hazel Melin was chosen as bridesmaid while Wilbur Mavee was best man. Both attendants are from Thief River Falls.

The bride was lovely in a gold light-weight wool afternoon dress fashioned with a flared skirt, full-length sleeves, and trimmed with brown soutache braid. Her shoulder corsage was of red roses and sweet peas and her accessories were in brown. The only jewelry worn by the bride was a tiny gold cross, a gift of the groom.

Miss Melin was dressed in a light blue street-length costume with navy accessories. Her corsage was of yellow roses and sweet peas.

A wedding supper was given at the Berg home, 418 Tindolph Ave. South, by Mrs. Berg for the members of the immediate family. A blue and white color scheme was carried out, and centering the table was a decorated wedding cake.

Mr. and Mrs. Carlson left after the supper on a short wedding trip to Detroit Lakes where they visited at the groom's parental home. For her travel costume, the bride chose a princess style black jersey with bright yarn trim and white collar and cuffs. They returned Tuesday and are now at home at 324 LaBree Ave. N.

Mrs. Carlson was graduated from the Lincoln High School with the class of 1938, while Mr. Carlson was graduated in 1937 from the Detroit Lakes High School. Both have been employed for some time at the L. B. Hartz Bakery in this city.

MAP INDUSTRIAL DEFENSE PLAN AT CROOKSTON FRIDAY

Many Communities Represented at District Meeting

A picture of the program that is being mapped out to bring a share of defense business into Minnesota, and to make Minnesota facilities available to the government for handling defense needs were presented to 75 business leaders and city officials from points in the ninth congressional district at a meeting in Crookston Friday.

Mayor W. J. Kirkwood of Crookston welcomed the visitors and explained briefly the purpose of the session, one of nine held in the state simultaneously Friday afternoon. The Crookston meeting was at the city council chambers.

Mayor Phillip R. Monson of Fergus Falls, who was elected temporary secretary for Defense, Inc., when it was organized in Minneapolis last week, explained the plan which has been evolved to coordinate Minnesota facilities and defense demands to the mutual advantage of state industrials and the nations needs.

Towns represented at the meeting were Crookston, Thief River Falls, Fergus Falls, Henning, East Grand Forks, McIntosh, Warren, Roseau and Ada.

Included in the Thief River Falls delegation were Mayor W. W. Prichard, Philip Hawkins, Elmer Adolphson, E. J. Rustad, Roy Larsen, Norbert Holzknecht, Carl Brahs, Carl Wennberg and Millard Nelson.

Eleven-Year-Old Girl to Appear in Court Today

A local girl, 11 years old, will appear in juvenile court this afternoon after having confessed to police to several offenses committed during the past year. She is reported to have admitted stealing a pair of skates valued at $12 from a local store, as well as taking $100 worth of jewelry from a woman's purse in Tindolph park last summer, in addition to taking $10 in cash from a school teacher. Police recovered the skates and most of the jewelry.

C. D. Gustafson and Walter Smith Named on Mercy Hospital Board

C. D. Gustafson was reelected to the board of trustees of Mercy hospital, and Walter E. Smith was elected a trustee to succeed Joe Holmes at the annual meeting of the Mercy Hospital association Monday afternoon. At the organization meeting of the board Mr. Gustafson was named president; Alfred Bredeson, vice president; and Mr. Smith secretary-treasurer. At the meeting it was announced that the hospital's capacity had been taxed to capacity in 1940, the number of patients increasing to 891 from 826 the preceding year. A total of 254 babies were born in the hospital in 1940.

Frank Hardisty Named on Advisory Board of Valley Livestock Unit

Three men were re-elected directors of the Red River Valley Livestock Association at the annual meeting held Monday afternoon in connection with the Winter Shows. They are P. M. Finkenbinder of Crookston, C. D. Brantner of Georgetown and A. A. Habedank of Ada.

The present officers of the board, who will hold office until the next organization meeting, are T. M. McCall of Crookston, president; J. H. Sargent of Crookston, vice president; A. A. Habedank, treasurer; and O. M. Kiser of Crookston, secretary.

Among those elected to the advisory board at Monday's meeting were Fred Purath, Red Lake Falls; Frank Hardisty, Thief River Falls, and Carl Anderson, Warren.

Carl Ostby of Grygla were held at 2 o'clock on Monday, Feb. 3 at the Bethlehem Church and interment was made in the church cemetery. Surviving the child are his parents, his grandparents, Mr. and Mrs. Victor Trochmann of Agder township, and Mr. and Mrs. Joseph Otnar of Langdon, N. D., and one brother, Richard at home.

Featured Performers at Skating Show Here Saturday

Pictured above are the Chown sisters, featured skaters with the Winnipeg Winter club, members of which will perform at the fourth annual ice carnival in the Thief River Falls arena Saturday afternoon and evening, February 8. Miss Patricia Chown, at left, is professional instructor for the Winnipeg club, and will be a star performer in the flame number, as well as appearing in a comedy bicycle act.

RECREATION HIGHLIGHTS

The recreation program is sponsored by the City Council in cooperation with WPA recreation leaders.

Handicraft

Participants in handicraft are making valentines now. Many of them are being made for parents, teachers and friends. Everyone is invited to make use of the handicraft facilities. Next on the list of handicraft work is sewing.

Craft Shop

Bob sleds are still being made in the shop. Several toboggans have been restored to newness. Skiis have been repaired by many participants. Many other articles are being made by children and adults. Monday and Friday nights have been set aside for adults. All are invited to the shop.

Puppetry

Another show will be held today at 4:20 o'clock in the theatre. Hundreds of spectators have been on hand for the past few shows, among them many parents. Others are welcome. Children are invited to come to the construction room any time to make puppets. Social games and dances are also being taught in connection with puppet work.

Skating

Four school rinks and the arena are available for all those who enjoy skating. All rinks are supervised. Miss Ruth Knauf, local figure skater, has been hired as instructor at the arena. Lessons are free to all who are interested. Miss Knauf works every weekday afternoon and evening.

Girls Club

The Triple L's club met in the Arena Monday night for their regular business meeting. Assignments were made for "Recreation News", and the evening concluded with social games.

Day and Melby Propose Institution for Feeble Minded in North Region

Claiming that hospital facilities for care of feeble-minded persons are "totally inadequate," two legislators last Thursday introduced a resolution asking a survey designed to lead to construction of a feeble-minded hospital at a central point in northern Minnesota.

The resolution, by Reps. J. O. Melby, Oklee, and Walter E. Day, Bagley, asks that the director of social welfare make an immediate study and recommend to the next session the location for an additional hospital for feeble-minded in northern Minnesota, together with the site, approximate cost of construction and equipment.

"Hudson's Bay," Film of North Wilderness, to be Shown at Falls Sunday

Starring Paul Muni, "Hudson's Bay" will be presented at the Falls theatre Sunday, Monday and Tuesday, with a midnight prevue Saturday evening at 11:15. The setting of the picture is in the frozen north in the pioneer days. Others in the cast are Gene Tierney and Laird Cregar.

"City of Conquest", with New York as its background, will be the offering at the Avalon theatre Sunday and Monday. Leading roles are taken by Jimmy Cagney, Ann Sheridan, Donald Crisp and Blanche Yurka.

R. R. VALLEY WINTER SHOWS NOW UNDER WAY IN CROOKSTON

(Continued from page 1)

tions, the Crookston Association of Public Affairs, and communities all over the Valley took hold this year to make the Shows an outstanding success.

O. M. Kiser, general supervisor of the livestock show, reports a total of 686 head of livestock for an all-time high in this division. Of these 532 head are entered in open classes, 90 head in 4-H, and 91 animals are on display prior to the purebred sale to be conducted Thursday and Friday. The livestock entries include 141 sheep, Hampshires and Shropshires; 209 swine, Polands, Durocs, Chester Whites, Berkshires, and Hampshires; 336 cattle, Herefords, Beef Shorthorns Angus, Holsteins, Jerseys, Guernseys, Milking Shorthorns, and Brown Swiss.

R. S. Dunham, superintendent of the farm crops show, reports 603 entries presented by 145 exhibitors. The number of entries is the greatest in the history of the show, with the exception of the record year of 1939. There are 108 entries of corn, 212 of small grains, 104 of legumes and grasses, 108 of potatoes, 71 of utility seed stocks, and 12 miscellaneous.

H. A. Pflughoeft, superintendent of the 4-H division, reports 150 members exhibiting this year. They are presenting 47 beef calves, 14 purebred gilts, 20 dairy heifers, and 17 purebred ewes in addition to the biggest 4-H potato show, in many years.

Horace and Ida F. Dalager of Hazel and K. T. Dalager of St. Hilaire won Pennington county awards on legumes shown this week at the Red River Valley Winter Shows in Crookston. Otto Hjelle of Newfolden won first place in the professional class with his sweet clover seed, and Carl G. Larson and Clair Larson, both of Hazel, won the Pennington county potato awards.

William Kruse of Thief River Falls won the top corn award for Pennington county, while K. T. Dalager won first flax, Lerrie Vatne won first on rye, and Lewis Vatne won first on wheat.

In the high school general livestock judging event Park Rapids won first, Fosston second and Blackduck third.

Roseau county was first in farmers' club general stock judging, Norman was second and Kittson county third.

Pennington county won first honors in 4-H general stock judging, Clay county was second and Red Lake county third.

In the 4-H dairy stock judging event Todd county won first, east Polk county second and Clearwater county third.

The Ulen team won first in the high school dairy judging contest, Warren won second and Plummer third.

Gibson, Mellby Attend Gamble Store Meeting

Gleming Gibson and Paul Mellby of the local Gamble Store have returned from the 16th annual sales conference of the Gamble Store organization which was held in Minneapolis on Monday and Tuesday of this week. Nearly 750 Gamble Store managers and authorized dealer store owners attended the meeting which brought together men from all over Minnesota and surrounding states for the purpose of discussing merchandising plans and company policies for the coming year. Many officials from the home office of Gamble Stores addressed the meeting including P. W. Skogmo and B. C. Gamble. In addition to company officials, representatives of 31 manufacturers from all sections of the country addressed the meeting.

Board Calls for Bids on 12 Miles of Grading Jobs

The Pennington county board at its February session Tuesday acted to call for bids on 12 miles of grading jobs, the bids to be opened March 5. Included in the jobs are five miles on County Aid Road 49 in North and Silverton townships; three miles on County Aid Road 40 in Rocksbury; and three miles on CAR 10 and one mile on CAR 34 in Black River township.

Auditor Distributes $41,276 Received in School Aid Payments

Distribution was made last week by County Auditor A. M. Senstad of a remittance of $41,276.14 covering various state aids due school districts of Pennington county. Chief beneficiary was the local school district, No. 18, receiving supplemental aid in the sum of $22,763.91 after being prorated at 65 per cent; and classification and transportation aids of $3,166.56 after being prorated at 54 per cent. The district also received $6,850 as its share of the second half of income tax payments for 1939, payable in 1940.

New Livestock Buying Agency Opens in Thief River Falls on Monday

A. P. Fiedler of Fergus Falls this week announced the opening Monday, February 10, of the Thief River Livestock Buying agency, to be located at the Great Northern stockyards, with A. J. Hoverman, long-experienced in the livestock buying field, in charge here. The agency, he stated, will be open daily from 8 a. m. to 5 p. m. Stock assembled here will be shipped to Armour & company at West Fargo while small shipments of feeder cattle will to the auction market at Fergus Falls.

St. Bernards, Washington Win Midget Hockey Tilts

In games played last Saturday on the Washington school rink, St. Bernard's midget hockey team nosed out the Knox sextet 4-3. The first game went into overtime. Bud Brevost was St. Bernard's standout performer with Lester Vignes and Robert Amundson playing well for Washington and Northrup respectively. The midget hockey league is a part of the WPA-City recreation program.

NEW RURAL MAIL CARRIER TO BEGIN WORK ON MONDAY

Postmaster General Names Theodore A. Beulke to Rt. 3 Post

Postmaster Andrew Anderson was notified this week of the appointment by Postmaster General Frank Walker of Theodore A. Beulke of this city to the post of mail carrier on Rural Route 3 served by the local postoffice.

Mr. Beulke next Monday will assume his new duties, succeeding Michael J. Cosgrove, who had filled the position on a temporary appointment during the past year, pending the outcome of civil service examinations which were taken last May by nearly 100 local citizens.

The new appointee was given a preferential rating in the examinations owing to the fact that he saw active service in the World War.

Harry Lund to Preside at Crookston Meeting of Road Contractors

A highway grading contractors' meeting, with Harry Lund of Thief River Falls presiding as chairman, will be held at the Crookston Hotel, Crookston, February 6th, 1941, 4:00 P. M., according to an announcement from the Associated General Contractors of Minnesota, which is sponsoring the meeting.

An attendance of some thirty-five contractors is expected for this meeting, as grading contractors throughout northwestern Minnesota have been invited to attend.

Mr. O. W. Swanson of St. Paul, newly elected president of the association, is attending this and other meetings scheduled at other points, developing a closer understanding of contractors' problems and to promote the interests of the industry.

Roads Are Icy—Drive Carefully—Avoid Scenes Like This

Slippery roads caused this accident which occurred Saturday afternoon on Trunk Highway No. 32 a mile north of town, in which the Hanson family, of Erie, had a narrow escape. Alvin Hanson was returning from the CCC camp at Middle River. With him in the car were his mother and father, Mr. and Mrs. Benny Hanson, sister Orny and younger brother Orvin. On an ice coated road, Alvin suddenly lost control of the car and it rolled over into the ditch. Fortunately the occupants escaped with only minor injuries. Pictured above, Mrs. Hanson is being assisted to the road while at the right, still badly shaken and somewhat bewildered, are Alvin and his father.

Roseau School Quintet Plays Prowlers Tuesday

The Roseau high school basketball team, a strong contender for the title in District 32, will invade this city next Tuesday evening, February 11, for a game with the Prowlers in the Lincoln high school gym, Principal W. G. Claffy stated today.

Fargo Comets to Play Hockey Here Tonight; Grafton Coming Sunday

A change in the hockey schedule to enable the Thieves and the Comets to make up games previously postponed, brings the Fargo-Moorhead team here tonight, Thursday, for a match that will open at the Arena at 8:00 o'clock. Manager Saul of the Comets has secured the services of Hodge Johnson, an American Association regular, who will strengthen the team greatly as a playing coach. Johnson played defense last year with St. Paul. That the Comets are improving rapidly is indicated by recent close scores, they having lost to Grafton Tuesday night by one point in an overtime period.

Grafton plays here Sunday afternoon, a game local fans have been looking forward to since the broadcast battle at Grafton two weeks ago which the Thieves won in an overtime period. A record crowd is expected for this contest.

Minnesota "U" to Get Rockne Football Award

At least two and probably three of the celebrated "Four Horsemen" of Notre Dame's most famous football team under the late Knute Rockne will visit the University of Minnesota Saturday evening, February 8, to attend the final award of the Knute Rockne Memorial Trophy to the University of Minnesota for excellence in football. This is the final award of the trophy, and Minnesota will retain it permanently. It has been awarded to Minnesota on the basis of the Dickinson rating system, developed by Professor F. G. Dickinson of the University of Illinois. Professor Dickinson has announced that he will discontinue the ratings hereafter.

PROWLERS DEFEAT EAST GRAND FORKS BY SCORE OF 40-28

Eddie Flasch Leads Scoring for Locals with Total of 18 Points

Playing on the district tournament floor at East Grand Forks last Friday night Coach John Lindenmeyer's Prowlers, by a 40 to 28 score, trounced the Green Wave five. Eddie Flasch's red-hot first half play, when he marked up 5 field goals and 3 free throws for 13 of the 18 points scored by the Prowlers, gave the Thief River team an 18 to 16 lead at the half time intermission. Eddie collected 2 field goals and a free throw in the second half, to give him an 18 point total for the night.

A free throw by Don Harney and a field goal and a free throw by Babcock gave East Grand Forks a 4 to 0 lead in the opening period before Flasch chalked up the Prowlers' first point on a free throw. Flasch added another free throw; and then intercepted a pass in mid-court and dribbled away from the East Siders to tally a field goal on a lay up shot; Eddie found the net again for a field goal when he dropped in a long shot, to give the Prowlers a 6 to 4 lead. Harney went in for a close shot; and then converted on a two shot foul, and the Green Wave led, 8 to 6. Armand Pederson, playing at center for the locals, looped in a free throw; and Flasch rang up a gift toss, and then, on the finest play of the game, Eddie dribbled the length of the floor and lifted a field goal into the basket. Lenny Lorentson flipped in a side shot and the Prowlers led, 12 to 8, at the end of the period.

Thompson cut the Prowler lead to a two point margin when he connected for a field goal; Orrin Pederson dropped in a free throw; and Don Berg brought the Thief River lead to 4 points when he made the second of his two free throw tries. Harold Harney sank a free throw; and then in rapid succession, Eddie Flasch whipped in two field goals. A free throw by Worden and field goals by Thompson and Don Harney brought the East Grand Forks team to within two points of the Prowlers at the half time recess, the Prowlers leading, 18 to 16.

Opening the second half, Althoff, Bale Peterson, and Armand Pederson counted on free throws; Johnny Parbst picked up a rebound and tipped in a field goal; Flasch lifted a one-handed toss into the basket; Don Harney's free throw was the first East Grand Forks point of the second half; Jimmy Conner dipped a Prowler free throw into the basket; Mortrude found the net for an East Grand field goal; and Orrin Pederson, on a pivot play, scored a field goal for Thief River; Harney racked up two Green Wave free throws; and Don Berg, on a long shot, closed out the period's scoring, with the Prowlers leading, 30 to 21.

Larry Worden on a free throw, and Bennet Larson's field goal, chipped the Prowlers' lead to six points as the final period opened. Denny Althoff dropped in a one-hander; but Potter came back with an East Grand Forks field goal, on a close shot. Flasch tossed in a free throw; and Althoff lifted another one-handed shot into the basket, Parbst took an under the basket pass and tipped in a field goal; Flasch recovered a rebound and looped the ball into the net; and Lenny Lorentson brought the Prowlers total to 40 with his free throw. Mortrude's long shot, just before the game's end, chalked up the final points for East Grand Forks.

The game which was ragged at times, was made slow by the numerous fouls, with 21 personals being called on Thief River Falls and 22 fouls being called on East Grand Forks. Denny Althoff and Armand Pederson of the locals were ejected from the game, with four fouls each; while Kennedy and Babcock were the Green Wave boys who left the game on fouls.

In a preliminary game the Prowler 'B' team, with a fourth period spurt, defeated the East Grand Forks 'B' team, 24 to 15. High scorers for the Prowler 'B' team were Gjernes with 6 points, and Bob Powell and Jack Melby, with 5 points each.

The Prowlers travel to Bemidji on Saturday night, for a game with the Lumberjacks; and then return home to begin preparations for their game with Roseau here on Tuesday night, Feb. 11th.

GO AHEAD OR BACK UP

Opposition to the administration's Lease-Lend bill seems to be directed chiefly at the possibility of an abuse of power by President Roosevelt; that with the broad powers granted to him by the act he will lead the country into active participation in the war.

Most of those who object to the bill for these reasons still say they are willing to give aid to the countries now fighting the Hitler combination. They will give supplies to the Allies. They will do everything possible to help them, short of actually going to war.

This means, if it means Anything, that they are willing to do everything that Roosevelt wants to do, except offend Adolf. If Hitler doesn't like what we are doing, and tells us he will declare war on us if we don't stop it, then, presumably, we should immediately stop it.

That, to us, is a craven attitude.

It is either right to help the allies or it is wrong. If it is wrong, then let's withdraw all aid. Let's not be two-faced about it. We'll tell them frankly, all of them, the Chinese, the Greeks, the Canadians, the Norwegians and all the rest, to go fly a kite. We'll have no truck with them. They can shift for themselves.

But if it is right that we extend assistance, if it is proper that we give our support to the nations that are fighting the aggressors, then let's not be wishy-washy about that either and if it means that we then must tell Herr Hitler to go fly a kite, okay, tell him.

In granting unusual powers to the President it is proper that certain limits be prescribed. It is serious business and should not be acted upon until all of the possibilities have been carefully considered. Now is the time for these problems to be discussed in plain language, language that everyone can understand.

But if we are committed to an aid-the-allies program, then let's do everything necessary to make that aid effective. If conferring unusual powers on the President or some other central authority is necessary to the effectiveness of that aid program then let's grant the powers.

If we go part way, we will have to be prepared to go all the way. This is a fight and not an afternoon tea. We either have to get in with every ounce of effort we can put into it or do a shameful about-face. We do not believe the country will choose to do an about-face.

It will be surprising to many people in this territory if we go through this week without a bad storm. The Winter Show at Crookston generally brings with it a blast of wintry weather. We have thought several times that they ought to change the name of the annual exposition to something slightly milder.

For a couple of hours of excellent entertainment, attend the skating show at the Arena Saturday.

Back in 1931 Congress passed the silly Silver Purchase Act, providing that one-fourth of the total monetary value of the gold and silver stocks of the government should be in silver. Since then the government has been paying premium prices for silver but the gold stock has been increasing so much faster than the silver stock that the proportion of the steadily increasing silver stock is less now than it was a year ago. Last year the government put 265 million dollars into silver, to be put back into the ground. Now that the national defense program provides ways for the government to spend money for necessities, it is to be hoped that some of the foolish methods adopted in the days of the brain trusters will be discontinued.

To be strong, the American people must abandon the "something-for-nothing" policy. As a nation, we must reverse ourselves and begin to PUT INTO our government instead of TAKE OUT.—George Peck.

World news has been so interesting we have paid little attention to what has been going on in our own state capitol these last weeks, but apparently nothing particularly alarming has happened or is threatening to take place. Local sportsmen have been a little concerned over a suggestion that funds collected by the Game and Fish department be turned into the general revenue fund, giving the legislature more to say about the spending, but there seems to be little likelihood that this will be done. No big issues are developing apparently. Old timers in the Republican party are sniping at the governor for his unforgivable sin of ignoring them, and their resentment may find expression through attempts to embarrass his appointees, but these are personal matters that are not particularly interesting to anyone but the few individuals directly involved. So the state probably will survive the present legislature as it has many others, and the law makers will return peaceably to their respective homes when the session has ended, weary from their ceaseless efforts in the interests of the dear people, but not so weary that they won't be willing to go back and try again two years from now.

SMALL CHANCE OF SUCCESS

(Milan Standard)

An effort will be made during the present session to reduce the membership of the Minnesota legislature. There are 67 senators and 131 representatives. That makes both house and senate unwieldy for effective business. Too much power must be left in the hands of a few leaders.

That is especially true in congress. Dictatorial methods have been adopted in the house with its membership of 435. Discussion is more free in the senate where 97 senators jealously guard the privilege of free speech.

Too large legislative bodies are in effect a menace to democracy.

There is a reason for over-sized lawmaking assemblies. Few members like to vote for bills reducing the membership because it will mean that many of them will lose their chance of re-election. In other words, they hate to vote themselves out of a job.

For this reason any effort this winter to reduce the size of the state legislature has little chance of success.

RETURNING THE SERVICE

(Montevideo News)

A stirring story comes out of the state office of Selective Service. That department, by the way, has a public relations officer who knows a good news release when he sees it. To the story:

When you and your husband start married life on $10 a month as hired farm hands, in 1911, and have since been able to retire, financially independent, even after raising a family of seven sons and one daughter, there must be something pretty much all right with the country you live in.

Mrs. Nanna De Groot thinks so.

Mrs. De Groot came into the Nobles county Selective Service local board in Worthington. She told the clerk that three of her boys had already enlisted in the National Guard and would leave next month when called for active duty.

She also said that she wanted the fourth son to be called to duty as soon as possible.

"And," she added, "if that is not enough, the rest of my family and myself will go."

Mrs. De Groot was born in Germany, her husband in Holland. Five years ago they took out citizenship papers, in appreciation of their adopted country. And today, in deep gratitude for what America has given them, Mrs. De Groot offered her whole family to the service of the United States.

NO WONDER HE CANCELLED

(Memphis Commercial Appeal)

Vladimir Horowitz, celebrated pianist, cancelled a Newark concert date recently, and the sponsors released the following explanation from three physicians:

We have under our care Mr. Vladimir Horowitz, who is convalescing from a traumatic tenosynovitis of the flexor digitorum sublimis and profoundis muscle at the metacarpophalangeal joint. He is constantly improving but it is our opinion that he needs further medical management.

On being translated with the aid of a medical dictionary this turns out to mean that Mr. Horowitz had hurt a finger. It also reminds us to wonder again why medical reports, laws, lawyers' briefs and such like could not just as well be written in plain English. Mr. Horowitz is far more likely to pay a large bill after reading the foregoing than he would be if the doctors had blurted out: "The guy's got a sore finger," but that doesn't satisfy us.

DID NOT THINK THEY COULD TAKE IT

(Fergus Falls Journal)

When France collapsed, United States Ambassador Joseph P. Kennedy, millionaire liquor importer and heavy contributor to the Roosevelt campaign fund, opposed sending American aid to Britain and insisted that the British would quickly collapse. Before he left London for the United States, he conceded: "I did not know London could take it. I did not think any city could take it. I am bowed in reverence."

It is doubtful if Kennedy will go back to England, but his statement gives some idea of what the English have undergone since the Nazi raids began. It was hinted when he was appointed ambassador that he had no love for the British, but he now frankly admits that he admires the way they stood up under punishment and the papers over there indicate that they have come to like him.

Music Class to Present Program Sunday Evening

On Sunday evening, February 9, the Saint Therese Music Class will present another of their interesting programs. Much enthusiasm and painstaking attention to detail has been a part of the preparation, and everyone is looking forward to a delightful entertainment.

The orchestra will open the program with rest and rhythm. Both Classical and modern music will be rendered as solos, duets, and trios on piano, violin, guitar, and accordion. This will give a great number of students a chance to participate. It is certain that these public performances will be a mutual encouragement for both pupils and parents.

The primary pupils have prepared a quaint minuet dance, displaying the customs of the old colonial days. This will lend a pleasing variety to the musical numbers.

The young members of the violin department will demonstrate what can be done in the study of the violin.

The public is cordially invited to attend this program in St. Bernard's School on Sunday evening at 7:30 o'clock.
